Below are a few ways that you can document your pre-parenthood experience, even if you and your significant other aren't a celebrity couple:

**1. Scrapbook:** It may be "old fashioned," but having something tangible for your child to look at as they grow up can be very special. ### Cupid’s Advice:

Some people are really in a rush to have kids after they get married, and the more power to them! We aren’t all in that frame of mind, though, and there are plenty of reasons to hold off on having kids at first. Cupid has some insight:

**1. Financial security:** Before bringing a child into the world, you want to make sure you can provide for him or her. If you’re not where you want to be financially yet, then take some time to build up a foundation. Once you feel secure, consider adding to your family.

## **Celebrity News: Chris Brown Brings 11-Month Old Daughter as Date to Billboard Awards**

By [Courtney Omernick](#)

In latest celebrity news, it seems as though Chris Brown wasn't the only good looking celebrity at the Billboard Music Awards this past weekend. Chris brought his adorable, 11-month-old celebrity baby daughter, Royalty, along as his date. Royalty stole the show with her golden colored tutu, white fitted jacket, and her Timberland kicks, according to [E! Online](#).

**Latest celebrity news shows that Chris Brown clearly values his role as a father. What are some ways to know your partner will do the same?**

**Cupid's Advice:**

Although this celebrity news article shows Chris Brown as a great dad, he hasn't built the best reputation for himself in the past. Even if you've been with someone for a long time, it

can be hard to tell how they'll act once you bring a child into the picture. Cupid has some tips:

**1. They know what you need:** Do you need to be left alone? Do you need comfort? If your partner is able to sense your mood and what you need, chances are they'll be a good parent. If they can tell what you need, they'll be able to tell what your child needs.

**Related Link:** [Haylie Duff Gives Birth to Celebrity Baby – a Daughter!](#)

**2. Last minute plans don't bother them:** When you have a child, everything can change at the last minute. Babies don't have a strict schedule. If your partner can adapt well to an ever-changing situation, they may be a good parent.

**3. They express their feelings:** When it comes to raising a child, it's important to know when to set boundaries. A great piece of dating advice is if your partner is vocal about their feelings, chances are, they'll pipe up and become emotionally invested when it comes to raising your child.
