By [Ashleigh Underwood](#)

Everybody wants to look their best and be as healthy as possible. When summer rolls around, this means trying to achieve the perfect summer beach body. Our favorite celebs seem to look beach ready year round, but how do they do it? What do their workout routines and diet plans look like? Celebrities are always showing off their fitness methods and are eager to share new ideas!

Dying to learn how to get the

perfect beach body this summer? Check out these awesome celebrity workout tips!

1. Mix it up: When you first start working out, you tend to stick to the things you know. You go running every day, or you spend all your time lifting weights. Singer Ellie Goulding says the key to her workout is mixing up her routine! Spend one day at the gym doing cardio, another day go try boxing, and a different day lifting weights. As long as you have variety, you will never get bored.

2. Update your diet: One of the simplest and most effective ways of improving your health and fitness is to enhance your diet. Cut out unhealthy things like sugar and sweets and add more protein to your meals. Performer [Calvin Harris](#) achieved this when he showed off his daily breakfast. Each day, he makes a mouth watering, egg white omelette with smoked salmon and spinach. His routine is a perfect example of how you can eat well and still have it be delicious!

Celebrity power couple [Beyoncé](#) and [Jay-Z](#) are known to workout together whenever they can. While she is running, he might be on the bikes, but either way they are there supporting each other and working towards their goals!

4. Do something fun: Getting fit doesn't always have to mean spending countless hours in the gym. Instead, follow the advice of [Nick Jonas](#), and do things you actually enjoy. For him, this means playing sports and getting in his cardio

instead of spending an hour on the treadmill. This is extremely useful for people who don't enjoy the atmosphere inside a gym. You get to do things you enjoy, get outdoors, and even incorporate your friends.

5. Incorporate daily life: If you lead a busy life and can't find spare time to go to the gym every day, simply add little workouts to your daily life. Iggy Azalea's advice is to make squats and sit ups as important as brushing your teeth. Taking five minutes out of your night right before you go to bed can make a huge difference in the long run!

By [Stephanie Sacco](#)

[Celebrity exes](#) Calvin Harris and [Taylor Swift](#) broke up earlier

in the summer, and it looks like there's still bad blood. These celebrity exes are not currently civil whatsoever. What are some factors to consider when defining your relationship post-split?

Cupid's Advice:

Defining a relationship is hard enough when you're involved with the person, but when it starts to get complicated, it's a lot more challenging to define. Cupid is here with some [dating advice](#):

1. You're friends: If the break-up is amicable and you think you can stay civil, call it friendship. Perhaps you were friends first and it's easy to fall back into old patterns. The break-up was a set back, but it didn't ruin everything between you two.

2. You're exes: When you want nothing to do with each other and it's completely over: you're exes. The break-up has severed any kind of relationship between you and there's nothing more to say. It's alright to be exes and it's okay to cut ties, don't ever feel obligated to stick around.

3. You're dating: Sometimes break-ups are short lived and you could easily date again. Post-split you aren't together, but it can pick up where it left off instantly. The type of relationship you have with an ex can vary, but it doesn't always mean it's over.

1. Looking back: If you can reflect on your past relationship without breaking down, you're ready to move on. He freaked out over the fact that Swift took credit for the song "This Is What You Came For". According to [UsMagazine.com](#), Harris took to Twitter to discuss his feelings towards his ex. He tweeted, "I wrote the music, produced the song, arranged it and cut the vocals though." He continued, saying, "And initially she wanted it kept secret, hence the pseudonym. In [celebrity news](#), he was not impressed with Swift this week. "I figure if you're happy in your new relationship you should focus on that instead of trying to tear your ex bf down for something to do." he said. This celebrity news spells d-r-a-m-

a! What are some ways to keep drama to a minimum post-split?

Cupid's Advice:

Break-ups can be messy, and nobody wants to deal with the drama. The aftermath is almost always tragic, but there are ways to minimize it. Cupid is here to help:

1. Walk away: You don't have to shake hands or hug it out in the final stages of your break-up, but it doesn't hurt to walk away. Instead of prolonging a fight, just get up and leave. Forget about closure, and worry more about your mental health.

2. Clean break: Try to have a clean break when it comes to your split. If you can part ways as if you are saying goodbye as opposed to a relationship coming to an end, take advantage of that. It's not worth it to try to keep up appearances when it's too far gone.

Cupid’s Advice:

Break-ups can be messy and awkward, or both. The backlash can be even worse so it’s important to have somebody in your corner. Cupid is here to help you cope:

1. The truth: When asked a specific question about the break-up, answer honestly and hope that your family and friends will understand. If they’re supportive, they’ll show you compassion and give you the space you need to move on. Being vulnerable isn’t easy, but with the right people on your side you’ll be just fine.

Celebrity News: Taylor Swift Reportedly Wanted a 'Future' with Calvin Harris

By [Nicole Caico](#)

Another [celebrity relationship](#) has come to an end. [Taylor Swift](#) and Calvin Harris' [celebrity break-up](#) comes after over a year of dating, and according to [UsMagazine.com](#), "Taylor Swift thought Calvin Harris was the one." The [celebrity couple](#) celebrated their one year anniversary this past March. Reportedly, they have grown apart and decided to end things for that reason. Calvin Harris tweeted about the break-up saying, "The only truth here is that a relationship came to an end & what remains is a huge amount of love and respect."

This celebrity news still has us down in the dumps. What are some signs things are headed toward the end in a relationship?

Cupid's Advice:

No one could have foreseen this celebrity relationship coming to an end, but it is important to know what signs to look for in your own relationship that could mean you're headed for a break up:

1. Last place: If you are repeatedly put at the bottom of your significant other's list of priorities, prepare for the worst. Having your S.O. choose friends or work over you every time means that he/she doesn't consider your relationship a top priority. You deserve first place, don't settle. This shows a serious lack of effort.

2. At a loss for words: When you realize that you two are having less and less to talk about it's a sign that you're

growing apart. If conversations are becoming boring, or draining, it's time to rethink your relationship status. Hanging out shouldn't feel like a chore.

3. Not the time or place: Sometimes it can be as simple as this—you're not at the same place in your lives. If you are both trying to pursue a career, or need to be close to your family, things can get in the way. Life gets complicated and if you are both dedicated to something that is pulling you away, it may be time to decide as a couple not to be a couple anymore.
