Product Review: Bravity Bras Defy Gravity

By [Katie Sotack](#)

The breast lymphatic system “is a network of tissues and organs that help rid the body of toxins, waste and other unwanted materials,” according to *LiveScience.com*. Simply stated, breasts are essential to a properly working immune system. That said, many women have a hard time and are uncomfortable with their breasts when it comes to sleep. They can get in the way at night, causing discomfort and inhibiting the proper lymphatic cleansing process. However, we stumbled upon a bra that just might resolve this issue.

If you’re searching for comfort and the latest health trend while you sleep, get the best of both worlds with Bravity. Learn more about the bra’s perks in this [product review](#).

Anyone with breasts can attest to the challenges they present

when it comes to sleeping. Whether they're falling to the side or preventing you from lying on your chest, breasts can be a nocturnal hazard. That's where Bravity bras come in. Specially crafted with a Y-strap feature so the breasts are exposed, yet still cradled, these bras support the chest during sleep without the discomfort an underwire bra would cause. Here are some benefits:

1. Anti-wrinkle: Aside from the health boost of a properly cleansed lymphatic system, you'll begin to look younger, too. At any age and with any size breast, one might encounter cleavage wrinkles. They are completely natural and nothing to worry about, but if you're searching to keep your supple bosom, look no further. Bravity bras lift and separate the breasts to stop wrinkles from forming.

Related Link: [Health Tips: Celebrity Diet Suggests Supercharged Coffee](#)

2. Comfort: The Bravity bra is crafted with padded adjustable straps so that it feels like tiny pillows cradling your cleavage. While made up of nylon and spandex so that the bra is cool to touch and form fitting, the no cup designs leaves breasts room to breathe.

3. Big breasted babes: Those with larger chests are typically more likely to seek a night-time bra. While Bravity benefits those of every size, big breasts are not left behind like they are in other major brands. We had an ample-chested woman test the product, and she claimed, "Nothing gets mashed up against my chin; it did work". Avoid the dreaded uni-boob with the y-strap technology made for any size.

Related Link: [Celebrity Diet: Does Going Vegan Hurt Your Health?](#)

4. Sports edition: Bravisport does exist! This is a medium support, racer-back bra made to eliminate the uni-boob. The bra provides extra support by combining the average sports bra

with the y-strap design, thus creating two layers of defense. The removable cup pads also allow for customizable shape and comfort.

Product Review: Rock Long Hair on Date Night with Barely Xtensions

By [Mara Miller](#)

Have you ever lopped off all your hair and then immediately regretted it? Maybe you planned a [date night](#) with a new guy from your favorite dating app, and now you regret losing those locks. Or, perhaps it's not because you want to impress a guy at all—you can't decide if you want to grow your hair out for a change. Hair extensions are great for those moments in life where we feel indecisive, and Barely Xtensions at Sally Beauty has you covered with 18" and 20" options.

Check out these great hair extensions from Barely Xtensions in our product review.

These extensions are made with real hair.

Barely Xtensions uses Remy hair—real human hair—in their hair extensions. Human hair versus plastic or other synthetic material works best if you plan to style your extensions. You have your stylist cut the extensions to blend in with your hair so it isn't obvious you have them in. The biggest perk to wearing extensions is the ability to take them out after a hot day so you don't have a heavy curtain of hair around your shoulders. Since it's real human hair, you can style them however you want—with a curling wand, flat iron, or whatever style you're in the mood for that day.

Barely Xtensions look natural.

Each extension provides a revolutionary, micro-thin weft that blends in with your hair. It won't stick up like some other extensions and appears more natural since the wefts are made from real human hair. Every extension is hand-picked for silky, tangle-free hair that is thick from top to bottom,

instantly helping you get that added length to your own locks. The clips are no-damage, meaning they will not get stuck in your hair after you're finished wearing them for the day.

Purchase Options: Barely Xtensions includes five wefts: (1) 9-inch weft, one (1) 6-inch weft, one (1) 4-inch weft, and two (2) 3-inch wefts. All you need to do is pick your color, although packaging may vary. You can find the 18" Barely Xtensions on [SallyBeauty.com](#), ranging from \$167.99 to 184.99, depending on the color you need. Product Review: Wink Brow Bar for Independence Day!

