# Captain Marvel is a great action film for your next date night or time to spend with family!

**Should you see it:** If you're already a Marvel fan and love action movies, then this a no-brainer.

**Who to take:** This movie can be good for a date, but since it's full of action, and sci-fi elements, it can also be great to see as a family.

## **Cupid's Advice:**

Captain Danvers seems to constantly have to prove her worth which is sometimes difficult. We have some advice on why you should believe in yourself and keep moving forward:

**1. Know your worth:** You have talent and value. If you chose a certain job or have a passion or hobby, keep pursuing it. You don't have to prove yourself to anyone if you are doing something you love. Take a couple steps back from the negativity and just live your life.

**2. Use your actions:** If you're tired of people questioning you, prove them wrong through what you accomplish. It's a waste of energy to use words and go on and on about how well you can do something. If people don't see it, they may not fully believe in you.
