In celebrity news, it looks like the A-Rod cheating rumors have no basis. What do you do if someone claims your partner is cheating?

Cupid's Advice

Sometimes an ex just has a grudge. Cupid has advice on how to handle this:

1. Talk about it: Talk with your partner first to find out if the rumor has any reason to make you doubt them. And then if none of it was true, speak up about it to let the person who is spreading the rumors know that they can't ruin your relationship.

By Megan McIntosh

According to *UsMagazine.com*, [Jennifer Lopez](#) was in for quite the surprise when she went on vacation with her boyfriend of two years, Alex Rodriguez. This [celebrity couple](#) has had us wondering when they were going to get engaged for a while now, but it seems even J.Lo wasn't aware of when it would happen. Both J.Lo and A-Rod seemed content to keep the relationship going as it was, but on their recent vacation in the Bahamas,

A-Rod surprised J.Lo with a romantic proposal on the beach with a beautiful ring to match the momentous occasion.

In celebrity wedding news, Alex Rodriguez pulled off a grand surprise for Jennifer Lopez. What are some ways to pull off a romantic surprise?.

Cupid's Advice:

Though a proposal may not be the surprise you're ready to give your partner just yet, there are many other ways to surprise your lover that are super romantic and keep that spark alive. Cupid has some tips:

1. Breakfast in bed: It may seem like a stereotype, but you can't go wrong with breakfast in bed. You get a chance to show off your cooking skills and make it so your partner starts their day on the right foot. It also gives you an excuse to spend a little extra time before you go about the normal business of your day.

2. Get them off their feet: Surprise your partner with a day that's all about them. Give them a massage, make dinner, and run any little errands they may have needed to do.

3. Unexpected vacation: If you know when your significant other has vacation days to be used, buy them a surprise ticket to a place they've always dreamed of going. Plan everything down to the last detail, but leave some room for any additions they may want to do once you both get there. Not ready to

break the bank? Vacation in the country and stick to Airbnb, a vacation close to home is still a vacation.

4. Surprise party: Have a get-together or party that's all about your partner. If their birthday is near, then plan the birthday party they've always wanted. Go all out with a theme that let's them really shine! If there's no birthday party in the near future, you can still celebrate your partner. This celebrity engagement was a huge surprise to Jennifer Lopez! What are three fun surprise proposal ideas?

Cupid's Advice:

Proposing should be fun and memorable. While you may not want to get a huge ring for your partner, here are a few ways you can get creative:

1. On a keyboard: Remember those old clacky keyboards that had keys you could remove for cleaning? Some updated gaming desktop keyboards can be used for this, too (fun keyboard lights are sure to be eye-catching). Take the keys and rearrange them to ask your partner to marry you!

2. On the beach: Pop the question on your summer beach vacation! You can do this in a lot of ways: drawing the question in the sand, making a sculpture, or just getting down on your knee with the ring if you don't want to get super fancy.

3. A themed proposal: Probably one of the most fun, choose either your partner's favorite book, show, or movie, and theme your entire proposal around it! There's a new celebrity couple in town! What are some creative ways to announce your new relationship?

Cupid's Advice:

A new relationship is exciting, and although many of us want privacy, we don't want secrecy. In a world where social media is what seems to connect us the most, it is one of the main platforms where people share big news. Cupid has some tips on cute, creative ways to announce your new relationship via social media:

1. PDA post of an awesome date: Showing some PDA during a creative date with your girl or beau is super cute! And it's a creative way to briefly show the type of couple you are, so pick the right "stage" for your photo. Some fun adorable dates to choose from are: going for a romantic swim or boat ride, camping, a picnic, taking a class together (any kind), a getaway or road trip, and DIY project you are both working on. The list is endless! If the pressure of a photo of you both on a date is a little too much for you, you can also try taking an adorable, endearing photo or a stunning one of you both side by side looking your best – talk about couple goals! [Ariana Grande](#) and Mac Miller took the endearing approach,

posting a cuddled up photo, while Elon Musk and Amber Heard went for the looking beautiful together.