By [Mara Miller](#)

Do you want to look extra special this upcoming July 4th holiday? If you live in New York City, you might be searching for something that makes you sparkle and stands out from the crowd during the Independence Day fireworks. This could mean American Flag-inspired nails, or maybe a hairstyle with red, white and blue. For us here at Cupid's Pulse, we opted for a new set of lashes and matching eyebrow extensions from The Wink Brow Bar in NYC. Yes, you heard right. Eyebrow extensions!

The Wink Brow Bar can help you look fabulous this 4th of July. Check out our [product review](#)!

The Wink Brow Bar has three locations in Manhattan and one in Brooklyn. This little gem started out as a luxury threading studio in New York City's West Villiage, by UK Native and licensed cosmetologist Umbreen Sheikh. Wink Brow Bar really put the art of threading on the map as an alternative option to waxing, which as many of us know, can peel off layers of skin and hurt.

However, Wink's services are not limited to threading (which by the way is organic), they also offer the following services: brow tinting, brow extensions, lash extensions, keratin lash lift, waxing microblading, custom facials, manicure/pedicure, and in some locations they offer hair color and cuts. For the purpose of this review, we will discuss the lash and brow extensions, and threading as an option for children ages 12 and up.

Insta Good Brow Extensions:

Above you will find an incredible before and after of one of your staff members who opted for Winks' "Insta Good Brow Extensions," a service that uses single strands of hair (similar to lash extensions) and places them right on the brows using strong, gentle, colorless adhesive. This is an amazing option for those who do not wish to microblade or color in their eyebrows everyday. This treatment lasts up to two weeks and ranges from \$95.00 to \$195.00 depending on how thick you want your eyebrows.

Fablash Extensions:

In addition to the eyebrows, you can also see that our staff member has a nice full set of lashes as well called "Fab Lash Extensions," which is a service that applies single strand lashes to each eyelash one by one. The service is done while

the client is laying down so that they can relax during the service. The lashes last for a few weeks and refills are done every 7-14 days. Prices vary depending on whether you want your lashes to be natural or full of volume.

First Time Treatment for Tweens

One more thing that our team loved about Wink Brow Bar was that the products they use are organic and natural. Does that mean that they are safe on young children ages 12 and up? The answer is yes!

Our Executive Editor Lori Bizzoco's tween daughter received The Perfect Organic Threading at Wink Brow Bar. Photo: Courtesy Lori Bizzoco

We set up an appointment for one of our youngest team members to try Wink for her very first eyebrow experience. We used The Perfect Organic Threading as a safer and milder alternative to waxing. In fact, Wink is a perfect choice for the young lady in your life who has never had her eyebrows done but desperately wants to give it a try without all the pain. As

you can see from the photo above, her eyebrows are natural looking and the threading left no redness or irritation.

Nourishing Lash Fortifier + Keratin by Wink Brow Bar

Before we forget, do not go home without trying their Nourishing Lash Fortifier + Keratin. It's like a conditioner for your hair, except it is for your lashes. Easy to apply and makes those gorgeous eyes pop!

Wink is the perfect choice for both mom and daughter to look great before those upcoming barbecues. Why not give it a try? It only takes a few minutes to make an appointment online and walk-ins are welcome too. For more information feel free to check out their [website](#) or you can find them on [Twitter](#), and [Instagram](#).

Product Review: MBTBUDS Wireless Bluetooth Earbuds for the Beach!

By [Mara Miller](#)

Summertime is here, and that means...THE BEACH! We all have essentials we need when packing for a summer getaway like towels, bathing suits, snacks, and shoes. Tiny [travel tip](#): if you're even *slightly* attached to your phone, you'll want it next to you while you soak up the sun and the fresh sea air. While some phones have waterproofing, who would want to risk getting their expensive piece of tech caught in a tide? And, let's not even mention the havoc seawater could wreak on your laptop's delicate internals if you want to enjoy the latest [Taylor Swift](#) or [Katy Perry](#) singles.

