On the evening of Thursday, March 9th, the glamorous Garden City Hotel was the spot to be for the press and industry celebration of the upcoming Broadway premiere of *Anastasia The Musical*. Tom Kirdahy Productions, Silva Theatrical Group, and The Garden City Hotel worked in an exclusive partnership in connection with the highly-anticipated release of this Broadway musical. Based on the hit 1997 animated film by 20th Century Fox, *Anastasia* is the story of lost daughter of the last emperor of Russia, following her journey to find her grandmother in Paris through the tumultuous beginnings of the Russian Revolution.

However, the highlight of the night came from Derek Klema, the actor who plays Dmitry in the Broadway production. "This time next year, everyone will know who Derek Klema is," McNally told the crowd. "He is an authentic leading man." The guests were overjoyed by his performance of "My Petersburg," a song from the show. # Product Review: Keep Skin Smooth With Baby Foot

 *This post was sponsored by Baby Foot*

By [Cortney Moore](#)

Struggle with dry, rough feet? Don't be ashamed! Plenty of people have this issue. Despite how common it is, you shouldn't wait for summer time to get your feet in order. Get ahead of the curve this winter, and try Baby Foot, a revolutionary and all-natural foot exfoliant that makes feet smoother and softer than ever! With this [product review](#), we'll show you exactly why Baby Foot should be in your beauty arsenal.

## Product Review: Get rid of all that dead skin with the natural Baby Foot exfoliant!

The principal ingredient of Baby Foot is fruit acid, a gentle substance that peels layers of dead skin off. Painlessly, the acids and a blend of 17 natural extracts penetrate the skin and remove old cells by breaking down desmosomes, which are proteins that hold all the layers together. Through this process, skin is undamaged and peels away the dull parts of the epidermis, revealing a fresh and young layer beneath. After peeling, your feet are reborn- almost like a baby's foot!

All you have to do is cut along the dotted line of Baby Foot and secure the plastic wrappings on your feet. Allow the peel to sit on the feet for about an hour and simply wash it off

when it's done. Within three to seven days, dead skin will begin to crust over and fall off the feet. Make sure not to pull at the skin, or you may hurt yourself, as it needs to peel off naturally. If your feet feel dry while peeling occurs, apply a hydrating moisturizer. After a week, your feet should be as good as new!

You can follow up with a second application if you feel that your skin needs it, but make sure to wait at least two weeks before attempting another peel. For those who wish to enhance their peeling effects, cleansing and soaking feet prior can maximize penetration of the peel gel, or adding heat with the use of socks over the Baby Foot plastic can accelerate peeling.

Not sold on Baby Foot yet? Then perhaps you can be convinced by the exfoliant's media hype. Baby Foot has been featured on the *Today Show*, *Marie Claire*, *Style Watch* and many more. Or check out the trending hashtags like #BabyFootPeelingMask on Instagram and Twitter. There you can see the magic, and read real-life testimonials for this amazing product. Don't be afraid of the foot peel images however, it's all a part of the process.

A single package costs \$25, and can be found in Target, Walmart and other health or [beauty](#) stores. You can use the Baby Foot locator on the company's website to find shops closest to you. So what are you waiting for? Go out and get the soft and beautiful feet of your dreams. You'll be flip flop ready in no time.

Give the gift of Baby Foot! Your feet will thank you!

Along with dry hair comes dry skin, and the colder the temperatures get, the more dried out our skin becomes. It can be hard to find a product that gets skin feeling smooth and soft. Something that is unavoidable most months of the year, but is more easily hidden during the fall, are the exasperating stretch marks that come with growth and age. It can be easy to follow [celebrity news](#) and look for the best beauty products on the market. With these products below you won't need to search any longer!

**iRestore's Hair Growth Serum, Belli's Stretchmark Minimizing Cream, & SASÉ Skincare products are your answer for looking your best during the fall months & preparing your body for winter!**

While the serum is designed for those with thinning hair and alopecia, it is helpful for those not suffering from this who just want

thicker and healthier hair. By applying 1ml two times a day directly onto the scalp in areas of hair loss or desired areas of growth, users can expect to see significant visible results in as little as three months. For only \$39.99, you can keep your hair full and strong during the harsh colder months! While there are no dangerous ingredients, it is not recommended for pregnant women and children.

# Ovation Premieres Drama-Filled New Show, 'Versailles'

*This post is sponsored by Versailles and Ovation.*

By [Mallory McDonald](#)

On Saturday, October 1st, Ovation, an independent television and digital media company dedicated to celebrating and supporting all forms of art and culture, premiered its latest show *Versailles*. The show is centered around the Sun King, also known as King Louis XIV or Louis the Great. He was a monarch of the House of Bourbon and ruled as King of France in the 16th and 17th centuries. While it captures the romance, drama, and betrayal surrounding the Sun King, it also showcases the beauty and opulence of France's high society during this time.

