## **This celebrity wedding finally happened, but not on the first try. What are some important things to consider about the location of your nuptials?**

Location is a huge decision when it comes to a wedding. There are a lot of factors to discuss and many venues to check out. Cupid is here to help:

**1. Other people:** Destination weddings are a hike so if you're planning one, maybe make it a small wedding. Not everybody is going to be able to or want to attend a wedding somewhere far away. Think about your guests when you decide on a location.

**Related Link:** [Celebrity Wedding: Ciara and Russell Wilson Set to Tie the Knot in England](#)

**2. Money:** You might find your dream venue, but that doesn't mean it will be the dream price. Be conscious of your budget and weigh your options. If you spend a little more on the location, spend a little less somewhere else.

**Related Link:** [Russell Wilson Reveals 'Best Part' of His Celebrity Wedding](#)

**3. Space:** Big wedding parties need enough space to fit

everybody. Make sure the location is big enough. If you decide on a beach wedding, you can maximize your guest list where as if you have a small church wedding, it might be a bit smaller. The party afterwards needs to provide room for a dance floor and tables so plan wisely.

## **It's a celebrity couple *Bachelorette* engagement! What are some ways to propose in the most romantic way possible?**

### **Cupid's Advice:**

This celebrity engagement was not only heartfelt, but also extremely beautiful. Even if your proposal doesn't have a set designer, there are so many ways to have it be a memorable and romantic moment. Think outside the box to create a memory that will last a lifetime:

**1. Just you two:** Proposing in front of a lot of people may seem like a romantic move, but nine times out of 10, a one-on-one moment will be much sweeter. You'll have plenty of opportunity for attention after you announce the engagement, so consider proposing in a private setting or with just close friends and family in your audience. Plan a couples' vacation and propose at some point during the trip, or make a meal at home, set the room with flowers, and propose there. Let the moment be just for the two of you.

**Related Link:** [Iggy Azalea Clarifies Celebrity Relationship with French Montana](#)

**2. Speak from the heart:** Nothing can make a proposal more romantic than letting your true feelings out. Think about what you want to say beforehand. It doesn't have to be written out,

but you should know what point you want to make. Talk about your favorite memories, and why you love each other. No matter what setting you're in sweet words will make your proposal romantic, for sure.

Showing that you put a lot of thought into the proposal is super romantic, and having something to look back on after the moment has passed will preserve the romance forever.

## **Celebrity News: Kanye West Opens Up About Kim's Nude Selfies**

By

[Cortney Moore](#)

This may not come as a surprise to most, but rapper [Kanye West](#) has once again made [celebrity news](#) in regards to his comments about wife [Kim Kardashian](#) and her nude selfies. In an exclusive interview with [Harper's Bazaar](#), the celebrity couple spoke on a variety of topics, one of them being Kardashian's viral nude selfies. "I just love seeing her naked; I love nudity. And I love beautiful shapes. I feel like it's almost a Renaissance thing, a painting, a modern version of a painting," the 35-year-old rapper said. In the same interview, he admitted that he'd send nude selfies of his own to women before he entered a relationship with Kardashian. Perhaps now we know how this [celebrity couple](#) keeps the passion alive in their relationship!

**This is certainly risqué celebrity news! How do you know if nude**

# selfies are right for your relationship?

## Cupid's Advice:

Nude selfies have become increasingly popular in the dating scene and even in long-term relationships, as we've seen in this celebrity news. Though it may be fun to send a flirty text, there is always a risk in doing so. Cupid is here to help you figure out if nude selfies are right for your relationship:

**1. Know your partner:** First and foremost, you need to take into account who your partner is. Do you know them well? How long have you been together? Are they trustworthy and mature? These are all questions you should ask yourself before you snap that picture and hit send. You don't want this intimate part of yourself to be accidentally or vindictively leaked.

**Related Link:** [Do's and Don'ts of Flirtexting and Sexting](#)

**2. Only do it if you want to:** Sometimes a significant other may pressure you to send a nude photo. Don't let them bully you into it. The person you're with should respect your wishes if you don't want to do it, and understand your apprehension if you're unsure if it's the right time to do so. Something of this nature should be your choice alone. You don't owe anyone a nude selfie, not even a wife or husband.

**Related Link:** [Celebrity Couple News: Kanye West Helped Kim Kardashian Fight Back During Nude Selfie Controversy](#)

**3. Protect your identity:** If you decide that you're ready to send a nude selfie, do so in a way that protects your identity. Your face doesn't have to be visible (you don't have to follow Kim's example). Even consider using a messaging app that provides an alternate phone number. Do whatever you can

to ensure your privacy.

