- 1. Cut them off:** People struggle with this, but cutting off communication with your ex is the best way to get over them,

especially if you notice they've been dating again. Speaking to an ex regularly or stalking their social media accounts are just a way of latching on to the "good old times." **Related Link:** [New Celebrity Couple: Why Selena Gomez & The Weeknd Went Public With Their Relationship So Soon](#)

**2. Get your date on:** If cutting them out of your life isn't an option, another great way to be civil towards your ex is to date other people. Going out and having fun will release endorphins in your body that will help you forget the heartache you experienced during the break-up. However, make sure you're out dating for your own enjoyment, not because you're in competition with your ex and their new partner.

**Related Link:** [Celebrity Couple Bella Hadid & The Weekend Call It Quits After Almost Two Years](#)

**3. Find a focus:** Being single can be also be a good thing. It allows you the freedom of making those big changes in your life. Take on a new hobby, find a job you love, study something that you've always found interesting. Whatever it is you've wanted to do, pursue it and make it a priority. Distracting yourself from the breakup will allow time to heal your heart. And with a healed heart, it'll be much easier to keep things civil with your ex.