**If you are looking for a new show that is packed with drama, romance, history, and betrayal, *Versailles* is the one for you!**

The show's two main characters are the Sun King, played by George Blagden, and his younger brother Philippe, played by Alexander Vlahos. To protect Philippe from his older brother overshadowing him, his mother raised him as a girl. He is a lover of art and beauty; however, on the battlefield, he is a fearsome soldier, and Louis is jealous of his talents.

In the video above, Blagden and Vlahos share their thoughts about their characters and the relationship between

the Sun King and his younger brother. Initially, Vlahos had some mixed emotions about his role, saying, “I got a call in the middle of rehearsals from the producer describing Phillipe as a modern day David Bowie, and I was like, ‘Yeah I think I can do that.’” However, when Vlahos began portraying Phillipe, he felt like he was in over his head. Soon though, he recognized their similarities.

Within the first week of filming, Blagden felt that he and Vlahos established a natural chemistry that viewers will be able to see on screen. Of working so closely with Blagden, Vlahos shares, “We approach things differently, but we agree completely with each other about why these characters are doing what they’re doing. Also, he is a genius actor, and he is very considerate and complimentary and giving.”

*Tune into Versailles on Sundays at 10 p.m. ET/PT on Ovation and learn what becomes of the two brothers and their personal conflicts!*

# Good For You and Good For The Planet Products

 By [Nicole Caico](#)

Too many products on the market utilize harsh chemicals, which are not good for your health or for the environment. Luckily all-natural products are gaining popularity, because good for you and good for the planet should be the same thing.

**Show your body, and the environment some love with these all natural products.**

Doubling as your soap and loofa, Pura Naturals brings you their line of [Soap Infused Active Sponges](#) in citrus zest, peppermint volcano, and unscented 3-packs (\$8.99). Each plant-based sponge is all natural, and biodegradable. The sponges also repel water which makes them mold-repellent and travel

friendly.

There are plenty of body lotions out there, but not many like this one. Surya Brazil sells their [Amazonia Preciosa Leg & Foot Lotion](#) to give you a one of a kind, all-natural,

hydrating experience (\$34). The lotion is vegan and cruelty-free. With natural oils, aloe, shea butter, and more Surya Brazil promises “intense revitalizing action” from this lotion.

For a fungi-fighting clean, Art Naturals offers their [Antifungal Soap with Tea Tree Oil](#) for body and feet (\$18). This wash is kind to delicate skin while alleviating itchiness associated with common conditions, like athletes foot and psoriasis. Like other all-natural products, its ingredients are refreshingly easy to read.

Face masks are great for relaxation, and even better when they're reusable. The [TheraPearl Face Mask](#) (\$19.99) is an oversized round mask with openings for eyes, nose and mouth. With a fully adjustable Velcro strap, and the choice of heating or chilling it is extremely versatile. Heat it to open clogged sinuses, chill it to soothe tender skin, or make it a part of your facial routine.

You've never had a cleansing wipe so natural. Pre- or post-sweat, [EmerginC Scientific Organics Facial Cleansing Wipes](#) (\$19) 100% natural wipes are ideal for cleansing and removing makeup, packaged for use while at-home or on-the-go. # Product Review: Everyone Wants To Be An HourGlassAngel

 *This post is sponsored by HourGlassAngel*

By [Nicole Caico](#)

If you've heard nothing about waist trainers, that's definitely a surprise! Whether you're a new mom like [Chrissy Teigen](#), or just a woman who desires an hourglass figure like [Khloe Kardashian](#), HourGlassAngel waist trainers are making headlines everywhere.

## Product Review Of The HourGlassAngel Waist Trainer

Waist training is one of the hottest new trends, and while it's not a workout supplement, it can help increase fitness results. [HourGlassAngel.com](#) sells two types of trainers: one to be worn during workouts and one to be worn daily, for several hours in a row. The waist trainers, or cinchers, come in a variety of colors and designs.

While many celebrities praise the results of the waist trainer, many women are weary because they don't know exactly how they work. "Waist training, by definition, is the practice of wearing a corset or waist cincher regularly to instantly slim your waist, while also supplementing a fitness goal of reducing your natural waist size," explains Ruben Soto, CEO of *HourGlassAngel.com*. "Some women choose to do it only when working out, because many styles like the [Amia Active Band](#) are designed to increase perspiration and maximize any physical activity. Others wear a waist trainer for long hours every day like the [Amia Classic Cincher](#). The more you wear it, the more dramatic the results." Soto also mentions that your waist trainer should feel "snug," but if it is painful or interferes with your breathing, it should be immediately taken off and exchanged for a different size. All trainers need to be worn consistently and paired with healthy diet and exercise to maintain results.

