

# Celebrity Baby News: Kylie Jenner Plans to Keep Motherhood Journey with Stormi Private for Now

B

by [Jessica Gomez](#)

In [celebrity news](#), [Kylie Jenner](#) plans on keeping her life with [celebrity baby](#) Stormi low-key, at least for now. The 20-year old reality TV star and makeup mogul kept her pregnancy on the down-low and demands that her motherhood journey be kept private as well, according to [UsMagazine.com](#). “She is extremely protective and she is very focused on trying to keep motherhood private for right now,” a source said. “All Kylie wants is for her privacy to be protected right now and is

pretty demanding about that at this time.” The source also adds that Kylie is in no hurry to get engaged to beau Travis Scott, so we guess there won't be any [celebrity wedding](#) bells ringing there for a while.

## **In this celebrity baby news, it begs the question – is it okay to post photos of your child on social media? What are some factors to consider?**

### **Cupid's Advice:**

Whether you want to post photos of your child on social media or not, the decision is up to you. It's all up to preference, as long you understand the loss of control that takes place on your end once you upload a photo on the web. Here are some factors to consider:

**1. It will always be on the web:** When you post photos of your little bundle of joy, they will permanently be on the internet. This concerns some people, while others don't find any harm in it. Think it through and decide whether or not this factor plays a role in your preference, considering that these photos are of your child and they will one day grow older and potentially see them.

**Related Link:** [Khloe Kardashian Reveals How She Hid Her Pregnancy & How She Told Tristan](#)

**2. Cyber safety risks:** Do I want everyone to see this? Unless your social media account is private, the photo is available to pretty much the whole world. So think about what you're posting and consider whether you care who sees it or not. Cyber safety is one of the biggest concerns for parents

considering it has been suggested that approximately 50% of photos on Pedophile sites come from the social media pages of parents.

**Related Link:** [Kim Kardashian Is a 'Very Hands-On Mom' with New Celebrity Baby Chicago](#)

**3. Some photos may either be misjudged, misappropriated, or both:** On social media, everyone has an opinion. This makes room for people to sometimes misjudge what they see or think they see on a photo. Misappropriation also happens often, especially with memes. You never know if one your photos will fall victim to this. People all the time take photos and turn it into a post relating a totally different message, good or bad. If you're fine with this because of your care-free attitude then that's fine, but others may want to stray away from this.

Accompanying the precious post was a simple caption: "Stormi Webster" with an angel emoji. The Kardashian and Jenner families are known for their unique baby names, and Twitter users were certainly quick to come up with puns related to the newest celebrity baby. We can't wait for more news about Stormi Webster!

**This celebrity baby's name was highly anticipated. What are some**

# ways to honor your family's heritage when it comes to naming your child?

## **Cupid's Advice:**

It's an awesome idea to pay homage to your relatives when naming your new generation. Cupid has some ideas for you:

**1. Use a maiden name:** Maiden names make beautiful first names! If your maiden name is too masculine or feminine, use a variation that fits your style. Nicholson or Nicholas can easily become Nicole, Michaels can become Michaela. The possibilities are endless, you just have to get creative!

**Related Link:** [Celebrity Baby News: Surprise! Kylie Jenner Gives Birth to Baby Girl with Travis Scott](#)

**2. Middle names matter:** If you are set on a first name that has no relation to your family, consider tying your child's middle name in! You can use the same middle name as a parent, grandparent, or even great-grandparent, or even use their first name. That way, there is a direct familial connection, which will certainly be appreciated.

**3. Use a combo:** Perhaps you want your child to have connections to both sides of the family. This can be done a variety of ways. You can combine two names as a hybrid first name, use one as a first and another as a second, or put a hyphen between the two! No feelings will be hurt when you make a clear effort to bring together both families!

# Celebrity Baby News: Surprise! Kylie Jenner Gives Birth to Baby Girl with Travis Scott

by [Jessica Gomez](#)

Congratulations to [celebrity couple Kylie Jenner](#) and Travis Scott on officially becoming parents to a new baby! In [celebrity news](#), Jenner gave birth to a baby girl this past week, according to [EOnline.com](#). At that time, Mom [Kris Jenner](#) and sister [Kim Kardashian](#) were seen at the hospital along with

B

Travis Scott and Kylie's best friend Jordyn Woods. The [celebrity baby](#) has not yet been named. As the world knows, Jenner kept her pregnancy on the down low, making this news even more relevant. "I'm sorry for keeping you in the dark through all the assumptions. I understand you're used to me bringing you along on all my journeys," Kylie said via Instagram on Sunday. "My pregnancy was one I chose not to do in front of the world. I knew for myself I needed to prepare for this role of a lifetime in the most positive, stress free, and healthy way I knew how. There was no gotcha moment, no big paid reveal I had planned. I knew my baby would feel every stress and every emotion so I chose to do it this way for my little life and our happiness," she explained. "Pregnancy has been the most beautiful, empowering, and life-changing experience I've had in my entire life and I'm actually going to miss it. I appreciate my friends and especially my family for helping me make this special moment as private as we could. My beautiful and healthy baby girl arrived February 1st and I just couldn't wait to share this blessing. I've never felt love and happiness like this I could burst! Thank you for understanding."