2. A photo of your other half taken by you: You can also post a random photo you've taken of your lover for a shocking affect, have your followers like "What?!" Imagine, a random photo of someone else popping up on your news feed, to then realize who it was posted by – Cute. Celebrity couple Zachary Quinto and Miles McMillan took a similar approach when Quinto posted a photo of McMillan staring right at the camera along with a caption on missing him. Adorbs!

Jlo shared a photo on Instagram of the couples' sneakers while rumors of them dating were floating around – discreet huh? Other ways to do it are to snap photos of your hands or a photo taken of your back sides, let people guess who you're with, if you're into it.

How adorable!

Cupid's Advice:

Jennifer and Alex have an amazing dynamic between their personal relationship and their kids. If you've been struggling with figuring out the right time to introduce your partner to your kids, head below to check out some of Cupid's advice:

1. Make sure they're in it for the long haul: Before letting your partner meet your children, there are a few things you need to make sure of. Firstly, make sure this person is in this relationship for the long haul. You don't want to introduce your kids to someone that's going to disappear in a month's time.

2. Set some boundaries: It's also important to set a few limitations before letting your partner have a role in your kids' lives. Maybe have them around only a few times a week, and gradually introduce the idea of your lover being around as your children get more comfortable. It is crucial to listen to your kids' opinions and needs before getting caught up in anything.

3. Take it slow: Most importantly, remember that there's absolutely no need to rush into anything. Take things one step

at a time, and base it off of your level of comfort, along with your partner's and your children's. Things will work out as time progresses, but don't feel obligated to rush it just because you want a family dynamic.

According to this celebrity news, Jennifer Lopez is hitting off with Alex Rodriguez's daughter! What are some things to consider when trying to bond with your partner's children?

Cupid's Advice:

It can be hard to win a child's affection, but it means even more when it's your partner's child. When trying to bond with them, consider this advice from Cupid:

1. Be patient: While you might want to be close with the children right away, it's just not plausible. When someone new is introduced into a child's life, it's a big adjustment. It can take more time for them to get used to the changes than it does for you. So be patient and wait until they're ready.

2. Make an effort: Kids can tell when you make an effort with them and want to be around them. If they understand who you are, they will be able to create a stronger bond with you.

There could be another celebrity wedding in the works! What are some ways to know you’re ready for marriage?

Cupid’s Advice:

People always ask *when* is the right time to get married, but relationships aren’t monolithic. Instead you should ask yourself what signs show you’re ready for a lifetime partnership. Here are three relationship milestones to consider before you agree to be someone’s other half:

1. When ‘I’ becomes ‘we’: In the early dating phase, you’re content with your independence. Thinking of the future usually goes along the lines of “I’m going to do XYZ, and no one can stop me.” But the second you find yourself including your partner in your future plans it’s no longer all about you. Desiring someone’s companionship and input long-term are traits that show you’re ready for serious commitment.

2. Compromise is second nature: Marriage is all about

compromise. It requires tying yourself down to one person, which can be tricky if you have differing philosophies and lifestyles. However, the ability to give and take is a relationship skill that all great marriages have mastered. If you're able to negotiate with your significant other, then chances are you're both ready for the long haul.

Related Link: [New Celebrity Couple Jennifer Lopez & Alex Rodriguez Are More Than 'Just a Fling'](#)

3. Don't feel like you're missing out: Cold feet can happen, but your concerns shouldn't be centered around all the potential partners you might miss out on. If you're suffering from FOMO, then you're not ready for marriage. But if the idea of coupling up with someone permanently doesn't bother you, then marriage is right for you. Your future spouse will definitely appreciate your dedication!

New Celebrity Couple Jennifer Lopez & Alex Rodriguez Make Red Carpet Debut at Met Gala 2017

By [Noelle Downey](#)

New [celebrity couple Jennifer Lopez](#) and Alex Rodriguez have officially gone public on the red-carpet! According to [UsMagazine.com](#), the A-list couple was photographed at the 2017 Met Gala on May 1 in the shining city of NYC, after being spotted the previous evening stepping out and cuddling up on a [romantic date night](#). This [Hollywood relationship](#) began just three months ago, but an insider spills that it hasn't prevented these two lovebirds from talking about a future together, which might even include a [celebrity wedding](#). "They've been talking about the future and of course marriage has come up," the source confesses. "They aren't making wedding plans, but they have been talking about their lives."

