no longer together. Pratt and Faris should start offering [parenting advice](#)!

## **Chris Pratt and Anna Faris are setting the golden standard on co-parenting. What are some ways to co-parent when the relationship is less than friendly?**

### **Cupid's Advice:**

Divorce isn't easy, especially when you might never want to see your ex again. How should you set your own golden standard for co-parenting your child(ren)?

**1. Remember that you were a happy family once:** Even though things are tough now and you might not be able to stand each other, remember that you were a happy family together once. Divorce isn't just hard on the both of you, but on your kid(s) too.

**Related Link:** [Celebrity Exes: How Chris Pratt Told Anna Faris About His Engagement](#)

**2. Never speak negatively about the other parent:** Hearing bad things about their parents can leave a long-lasting impact on children that might cause them to act out in school or at home. Never, ever say anything nasty about the other parent. Remember, kids are like sponges. They like to repeat what they hear, and your other co-parent is likely to find out what has been said about them eventually. Would you rather get through this co-parenting thing together relatively unscathed, or hardly be able to stand each other when you're in the same room together if your child needs you?

**Related Link: [Celebrity Wedding: Chris Pratt & Katherine Schwarzenegger Are Engaged!](#)**

**3. The both of you need to swallow your pride:** There will be birthday parties, family nights, holiday gatherings, and school events. Your child(ren) needs to feel loved first. They will need reassurance that Mom and Dad can still get along. Put aside your differences and have a board game night. If you've moved on already, include your new S.O. if the other co-parent has agreed to let your kid(s) meet them. While things might be awkward at first, eventually the less than stellar relationship as co-parents will become easier.

**What are some ways you suggest making the co-parenting relationship work when things aren't great with your ex?**

## **Celebrity Baby: Meghan Markle Reveals Due Date**

By Mara Miller

In the latest royal [celebrity baby](#) news, Meghan Markle revealed her due date during a walkabout in Hamilton Square with Prince Harry, according to *EOnline.com*. Markle is currently six months pregnant; the [celebrity couple](#) is expecting their first baby between April and May. The Duchess and Prince have decided to wait to find out the gender of their baby. This is the closest confirmation of her due date available since Kensington Palace previously announced the baby is expected in Spring 2019.

**Meghan Markle and Prince Harry are about to have their first celebrity baby. What are some ways of announcing your due date to the world?**

**Cupid's Advice:**

Announcing your due date isn't something you need to keep a secret if you don't want to. What are some ways you can tell your family and friends your exciting news?

**1. Photographs:** You could do a mini photo shoot with the ultrasound picture and baby shoes. If you have an older child or a pet, include them in the announcement photo. You could have your older child standing next to a chalkboard with something that says, "Big (sister or brother) starting (insert due date)". For your pet, you could do something like taking a picture of their paws next to baby shoes. Have fun and get creative!

**2. Announce to immediate family:** Announcing your pregnancy and due date is an exciting time for you and your partner, as well as for your family and friend. If you don't want to immediately let everyone on social media know before your close circle does, plan unique announcements for each group! Don't let the pressure of sharing your due date stress you out; it doesn't have to be extravagant. A phone call to your mother (instead of texting) means more because it's personal. Or maybe a cup that says, "World's Best Grandma/Grandpa/Uncle/Aunt" and a picture of the ultrasound with the due date will be more memorable for years to come.

**3. Make something special (or have something special) made to celebrate:** You can go beyond having a cup made when you announce your due date. If you're creative with programs like Photoshop, you could create a movie poster with the due date or make a small trailer with a video editing program (like iMovie or Windows Movie Maker). If you create the movie poster, you could put it in the baby's room once they're born.

**1. Make sure you’re prepared:** Having children comes with a lot of responsibilities. You and your partner need to have money, space, time, and other resources to have one or more babies. Don’t rush into having more kids if you and your partner aren’t ready for that extra commitment.

**In celebrity baby news, Khloe and Tristan are ready for another baby already. What are some ways to decide how many children to have?**

**Cupid’s Advice:**

In a lot of ways deciding to have another child can be even harder than deciding on having the first one. It’s a bit more complicated now, but Cupid has some ways to decide how many

children to have:

**1. Think about timing:** Ask yourself is it the right time to start trying again. Is mom ready? Because pregnancy and childbirth are stressful for a mother, even if everything goes right. Are you financially stable to provide for another child? How many children do you already have? Because one baby is expensive but a second is equally expensive.

**Related Link:** [Celebrity News: Diddy Navigates Life as a Single Father After Kim Porter's Death](#)

**2. Consider your family at this moment:** Think about everything you've been through with the first child. Another child changes your family dynamic, it also challenges your relationship and routine you've already established. You have to question yourself and ask yourself what are you ready for and what is your family ready for?

