Things are heating up between these celebrity exes! How do you know whether or not to get back together with a former flame? Cupid has some tips:

It's never simple and every case is different, as is the case with former Hollywood couple JLo and Casper Smart. When you truly love somebody, though, you shouldn't let it go:

1. It's true love: If you're madly in love with a person, and it's genuine and pure, then you should definitely give it another shot. Overwhelming feelings of authentic love don't come around too often, so embrace it when you find it. At the end of the day, if you really love somebody – who cares if at one point you broke up.

2. Changes were made: People change. People grow. People make mistakes and then right the wrong. It's important to not hold grudges in life. Forgive people and move on. what will make you happy. Everybody makes mistakes, nobody is perfect. Enjoy the improvements!

3. The stars align: Sometimes the stars align and there is a happily ever after. In life we sometimes need a break from our partner, it's completely healthy. But you can't let other people's opinions cause problems in your private relationship. Cupid has some tips on how to rise above the gossip:

1. Turn the other cheek: Ignoring what other people are saying about you is easier said than done. Famous Couple Kim Kardashian and Kanye West Show PDA After Brit Awards

By Maggie Manfredi

“No Kanye; you’re awesome!” According to UsMagazine.com, famous couple Kim Kardashian and Kanye West were not shy when it came to public displays of affection at the Brit Awards on Wednesday. Mrs. West posted a picture with her hubby on Twitter the night of the awards showing her licking Kanye’s face! This was one of many posts from the celebrity couple. The *Keeping Up With The Kardashians* starlet introduced Kanye’s performance at the awards and thoroughly enjoyed herself with other A-listers throughout the night. The Hollywood couple was seen in photos with Taylor Swift and Sam Smith during the event, and had nothing but love for each other.

Famous couples can’t show PDA without the whole world knowing, but that’s the point, right? What are some ways to show your partner you care in public?

Cupid’s Advice:

PDA: Public display of affection. Kim Kardashian and Kanye West do it, so why can’t you? Cupid says you can, but there are some guidelines to showing your lover you care in public:

1. Keep it simple: Kim Kardashian made a bold move with the tongue to cheek PDA action. If you want to show your partner you care in public, it’s probably best to keep it simpler than Kimye’s celebrity love, and there are plenty of ways to do so. Holding hands, hugs, or a hand on the knee are all options. Cupid advises you keep your tongue out of it when it comes to public affection.

2. Be comfortable: Opinions are all over the board when it comes to PDA, so don't be afraid to talk about it with your partner. Some people are bold, like celebrity couple Kim and Kanye, while others don't even want to touch in public. Make sure you are both comfortable with how you display affection in public so that it is mutually enjoyable.

3. Feel the room: Not every place is appropriate for affection. A bench to yourselves in a public park is okay for a little light canoodling, whereas a packed public train would be inappropriate and most likely inconsiderate. Cupid is happy you cannot keep your hands off of each other, but affection is usually best shared in private.

Whitney from 'The Bachelor' Season 19 Says She'd Move to Arlington, Iowa for Chris Soules

By Emma L. Wells

From day one, *The Bachelor* season 19 star Chris Soules has said that a relationship and love with him means moving to his (very small) hometown of Arlington, Iowa. After asking potential celebrity love Whitney if she would be able to leave her life in Chicago for him, she gave him exactly the answer he was looking for. According to [People.com](https://www.people.com), she said that, while she loves her job as a nurse, she would have “no hesitation” about moving to Arlington and “having babies” as her career. [The Bachelor season 19](https://www.fox.com) frontrunner continued, “I firmly believe that life takes you places, and it’s not where you are; it’s who you’re with.”

The Bachelor season 19 contestant Whitney is willing to move to Iowa for her celebrity love. How do you know if that’s the right decision

for your relationship and love?

Cupid's Advice:

We sometimes fall for people who aren't perfect for us in a geographic sense. Long-distance dating can't go on forever, and eventually, you're left with two choices: break-up or move. Cupid has some dating advice on how to tell what move (no pun intended) is right for you:

1. Consider all the factors: Realty TV star Whitney told her celebrity love that it doesn't matter where she is because it's who she's with that's important. While there is a lot of truth to her statement, you should examine your specific situation first. Think about what you need in order to be happy; that may include your career, your friends and family, or something as seemingly small as your kickball team or local library. What would you have to give up when you move to be closer to your partner? More importantly, can you live without it?

2. Look to the future: After you've made your mental list of things you can't live without, ask yourself how that list will change in the next five, ten, or twenty years. Moving might not suit your needs *this* year, but maybe that's where you see yourself long-term. In this case, the question changes from "if" to "when." Tell your significant other that you're willing to move but need a little more time before you're ready. If your relationship and love is as important to them as it is to you, then they will understand.

3. Be on the same page: Make sure you understand why your beau wants you to move; that will ensure that you two have similar expectations. Are their reasons valid? Does it make more sense for you to move to them or vice versa? It's equally important for them to understand your reasons as well. Having a discussion about how this move will change your relationship is the best place to start.