Wireless earbuds are a great option when you need a getaway to the beach. In this product review, check out the McAlley Wireless Earbuds so you can safely keep your tech tucked away from the water.

These Bluetooth earbuds are unique because they are magnetized. They sit together around your neck like a necklace so you can take a jog on the beach or play volleyball without worrying about losing them. They are turned off when they're magnetized. When un-magnetized, the earbuds turn on.

Related Link: [Product Review: My Ever Map](#)

You might need to give the earbuds a few seconds to pair with your device before you can use them. This is normal for any Bluetooth device, so be patient. They're lightweight and won't weigh you down like heavier wireless over-the-ear headphones, which might not fare as well at the beach.

Even better: these wireless earbuds are water resistant. You might not be able to go into the ocean with them, but you can at least enjoy digging your toes into the wet sand while waves splash over your feet. In everyday use, during either your commute to work or jogging, they will also resist water if it rains.

Related Link: [Product Review: Treat Yourself to Beauty and Comfort This Summer](#)

The earbuds have eight hours of talk time, six hours of playtime, and 150 hours of standby time. The package comes with three earbud sizes so they are comfortable while you wear them. They charge in one to two hours through MicroUSB.

These MBTBUDS Wireless Bluetooth Earbuds are \$60 and can be purchased on [Amazon](#).

Product Review: Harlow's Harvest

By [Mara Miller](#)

Do you have little chefs in your kitchen? Harlow knew it was important to learn how to cook nutritious, wholesome meals because most schools aren't teaching kids how to cook, and it is often a life skill they lack by the time they go to college. Together with her mom, Ashley, they put together a subscription box, called Harlow's Harvest.

Harlow and single mom Ashley put together Harlow's Harvest to help teach kids how to cook in this fun subscription box. Learn more about it in our product review.

It's important to note that at this time, Harlow's Harvest does not include actual food in their meal kits, unlike other food subscription boxes. You'll be signing your child(ren) up for the Harlow's Harvest Cooking Academy, and each month they will get a kit that includes three recipes, a budgeting card, a cooking tool (such as a cookie cutter), and a pin of the month.

The recipes are laminated so your kid(s) won't need to worry about ruining them. You can save it for later if they love the recipe! They'll learn to make things like pizzas, cookies, biscotti, and rainbow veggie pasta. The same box will never be sent twice.

Each Harlow's Harvest box puts a strong emphasis on history, geography, and budgeting. Your kids can learn about the food they're cooking, and you can teach them to budget while buying groceries at the same time, something they will definitely need to know how to do when they are older.

If you want to try this great, educational subscription box for your kids, you can sign them up at the Harlow's Harvest [website](#). If you want it on a monthly basis, one box starts at \$23. The six-month subscription is \$126. And, if your kids

Product Review: Yes-No Tarot for Millennials

If you are a millennial who wants to find an alternative to the traditional tarot reading where you can actually get precise “yes” or “no” answers to your questions, then the Yes-No Tarot deck of cards is the perfect choice for you. Like the

traditional tarot reading, if used correctly, the Yes-No deck can guide you in your life's journey.

In this product review, we explore why Yes-No Tarot can help you make important decisions.

You can ask the Yes-No Tarot deck of cards about anything that concerns you. Remember to ask the right questions if you want to receive the right answers. Here are a few examples:

1. Your daily concerns: Yes-No Tarot can ease your stress and put your mind at peace like traditional tarot cards. Ask questions pertaining to your education or about every day life problems. The cards can even help you decide on a time and place for travel!

2. Your work: Have you doubted your career choices recently? It's understandable to be uncertain about what you want to do with your life career-wise. Yes-No Tarot may be able to guide you regarding your work.

3. Your love life: Love can be a tricky, but fun topic to ask the Yes-No deck about. Be sure to narrow down the question when asking questions about love. Think before you act, especially if you are asking a question regarding marriage.

4. Your finances: Are you having trouble managing your finances? Be sure to ask questions that are realistic. Tarot is only a guide to achieving your financial dreams, so you must do your part as well.

