Cupid's Advice:

Drama is unfortunately an unavoidable part of life. However, with the right attitude, most unpleasant situations can be diverted. Cupid has three love tips below to help keep your relationships drama-free:

1. Act only with good intentions: It's an unwritten rule that those who wreak havoc will ultimately face havoc of their own. Instead of seeking revenge on an ex, show them you're the better person by letting it go or even helping them out. When fighting with your current love resist the urge to intentionally do anything you know will make them angry because, at the end of the day, nothing good comes out of vengeance.

2. Avoid negativity: You've likely heard it a thousand times but keeping negative people in your life will only attract drama and pessimistic views. Avoid lovers who focus on the bad and seek partners who's positivity emanates directly from them.

turning a heated discussion into a full-blown fight.
