## Cupid's Advice:

There are many reasons a couple would want to start a family, as well as there are lots of reasons for delaying to procreate. Whether you are trying to enjoy your time with your partner, are focused on a career or just don't have an ideal schedule to raise children – there are many reasons that delaying to start your family can be a good option. Cupid has some relationship advice:

**1. Career:** Striving to have a successful career is a great thing. It will benefit you and your family when you decide to start having children. It's good to be financially and emotionally ready to have babies. Working hard on your career takes up a lot of time. Achieve your goals and establish a steady career before you have a family and won't have as much time to devote to your job.

**2. Focusing on your relationship:** A relationship is a lot of work. Once you decide to start a family with your partner, you're not going to have as much one on one time together. Make sure that you get to enjoy the honeymoon stage of your relationship. Take the opportunity to spend quality time together, travel, and do whatever suits both of your interests. Once you start a family, you will still get time with your partner but it won't be as much, so indulge in their company now!