TIPS ON FORMULATING A QUESTION

Remember you will only get "yes" or "no" answers from these tarot cards. Adding time frames and names will avoid any confusion on your part because Yes-No Tarot will only answer

one way or the other. You can use the same technique for questions about your work, love, finances, and other topics. Look at some of the examples below to help:

1. Vacation:

- Will next month be the right time to go to **(name of the place)**?
- Is **(name of the place)** the right vacation spot for me?
- Should I file my vacation leave on **(time of date)**?

2. Career:

- Have I chosen the right kind of work even though it is far from where I live?
- Should I take the job offered by **(name of company or employer)**?

3. Love Life:

- Will **(name of the person you like)** talk to me tonight?
- Should I try talking to **(name of the person you like)**?
- Will **(name of the person you like)** ask me out on a date?

4. Finances:

- Instead of traveling next month, should I save my money?
- If I will reduce my electricity bills, can I save enough money to buy a new gaming console by December?

5. Education:

- Is **(name of school)** the right kind of school for me?
- Will I be ready to take the entrance exam of **(name of school)** next week?
- Should I study **(name of subject)** first, instead of **(name of subject)**?

BE CAUTIOUS

Again, like traditional tarot readings, the Yes-No deck is

only a guide. If you receive a “yes” to a question you asked, think twice before you act on it, especially when it comes to life-changing decisions. Do not base your decision solely on tarot cards.

HOW TO USE A YES-NO TAROT DECK

The preparation of Yes-No Tarot is the same as a traditional tarot reading. Be sure to shuffle the cards first. After shuffling, pull one card from the deck and look at the answer based on the interpretation you have made or the guide that you followed. However, you should note that there are different tarot spreads you can use in Yes-No Tarot.

INTERPRETING THE CARDS

With regards to interpretation, you can either make your own or follow an online guide. If you want to make your own, then there are two ways:

▪ UPRIGHT AND REVERSED TAROT

Keep it simple! If the card you pulled is in an upright position, then give it a “yes.” On the other hand, if the card you pulled is in a downward position, then give it a “no.”

▪ ASSIGNING A YES, NO OR MAYBE

Another option is to assign each card a yes, no, or even a maybe. The “yes” or “no” can be based on your intuition or on the image that you see. For example, if you pulled the Strength or Sun tarot, then it can be an automatic “yes.” If you pulled the Hanged Man tarot, then it can be an easy “no.”

When making your own “yes” or “no” tarot decisions, it is important to stay true to the answer even if you did not like the answer you received.

Dating Advice

What does your eye color say about you and who you are attracted to? It's often said that the eyes are the windows to the soul. They are the first thing we notice in another person and there is much more to eye color than simple genetic pigmentation. Eyes can reveal a lot about your personality and your health. Most shocking, however, is that eye color can also determine who you're most attracted to! Evaluating eye color could be the best [dating advice](#)!

Product Review: SmartBuyGlasses Offer Dating Advice!

It may be no surprise to you that many romantic couples share a few physical traits, but attractiveness to a certain eye

color could come from a surprising source. According to a paper published by Lisa DeBruine and her colleagues at the University of Glasgow, people tend to prefer romantic partners whose eye color matches that of their parents. To demonstrate how eye color affects one's attraction to another, the research team recruited 300 heterosexual and homosexual men and women and made records of their eye color, as well as their parents' and lovers' eye color. The eye colors were then categorized into light (covering blue, green, blue-green, grey and hazel) and dark (covering light brown, dark brown and black).

Related Link: [Product Review: The Essentials for a Night In](#)

The researchers found that overall, heterosexual women and homosexual men were twice as likely to have a lover with similar eye color to their father's, while homosexual women and heterosexual men were more likely to have a lover matching their mother's eye color. While dreaming about your next [date night](#), consider changing your eye color to boost the attraction.

Related Link: [Product Review: Your Date Night Secret Weapon](#)

In general, the eyes are what many people describe to be the most important facial feature in a potential partner, according to another study by FastLife.com. The survey stated that the majority of male and female participants found blue to be the most attractive eye color. Other than blue, they found men preferred women with green eyes over brown, whereas women were more attracted to brown eyes over green in men.

