

Celebrity News: Gigi Hadid Tweets Support for Zayn Malik After Canceled Concert Due to Anxiety

By [Nicole Caico](#)

Shortly after Zayn Malik took to Twitter on Saturday, June 11 to make a statement about missing a London performance due to severe anxiety, Gigi Hadid tweeted her support for him. Solidifying their “on again” [celebrity relationship](#) status, according to [UsMagazine.com](#), Gigi wrote, “We are all here to support you and make each experience easier. Your talent and good heart will never lead you wrong. Love you and so proud of you always ☺ xG.” Having just gotten back together after a

short split, Malik and Hadid are proving to be a perfectly supportive [celebrity couple](#).

In celebrity news, Zayn Malik is getting support from his partner. What are some ways to support your partner through mental challenges?

Cupid's Advice:

Like a lot of people, Zayn Malik copes with anxiety. Often anxiety is a mental challenge that gets played down, but it's nothing to glaze over. Being in a relationship with someone who has anxiety takes a bit of extra work and consideration. Gigi Hadid made sure to show her support on Twitter, and there are other ways to show support for a significant other with anxiety as well:

1. Patience: The most basic, but possibly most effective, way to support your anxious significant other is to be patient. Anxiety attacks can happen anywhere at any time, and nothing could make an attack worse than being criticized for needing some time to calm down.

2. Get a better understanding: Take time to learn if there are certain things that trigger your significant other's anxiety. Learn what your SO needs in order to calm down from an anxiety attack and try to give him/her that when the time comes. Taking time to understand your partner's anxiety will make your significant other feel supported and loved.

3. Acknowledge their struggle: Anxiety is not the only mental challenge out there. Whether it is anxiety, depression, OCD, or any other challenge your partner may face, these steps apply. Being patient, knowing what you can do to help, and just acknowledging the fact that the mental challenge your partner faces is real and valid will help your relationship succeed.

By [Stephanie Sacco](#)

One of the quickest turn-arounds for a [celebrity couple](#) came from Gigi Hadid and Zayn Malik, who recently broke up earlier this month. According to [UsMagazine.com](#), they're back on again. In [celebrity news](#) and gossip, a source said, "They broke up and got back together almost right away. Right now it's back on, but it could be off again in an hour." Relationships come and go, but some former flames remain special in your heart. At times you may question whether it might be a good decision to give them another chance. Cupid is here to help you figure out whether you should get back with your ex:

1. Think it through: Before you rush to contact your ex, you should carefully consider the reasons why you want to see them again. This [celebrity relationship](#) is headed in the right direction as they make beautiful music together.

In celebrity news, Gwen Stefani thought Blake's song would be a "huge turn off." What are some turn offs to avoid when you're trying to date someone?

Cupid's Advice:

Not everyone can be as cute as Gwen Stefani and Blake Shelton. Sometimes the song your man writes you *is* a turn-off and dating them no longer seems like the best option. Cupid is here with some red flags:

1. Not paying attention: It's such a turn-off if your partner isn't looking you in the eye or remembering important information. He's either being sketchy or unresponsive. You deserve more from a partner so if he's acting like this, dump him!

Drama is fun to watch, but experiencing it can be exhausting! There are times when drama is inevitable in a relationship though. Cupid is here to offer some relationship advice that will keep your love life drama-free:

1. Open communication: Being able to speak with your partner openly about issues that arise in your relationship will allow you both to tackle your problems head on. A lack of good communication will only let unspoken issues fester into something far uglier in the future.
