# Celebrity Couple News: Jenni 'JWoww' Farley & Zack Carpinello Are Back Together After Split

By [Hope Ankney](#)

In our latest [celebrity news](#), Jenni 'JWoww' Farley and Zack Carpinello are back together! After the [celebrity couple](#) split only two weeks ago, it seems like the two have mended their relationship. According to *UsMagazine.com*, the reality star and wrestler were seen together twice after they announced their break-up. This is when they spent time at Universal Studios in Florida on October 18th, and when Carpinello hung out with Farley's children on October 12th.

# In celebrity couple news, this split didn't last! What are some ways to decide whether to get back together with an ex?

## Cupid's Advice:

Getting back together with an ex can be a difficult decision. Let's be honest, it's much easier to patch things up with an ex instead of finding someone new because it means we must get to *know* someone new which, usually, isn't something we want to do. As you've probably broken up for legit reasons, it usually doesn't stop lingering feelings from keeping the flame alive. But, it's important to know when these feelings aren't just the normal process of missing a past relationship. If you're unsure of whether to give your ex another chance, don't worry. Cupid has some [relationship advice](#) that can help you decide:

**1. Listen to your gut:** The first thing you must do when reconsidering an old flame is to listen to what your gut is telling you. A past relationship could've ended because you chose to ignore major red flags or never followed what your gut felt. If you're choosing to give this person a second chance, make sure you're willing and able to trust your instincts if things start to slide back into the same territory.

**Related Link:** [Celebrity News: JWoww Is 'Hurt' After Boyfriend Makes a Move on Angelina Pivarnick](#)

**2. Address what ended the relationship:** Sometimes, partners like to jump back together without discussing what made them split in the first place. But, those issues seem to always creep back into a relationship if they're not dealt with

properly. It's important for a couple to build on their new relationship by learning from the problems that occurred in the past that led to their break-up. It'll help you both to understand each other's perspective on the situation, and it will stop similar issues from arising in the future.

**Related Link:** [Celebrity News: Source Says Kylie Jenner Left Travis Scott Over Lifestyle Differences](#)

**3. Time has passed:** Time heals all wounds, right? Or, so they say. It's possible that your relationship ended because both of you just needed some time apart from one another. Sometimes, one needs to go soul-searching. Sometimes, both of you just need to learn to live life without one another to see if the relationship is right. It's often that when time passes, you have matured and grown as people. So, when you do find your way back together, it's like your relationship has recharged, and you've realized that you'd rather be with no one else.

## Celebrity News: Miley Cyrus Reacts to Comparisons of Her Recent Romances

By [Ahjané Forbes](#)

In [celebrity news](#), [Miley Cyrus](#) is definitely throwing that wrecking ball all over the place after changing her [celebrity relationship](#) status for the third time. The former *Hannah Montana* star confirmed that she and her former girlfriend, Kaitlynn Carter, split in late September. Shortly after, Cyrus announced that she and Cody Simpson are now a [celebrity couple](#). On October 3rd, the singer tweeted to her fans, "Get used to me dating- this is where I am at! #HotGirlFall." The new duo are very comfortable with each other each other, displaying PDA and sharing a history. According to *UsMagazine.com*, Simpson says that the two met at the wrong time originally. "We had a lot of fun then ... but now we've found each other in a space where we're not partying, working real hard and just like [to] keep things healthy," she said.

**In celebrity news, Miley Cyrus is seemingly not amused with**

# comparisons being done on her relationships. What are some ways to keep your past relationship from affecting your current relationship?

## Cupid's Advice:

Even though it is not traditional to jump from relationship to relationship, Miley is showing us that there is nothing wrong with doing so. Being a #HotGirl is a trending hashtag that is boosting everyone's confidence. This was made in the hopes that women would feel more comfortable in themselves and moving on from broken relationships. Cupid has some advice on how to use that hot girl energy when dating someone new:

**1. Don't compare:** Ladies, we all do this! However, if you are trying to move on with your new boo, don't compare the two! Try to look for similar qualities like chivalry and taste in music. Don't make your new bae your ex bae 2.0.

**Related Link:** [Relationship Advice: Working Through Your Heartbreak](#)

**2. Do new things:** Try not to relive the past through this person. Take them to new places, so you can make new memories. Show them your playful side! Jump out of a plane together, or get tickets for a concert of a band you've never seen live. Keep things new and fresh.

