**How do you introduce your new child to your older children?**

**Cupid's Advice:**

Bringing home a new baby is both exciting and nerve-racking, especially if there is another child in the mix. It's a delicate situation to introduce a new addition to an already-established family dynamic. Cupid has some advice for you:

**1. Explain what's happening:** For younger children, a new baby can be hard to understand. Before the baby arrives, sit your children down and have a talk with them. Tell them what's going to happen and ask if they have any questions. Knowing what to expect will take the edge off of their initial meeting.

**2. Affirm your love:** Jealousy happens. As a parent, you must be sure your child knows that they are loved. You can explain the concept of infinite love. Even with this new bundle arriving, you won't love your older children any less than you did the moment they were born.

# Carson Daly is Engaged to Longtime Girlfriend Siri Pinter

By April Littleton

A source revealed to [UsMagazine.com](http://UsMagazine.com) that Carson Daly is engaged to his girlfriend of six years, Siri Pinter. Daly and Pinter have two children together, son Jack, 3 and daughter Etta Jones, 13 months.

**How do you know when it's the right time to get engaged?**

**Cupid's Advice:**

The decision to marry someone is probably the biggest one

you'll ever make. You might be ready to marry your significant other, but there are a few things you need to consider before accepting a proposal. Cupid has some tips:

**1. On the same page:** You and your partner want the same things in life. You've talked about your future together and it's obvious you have similar goals. The two of you have already agreed on where you'll live, how many kids you want and how long the engagement will actually be. You don't have to agree with your significant other on everything. After all, you'll have your whole lives together to figure things out, but it's good to be on the same page with the important aspects of your life.

**2. No secrets:** You know everything there is to know about your honey and vice versa. Having an open line of communication is always a plus in a long-term relationship and it's the key to a lasting marriage.

**3. You just know:** When you've been with another person long enough and you're genuinely in love with them, it's only fitting for you to be thinking about the next step in your relationship. You know you have a strong connection with your partner and you can't see yourself with anyone else. If you're confident in your decision to get married, then go for it and good luck!