**Related Link:** [Celebrity News: Ariana Grande Says She Will Always Have 'Irrevocable Love' for Ex Pete Davidson](#)

**3. Financial stability:** As a parent, you already know how expensive having a child is. However, some expenses are lessened because you already have things from the last child. There's also the long-term things like daycare and schooling added on to your daily expenses. According to USDA estimates, two-parent households spend's 27% of their income on one child, as the children multiply: two children 41% and three 47%. It's a lot to consider. There are a lot of doubts and what ifs, but let your decision come from your heart.

# Celebrity Baby News: Jason Aldean & Wife Brittany Reveal Sex of Baby No. 2

By Rhodesia Williams

In [celebrity news](#), Jason and Brittany Aldean revealed the gender of their [celebrity baby](#)! According to *EOnline.com*, the [celebrity couple](#) have gone through a lot in the pregnancy department. The couple decided to do a gender reveal for their daughters. Jason tossed a ball while his daughters took turns trying to hit one to see what color was inside. It looks like this [celebrity relationship](#) found light at the end of the tunnel. Congrats to the happy couple, who are expecting a baby girl.

# In celebrity baby news, Jason Aldean and his wife Brittany are expecting a second girl. What are some unique ways to announce the sex of your unborn baby?

## Cupid's Advice:

It's safe to say the most exciting part of a pregnancy is finding out the sex of the baby. Cupid has some advice on unique ways to announce the sex of your unborn baby:

**1. Gender reveal parties:** Gender reveal parties are all the rave now! Instead of having just a baby shower, people will also have a gender reveal as well. This party includes everyone in on the fun. There are plenty of games to be played, like at a baby shower. People reveal the gender by releasing balloons in the air or even cutting a cake with the inside being the color of the gender. This is a fun way to include friends in family in on the excitement.

**2. Surprise, surprise!:** A fun way to announce the gender of your unborn baby is to decorate the baby's room with the colors related to the gender. Invite close friends over for a small get together with them just thinking it's just that, a get together. While still being able to play little games, or even take a few bets, later on you can tell your guests that the get together is to reveal the gender. You can reveal the gender by simply opening the door the baby's room. Your guests will be in shock and won't expect it.

**3. Invites only:** A unique way of announcing the sex of your

baby could be included with the baby shower invitations. Being pregnant is tiring but to be continuously asked what you are having could be runner up. Surprise everyone by sending out baby shower invites that correlate to the sex of the baby. While people will think they are receiving a baby shower invite, they will be surprised to learn the gender of the baby. A good idea is to have the details of the invitation on the front and in small letters at the bottom write, "by the way." On the back you then reveal the gender. It's a cute, yet easy way to reveal the gender of your bundle of joy.

By Rhodesia Williams

In latest [celebrity news](#), [Carrie Underwood](#) is expecting [celebrity baby](#) number two. According to *UsMagazine.com*, [celebrity couple](#) Carrie Underwood and Mike Fisher are excited to welcome their child, but also have plans to potentially adopt in the future. It looks like this family just keeps getting bigger and bigger.

**In celebrity baby news, Carrie Underwood and Mike Fischer are expecting their second child. What are some ways to prepare differently for a second child versus for your first?**

**Cupid's Advice:**

As exciting as it can be having a second child, it is a little

more calming. There are things you did with your first child that you probably won't do with your second. Cupid has some ways to prepare differently for your second child versus your first:

**1. The registry:** Whether you planned on having a second baby or not, carefully choose the items on your registry. If you have anything left over from your first child, it doesn't hurt to use it again. When making up the registry, pick the items you know you will use and/or need. Adding different items you didn't really use with your first baby will probably go unused with your second. This will save you money in the long run and you will have everything that you will need. You can never have too many diapers and wipes.

**Related Link:** [How to Celebrate the New Year with a New Baby](#)

**2. Make room:** Time to make room for your new bundle of joy. It doesn't hurt to get a head start on arranging the sleeping arrangements. Planning ahead makes things so much easier rather than just waiting for the baby to come. Also with that, you can pretty much know what to expect in terms of where things will go. As exciting as it is to have a new baby, save some money on building a new room. Depending on the arrangements made, it may just be easier to keep the kids together.

**3. Get some sleep:** After your first child, you pick up on when you can get some rest. While with your first child, you probably ran every time you heard a coo or a cry, this time is different. Knowing what you know now will prepare you to be able to finally get some rest. Granted you will have two kids, but your other child will already have a set routine which helps.