This new celebrity couple is going public with their relationship! How do you know when it's time to

introduce your partner to family and friends?

Cupid's Advice:

There's no doubt about it; introducing your new significant other to your friends and family can be super nerve-wracking! When in doubt, Cupid is here with top tips on when to know it's time to make the big introductions:

1. When your partner is an integral part of your day-to-day life: If you and your partner's days always include some kind of contact with each other, from a friendly text conversation to check-in or a date night for dinner or a movie at their house, it may be time to take the next step and introduce them to your friends and family. If you feel secure in your relationship and know that it is far from being an on-and-off type of thing, then it makes total sense for your friends and family to get to know more about your sweetie!

Related Link: [New Celebrity Couple Jennifer Lopez & Alex Rodriguez Are More Than 'Just a Fling'](#)

2. When you know they're someone special: Introducing friends and family to a new significant other can be stressful, but what makes it a lot less of a hurdle to jump is when you know for sure the person you're introducing them to is someone you truly care about and who you think is something special. You don't have to be days away from tying the knot or on the brink of moving in together, but make sure this is someone who you want to bring home to your mom and dad, or have to dinner with your best friend. Remember, these are the people who love you most in the whole world, it's actually an honor for your SO to get to meet them!

Related Link: [Celebrity Couple Jennifer Lopez and Alex Rodriguez Enjoy a Romantic Vacation for Two](#)

3. When you've talked about it: When in doubt, speak to your significant other about whether or not they're ready to meet your friends and family. Even if they're absolutely crazy about you, your partner may have some anxieties about taking such a big step, so feel free to put it off for another month if you feel like you're still getting to know each other or aren't sure yet what your label truly is. Whenever you decide to meet each other's families, make sure you're both comfortable with the decision and the timing and have discussed your relationship to enough of a degree that this introduction feels like the next logical step.

It’s fun to daydream about a getaway with your love (especially if it’s as romantic as this celebrity vacation!), but in reality, it’s important to make sure that your relationship is stable before you take it on the road. Here are three things to consider before planning a trip with your beau:

1. You’re over the first date jitters: Vacationing as a couple is a serious step to take! You’ll be together 24/7, so there’s very little chance to make sure your lipstick is perfect and your hair is curled before he wakes up. Make sure you’re ready to show your man who you are beneath your perfect facade and warm up with a few overnight sleepovers.

2. You can handle a little stress: Let's be honest: Traveling is stressful. Are you ready to see your partner in a cranky mood after a day full of delayed flights, lost luggage, and hot airports? Similar to showing your man who you are beneath a face full of make-up, you'll also see who he is when obstacles get in his way.

3. You have similar vacation styles: Before you hop on that flight, talk to your significant other about your upcoming trip. Do you enjoy packing your itinerary full of outdoor activities, leaving little time for relaxing? Or do you tend to use your vacations as a chance to catch up on your reading list? Make sure you have similar expectations about your trip so you *both* have a good time.

Celebrity News: 10 Hot Latin Celebrities

By Jennifer Harrington

It's no secret that the influence of Latino celebrities is growing every day (Latino celebrities have 600 million followers on Facebook and Twitter!). And with a new South American pope in office, Cinco de Mayo quickly approaching, and frequent news coverage of the growing Latino population in the United States, we figured it was a good time to look at the hottest Latino/Latina celebrities. Here's Cupid's opinion of who is sizzling!

Jennifer Lopez

Jennifer was born in New York City to Puerto Rican parents, and she's been a staple in the entertainment world for years – as a dancer, actress, entrepreneur, fashion designer, singer, and *American Idol* judge. When J-Lo joined *American Idol* as a judge, it was seen as an important move because the show is very popular with Hispanic audiences, and she brought a kinder, more positive attitude to the show. While she's moved on from the popular show, there's no question she will continue to remain a staple in pop culture.

Alex Rodriguez

Like Jennifer Lopez, Alex was born in New York City. He was raised in a Dominican family and currently plays baseball for his hometown team, the New York Yankees (although he grew up a Mets fan!). In addition to making plays on the baseball diamond, Alex has also been linked romantically to several major celebrities, including Kate Hudson, Cameron Diaz, and Madonna.

