Product Review: Dysport & Restylane for Natural-Looking Skincare Success

Written by [Courtney Shapiro](#)

Getting older doesn't necessarily mean you need to look your age or go through extensive surgery to achieve a younger appearance. Healthy and smooth looking skin is possible for everyone.

Galderma, a global leader in skincare, has created several products which are key to retaining

effortless-looking beauty. Two of their most successful products to date include Dysport and Restylane.

Our founder, Lori Bizzoco found out first hand when she visited Brian D. Cohen, M.D., a board-certified plastic surgeon with offices in Great Neck and Manhattan. First, she was given Dysport which was injected in her forehead, around her eyes, and on her glabellar lines.

“I have very strong muscles in my face, and there is one stubborn line on my forehead that never seems to go away or soften with make-up or creams,” she said. “I wasn’t sure if Dysport would really do the trick, but after only a few days, my line has completely faded away.”

Dysport is an FDA-approved prescription injection for the treatment of moderate to severe frown lines between the

eyebrows. The great news is that with Dysport, it's the frown lines between the eyebrows that are minimized, not your expressions. It is a good choice for anyone under 65 who wants to give their skin a little rejuvenation.

Related Link: [Product Review: Giuliana Rancic Launches Fountain of Truth, a Clean-Beauty Skincare Line](#)

In addition to treating the lines around her forehead, Bizocco also opted for a lip plumping procedure using Restylane Silk. "I have extremely thin lips," she said. "But, I was always nervous to use a filler because I didn't want them to look overdone."

Restylane® can be used to add volume and fullness to the skin to correct moderate to severe facial wrinkles and folds, such as the lines from your nose to the corners of your mouth. Restylane offers five different product options all given in the form of injection including, Restylane Silk, Restylane Lyft, Restylane, Restylane Refyne, and Restylane Defyne. Each treatment is suited for any healthy person over 21 who wants

to improve their skin quality.

“The injection to my lips did hurt a little more than I expected and there was some bruising and swelling for a couple of days,” she admitted. “However, the end result was worth it because my lips look fuller and lipstick goes on much smoother.”

Thanks to Dr. Cohen and his staff, our founder’s concerns were alleviated because the team took their time explaining the procedures thoroughly. The best part was that Dr. Cohen reassured her that she would walk out of the office with natural-looking results!

“Nothing was overdone or noticeable,” she said. “In fact, I was able to go back to my normal day the minute I walked out the door.”

You can follow Cohen Plastic Surgery on Instagram [@cohenplasticsurgery](#) or on [Facebook](#).

[Tropical Smoothie Skin Polish](#), \$26.50

This sugar scrub is like being on vacation! They come in three other amazing scents and make your skin feel like butter. You can use it in a bath or shower and as you scrub, you removed dead skin cells and leave your skin smooth. The fact that it's made with all-natural ingredients make it even more appealing.

[Golden Ocean Marine Extract Collagen Eye Gels, \\$5.25](#)

These eye gels are infused with marine extracts and do wonders to revive your eyes. What we love most about them is that they make you look awake and relaxed. They also do wonders at brightening your complexion. Their cool and soothing sensation on your skin makes it feel like you're having a spa day at home at a fraction of the cost!

Blemish Blaster Starter Kit, \$29.50

Acne is something that many of us have dealt with at one point or another and this kit includes four products that can be used when your skin just isn't behaving:

2 oz. Bamboo, Mud, and Bentonite Clay: Bentonite clay is one of the most powerful healing clays and when it comes in contact with toxins, it absorbs them. We used this at night before bed and it left us with such a refreshing feeling. You can feel how clean it makes your skin and it doesn't leave any residue behind.

4 oz. Blemish Blaster Scrub: This is one of our favorite products because it makes our skin feel so soft after using it and it's multifaceted. This scrub is made with sugar and acne-fighting essential oils, which smell heavenly. We like to keep this in our gym bag to use after a workout because that's when we tend to have the most sweat and oils on our face, but this can be used in the shower, as well.

1 oz. Blemish Blaster Makeup Cleansing Oil: This oil is made with the same essential oils that are in the Blemish Blaster

Scrub so not only do these products go hand in hand, you can use this oil to remove makeup while fighting your acne. We love using this oil because it's much gentler than your typical makeup wipes and you don't have to use much, either.

Full-size Conceal it by Beauty Kitchen: Though we fight to get rid of acne, we may not be able to do much about the scars and that's where this concealer comes in handy. Like the other products in this kit, it contains essential oils that not only smell amazing but help to support troubled skin. A little goes a long way and this concealer has lasted a long time for us.

