# In celebrity baby news, baby makes four! What are some benefits to having two kids versus just one?

## Cupid's Advice:

Having one child might seem easy, but having two means your children will have a friend for life. There are also added social benefits to having a second child. Cupid has some benefits to share that might have you thinking twice about stopping after baby number one:

### **1. Your children learn how to socialize and share with others:**

When you have a second child, both will have to learn to get along and share with each other because they don't have much of a choice. Siblings are in each other's lives all day, every day for the first few years of their lives. This social interaction will help them when it is time to go to school and start making friends.

# Backstreet Boy A.J. McLean Prepares to Welcome a Baby

Backstreet's back, alright! This time, it's A.J. McLean who's making news as he recently got hitched and is preparing to welcome a baby with wife Rochelle, according to [People](#). The tattooed twosome were wed in December 2011 in Beverly Hills and moved to the Valley soon after so they'd have room to raise a family. Via Youtube, McLean made his big baby announcement: "Because we love you all so much, we wanted to share with you – for the first time – something very special. We're having a baby!"

**What are some lifestyle changes to make before having a baby?**

**Cupid's Advice:**

Having a baby is nothing to step into lightly, as there are some major life changes you need to make before welcoming your child to the family. Cupid has some tips:

**1. Baby proof:** The most obvious changes you need to make before having a baby involve your surroundings. It's important to baby proof all of the outlets in your home and to create a living space especially for the young.

**2. Be happy at home:** Perhaps you're used to hitting the town with your partner on a nightly basis. This will most likely have to change once you have a baby, so it's best to learn how to be happy at home before you give birth.

**3. Work as a team:** If you've never had a pet or other kids, it's possible you've never had to work closely with your partner toward a common goal. As a way to ease into motherhood/fatherhood, consider adopting a dog. Raising a pet is certainly not the same as a child, but it'll point you in the right direction.

Weddings are meant to be fun, but can sometimes become too traditional and you lose sight of who you are as a couple. Here's how to celebrate your likes and dislikes, without being tacky:

- 1. Music:** If Rochelle can do it, so can you. Walk down the aisle or make your reception playlist full of songs that you and your partner love groovin' out to.
- 2. Reception:** Don't be afraid to mix in something you like

with tradition or skip tradition all together. Love the idea of belly dancers? Go for it, because receptions are your time to shine.

**3. Theme:** Why not make your wedding all about you? Pick a theme that you love and incorporate it in everything, from decor to food.