Eva Longoria

Eva is a Mexican-American, and best known for her roles on *The Young and the Restless* and *Desperate Housewives*. Her role as the saucy Gabrielle Solis on *Desperate Housewives* may have ended when the series wrapped last year, but Eva remains in the spotlight. Most notably, she was actively involved in President Barack Obama's re-election campaign in 2012, and she even spoke at the Democratic National Convention!

Mario Lopez

Mario is a close friend of Eva's, and like Eva, he is of Mexican descent. Mario is best known for his role as A.C. Slater on *Saved by the Bell*, and in recent years, he's remained in the limelight with an appearance on *Dancing with the Stars* and as host of the daily entertainment program, *Extra*. Recently, it was announced that Mario's family with dancer Courtney Mazza is expanding; the couple is expecting their second child in the fall.

Sofia Vergara

Sofia is a Colombian-born actress, television hostess, and model – and if you watch television, it's hard to miss her. A star of ABC's hit TV show *Modern Family*, Sofia is also

featured in advertisements for Diet Pepsi and Cover Girl cosmetics. Sofia has also made a splash within the Latino community because many wonder if she takes the Latino stereotype too far with her portrayal of loud and boisterous Gloria on *Modern Family* and remarks she made in a 2012 interview with *Esquire* magazine about common Latino stereotypes.

Enrique Iglesias

Enrique was born in Spain, and his father was a well-known singer and entertainer. Enrique established himself as a singer in the late 1990s with songs such as “Bailamos” and “Hero”. He has performed at the Super Bowl, and has been dating tennis star Anna Kournikova for the past decade. Enrique is extremely private about his relationship with Anna, and has even remarked that marriage is not a priority for the couple as long as they are happy and committed to each other.

Penelope Cruz

Penelope was born in Spain, and is well-known worldwide for her work as an actress. She first burst on the scene with films such as *Blow* and *Vanilla Sky* (this movie also sparked her three-year romance with co-star Tom Cruise; the couple allegedly broke up because she refused to embrace his Scientology beliefs). She’s now married to Spanish actor Javier Bardem, and she is expecting the couple’s second child later this year.

Antonio Banderas

Antonio is also Spanish. He was in several high-profile movies in the 1990s, including *Evita*, *Interview with the Vampire*, *Philadelphia*, and *The Mask of Zorro*. He is married to fellow celebrity Melanie Griffith. Today, Antonio does voice work for movies such as *Shrek* and focuses on parenting his daughter, Stella. He’s spoken out about the importance he places on fatherhood by saying that he takes Stella out on “daddy-

daughter” date nights once a week.

Shakira

Shakira is a Colombian singer-songwriter. She crossed over into the English market in 2001 (a native Spanish speaker, she’s fluent in English and Portuguese, and can speak some Italian, French, and Catalan) with hits like “Whatever, Whenever” and “Hips Don’t Lie”. Shakira is featured on this season’s installment of *The Voice* and recently welcomed her first child (son Milan) with her boyfriend, a Spanish football player.

Salma Hayek

Like Eva and Mario, Salma is Mexican-American. She’s known for her roles in films like *Desperado*, *Dogma*, and *Frida* and the television show *Ugly Betty*. She is married to French billionaire François-Henri Pinault, and the couple has a young daughter. Her charitable work over the years has increased, and she focuses her efforts on raising awareness of violence against women and discrimination against immigrants.

Valentine’s Day Advice: Follow Famous New Yorkers

By Jeryl Brunner

Someone once told me that when it comes to dating, especially early on, it's important to place you and your date into the epicenter of something fun and amusing. So, in case you aren't clicking or the conversation is generally going south, the environment around you can pick up the slack, offering instant entertainment.

So this Valentine's Day, instead of going for the quiet table at the dimly lit restaurant, opt for something a bit more lively that will spark conversation. Honestly, I've been told that the circus makes a nice date option, and is good for people watching and observation. ("Look at that clown juggle 14 plates! Get a load of that tightrope walker!") But since the circus isn't in town, I turned to famous New Yorkers and their favorite romantic New York City spots for advice:

1. Let me sell you a bridge

For the ultimate people watching and architecture viewing, do what makes John Oliver and Ana Gastayer go breathless: Walk across the Brooklyn Bridge. "Something as simple as walking

across the Brooklyn Bridge can be a heart-stopping experience,” explains Gasyeyer. “As a New Yorker there are a few moments that you can repeat over and over again that echo the original experience of coming here if you weren’t born here.”

