## Backstreet Boy A.J. McLean Prepares to Welcome a Baby

Backstreet's back, alright! This time, it's A.J. McLean who's making news as he recently got hitched and is preparing to welcome a baby with wife Rochelle, according to [People](#). The tattooed twosome were wed in December 2011 in Beverly Hills and moved to the Valley soon after so they'd have room to raise a family. Via Youtube, McLean made his big baby announcement: "Because we love you all so much, we wanted to share with you – for the first time – something very special. We're having a baby!"

**What are some lifestyle changes to make before having a baby?**

### **Cupid's Advice:**

Having a baby is nothing to step into lightly, as there are some major life changes you need to make before welcoming your child to the family. Cupid has some tips:

**1. Baby proof:** The most obvious changes you need to make before having a baby involve your surroundings. It's important to baby proof all of the outlets in your home and to create a living space especially for the young.

**2. Be happy at home:** Perhaps you're used to hitting the town with your partner on a nightly basis. This will most likely have to change once you have a baby, so it's best to learn how to be happy at home before you give birth.

**3. Work as a team:** If you've never had a pet or other kids, it's possible you've never had to work closely with your partner toward a common goal. As a way to ease into motherhood/fatherhood, consider adopting a dog. Raising a pet is certainly not the same as a child, but it'll point you in the right direction.

## **Backstreet Boys Singer A.J. McLean Ties the Knot**

Backstreet Boy, A.J. McLean is married. The boy band cutie wed his longtime girlfriend at the Beverly Hills Hotel in Los Angeles. The couple is all about putting a spin on tradition.

According to [UsMagazine.com](http://UsMagazine.com), McLean proposed to Rochelle Karidis on stage at a live concert in Vegas, and Rochelle walked down the aisle to Guns N' Roses. Way to make it unique, you two!

**What are some ways to incorporate your favorite things in your wedding?**

### **Cupid's Advice:**

Weddings are meant to be fun, but can sometimes become too traditional and you lose sight of who you are as a couple.

Here's how to celebrate your likes and dislikes, without being tacky:

**1. Music:** If Rochelle can do it, so can you. Walk down the aisle or make your reception playlist full of songs that you and your partner love groovin' out to.

**2. Reception:** Don't be afraid to mix in something you like

with tradition or skip tradition all together. Love the idea of belly dancers? Go for it, because receptions are your time to shine.

**3. Theme:** Why not make your wedding all about you? Pick a theme that you love and incorporate it in everything, from decor to food.
