By Sarah Ribeiro

We've all been there: it's your first date with your tall,

This

dark and handsome crush from the accounting department. You want to look perfect for this guy and have picked out your favorite date outfit to wear to a movie in the city. Unfortunately, as you're getting ready for the night, it begins to downpour outside. You want to make a good impression for your new man but can't see yourself trekking through puddles in 3 inch open-toe heels. Clunky old rain boots aren't an option either. Luckily, the new Laguna boot from [Ahnu](#) can save your date night from being a fashion disaster and keep your feet dry and warm, no matter what the weather brings.

The Laguna puts a modern spin on your average rain boot. Rather than your typical boxy slab of rubber, these patent leather boots come in a streamlined shape that lean less towards puddle-jumping in the schoolyard and more towards walking through the water in the city. Wear them on a rainy date or even just on a romantic stroll with your sweetheart after a storm.

The boots are not only waterproof for practicality, but they also come in three wonderful colors for the fashion-minded bunch: Golden Brown, Black and Wine Tasting. Plus, the front laces help you secure the boots and keep you extra comfortable – and the side zipper provides an easy on/off for when you get home.

Now is the perfect time to try them out before the wet weather begins. Ahnu is giving away a pair of Laguna boots to one lucky CupidsPulse.com reader! Enter the giveaway below and never worry about the weather ruining your romantic night again.

Favorite Celebrity Engagement Rings

By Sa

Engagement rings can be one of the most important elements in beginning a marriage. They signify the bond you have with

your partner, their commitment to you, and the security of your relationship. Of course, there's also the glamour and luxury that comes with a gorgeous diamond on your hand! Here are some celebrity engagement rings that perfectly represent both the strength and extravagance of celebrity weddings and marriages:

Top Celebrity Engagement Rings

1. Kate Hudson: Hudson's engagement ring from Muse rocker Matthew Bellamy is an outstanding statement in such a private celebrity relationship. The \$200,000 platinum ring is a nine carat emerald-cut diamond with tapered baguettes on the side. The two have been engaged for a year, and although they have no wedding date set, they do have a son together, Bingham.

2. Kate Middleton: The royal duchess of Cambridge was definitely given a ring fit for a queen. Her celebrity love Prince William presented her with his mother Princess Diana's engagement ring, a round-cut blue sapphire surrounded by 14 diamonds. At the time it was worn by Diana in 1981, it cost 30,000 British pounds – the equivalent of roughly \$47,000.

3. Angelina Jolie: Being one of Hollywood's most luxurious famous couples, this duo will no doubt have an over-the-top celebrity wedding celebration. Newly-engaged Jolie was given a rectangular-cut diamond on a yellow-and-white gold band. Rumor has it Pitt commissioned a jeweler to find the finest-quality diamond for his love, even requesting a cut shaped perfectly for her hand.

No Limits For This Famous Couple's Ring

4. Beyoncé Knowles: One of Hollywood's most expensive wedding rings naturally belongs to one of the highest-grossing Hollywood couples. The rapper gave Beyoncé a *\$5 million* celebrity engagement ring before their secret marriage in April 2008. The 18-carat diamond, made by jeweler Lorraine Schwartz, is emerald-cut and set in a platinum band. For security purposes, the singer wears a fake copy of it, which is still worth more than \$5,000.

5. Natalie Portman: In 2010, the famous actress, vegan and humanist was gifted an eco-friendly engagement ring to fit her lifestyle. Husband Benjamin Millepied found ballet dancer-turned jeweler Jamie Wolf to design the \$35,000 ring, which uses recycled platinum and an antique oval center stone surrounded by pavé diamonds from a conflict-free mine, meaning no miner was hurt or treated unfairly when mining the stones. Millepied personalized his choice by making the ring a statement to his love's activism and loving nature, a sweet statement for an even sweeter couple.

Two New Ways Women In High Heels Can Stay Sexy and Comfortable

This

post is sponsored by Foot Petals.

By Sarah Ribeiro

After running around the office all day and standing for two hours to give a presentation to a new client, your new man calls and asks you to dinner. You embrace the chance to sit down, but after your meal, he suggests that you take a nice stroll around the block to get some fresh air. You don't want to appear high-maintenance or out-of-shape for that matter, so while your feet cry in pain, you hold his hand and smile.

