

Celebrity News: Find Out Why Sharon Osbourne Took Ozzy Back

By [Mallory McDonald](#)

In recent [celebrity news](#), Sharon Osbourne decided to fix her [celebrity marriage](#) to Ozzy Osbourne. Some people may question her decision to get back together with Ozzy after his cheating scandal. However, according to [EOnline.com](#), she “adores” Ozzy

after their brief split and says, "I'm in a really good place." She has been with Ozzy for decades, and despite the downfalls in their relationship, she has decided to not let things faze her as much. Sharon shared, "I am trying to learn—I try to not let things faze me. Before I was like [she makes a loud roar], 'How dare they this and how dare they that.'"

In celebrity news, a cheating scandal almost broke up Sharon and Ozzy. What are some ways to determine whether you should get back together with a cheating ex?

Cupid's Advice:

Cheating can be a devastating blow to a relationship and, for many, the relationship ends because of it. Cupid is here to help determine whether you should stay or go:

1. Family: One of the biggest things to motivate working out a cheating incident in your relationship is when you have a family with that person. There are other people involved, and sometimes trying to work on the issues that led them to cheat can fix the relationship. However, if you think it cannot be resolved and will hinder the family more if you stay, then it may be time to walk away.

2. History: History with a person can be a common reason to stay despite infidelity. But that isn't necessarily the right reason to stay. Determining whether or not to stay can only be determined when the relationship's issues are addressed and

worked on.

3. Repeat offense: If it is a one-time incident and the trust has not been completely broken, then it may be worth it to stay and save the relationship. However, if it has become a reoccurring event, it is time to realize that unless you walk away, it is going to keep happening.

2. Change: If there were specific problems that kept you two apart and your ex is willing to change his behavior to get back together, then it's worth the consideration. Don't immediately let him back into your life, but ease your way into it. You don't have to get back together right away.

3. Future: Don't fall backwards unless you think there's going to be a different outcome. It's not fair to either of you to try again if it's not going somewhere. Be absolutely sure it's what you want before diving in again.
