**1. Unfriend your ex:** The first step to acknowledging your ex's new relationship and trying to be okay with it, is deleting from your social media accounts. It's hard to be considerate when you still have feelings for your ex and they're posting photos with their new partner.

### **Cupid's Advice:**

There are many advantages to secretly tying the knot with the one you love. Along with many other perks, for starters, you'll leave out all of the pre-wedding drama and save tons of money. Here are some benefits to a secret wedding:

**1. Less outside pressure and influence:** Family and friends tend to push their wedding ideas and agendas on couples. While meaning well, the outside influences put pressure on the couple to choose a venue that doesn't suit their style or select entertainment that's out of their budget. Having a secret wedding relieves some of this pressure and allows you both to focus on what's important.

# Celebrity Wedding: Bachelor Alum Arie Luyendyk & Lauren Burnham Talk Wedding & Baby!

By Mara Miller

In the latest [celebrity couple](#) and [celebrity wedding](#) news, [Arie Luyendyk](#) and [Lauren Burnham](#) have tied the knot in a *Twilight: Breaking Dawn*-themed wedding. According to [US Weekly](#), Burnham's wedding dress was a stunning sleeveless gown with floral embellishments. "I love that she's now expecting because that, honestly did not impact the design at all," said Haley Paige, Burnham's dress designer. Burnham drew

inspiration from photos of *Breaking Dawn* and frequently sent them to her wedding designer. The newlyweds took photos outside with the forest behind them in a romantic setting. One photo even featured a hint of the baby bump! They expect their [celebrity baby](#) in June. How exciting for them both! They have been waiting for their special day and it sounds like it turned out perfect.

## The 'Bachelor' alum celebrity wedding was stunning! What are some ways you can have an equally glamorous wedding without the cost?

### Cupid's Advice:

You can have your own themed wedding too! Even if you haven't chosen a wedding planner, Cupid thinks these ideas are super fun and cost-effective:

**1. Don't be afraid to geek out:** Are you a *Star Wars* and Legos fan? If you're going for a galactic-themed wedding, use Legos to make your wedding cake topper. If you or your future spouse have Legos from the *Star Wars Line*, you can have tons of fun sorting through bricks and mini light-sabers together to make a cake topper that represents you both. You can also have your hair done like Princess Leia on your special day!

**Related Link:** [Celebrity Wedding: More Details Emerge from Miley Cyrus & Liam Hemsworth's Secret Nuptials](#)

**2. Go for `something simpler:** Okay, so maybe you don't want to take your wedding theme off of Earth. Instead, you want your own *Twilight* inspired wedding. You don't need to spend an arm and a leg on candles and lace for the bride and groom table. Go to a craft store and buy some lace to put across the table and, if you live in a rural area, let nature be the backdrop

for your wedding photos.

**Related Link:** [Celebrity Baby News: 'Bachelor' Arie Luyendyk Jr. and Lauren Burnham Are Expecting First Child](#)

**3. Be a bargain shopper bride:** You don't have to have the most in-style wedding dress *right now* for your special day. Absolutely make sure you love it before you buy it, but make certain you're aware of your budget and don't shy away from a deal. Also, keep the bridesmaids in mind if you're going to buy their dresses. Dress shops are bound to have dresses on clearance as long as your girls are willing to be flexible. The shoes don't even have to be *from* the dress shop either. Discount shoe stores sometimes have buy-one, get-one-free: take advantage.

# What justifies telling your ex about moving on?

## Cupid's Advice:

Even though you might feel it's not their business, there may be times you need to let your ex know that you're moving on. What reasons would justify telling your ex about the details of your new relationship?

**1. You're still friends:** Not all relationships end completely with social media and number-blocking. In some cases, you might decide to stay friends with your ex. Maybe you work together or have the same circle of friends and don't want to cause tension or strife. Letting them know you're moving on before anyone else can soften the blow.

**Related Link:** [Celebrity News: Jessica Alba Celebrates Cash Warren's 40th Birthday with Pajama-Themed Birthday](#)

**2. You have children:** Whether you are just starting to date again or are ready to propose to an amazing new person, you're going to want your ex to know. You will want your child(ren) to meet them, since the person you're in a relationship with is now a big part of your life and theirs. Letting your ex know before anyone else that you're moving on will help prevent any potential arguments and will protect your child's well-being.

**Related Link:** [Celebrity Wedding: Chris Pratt & Katherine Schwarzenegger Are Engaged!](#)

**3. You want to let them down easy:** Maybe you've tried telling your ex that you're moving on, but it's had the opposite effect; they think you actually want to get back with them. It's totally okay to let them know that you're moving on, but make sure you let them down easy. If you want to maintain the

friendship with them eventually, they need to know that you have met someone else; potentially leading them on could turn disastrous later.

What are some other reasons you might justify telling your ex that you've decided to move on?

## Cupid's Advice:

Miley Cyrus and Liam Hemsworth are officially husband and wife and kept their wedding day a secret from everyone. But of course, most of us are not celebrities and there are other explanations as to why you should keep your wedding under wraps:

**1. Drama-free:** Along with all the added stress of wedding planning comes a lot of opinions. Sometimes we get caught up in people pleasing and forget what the day is all about in the first place. Having a secret wedding means that you are keeping the focus on just you and your partner.

Keeping that in mind you have a day that becomes bigger than you. By keeping your wedding under wraps it takes you out of the game of what a wedding should be. And allows you to do anything you want on that special day.

In latest celebrity news, Priyanka Chopra and Nick Jonas tied the knot this past weekend in India. It was a star-studded event with all of the Jonas Brothers in attendance. Several musical numbers were performed by the talented guests. The couple hosted two ceremonies: a christian wedding officiated by a pastor and a traditional Indian wedding. **2. Less time to quibble over decision making:** With a short engagement, you are limited, which isn't necessarily a bad thing. What that means is that your options are limited on vendors, dates etc. When you have less options, it makes it easier to make a decision. It also means less time to battle over every pro and con on your wedding.

**3. Back to real life faster:** Adjusting to real life may be smoother with a short engagement. Having a long engagement forces you to stay in the same position with your partner for another year instead of taking the next step.

Is it okay to have you ex at your wedding? Cupid has some thoughts on when this is okay:

**1. The relationship with the ex isn’t fresh:** If you have been in your current relationship longer than you were broken up and were able to be in a friendship with your ex, then having them at your wedding shouldn’t be an issue. The past is in the past and both of you are currently happy with the life you live, so it should be easy to include them on the guest list.

**2. The ex is a part of the couple’s life:** The ex shouldn’t be invited to the wedding if they are just a random person brought up from the past. courtesy to the child rather than to either of the parents. It shows that even though the parents are not together, there is no hostility between them, which gives the child an easier time of understanding the new relationship.

If the clock is ticking, there is so much to do and so many choices to make. If you have extra time, that gives you the opportunity to change your mind constantly. It also gives you time to procrastinate. But, with less time, you have to make a decision and stick with it. It allows you to move on to the next step because there's no time to slow down.