After all, you really like this guy. But, then the unthinkable happens! You're walking on the sidewalk and your shoe gets stuck in a crack, scuffing the heel of your expensive leather shoes. You can't take it anymore and you begin to cry, your date now thinks you have some very big emotional issues. If only you had known about Foot Petals!

Foot Petals, the brand known for their fabulous and fashionable shoe inserts and shoe cushions just launched two new revolutionary products to bring comfort to women in high

heels.

The first new product, Stiletto Shieldz, solves the annoying problem of when your stiletto heels get scuffed or scratched. Stiletto Shieldz is a clear plastic shield that adheres to your heels (works on leather, synthetics, wood, etc.) and will protect them from scuffs while appearing invisible to the eye.

The Stiletto Shieldz for high heels retails for \$6.95 and is sold at www.footpetals.com and department stores, including Nordstrom.

The second new Foot Petals product, Pressure Pointz, adds comfort to trouble spots. Pressure Pointz are small shoe cushions that women in high heels can stick in a specific spot of their shoes to create a defense layer between their shoe and skin to avoid blisters and uncomfortable rubbing. Many women in high heels currently use band-aids or tape to try to solve this problem, but Pressure Pointz is a more permanent and practical solution that also provides more comfort than at home solutions. Pressure Pointz for stiletto heels retail for \$6.95 and are available at www.footpetals.com and in department stores, including Nordstrom.

Supermodel Ines Rivero Says

Confidence and Communication Are Important For Finding Love

By

Daniela Agurcia

After nearly two decades of walking the runways and posing for photographers, Victoria's Secret Angel Ines Rivero is experiencing the *other* side of the modeling industry as she sits on the panel of judges for nuvoTV's new reality show 'Model Latina South Beach.' In this exclusive interview, the Argentine supermodel, who has been featured on the cover of renown fashion magazines such as 'Elle' and 'Vogue,' talks about her role on the show as well as her experience as a model, her family and her advice for women everywhere.

Related: ['General Hospital' Star Jen Lilley Says "Confidence is So Sexy"](#)

Being a judge on 'Model Latina South Beach,' which premiered on Monday, May 28, sounds like an easy job. But of course, drama is inevitable when the stakes are so high: ten Latina models will compete for a chance to win \$25,000, a position as nuvoTV's spokesperson and a contract with international modeling agency, Q Management. Even so, Rivero enjoys playing judge. For her, the most rewarding part of the experience is being able to pass on the lessons that she's learned as a model and help the young women grow in the industry.

Lesson number one: Rivero stresses that confidence is sexier than physical appearance. Many single women focus on their looks when trying to get a man's attention. Even Rivero was guilty of this mistake, telling us, "I used to be worried about all of the little things wrong with my body, but now I don't care what people think."

It looks like Muriel Villera, 21, of Hialeah, Florida, took Rivero's advice to heart. Last night, she was crowned this season's winner. She believes that her personality played as big of a role in her success as her beautiful face and perfect figure, recently saying, "There is nothing more attractive than ambition and confidence." Next stop for this Latina? A move to New York City to use what she learned on the show and focus on her modeling career.

While Muriel hopes to be a positive example for aspiring models, Rivero believes that women get the wrong impression from this industry, often thinking that they need to be as skinny as them or that they need surgery to look a certain way. She argues that men are generally attracted to women who are natural, so instead of trying to cover up, just be confident with you you are. Recognizing the great influence that models have on women everywhere, she says, "I think we can inspire women by being healthy and in shape and showing

What to Wear to a Summer Wedding

By

Sarah Thaman

Spring has arrived, and along with it comes prime wedding Season! If you have a relative or friend getting married this summer (and you didn't get called to bridesmaid duty), you may be wondering what appropriate attire might be. How can you dress to impress while still embracing the summer style? While the rules vary, here are some great ideas for three common types of weddings: Formal, Semi-Formal, and Casual/Beach.

Formal: Formal, or black-tie, affairs typically call for full-length dresses. Channel your inner goddess with a color block maxi paired with a headband and silver bangles. Mint green is a hot trend, and pairing this hue with an emerald jewel tone make it ideal for day or night. Wear your hair down, or stun with a low, loose bun. A small black clutch is a perfect complement, holding all of your night's necessities.

Related Link: [What to Wear on a First Date](#)

Semi-Formal: Semi-formal weddings are often harder to

decipher. It's always better to be more dressed up than underdressed, so opt for a flirty cocktail dress. A chiffon dress with bright-colored accessories will always hit the mark. Nails are another great accessory – and they often go overlooked. Choose a pair of neutral peep toe heels and perfectly pedicured toes for an added pop of color.