**Related Link:** [Dating Advice: 7 Effective Ways Out of a Breakup](#)

**3. Be open to change:** While you look for similarities between you and your new partner, also look for differences. They might not be your "usual" type of partner, but don't give up on them too easily. Try to compromise. If they are more

introverted, plan your dates at a more personal level. Taking a walk while holding hands or baking a cake together are two low-key ideas. If they are more extroverted, then you won't have any problems finding out what they want to do. If they tell you what they want to do that's outside of your comfort zone, consider doing it anyway!

We've been friends for so long that when we sort of found each other again in a space where we're not partying and working really hard, [we] just like [to] keep things healthy."

**This new celebrity couple seems to be hitting it off. What are some ways to know your new relationship is strong?**

## Cupid's Advice:

When you get into a new relationship, it can sometimes seem like everything is going so fast. There's the whirlwind romance, the attraction of everything that is fresh and new, and learning everything there is to know about this person. It can be fun and exciting, but it can also be difficult to know when a new relationship is becoming more than just a casual date. Fortunately, Cupid has some [love advice](#) on a few ways to know when your new relationship is going strong:

**1. You're happy:** This might seem obvious, but you'd be surprised how many people aren't genuinely happy with the one they're dating. Strong and healthy relationships should be full of as much fun and laughter as possible. We're not saying that every single moment of each other's relationship should be nothing but joy, but it should outweigh a lot of other emotions that make you both well... not happy.

**Related Link:** [Celebrity News: Miley Cyrus Appears to Shade Exes Kaitlynn Carter & Liam Hemsworth in Post About Love](#)

**2. There's trust:** Strong relationships cannot be built unless they have a sturdy foundation of trust. Communication and openness are a big key to having a successful bond with your significant other.

**Related Link:** [Celebrity Couple News: Cassie Randolph & Colton Underwood Are 'On the Same Page' About Marriage](#)

**3. The relationship makes you feel safe:** This is probably the most important aspect of a bond. Knowing that you have a sense of comfort and safety within another person is one of the best signs of knowing if your relationship is going strong. Your significant other should be a safety net to you when you need them. They should provide you with a stable home and a sense of calm when you need it. If you don't feel safe within your

relationship, maybe you shouldn't still be with that person.

The [celebrity couple](#) are engaged and are set to elope any day now. The two kept showing signs of affection all night. According to *People.com*, the lovebirds kept laughing while talking with their famous friends.

# This celebrity couple isn't afraid to show their affection in public. What are some ways to show you care about your partner in public?

## Cupid's Advice:

Letting everyone see the love you share with your partner is an important part of the relationship. Holding hands, stealing a kiss, and even eye contact can be signs of affection to display in public. Cupid has some ways you can get lovey dovey with your partner in public:

**1. The basics:** Hand holding and kissing are the universal displays of affection that can be shown by every couple. However, it is important that you and your partner discuss what is acceptable and what is not. Some people like a peck on the cheek or a lip bite rather than a French kiss in the public eye. Learn to keep it cute and concise.

**2. Look fabulous together:** Matching outfits or wearing the same color can be a way to show your love for your partner. It's also great for the pics you're bound to post on social media. Wearing the same color makes you look like a "unit". This is also a way to get creative with your partner. Doing cute things like wearing a shirt that says "His Queen" or "Her King" and vice versa will let everyone know you're together.

**3. Be there for them:** This might seem like an obvious one, but it's not just about dates all the time. If your lover is an artist, show up at their art show, take pictures, and post them on social media. Write a cute message like, "I have

fallen in love with you all over again” while showing their recent work. Being present in the moment will make them feel really good, especially if you’re trying to get more serious. This is an important factor to keep in mind if you want to be #couplegoals.

**In celebrity news, Kirpa Sudick is not dating Cam Ayala after all. What are some ways to tastefully let people know you are not dating**

# someone?

## Cupid's Advice:

Just like celebrities, sometimes we can post something on our social media that tend to look different than how we intended. But unlike them, we can't go to a news source and dismiss these relationship rumors. Instead, we have to think up ways to tastefully let others know we're not dating someone without looking too defensive. If you're in this predicament, and you don't know how to go about squashing dating rumors, don't worry! Cupid has you covered with our [love advice](#) on how to nicely let others know you're not dating this person:

**1. Be playful:** Sometimes, having fun with the situation can be a good way to let others know it doesn't bother you before you let them know you guys aren't dating. If both you and the other person are game, it can be funny to be playful and pretend like you are dating. Be over-dramatic with the idea, posting mushy comments, creating your own 'ship' name, taking ridiculous photos together, etc. By doing this before coming clean that you both aren't dating, it can let people know that none of it bothered you, and it wasn't a big deal!