While it's true that there can be many reasons behind why you may be attracted to a certain physical quality, beauty is in the eye of the beholder, so what people find attractive is totally subjective. Nonetheless, if you've always wondered how you might look with a different eye color, colored contact lenses are a popular bet. There are numerous sources for

colored contact lenses; however, finding good quality, affordable and comfortable choices can be tough!

Check out [SmartBuyGlasses](#) to get your own colored contact lenses!

Oscars 2019: Celebrities Line Up for Rafi's Gifting Lounge at the Waldorf Astoria Beverly Hills

By [Lauren Burczyk](#)

Rafi Anteby, owner of ShaDang and Bullets 4 Peace, knows just how to create big events and promote celebrities. His jewelry, made out of old bullets, and coated in diamonds and other precious gems, have made it around the necks of celebrities like Rihanna, Beyoncé, and Jamie Foxx. The celebrity fashion icon has participated in nearly 50 Hollywood gifting suites and has given away over \$100,000 worth of bling to help promote celebrity style. This year's *gifting lounge* was held at none other than the Waldorf Astoria in Beverly Hills and it was the perfect place, since you immediately feel like royalty upon entering. The event was held on Friday, February 22nd, 2019. In addition to rewarding [celebrities](#) for their name and likeness, Rafi donates \$100 per attendee to purchase school supplies to a group of orphans in Myanmar.

Find out why *Rafi's Gift Lounge* was the pre-Oscar event you

didn't want to miss!

Unlike other suites that tend to feel convention-like and over-crowded with vendors, Rafi's gifting lounge was intimate, warm and inviting. For example, guests were immediately greeted with mimosas and celebrities were given decorative Fydelity Big A\$\$ bags (big enough to fit a teenage child) to fill with goodies from the various brands. No need to worry about breaking your back from all that weight in the bags either, because designated Rafi staff kindly carried the bags around for the celebrities who requested it. Talk about living in luxury.

The bags come in various designs including donuts, money bills, marijuana or in shiny laminate-looking black or gold. There was nothing more amusing than sitting in the lobby of the grand and prestigious Waldorf Astoria watching grown men and women carrying these enormous decorative bags on their back at the end of the event. I brought my daughter to the event, and the bag was bigger than her.

Walking into the lounge, it felt like you were walking into an exclusive party, with couches and tables decorating the center of the room, and finger food lining the various tables. In the center of the room was a wonderful display of Tequila by Gran Cava de Oro Extra Anejo which was sampled in beautiful glass. Guests invited to the lounge were treated to a live concert with performances throughout the event by Rock N' Roll Hall-of-Fame groups *The Temptations* (Louis Price) and *The Platters* (Sonny Turner), as well as the Grammy-winning group *Mary Mary*.

Surrounding the outside walls of the room were at least two dozen brands including, attachable Poopy Poo bag dispensers,

cassette coin purses, trendy pre-tied bows and tie chokers for women, along with one of our favorites, Save The Girls clutches and messenger bags. When it came to skin and face treatments, we were excited to learn more about the Stem Cell Lift with Nathan Newman M.D. Although, tucked into the right corner of the room, there was no denying the fight to get to Dr. Newman's booth for the wonderful gift certificate that awaited celebrity fans.

There were so many products and brands to view throughout the

day, and due to the wonderful atmosphere and friendliness, it could take a while to make your way through. However, two booths that were not to be missed included the gifted trips to Bali and Uganda, where celebrities were given gift certificates to these two amazing destinations. Next to the Bali display was a beautiful table of Passion Roses with a complimentary bouquet going to each guest.

Rafi's lounge even featured his own luxury jewelry brand, Bullets4Peace which was surrounded by a flurry of celebrities every time we looked or approached it. The event was a star studded affair and guests including Spike Lee, the director of Oscar nominated film *BlackkKlansman*, [Jared Haibon](#), known for his time on the *Bachelor* franchise, and Peter Farrelly, Best Screenplay Oscar nominee for *Green Book* were all in attendance. The best encounter was Lilian Bowden from my daughter's favorite show, *Andi Mack*. That really made her day. The event was a great way for celebrities to discover new

brands and products.