**Well, this celebrity baby news wasn't just a rumor! What are some reasons to keep your baby news to yourself for a while?**

#### **Cupid's Advice:**

There are a few reasons that you may want to keep your pregnancy under wraps for a while, just like Kylie Jenner and many others. Cupid has some reasons as to why:

**1. You have a stressful pregnancy:** You just don't need nor want the stress. If you have a sensitive pregnancy where your

health and the one of your baby depends on you taking it easy, then hiding your pregnancy could be an option for you. If we feel like outside factors can cause us stress during a critical time, then as mothers-to be we must cut out those factors. Sometimes people can become over bearing when it comes to receiving baby news – so if you're around those kind of peeps, you know what it is.

**Related Link:** [Khloe Kardashian Reveals How She Hid Her Pregnancy & How She Told Tristan](#)

**2. You're superstitious and don't want to jinx it:** This may not be logical to everyone. However, if it's logical to the mother-to be, then that's enough – it's her body and her baby. Sometimes certain people find reassurance and comfort in not telling people right away due to fear of a miscarriage or something going wrong. At the end of the day, as long as the baby news is delivered later rather than never, it should be enough.

**Related Link:** [Kim Kardashian Is a 'Very Hands-On Mom' with New Celebrity Baby Chicago](#)

**3. Judgy peers:** Whether these peers are at school or work, or are your neighbors, friends, or fam, sometimes they're just not the easiest people to deal with. At times, we may be surrounded by people who judge or gossip, and that can lead to you wanting to keep your pregnancy low-key. During pregnancy, drama should be avoided, so there's no shame in doing what you have to do.

B

by [Jessica Gomez](#)

In [celebrity news](#), [Chrissy Teigen](#) revealed the sex of baby number two with husband [John Legend](#), according to [UsMagazine.com](#). And ... it's a boy! Congratulations to the [celebrity couple](#)!

# **Spoiler alert! Chrissy Teigen revealed the sex of her celebrity baby-to-be. What are some reasons to find out the sex of your baby before he or she is born?**

## **Cupid's Advice:**

One of the earliest decisions you make during pregnancy is whether or not to find out the sex of the baby. Cupid has some advice as to why you would want to find out whether your baby is a boy or a girl:

**1. Decorating the nursery:** You can go with neutral colors (white or yellow) if you'd like, but many people like to go traditional (pink or blue). A nursery is a place you want to have done and prepared by the time your baby arrives. Therefore, you want to finish it early, well before the due date. When deciding on decorating options, you may be one of those parents who would want to take the sex of your baby into consideration, so be sure before making final decisions.

**Related Link:** [Kim Kardashian Is a 'Very Hands-On Mom' with New Celebrity Baby Chicago](#)

**2. The baby shower:** Again, you can go with neutral colors for the decorations of the celebration. And you can choose unisex gifts as well. However, when creating a registry, you may need to know the baby's sex in order to choose the items you want or need to add. onto the list. Also, you may not want to keep your baby shower attendees in the dark when they're celebrating and showering your bundle of joy with presents – the suspense may make them go nuts, you never know!

**Related Link:** [Khloe Kardashian Reveals How She Hid Her](#)

## [Pregnancy & How She Told Tristan](#)

**3. Choosing a baby name will take longer:** And it would be harder, too. You can save yourself half the time by finding out the sex of your baby – And also save yourself half the hassle. Imagine not knowing, therefore having to choose both a boy name and girl name. It's already hard enough coming to an agreement with your partner. Since choosing a baby name together can sometimes be a struggle for many couples, so knowing the sex of the baby can avoid further frustrations for sure!

Choosing your baby’s name is exciting, but can also be a bit tedious considering you and your partner should be in agreement with the name chosen. Cupid has some advice on how to get on the same page when it comes to the name of your tiny loved one:

**1. Try using a compromising tool online:** [Babynamester.com](http://Babynamester.com) has this tool, along with many suggested baby names for you and your partner to check out. The way it works is you enter the sex of the baby, then you and your partner each type in what your top baby names are. Next, you choose which one you each like best from your partner’s list. And lastly, the site generates a long list of combined baby name preferences. Try it and see if it may work for you!