**Related Link:** [Celebrity News: 'The Bachelor' Star Tia Booth Has a New Boyfriend](#)

**2. Be kind:** This might seem like an obvious answer, but there are ways you can dismiss dating rumors that are much harsher than you meant them to be. Try and be as kind as possible when letting others know you aren't dating someone. Saying something rude or condescending can make you look bad when someone was just curious about the situation. So, try and be as polite and friendly as you can when letting others know so you don't look like a ticking timebomb anytime something false is said about you!

**3. Be direct:** Perhaps, the best way to be tasteful is to just be honest about it. Being direct doesn't have to be harsh, and it can stop speculation quickly. Simply explain away the idea that you and the person are dating and then say nothing else on the matter. By facing the situation head-on and refusing to talk about it further, it can be an easy and effective way of stopping the rumors from circulating.

## **Celebrity News: Laura Dern Speaks Out About Bradley Cooper Dating Rumors**

By [Hope Ankney](#)

In the latest [celebrity news](#), Laura Dern dismissed all dating rumors between herself and [Bradley Cooper](#). According to *UsMagazine.com*, the actress opened up about her close relationship with Cooper, stating, "We are amazing friends, and we're family." This set of rumors circulated soon after Cooper's [celebrity relationship](#) with supermodel Irina Shayk ended back in June.

**In celebrity news, this pair are just good friends. What are some ways to lay false relationship rumors to rest?**

#### **Cupid's Advice:**

Sometimes, it can be frustrating for two people to be friendly towards one another without others thinking something romantic is going on behind the scenes. Platonic relationships,

especially between the opposite sex, have a connotation that there must be underlying feelings there when that isn't always the case. Two people enjoying each other's company is fairly common. Friendship exists. If you're stuck in a situation where others are trying to make something out of nothing, don't worry! Cupid has some [love advice](#) on how to lay pesky relationship rumors to rest:

**1. Direct conversation:** Sometimes communication can be the biggest key when dismissing relationship rumors with your friends. They might just be teasing you about it for fun, without realizing it can actually bother you. If you haven't been abundantly clear about this newfound friendship, sit these friends down and have a direct conversation about it. Opening up about how you aren't dating this specific person and explaining why these false rumors have been bothering you may allow them to realize that you're telling the truth and not assume anything else about the relationship or even relationships in the future!

**Related Link:** [Celebrity Break-Up: Bradley Cooper Enjoys a Boys' Night in L.A. After Irina Shayk Split](#)

**2. Ignore it:** Perhaps, people are only speculating about you and this other person because they know it gets a rise out of you. If these rumors don't overly upset you, find it in you to simply ignore what others are saying. Like is told to us from a young age, ignoring someone's teasing can often lead to the teasing to stop, altogether. This can be used in your adult life, as well. If you pretend like these false rumors don't bother you, the situation will probably diffuse itself.

**Related Link:** [Celebrity News: Halsey Responds to Rumors She's Dating John Mayer](#)

**3. Be open publicly:** If all else fails, maybe it's time to take to social media! Making a post about false relationship rumors can be overkill, but if nothing else has worked to stop

it, it can be an effective way to get others to stop speculating. Make a status update, tweet, or even post a photo of the both of you explaining away the rumors. Speaking out publicly about the situation can immediately dismiss it if you're taking that much time and effort to set the record straight on your social media platform!

## Cupid's Advice:

Miley Cyrus and Kaitlynn Carter looked super cute in their matching black outfits. However, it's easy to go from cute to corny when it comes to matching outfits. Luckily, Cupid has some advice that will help you and your significant other look coordinated and cute instead of tacky:

**1. Wear dark colors:** Just like Cyrus and Carter, stick to dark colors for a classy matching ensemble. You want to highlight that you're matching with your partner while also making it look natural. Bright colors will distract from the coordination and look as though it's forced.

