It's almost the LOVE MONTH of February and we're talking about love with relationship expert Lori Bizzoco. Lori is a relationship expert and the executive editor of [Cupids Pulse](#), a one-of-a-kind site that analyzes celebrity relationships and repackages the information to provide relatable love advice to its readers. Lori is also the founder of New York based integrated communications firm, NV Media, Inc. And she's a lot of fun...tune in this Friday for some fun chick chat!

Find out more about Lori at [Cupids Pulse](#) and [NV Media](#).

I mentioned something that could give you a little protection when traveling: the [Bed Bug Registry](#).

If you want to check out the Mary Tyler Moore show, you can stream them online for a fee or you can get whole seasons at [ChesterCountyLibrary](#).

Remembering Mary Tyler Moore with one of her quotes that could have been written for Victorious Woman:

**"Take chances, make mistakes. That's how you grow.
Pain nourishes your courage.
You have to fail in order to practice being brave."**

Celebrating my birthday at Sardi's...So fun!
