

Megan Weks

Megan

Weks is a certified dating & [relationship expert](#), author, and speaker who helps successful, high-achieving women find lasting love.

Having coached hundreds of women in dating and relationships, in the last two years alone, she's helped 20 women find and marry the man of their dreams. Through her YouTube channel and Facebook group, she reaches more than 40,000 people, and she has been featured across numerous media outlets, among them *Redbook*, *Bustle*, *Attract Him TV*, and more.

Using her signature "Manfunnel" technique, Megan found and married her own husband within a year of meeting him. Today, she shows successful, high-achieving women how they can do the same.

She currently resides on Long Island with her husband and two stepchildren.
