Celebrity Couple News: Find Out More About Taylor Swift and Joe Alwyn's Undercover Romance

By Melissa Lee

Even after EOnline.com learned about their [celebrity relationship](#) in May, [celebrity couple Taylor Swift](#) and Joe Alwyn have continued to keep their relationship on the down low. The pair have been quite secretive about their visits, especially after Swift's extremely public past relationships. Swift has reportedly been in London with Alwyn, a 26-year-old British film and theater actor, over the past few weeks.

This new celebrity couple is definitely keeping things under wraps. What are some benefits to keep your relationship on the down-low at first?

Cupid's Advice:

New relationships can be super fun, but sometimes it's nicer

to keep those moments private. Cupid has some advice on why it can be beneficial to stay quiet at first:

1. There's minimal pressure: When you keep your relationship private for a bit, pressures from your friends and family won't be as common. Your mom won't be constantly asking when she can meet your partner, and sometimes those low-key nights in seem a bit more fun than going out with all of their friends!

2. Say goodbye to negativity: By posting about your relationship on social media, everyone will see your new significant other – and let's face it, not everybody will be happy for you. When your relationship is on the down-low, you don't have to worry about people's negative comments bringing you down.

3. Oversharing won't be a problem: Relationships are usually only meant for the two people involved. If your relationship becomes public after constantly posting about it, oversharing can become a fast issue. Special dates or moments may get ruined after you share it with all 500 of your "closest friends".

New Celebrity Couple? Avril Lavigne Goes on Romantic Dinner Date with Ryan Cabrera

By [Stephanie Sacco](#)

Roommates Avril Lavigne and Ryan Cabrera have been living together since 2015, but only now have been on the radar for celebrity gossip. According to [UsMagazine.com](#), Cabrera met up with Lavigne while touring for the My2K Tour at New York City's STK Midtown for a romantic dinner. This new [celebrity couple](#) is a 90's dream. In [celebrity news](#), their relationship has been under wraps, but a source says they're 'fully in a relationship'. Lavigne's been unlucky in love with two ex-husbands who also just so happen to be singers; maybe three times will be the charm.

This new celebrity couple has us rooting for a long-term relationship. How do you know if your roommate is moving out of the friend-zone?

Cupid's Advice:

Getting stuck in the friend-zone can be the worst place to be. Not only do you have to live with the fact that they're not interested, but you have to watch them date other people. Cupid is here to help:

1. Feelings shift: If you start thinking about your friend in a different way or thinking about them more often, you got it bad. The idea of your friend now seen in a new light can change everything. Can boys and girls be just friends?

2. Jealousy: When they hang out with other people or more specifically a different girl and you feel badly about it, there's more to the story. Your feelings towards them could borderline on a crush. The friend-zone might be cracking down and you might just find yourself drawn to a friend.

3. They make a move: If your friend has started to change because the idea of *you* has got their heart on fire, you can tell that the tides are changing. Pay attention to the way he acts or reacts to you. When you both start gravitating towards each other, don't fight it.

Rumored Celebrity Couple Nick Cannon & Chilli Get Steamy on Camera for Music Video

By [Jessica DeRubbo](#)

Apparently we're getting a glimpse into the rumored [celebrity relationship](#) of Nick Cannon and rumored girlfriend Rozanda "Chilli" Thomas. The Mariah Carey's ex and TLC crooner have been spotted together quite a bit lately, and the word on the

street is that they're a [celebrity couple](#). In fact, E! News obtained an exclusive photo of the two in a new music video for Cannon's new music video for "If I Was Your Man," according to [EOnline.com](#). In the photo, the pair are wearing matching sleepwear, and Cannon is rapping to the camera with his open silk pajamas, while Chilli is behind him wearing matching lingerie. About the potential couple, a source said, "Nick loves how chill Chilli is. Chilli is very family oriented and into God. She is also a very spiritual person with a kind soul. She is not drama and that's important for him."

This rumored celebrity couple is going public with their romance in a big way. What are some defining ways to show your friends and family you're in a new relationship?

Cupid's Advice:

Formally announcing your new relationship to family and friends seems a little bit too awkward and official. Cupid has some similarly defining ways to get them in the know without making an awkward announcement:

1. Ask to invite them to a family dinner: If you have a standing day you meet up with your family for dinner, ask if you can bring your partner along. Unless you specifically tell your fam that this is a platonic invite, they'll connect the dots all on their own. Plus, once you get there, make sure to do a little light PDA to bring things into focus for them. Even a pat on the leg or a hug of the shoulders will do the

trick.

2. Bring them up in daily conversation: If you bring up your partner in normal conversation on a consistent basis, your family and friends will get the picture. Eventually they might ask what the deal is, but even that is better than having to make a formal announcement out of the blue.

3. Post a photo on social media: You don't necessarily need to update your Facebook status to "in a relationship," but simply posting a cute photo of the two of you on Instagram will put the message out there, especially if you're somewhat cozy in the pic. At the very least, it'll spark some conversations with your loved ones, which will make the announcement a lot more natural.