**This celebrity baby-to-be will join his or her parents in Cleveland. What are some things to consider about the birth of your child?**

**Cupid's Advice:**

Having a child can be both an exciting and nerve wrecking time, but planning and making arrangements before the child's birth are both key. Cupid has some tips on things to think about before bringing your little bundle of joy into the world:

**1. What don't you know?:** Read, read, read and ask, ask, ask! It's time to learn. Know what to expect and know what to do when you go into labor. Ask a medical professional any questions you have in order to have a full understanding on the situation. And of course, do some reading. There are a lot of books for the mommy-to-be. Understanding things will help you plan better for the big day.

**Related Link:** [Another Duggar Is Pregnant! Jinger & Jeremy Vuolo Are Expecting First Child](#)

**2. How do you want the birth to be?:** Do you want a home birth or hospital birth? Do you want epidural or no epidural? Talk to a medical professional about your options and weigh the pros and the cons of each. Every person is different, so after you have all the facts, think about which option is best for you. And be prepared, too. When your due date is approaching, prepare a bag full of necessities you need to take to the hospital, or if you're going in the home birth route, have a box of things ready – that way, once you're in labor, you're ready to go!

**Related Link:** [Fall Out Boy's Pete Wentz Expecting Baby Girl with Meagan Camper](#)

**3. Who do you want present at the birth?:** Decide and make arrangements now to ensure a higher probability for things to go as planned. This decision is a personal one, which should be well thought out, considering you will be in a different state of mind at that moment! You can also arrange for someone to take the lead and keep everyone in the loop (sending texts, making calls) once you're preoccupied.

# There's another Fixer Upper celebrity baby on the way! What are some ways to be sure you give attention to each of your children when you have a big family?

## Cupid's Advice:

Big families are tons of fun! At times, it can be overwhelming, but there's never a lack of excitement. It's normal for children to feel deprived of attention in larger families, so if you're looking for ways to help find the balance, check out these tips from Cupid:

**1. One-on-one time:** Sometimes, all your kids really want is some quality time with you and your partner. Consider giving each of your children one day a month (or whatever works for your schedule) to spend the whole day with you. Make the day about them and give them the chance to choose what they want to do! They'll totally appreciate the quality time with you or with your partner.

**2. Emphasize group activities:** Group activities are always a wonderful way to include everyone! Whether you play a game together, bake a bunch of cookies, or visit a local park, there are plenty of ways to spend equal amounts of time with all of your kids. Plus, these activities are big memory makers that are cherished long down the road.

**3. Manage your schedules:** If you have a large family, it's

important to figure out a schedule that works. You should always encourage your kids to try new things and be ambitious, though you also have to be practical. Too many extracurricular commitments will hinder the time spent with each of your children. If your schedule seems overwhelming, perhaps one activity at a time is a good option!

The Duggar family is growing yet again! 14 months after saying “I do,” Jinger Vuolo, the sixth oldest Duggar daughter, is expecting her first child with husband Jeremy Vuolo. According to [UsMagazine.com](#), the [celebrity couple](#) is “praising God for this beautiful gift” and hopes that fans and supporters will “join us in praying for a safe and healthy pregnancy.” Though Jinger comes from a large family, the reality star and her husband have both kept quiet on how big they want their family to be! Regardless, we are very excited about this [celebrity baby](#) news. Congratulations to the Vuolo family!

**This celebrity baby news isn't exactly surprising, but we're happy for the couple! What are some ways your relationship changes when you**

# have a child?

## Cupid's Advice:

A baby brings lots of changes to you and your partner's relationship. If you're apprehensive about the jump from two to three, you're not alone! Being aware of the changes is helpful, so here's what Cupid has to say:

**1. Imbalanced effort:** You and your partner might experience growing pains when it comes to divvying up your parental duties. The laundry and bottle washing will seem endless at times! With two of you and one of them, it's certainly challenging to figure out a system that works for each other. It can be done, though!

**Related Link:** [Celebrity News: Amy Duggar's Parents Are Divorcing](#)

**2. Drained energy:** Your new bundle of joy doesn't come with a concept of time, so late-late nights and early mornings are inevitable. Both you and your partner will have a lack of energy when it comes to your relationship. While you know what you *should* be doing for each other, sometimes you just won't feel up to it. Recognize the importance of affirmations and making time for each other, though! You two need to lean on each other in this new chapter of your lives.