Whether you want to bounce back after having a baby, or just improve your shape overall, investing in an HourGlassAngel waist trainer can help you reach your goal.

## **'Botched' Star Dr. Paul Nassif Launches New Anti-Aging Skincare Line**

 Interview by [Lori Bizzoco](#). Written by [Rebecca White](#)

For those of us who are feeling aged, don't get enough sleep or are constantly stressed, a good skincare product always

helps us look and feel better. But, with so many beauty products on the market, how can a girl even choose. That's why we were thrilled to find out that our trusted TV doc, plastic surgeon and former *Real Housewives of Beverly Hills* [reality TV](#) star, Dr. Paul Nassif launched a new anti-aging collection, [Bio-Clock Dermaceuticals](#) earlier this year. This skincare line is no joke. It fills your pores with love.

During an exclusive celebrity interview with CupidsPulse.com, the star of E!'s reality TV show *Botched* spoke about his new collection and shared details surrounding how his amazing beauty products will cleanse and hydrate your skin just in time for your next [date night](#). You can even check out the famous doctor's summer beauty tips and learn how these products can cleanse, exfoliate, hydrate, and protect your skin in our product review below.

## Dr. Paul Nassif's Summer Beauty Tips

As a facial plastic surgeon, it comes as no surprise that Dr. Nassif looks at skin differently than a dermatologist would. Even when he's doing a facelift, the reality TV star says he can see the loss of elasticity, collagen, and hydration. That's why his goal was to have active ingredients in his new beauty products, such as ElastaDermC, a potent form of vitamin C, and retinol which will really make your skin glow. Dr. Nassif's skincare line features all of the essential ingredients for a proactive summer, such as the gentle cleanser, detox pads, hydro-screen hydrating serum, and night beauty serum. Like the doctor says, these products will "wipe away the signs of aging." The surgeon explains how to use these products effectively this summer with his beauty tips below.

**Related Link:** [Product Review: Express Your Love With a Chalk](#)

## [Me UP! T-Shirt](#)

**1. Cleanse.** This is especially important during the summer because of the hot and humid weather which leads to sweat that takes longer to evaporate off your skin. The *Pure Hydration Gentle Cleanser* is gentle enough to remove eye makeup but tough enough to remove pore-clogging debris. Don't let that humid weather ruin your skin's glow.

**2. Exfoliate.** Make sure you exfoliate at the right times. Not only will it help you maintain a fresh fake tan, but gentle facial exfoliation will help create a better canvas for makeup application allowing your skin to wear less on those warm, summer evenings. The *Detox Pads* in Dr. Nassif's new anti-aging skincare line are shown to remove 108% more makeup and dirt than soap and water because of ingredients like retinol, glycolic acid, and salicylic acid (see image above). You will love how amazing your skin feels after a 30-second detox session with this age defying product. Remember to exfoliate the morning after a swim in the pool or ocean, not prior.

**Related Link:** [Product Review: Find Out Why Celebrity Babies Love Lorena Canals Rugs](#)

**3. Hydrate.** Stay hydrated. You may have let up on this a little since winter left the premises, but don't give it up for good. A solid moisturizing routine can do many beneficial things for your complexion. Dry skin is unhappy, damage-prone skin, so apply a product to protect it from summertime drying agents like sunburns, salt, and chlorine. The new *Hydro-Screen Hydrating Serum* is a lightweight moisturizer that plumps as it hydrates. "Your skin drinks this product," the surgeon said in an exclusive celebrity interview with CupidsPulse.com. "This is one of the only products that hydrates your skin. Our goal is to increase hydration, luminosity, and help the appearance of discoloration."

**4. Protect.** Your skin is a barrier that protects you from

environmental aggressors like pollution, bacteria, and moisture loss. Keeping your skin healthy helps that barrier continue to work properly. Protect your skin with products that contain antioxidants which will help repair damaged skin and prevent free radicals from doing undesirable work. The *Day Therapy Energizing Creme* and *Night Therapy Antioxidant Night Serum* will revitalize your skin, increase the effectiveness of your sunscreens, and boost your skin's defense against UV exposure. Dr. Nassif says these products work for your entire face.

These beauty products are proven to reduce dry lines, wrinkles, age spots, sun spots, and discoloration. Many of Nassif's patients have noticed that their skin returned to its natural tone after using the product line. Don't believe us? The reality star and doctor uses his own products, and at 54 years old, he looks 10 years younger.

Whether you're getting ready for your next date night or just keeping up with the latest beauty tricks, Dr. Nassif's anti-aging beauty products have you covered. Be prepared to feel the difference of the active ingredients working to help you through the aging process.