Pink Diamond Flake Collagen Eye Gels from [The Diamond Collection Face & Eye Gel Set](#), \$21.50

These collagen- and antioxidant-infused eye pads feel amazing on your skin. What's great about them is that you can use them to prep your face before makeup or as a revitalizer after a long day out. We like to use them to de-stress and tone ours under eyes.

ACV Buildup Removing Hair Rise, \$14

This rinse is so clarifying and makes your scalp feel clean after use. What makes it even better is that it is infused with the smell of orange so there isn't a strong vinegar scent. We found that it's best to use this type of product once every 1-2 weeks, that way you don't make your hair too dry.

The best way to care for others, according to Revelations founder Robin McGraw, is to love yourself first. How better to love yourself than to invest in your face, the place you show the most emotion and the place you might feel the most insecure about. Made free of parabens, mineral oils, sulfates, or chemicals, this face shaper not only helps you look your best, but feel your best, too. OMG! Is This Really Me? works by counteracting fine lines, wrinkles, and the sagging effects of gravity by saturating your skin with Omega-3 and an agent similar to Botox, known as Argireline. youthful sheen you've been missing.

Product Review: The Flip Flop Bitch Is The Bag That Every On-The-Go Woman Needs

By Bre Gajewski

How many times have you been walking in heels and wished that you could take them off, store them in your purse and wear

flip flops instead? Our answer: Too many times!

Product Review: [The Flip Flop Bitch](#) is the [date night](#) accessory you need that is worthy of [celebrity style](#)!

When looking for a new purse, we often think to ourselves, "Pretty is more important than practical." And, if we want both, it is probably out of our price range. Luckily, the Flip Flop Bitch meets all of our needs.

This bag is lightweight, large enough to fit all of your essentials, and even comes with a cute matching wristlet in which you can store the bag. The best part of all? It's reversible! If you are already wearing a bold print, you can just turn your Flip Flop Bitch bag inside out and wear it on the solid-colored side.

The totes from the Fashion Line come in many different styles ranging from \$65-85. One of our favorites is the [Retro Vegan Leather](#)!

Retro Vegan Leather, \$85

Additionally, they have a Bridal & Sparkly Line which offers eight different styles at \$45 each, as well as a Pet-Themed Line, which offers four styles that hold all of your pet supplies for \$85 each.

We also love [The Illusionist: Vegan Leather Wristlet](#) for nights when you want a smaller bag, but still want something lightweight and fashionable.

The Illusionist: Vegan Leather
Wristlet, \$25

The Flip Flop Bitch was created by mother/daughter duo Cindy and Laura Massari. We had the opportunity to speak with these entrepreneurial ladies and learn a little bit more about their totes and their company. Read our interview below:

Cindy and Laura Massari, Founders
of The Flip Flop Bitch

Can you tell us more about your inspiration behind the Flip

Flop Bitch?

Cindy had this idea for many years before it came to fruition. She always believed in looking good, but also FEELING good too! This is why she had to create a CHIC tote bag to carry her change of shoes when her heels need to come off. Most totes are unattractive and not washable, ours are both beautiful and are washable. No other tote can go to a wedding or an elegant affair & our vegan leather line is so versatile that they can be used for any occasion. Our many appointments in NYC show just how necessary these totes have become. We love to wear beautiful high heels with our outfits and a change of shoes is always a must!

We think the name is hilarious, how did you decide on that?

We are so glad that you love the name! There's actually a funny story behind this. One night Cindy & I were out in the city with girlfriends and after being in heels all night our feet were killing us. As we were walking toward the garage, Cindy decided to pull her flip flops out of a tote that she had designed for herself and switched shoes. Our friends were already barefoot & complaining, walking the dirty streets of Manhattan. How disgusting is that?? They were so jealous... They called her "The Flip Flop Bitch"! She said "that's exactly what I am! And the name was born. It was at that point that she realized there was a need for all women to save their feet & look good doing it.

What is it like being partners in this company as a mother and daughter? Has it brought you closer together?

It's been the best adventure! We have so much fun together & our talents truly complement each other so well. Cindy is the sassy out of the box creator, model & spokeswoman, and Laura is the finance & operations end of the business. We have both learned a lot about each other's strengths and we balance each other well & laugh a LOT. So it has brought us closer for

sure.

What does the future hold? Any additional products in the works?

There is always room for more products! Cindy has so many ideas & wants to create a “bitch” empire, LOL. There may be footwear, organic cosmetics, bathing suits. We will see, stay tuned! XOXO
