Relationships and love can end for a multitude of reasons, but often times these can be prevented if you both put in an effort to save the crumbling relationship. Giving up on someone you care about should be the last resort, especially if it's your spouse. Cupid has three love tips to help you avoid a break-up:

2. Do something memorable together: If your relationship has hit a wall then try spicing it up with an exciting adventure or activity. Take a weekend vacation or go on a hike so you and your love can try and rekindle what you once had. This will also give you valuable time to talk about and resolve any issues the two of you face.