**Related Link:** [Celebrity News: Brody Jenner is 'Happy' for Miley Cyrus & Ex Kaitlynn Carter](#)

**2. Pick a vibe:** If you want to go for a more subtle approach to matching with your partner an easy way to do so is to pick a vibe or an aesthetic. You don't necessarily have to match colors or specific articles of clothing, but as long as you both go for the same general idea you'll both look chic!

**3. Keep it simple:** Simply, don't overdo it. We've all seen those pictures of celebrity couples in the early 2000s coordinating outrageous outfits. You don't want to follow in their steps. If matching outfits scare you, try to coordinate accessories instead of entire ensembles and work your way up.

#### **Cupid's Advice:**

Hayden and Brian's brother are walking a thin line between just friends and celebrity couple. While your relationship may not be as public as Hayden and Zach's, Cupid has some advice that will help keep gossip out of your relationship:

**1. Build trust:** Your relationship should be built on a solid foundation meaning that you and your partner trust each other. It's easy to let gossip create tension in your relationship but if you truly trust your partner then the rumors and gossip will have no impact on your relationship.

**Related Link:** [Celebrity Couple News: Tyler Cameron Attends Funeral for Gigi Hadid's Grandmother](#)

## Cupid's Advice:

But, it's not impossible to get over a heartbreak! Fortunately, Cupid has some [relationship advice](#) on steps to take after you go through an intense split:

**1. Remove the rose-colored glasses:** Sometimes, it's easy to forget that we are all just human. It's natural to almost idealize an ex-partner after a break-up, experiencing insecurities and wondering if you'll ever find someone that matches up to them. But, it's important to make an effort to see the limitations of this person. They have flaws, doubts, and insecurities, themselves. They were never perfect, and it's better to find the logic in the realistic nature and incompatibilities of the break-up to be able to properly move on.

**Related Link:** [Celebrity Break-up: Miley Cyrus & Liam Hemsworth Split Less Than 8 Months After Wedding](#)

**2. Surround yourself with good friends:** Good friendships are important for many things, but they are especially important when life-altering situations occur like intense break-ups. They tend to be your biggest supporters, rooting you on and giving you the love and positivity you need. They are there to distract you and pick you up when you're feeling down. When relationship problems arise, these people are the ones that help you put the relationship into perspective, making it easier to see the ex-lover objectively.

**3. Find a great therapist:** Therapy is a very helpful tool when going through hardship. It acts as a safe space to open up about feelings and communication without being judged. Working through loss, like a relationship, in a setting where you can freely talk and further your introspection is significant in easing the pain. A lot of people feel more comfortable speaking out about these kinds of issues with someone they hold no personal attachment to than those they know. Find a therapist you can trust being vulnerable around, and you might have a healthier time moving on from your past relationship.

# Celebrity News: Jennifer Garner Has Found a 'True Partner' in John Miller

By [Katie Sotack](#)

In [celebrity news](#), Jen and Ben are officially over. [Jennifer Garner](#) announced she has found solace with her new partner John Miller, a Cali Group CEO. After a hectic year divorcing [Ben Affleck](#) and supporting him through two stints in rehab, a source told *UsMagazine.com*, "John is the complete opposite of Ben. Jen feels like she's finally found a true partner." Both Garner and Miller are committed to keeping their relationship low-key as well as being successful co-parents to their kids from previous marriages.

# In celebrity news, Jennifer Garner feels like she's finally met her match. What are some ways to know you've met your "true partner"?

## Cupid's Advice:

Sometimes you just *know* you've found the one. Butterflies flutter in your gut, and your heart swells just looking at them. But, a true partner goes far beyond falling in love. Here are [relationship tips](#) to be sure your significant other is the one:

**1. You want the same things:** A partner should share your goals. When it comes to spending your life with someone, they should generally want the same things. If kids, a suburban house, and a steady career are in your future, love won't save your relationship with a kid-hating, apartment-renting, daredevil.

**Related Link:** [Celebrity Break-up: Miley Cyrus & Liam Hemsworth Split Less Than 8 Months After Wedding](#)

**2. They support you:** Of course not all goals need to be shared. However they should stand by your individual goals and root you on as you achieve them. For example, if you want to eat healthy and get fit your partner doesn't need to do the same. However a partner that undermines your attempts to stay on track by offering you ice cream every night is not trying to help you succeed.

**3. You're both willing to work:** Aside from goals, communication is the key to a healthy relationship. A