## Russell Wilson Reveals 'Best Part' of His Celebrity Wedding Day

By

[Nicole Caico](#)

Ciara and Seattle Seahawks QB Russell Wilson said “I do” at their [celebrity wedding](#) in England last week. According to [EOnline.com](#), Ciara wore a custom Roberto Cavalli Couture by Peter Dundas and there were over 100 guests in attendance. In front of many friends and family members, this [celebrity couple](#) took their [celebrity relationship](#) to the next level, and Wilson said the best part was “just to see her face and the long train she had. And then Earth, Wind and Fire took the night away.”

**This celebrity wedding story has us swooning. What are three reasons to have a large wedding celebration?**

**Cupid’s Advice:**

Take a page out of the Wilson’s book and plan a large wedding celebration. All of their friends and family were in

attendance, and yours should be, too. There's no reason to skimp on your big day, so here are three reasons to have a large wedding celebration:

**1. Lower stress:** Having a large wedding celebration may sound *more* stressful, but it just might be less stressful. There is nothing worse than sitting down to make a guest list, deciding it's too long, and having to cross people off. Chances are if you put the person on the list, you don't want to cross them off. Planning a large wedding will save you the terrible feeling of crossing a friend off your list, and will also save you and your betrothed many arguments over the number of guests.

**2. All the pieces of the puzzle:** Whether a large wedding celebration refers to the actual number of people in attendance or just the general grandeur of the event, go big. Plan a budget that is within your means, but also allows you to have everything you want on your big day. Planning a large wedding celebration will ensure that every aspect will be the way you pictured it. You shouldn't skimp on your guest list, dress, food, or decor if you don't have to.

**3. Party time:** If there is no other reason, plan a large wedding celebration because at the end of the day, it's a party! Let loose and celebrate this new chapter in your life with all the people who are important to you. You can't have an awesome party with only 50 people, so just go for it!

# Celebrity Wedding: Christian Siriano & Brad Walsh Marry in Romantic Ceremony

By

[Nicole Caico](#)

On Saturday, July 9, designer Christian Siriano married his fiancé Brad Walsh. The [celebrity wedding](#) took place outside in Danbury, Connecticut and was officiated by actress Kristen Johnston. Siriano, season four winner of *Project Runway*, and his betrothed wore all black and it was requested that guests wore all white. According to [UsMagazine.com](#), the [celebrity couple](#) had the receptions catered by Certe and Siriano's

favorite food, lobster, was among the dishes served.

## **This celebrity wedding was unique and personalized. What are some ways to personalize your nuptials?**

### **Cupid's Advice:**

The Siriano-Walsh wedding had tons of style and incorporated so many personal touches. Take a page out of this celebrity couple's book, and personalize your nuptials:

**1. Venue:** If you're looking to personalize your wedding, start at square one—with the venue. Where you chose to have your wedding can say a lot about you and your betrothed. If you're traditional or religious, you may choose to get married in a place of worship. If you're both outdoorsy, have your ceremony on a beach or in a field. If you're adventurous, plan a destination wedding. Let the setting of your ceremony be the backdrop for who you two are as a couple.

**2. Food:** Personalizing your food is a basic, but important part of your wedding. If you grew up in a family that is connected to their culture, let it shine through in the cuisine. Whether it's traditional Indian, Chinese, or Italian, your heritage is a big part of who you are, and the food was no doubt a big part of your life growing up. If you want to personalize your food in a more small scale way, consider picking out a custom cake topper.

**3. The wedding favor:** Aside from photos, the wedding favor may

be the longest lasting piece of your wedding. Choose something that will stand the test of time and that reflects your personality. It could be as simple as flower seeds for guests to plant and grow, or a monogrammed bottle opener for guests to use in the future.

# Celebrity Wedding Tips: 'Bachelorette' Alum Desiree Hartsock Offers Wedding Tips in New Book

By

[Nicole Caico](#)

Former *Bachelorette*, Desiree Hartsock, has a new book out that

is full of wedding planning tips. In her book, *My Fairytale Wedding*, Hartsock promises to help brides achieve their own fairytale weddings “without breaking the bank.” According to a [celebrity interview](#) for [UsMagazine.com](#), Hartsock spoke about wedding planning, saying, “It’s very stressful and a lot of people don’t realize how stressful it is.” She had her own [celebrity wedding](#) in January 2015 and now brides everywhere can get Hartsock’s wedding planning advice.

## **This *Bachelorette* alum already planned her own celebrity wedding! What are three important wedding tips to keep in mind as you plan your nuptials?**

### **Cupid’s Advice:**

Hartsock is definitely right on this one. Couples spend thousands and thousands of dollars on their weddings, but creating the same experience for much less money is possible. Whether you’re financially splurging or trying to save money where you can, there are always things to keep in mind during your wedding planning:

**1. Keep your eyes on the prize:** As Hartsock says, wedding planning can be stressful. It’s important to remember during the planning process what you’re really planning for. Don’t get so stressed out that you fight with your betrothed on a daily basis. The reason your wedding is happening is because you love each other. You also want to remember that the wedding is about your love not how much you spent on flowers and impressing your guests.

