1. You cannot be too loving with your child: No matter how much you love your child and show it, it will never be too much. So don’t be afraid to spoil your kiddo with lots of love. Just don’t let that love manifest in a negative form, such as helicopter parenting.

2. There is no such thing as the perfect parent: Humans by design are flawed creatures so of course there’s no way someone could be a perfect parent. But that’s OK. What matters is how you love and take care of your kid – that’s all they care about. They don’t want perfection.