2. Be a karaoke king (or queen)

Pals Jason Sudeikis and Will Forte say there’s nothing like bonding over karaoke in a private room. The pair and their friends will hit Sing Sing or Boho Karaoke and belt REO Speedwagon standards like “I Can’t Fight This Feeling,” TV theme songs (think *Family Ties* and *Good Times*) or tunes from Shrek. As Sudeikis notes, “You sing six or seven songs in an hour and can take chances. You can take risks.”

3. Pizza, much hotter than you think

How about a road trip for pizza and more compelling people watching? Kevin Spacey prefers Joe’s, while Daniel Boulud says Di Fara rules. Owner Dom DeMarco, says Boulud “makes each pie one by one. People line up out the door to get in. It’s the old-fashioned Brooklyn pizza—thick, bready dough, good tomato sauce ... He adds more cheese after it’s cooked and lets it melt over the hot pizza, rather than cook the cheese too much.”

4. Never underestimate the zoo, sing-alongs and gardens

For interesting people (and animal) watching, head over to Alex Rodriguez’s go-to spot, the Central Park Zoo. Then, mosey on over to Meredith Vieira’s beloved Strawberry Fields and sing along with the musicians crooning Beatles tunes. Combine that with a trip to the Conservatory Gardens, Bette

Midler's favorite locale. The six-acre tucked away refuge is filled with bronze sculptures and fountains.

5. Drink in that view

Thirsty? Follow Gayle King's lead and have a drink at the 35th floor Lobby Lounge at the Mandarin Oriental Hotel. Nothing enhances date buzz like a killer view with the twinkling lights of Manhattan as your backdrop.

So go ahead, step out of the same old heart-shaped box this Valentine's Day. You may just discover some seriously cool shared treasures.

Are Cameron Diaz and Diddy Hooking Up?

Cameron Diaz and Alex Rodriguez may have called it quits, but she isn't giving up on men just yet. The actress is rumored to have reunited with her on-and-off again hookup Sean "Diddy" Combs. The duo has reportedly gone public, and eyewitnesses have reported seeing them "making out" and "acting romantic." This wouldn't be a problem if Combs wasn't currently dating his model girlfriend, Cassie, of three years. A friend told UsMagazine.com that, "Diddy's single whenever there's a better offer on the table!"

What are some signs that your partner is cheating on you?

Cupid's Advice:

Are you suspicious that your partner is sneaking around? It's important to trust your gut. Cupid has some tips:

1. Change in behavior: If your significant other is suddenly overly nice or incredibly rude, it might be a sign that something's up. Also, if you feel like you can never trust anything they're saying because the story never adds up, it's probably something you'll have to explore.

2. He's avoiding you: When they're constantly hanging out in a group of friends without you or is claiming to "be too busy to spend time with you," it's time to ask deeper questions.

3. His appearance has changed: You may have noticed that looks have suddenly become a priority to your mate. If he gets his hair or has started trending a new wardrobe, it's possible he's trying to impress someone besides you.

Cameron Diaz and A-Rod Spend a Domestic Weekend Together

A movie star and a New York Yankee: could there be a more glamorous couple? But in Miami this past weekend, Cameron Diaz and Alex Rodriguez actually spent a low-key, domestic couple of days together. According to [RadarOnline](#), the high-profile twosome was spotted having a casual meal out and stopping at a local Whole Foods grocery store. Diaz, 38, is enjoying a break from filming her new movie, *What to Expect When You're Expecting*.

What are some signs that you've settled into a serious relationship with someone?

Cupid's Advice:

After the honeymoon phase of the relationship is over, you and your sweetie will either get serious or call it quits. Cupid has some signs that you've settled down with your mate:

- 1. It's the little things:** Doing everyday things together, like grocery shopping, shows that you're serious as a couple because you don't need to impress each other anymore.
- 2. You have a routine:** If you know that Tuesday night is pizza

night and Saturday you go to the park together, you've settled into a routine with your partner. Once you've gotten into a groove, you've also settled into a serious relationship.