**2. A little piece of you:** A surefire way to make your wedding special on a big or small budget is to include personalized aspects in the ceremony and the reception. Talk to your parents or in-laws and see if there is anything from their weddings that you might be able to incorporate for your own—from the actual gown, to a piece of jewelry or a recreation of the bouquet. When planning, remember that you can personalize any part of your wedding, there is no real wedding rule book. Get creative with invitations, decorations, or your wedding cake.

**3. Looks aren't everything:** What is most important to keep in mind during wedding planning is that as long as you and your fiancé feel good about the plan, that's all that matters. Whether you're writing your own vows and DIY-ing your decorations, or reserving a luxurious reception hall and covering every inch of it in flowers, your wedding should reflect you as a couple and make you happy on your special day.

Marriage is an exciting relationship milestone, but when the nuptials are over, you might find yourself wanting to expand your family. Cupid is here to help you figure out when you should have your first child:

**1. Security:** A perfect time to have a child is when you are secure financially and emotionally. Children are huge responsibilities, especially when they’re infants. Making sure you can provide all that they need and deserve will help you get through this sometimes stressful stage.

**Even in celebrity weddings, friendships play a big part! What are some ways to incorporate your friends in your wedding**

# festivities?

## Cupid's Advice:

While we may not all be lucky enough to have a celebrity designer as a BFF, having friends add something to your wedding is a meaningful experience in a friendship. Aside from asking them to join your bridal party, there are many more ways to let your friends play a role in your wedding. They play a huge role in your life, so it's important to incorporate them in your special day:

**1. Part of the planning:** Try to loosen your grip on the wedding planning reins and allow your friends to contribute ideas. If they know you're normally a control freak, they'll be touched by your consideration and incorporation of their ideas. Your friends have your best interests at heart and may even be able to talk you out of some bad ideas, from your dress to your decorations. Friends who have already gotten married may have some extra valuable advice.

**Related Link:** [Celebrity News: Russell Wilson Says Fiancee Ciara is Way Out of His League](#)

**2. Bigger than the bridal party:** If you keep your bridal party small, but still have friends attending the wedding who are not part of the bridal party, be sure to get a professional picture taken with them, too. Not everyone has to be a bridesmaid, and not everyone wants to be a bridesmaid, so make sure to take the time out to get a great group photo with all of your closest friends. Sending them copies of the photo after the wedding will be a nice touch.

**3. Speech, speech, speech!:** The only person making the rules for who can and cannot make a speech at your wedding is you.

Give your friends the opportunity to say a few words about you and your years as friends. Let them get creative with a group speech or give the honors to one specific person. Giving the spotlight to a few of your closest friends on your special day will show them how important they are to you, and it will be a memorable moment in your life.

## **Celebrity Wedding: 'That 70's Show' Star Topher Grace Marries Ashley Hinshaw**

By

Nicole Caico

On Sunday, May 29, Topher Grace married Ashley Hinshaw. The [celebrity wedding](#) took place in Montecito, California. According to [UsMagazine.com](#), Grace, who starred as Eric Forman on *That 70s Show*, proposed to Hinshaw in January 2015 with a square cut engagement ring. This [celebrity couple](#) is now basking in post-wedding bliss!

**This celebrity wedding was said to be super romantic. What are some unique ways to add romantic touches to your wedding ceremony?**

**Cupid's Advice:**

Your wedding day is something you'll never forget, so naturally you want it to be perfect. Adding romantic touches to your ceremony makes your day all the more special and personal for you and your betrothed:

**1. Words from the heart:** The classic first step in customizing your ceremony and stepping up the romance is writing your own vows. Writing your own vows gives you the chance to tell your significant other how much they mean to you in front of all your friends and family, in your own words. It also gives you the opportunity to show who you are as a couple, as vows can be kept serious or you can squeeze a few jokes in there. And as a bonus, there's almost no way to mess up writing your vows, it won't take world's best writer to come up with heartfelt words for the person they are about to marry.

**Related Link:** [Eva Longoria Marries Jose Baston in Romantic Celebrity Wedding in Mexico](#)

**2. A creative welcome:** If there is space in the area where your guests will be entering your ceremony location, consider putting something there. Collages of you and your significant other from childhood, or pictures of you two together. Maybe even consider putting a small polaroid camera there and a cork board so guests can snap a pic on the way in and hang them up for you to keep. Adding a personal touch before the ceremony even begins will set a great tone for whatever is to come.

**Related Link:** [Celebrity Wedding News: Hilary Swank Is Engaged to BF Ruben Torres](#)

**3. Do away with rice:** Typically at the end of a wedding ceremony, guests toss rice as the bride and groom make their way out to the car. This is yet another aspect of your ceremony that you can add a personal, romantic twist to. Instead of rice, have your guest throw something that is symbolic of your relationship. If you can both agree on a favorite flower, have guests throw those petals, or order confetti that is shaped like characters from your favorite movie. Romantic touches can be subtle!