Casual/Beach: If the event calls for casual attire, such as a beach wedding, choose a feminine sundress. This is a perfect opportunity to sport a trendy print such as florals. Dress it up with a pair of adorable wedges, or dress it down with a pair of flat sandals. A peachy cheek and a cute, pastel bag complete the look.

Related Link: [What to Wear to Meet His Family](#)

When choosing a color of dress, consider when the wedding will take place. If the event is during the day, opt for lighter colors. Remember that while you want to look your best, this is the bride's day. Out of courtesy, stay away from ivory, or all-white dresses. If the event is taking place in the evening, consider darker, jewel tone frocks. Follow these tips and you can't go wrong. Who knows, you may just end up meeting your future husband – possibly a groomsman?

Author Bio: While I may not be a professional stylist, I pride myself on choosing fashion that looks polished and classic, and I'm always helping friends choose their date outfits.

Although I'm a writer for HandbagHeaven.com by day, outside of work I take joy in being a matchmaker, a newlywed, and a momma to my precious puppy, Luna.

When it comes to celebrities and their diamonds, nothing makes them glow better than when they're set in precious platinum.

Whether it be diamond rings, earrings or bracelets, platinum is a celebrity favorite. Ann Hathaway, Mila Kunis Halle Berry, Sandra Bullock, Nicole Kidman and many more have worn it over and over again on the red carpet. In February, Jennifer Hudson who gave an emotional tribute to Whitney Houston at the Grammy's, wore a radiant pair of platinum and onyx earrings by Neil Lane.

But, what happens if you don't have a movie stars budget? Well, your are in luck because for the first time in recent history, the price of gold per ounce has risen higher than that of Platinum. So, now platinum is more attainable than ever before.

Three Key Reasons to Buy Platinum:

- It's eternal and has everlasting radiance
- The durability and resistance to wear makes it the most secure and protective metal, which means your jewelry will be protected for a lifetime
- Platinum does not change shape or wear away so precious stones are held firmly and securely.

If you are in a relationship and ring shopping, now is a great time to invest in this rare commodity. A women's wedding band and engagement ring are two of the most sentimental and important pieces of jewelry that she will ever own. For a man, his wedding band needs to last a lifetime too. Platinum will stand the test of time and look just as good fifty years into the marriage as the first day its put on.

Valentine's Day Outfit Ideas: Sophisticated

By Sa

Excited about an upcoming Valentine's Day date? Even if you're going out with your husband or long time bf, it's a great excuse to shake things up and go out for a night on the town. Lost on what to wear? Never fear! I'm here with different looks that are sure to please you and your man. Here's the final of the three looks:

This Valentine's Day look is great if you're meeting up with your date after a long work day. Switch out your shoes for a flash of metallic and a big cocktail ring to jazz it up. Keep your makeup minimal and freshen it up with a highlighter to give your face a subtle glow. When swiped down the bridge of the nose, the Cupid's bow, and near the temples, highlighter gives your face a gorgeous, fresh look. The pop of seafoam green in the fold-over clutch adds a surprising and polished detail. Again, keeping with the "fresh" and sophisticated look.

Lost on what to wear? Never fear! I'm here with three different looks that are sure to please you and your man. Here's the second installment:

If the sophisticated and sexy styles aren't really you, go for a sweet look with pinks and reds! After all, it is Valentine's Day. Take a cue from the holiday's signature colors and pull together a feminine ensemble. Don't worry, this "sweet" look won't be too candy hearts and lollipops. This dress hits on the color-block trend and the sheer fabric makes this look extra flirty. A red wedge offsets the outfit, and the quilted handbag makes for a great shoulder bag. Use a light pink makeup palette to keep your face soft and pretty.

Lost on what to wear? Never fear! I'm here with three different looks that are sure to please you and your man. Here's the first one:

Go for an understated, sexy look this Valentine's Day. Instead of baring it all, choose a dress with a fair amount of coverage, and just the right amount of skin. This one-shoulder body con dress is sure to do the trick. Plus, it's navy, which happens to be the new black. Keep accessories nude and minimal to bring the focus to your face. A nude lip and smokey eye would pair beautifully with this look, and so would a low messy bun. The clutch purse with a large buckle is a great match for this look! Be fierce and fabulous in this sexy look.