3. **Nothing to hide:** When you and your mate are totally honest with each other and don't care about showing your flaws, you're in deep. You're probably past the honeymoon phase when you're comfortable being in your sweats with no makeup on in front of your mate.

Cameron Diaz Confesses Her Love for A-Rod

The funny and intimate moment that couple Cameron Diaz and Alex Rodriguez shared at the Super Bowl this past February is finally being explained! The normally private duo was caught on camera feeding each other popcorn in the stands. Diaz finally took the time to explain the moment on Monday, during her appearance on *Late Night with David Letterman*, reports [People](#). “We were watching the game, and I was eating, and I was getting down to, like, the last couple pieces of popcorn,” Diaz recalled. “And all of a sudden, I see [Alex’s] hand coming in,” said Diaz. “Anybody who knows me does not put their hand in my food, especially when it’s close to my mouth. I said, ‘What are you. . . ?’ And then I went, ‘You know what? I love you too much, I’m going to give it to you. You deserve it.’”

What things do you sacrifice by being in a relationship?

Cupid’s Advice:

Being in a happy relationship is one of the best possible feelings. However, it’s not without sacrifice:

1. Alone time: When you’re in a relationship, especially a

serious one, it may be difficult for you to get some alone time. Taking a bubble bath is not nearly as soothing with your bored partner watching a TV show in the next room.

2. Time with your friends: While those who truly care won't mind the strain on your friendships, you may find yourself aggravated that you can't spend as much time with them. It is important not to spend all of your time with your partner, and to also make time for other people in your life.

3. Your privacy: Perhaps the most essential thing you sacrifice in a relationship is privacy, especially in cases where you and your partner live together. While over time the lack of privacy may not bother you, it takes some time to come to terms with it.

What have you had to sacrifice in your relationships? Feel free to leave a comment below!

Cameron Diaz and Alex Rodriguez: Still Together

They haven't struck out yet. New York Yankees' third baseman Alex Rodriguez is still together with *Bad Teacher* star Cameron Diaz despite rumors, according to UsMagazine.com. The duo stood together, held hands and were affectionate during an MTV Movie Awards after party in SoHo. The night before, the couple went out to the LA sports bar Goals to catch the NBA Finals game together.

How do you keep rumors from ruining your relationship?

Cupid's Advice:

How you handle rumors can make or break a relationship. Cupid has some tips on how to deal:

1. Hold strong: The best thing to do in a situation is to not let things get under your skin, no matter how severe they are. Rumors are meant to hurt you, and by defying the odds, you show those gossipers out there that they can't affect you and your relationship.

2. Preventative measures: Be careful who you talk to about your relationship. Sometimes it just takes one person to

misinterpret something to start a rumor.

3. Address the situation: The best thing to do as a couple is to talk about each rumor that comes up and trust what your partner is saying. Without trust, the rumors will destroy you as a couple.

Cameron Diaz Discusses Her Break-Up Style: Break Up And Move On

They say breaking up is hard to do, but that certainly isn't the case for 'Bad Teacher' star Cameron Diaz. Diaz told UK's 'News Of The World', "We break up, we move on," in response to recent reports that she split from baseball hottie A-Rod, according to [RadarOnline](#). Diaz's new movie 'Bad Teacher' in which she plays a raunchy, go-for-broke educator is set for release June 24th, and her character in the movie isn't far off from who she is in real life. When Diaz appeared on Jimmy Kimmel in February, she proclaimed, "I love porn" and told a British newspaper that sex is her favorite sport. Seems like a break up is the last thing the actress is concerned about!

What are some ways to quickly move on from a breakup?

Cupid's Advice:

It's not always easy to get over a break up, but Cupid has some advice on how to quickly move on from a break up:

1. Just accept it and move on: Take a tip from Cameron Diaz and simply accept that people break up and move on. Clearly it's working for her!

2. Put it out of your mind: Distract yourself with work and friends so that you don't even think about your split.

3. Focus on yourself: Try a new activity, hit the gym or read a book; focusing on yourself is the best way to get over a break up while helping yourself feel empowered.