According to [UsMagazine.com](#), Higgins gave advice saying, "If you're getting criticism, you're doing something. And you're trying to make your relationship work...Just support each other, love each other, and a couple months out of it, you're going to look back and smile."

This celebrity news has us grinning a bit! What are some ways to give advice to a friend having

relationship questions?

Cupid's Advice:

Friends give friends relationship advice. Knowing you have someone to help you navigate relationship issues is one of the best parts of a friendship, but it's also a lot of pressure. You don't want to steer your friend wrong:

1. Know your friend: When giving your friend relationship advice, it is important to remember key things about them. Your job is to serve as their conscience when they're being swayed by emotions. Try to lead them to a decision they'd make on their own.

2. Hands off: Give your friend as much advice as they will listen to, try to protect them, but remember not to smother them. Give the advice you have and then lay off for a while. You want the best for your friend but being overbearing can cause a fight between you two.

3. Be honest: The number one way to help your friend with relationship questions is to answer honestly. Tell them you don't like the person their interested, or when they are getting lost in their relationship. Keep it real, it's your job.

However, it seems that Bieber has moved on to become a [celebrity couple](#) with Rodriguez, though they have yet to confirm whether or not they're official. brunette beauty's waist," which indeed sounds like this pair could actually be a celebrity couple!

This celebrity news proves that old habits die hard. What are some ways to determine your "type"?

Cupid's Advice:

When we're dating, there are always a few common traits that we gravitate towards. We often look for these traits in a partner and then call them our "type." For those who are unsure of what their type is, Cupid is here to help you determine which is best for you:

1. Shared interests: A simple and straight forward way to determine your type is by finding interests you both share. If you tend to like people who like the same things you do, then you can determine that your type must be compatible with your hobbies and lifestyle. At the very least, your type should show an interest in the things you do.

Related Link: [Former Celebrity Couple News: Selena Gomez Spotted at Justin Bieber Concert After Kissing Post](#)

2. Similar energy levels: Another important trait in finding your type is knowing how energetic you want them to be. If you like being active then you want someone that will be active with you. If you prefer low energy activities, you'll need someone who likes doing that as well. Dating a person who has an opposing energy level from your own is not the right type for you.

3. Mutual desire: Hopefully if you're trying to get into a

serious relationship, you want someone who is attracted to you the same way you are to them. Don't try to force anything that isn't there. If you're not desiring to be in another's presence then they are not your type. A relationship without desire or passion is a friendship, go find someone who can satisfy your romantic needs.

This celebrity news has us realizing that Khloe Kardashian isn't looking to hide her new love interest. What are some benefits to keeping your relationship out in

the open?

Cupid's Advice:

You have two choices when you're going into a new relationship. You can either embrace it and bring it public right away, or you can keep your privacy and stay in hiding. Cupid has some [relationship advice](#) as to why keeping things open might be the way to go:

1. Less work: The fact is, keeping everything on the down low can be exhausting after a while. You're always worried someone is going to find something out or disturb your privacy. You must go above and beyond to keep PDA to a minimum and refrain from talking to your close friends about your relationship.

2. Your friends and family don't have to guess: When you stay in hiding and keep relationship details to yourself, your friends and family might let their imaginations run wild and fill in the gaps with their imagination. If they always know where things stand and see that you have nothing to hide, that simply won't happen.

3. You can have more fun: If your relationship is in the open, your social circle will know they can invite you to fun things. If you're keeping everything hidden, you'll have less opportunity to hang out with friends and lead a social lifestyle.

3. Get excited: A good relationship doesn't mean you have to

soul search and have some sort of major epiphany. If it does, awesome. If not, fine. The major perk of being in a good relationship is that you get to be who you are, and get excited to do things with someone else. A good relationship can change your life for the better by simply making everyday activities more fun because you're sharing them with someone else. This celebrity news has us cringing for the guys on *The Bachelorette*! What are some ways to be open and honest with your potential partner?

Cupid's Advice:

As terribly awkward as it is to dig up your most embarrassing intimate stories, chances are you won't be doing it on television like these guys—so what do you really have to lose?

Not being honest with a potential partner will most likely lead to another embarrassing story, so it's important to remember that honesty is the best policy:

1. Right from the start: The best way to open up and be honest with a potential partner is to establish open conversation from the beginning. Before things get too serious, or too steamy, talk about your sexual histories and desires.

2. Lead with a joke: Conversations about intimacy with a potential partner are no laughing matter, but they're also not strictly business. Joke around to break the ice and in the end, the truth will come out. If you have a positive and lighthearted take on the situation, your potential partner won't feel threatened or judged and the conversation will flow.

Related Link: [Celebrity News: 'Bachelorette' JoJo Fletcher Has Another Ben In Her Life](#)

3. Make it about them: If you have a feeling that an open conversation about intimacy isn't going to go over well with your potential partner, make the conversation about them. Instead of sounding nosy or accusatory, just tell them that you need to know some things in order for you to make the experience as good as it can be for them.