**Related Link:** [Celebrity Couple Jessa Duggar and Ben Seewald Reveal Newborn Son's Name](#)

**3. Hindered intimacy:** Similar to strained energy, there will certainly be hindered intimacy between you and your partner. The desire to sleep will sometimes (okay, more than sometimes) overpower your desire for intimacy. That is normal – most couples struggle with this! Try your best to keep the romance alive. Start small, and you'll be back to your pre-baby selves in no time at all!

## Celebrity Baby News: Eva Longoria is Pregnant with Her First Child!

B

by [Jessica Gomez](#)

In [celebrity baby](#) news, [celebrity couple](#) Eva Longoria and Jose Bastón are expecting a baby boy, according to [EOnline.com](#). Longoria has raved about being a stepmother, and was in no

rush to have children of her own. “If it happens, it happens, if it’s meant to be it would be a blessing,” she said last year. Turns out, it is meant to be!

## **Eva Longoria’s very own celebrity baby is coming into a full house! What are some ways to prepare step-children for a new baby?**

### **Cupid’s Advice:**

Parents are not the only ones that need to be prepared for a baby. Everyone in the household needs to be, including children. Cupid has some advice:

**1. Involve them:** Allow the children to bond with the baby. They can read a bedtime story, play music, or sing. Get them excited to be an older sibling! Or have them talk through your belly. This connects the children to the baby before he or she is even born.

**Related Link:** [Kirsten Dunst Is Expecting First Child With Jesse Plemons](#)

**2. Create rules before the baby comes:** Talk to the kids. Keep them in the loop! Let them know how things will be once the baby comes and what you expect from them. This is important so children won’t be caught off guard by any changes.

**Related Link:** [Did Khloe Kardashian Just Accidentally Confirm Her Pregnancy?](#)

**3. Spend time with them:** You have more time now than you will once the baby is born, so take advantage. Spending quality time is always important, but it is especially essential when a transition period is approaching. You can plan family

outings or one-on-one time. Blocks of uninterrupted time with your kiddos now is important because it will not come by as often once the baby arrives.

**1. Divide and conquer:** You and your partner inherently have strengths and weaknesses. # differently from the first?

## **Cupid's Advice:**

A second baby is very exciting! While you certainly are more of a parenting pro the second time around, there are still some considerations to keep in mind. Check what Cupid has to say:

**1. Talk to the future big sis/bro:** Your first child is used to garnering all the attention from you and your partner, so another kiddo will be an adjustment for them. Make sure you take the time to talk to the first-born so they know what to expect. Make it clear that you still love them just as much, and that nothing will change your relationship.

**Related Link:** [Famous Couple Dwayne 'The Rock' Johnson and GF Lauren Hashian Are Expecting First Child Together](#)

**2. Utilize your hand-me-downs:** You've probably got a lot of old clothes and necessities lying around the house somewhere, so use them! This helps keep your finances in check and is also makes it feel as though you're getting your money's worth. The toy that your first-born child played with one time will feel brand new for your second kid!

**Related Link:** [Celebrity Baby News: Chrissy Teigen & John Legend Are Expecting](#)

**3. Take inventory of what you have and need:** Sure, you have most of the necessities already, but before baby #2 arrives, get together with your partner and assess your current staples. Get rid of/donate anything you don't use or anything that is worn out. Then, make a master list of things you need and things that need to be replaced! Out with the old, in with the new.

# There's another [celebrity baby](#) in the works! What are some ways to decide when is the right time to have children?

## Cupid's Advice:

The right time to have children depends on the person. Everyone's different, and there are many things to consider. Cupid has some advice:

**1. Are you financially stable:** Having a baby is expensive! Of course, you want to give your baby all their needs and more, but at the same time, you don't want to struggle in the money department. Remember, having a child is an eighteen year commitment, at least! Go over your financials and see where you and the other parent-to-be stand.

**Related Link:** [Is Miley Cyrus Expecting a Baby?](#)

**2. Is the person you want to have your baby with on the same page as you:** Be sure the person you're with wants to have a child, and that you do as well. Sit down and have this talk; it is essential. Having a baby is a team effort unless you decide to go the solo route, which is fine too!

**Related Link:** [Chrissy Teigen & John Legend Are Expecting](#)

**3. Are you ready for the responsibility:** Besides the financial aspect, having a baby puts a lot on your plate. Ask yourself the following: are you ready for sleepless nights in the beginning? Are you ready for taking care and raising another human being? Are you ready to commit? And are you ready to put a small someone before everyone else, including yourself?
