## **Jared Padalecki is a father of three, now that he welcomed his youngest celebrity baby! What are some things to consider before adding another child to your family?**

### **Cupid’s Advice:**

Children can fill your heart with so much love. That’s why the term “baby fever” is a very realistic and relatable term. Here are some things to consider before taking the plunge again:

**1. Space:** Do you have the room to accommodate another little one? While you may have the means to provide a roof over their head, keep in mind that children at different ages need different types of space. Consider upgrading or expanding your home to suit the needs of all your children.

**Related Link:** [‘Gilmore Girls’ Star Jared Padalecki’s Wife is Expecting Baby No. 3](#)

**2. Time:** Consider the small amount of free time you have now with children. As they grow up, they become more involved in activities. Be sure to keep your growing family balanced with activities and socializing measures. A new baby might take

time away from older children, so be ready to seek help getting the kids to school and soccer practice!

**Related Link:** [‘Supernatural’ Star Jared Padalecki Welcomes Second Son](#)

**3. Finances:** Remind yourself of the expenses that come with having another child. If you have one child now, double the amount you spend on food, care and fun. While budgeting and recycling old toys and clothes will help a lot, there is no way around the growing expense another child brings.

You’ll have to buy two of some items (like highchairs), but other things (like a changing table), they can share.
