

# Celebrity News: Laura Dern Speaks Out About Bradley Cooper Dating Rumors

By [Hope Ankney](#)

In the latest [celebrity news](#), Laura Dern dismissed all dating rumors between herself and [Bradley Cooper](#). According to *UsMagazine.com*, the actress opened up about her close relationship with Cooper, stating, "We are amazing friends, and we're family." This set of rumors circulated soon after Cooper's [celebrity relationship](#) with supermodel Irina Shayk ended back in June.

# In celebrity news, this pair are just good friends. What are some ways to lay false relationship rumors to rest?

## Cupid's Advice:

Sometimes, it can be frustrating for two people to be friendly towards one another without others thinking something romantic is going on behind the scenes. Platonic relationships, especially between the opposite sex, have a connotation that there must be underlying feelings there when that isn't always the case. Two people enjoying each other's company is fairly common. Friendship exists. If you're stuck in a situation where others are trying to make something out of nothing, don't worry! Cupid has some [love advice](#) on how to lay pesky relationship rumors to rest:

**1. Direct conversation:** Sometimes communication can be the biggest key when dismissing relationship rumors with your friends. They might just be teasing you about it for fun, without realizing it can actually bother you. If you haven't been abundantly clear about this newfound friendship, sit these friends down and have a direct conversation about it. Opening up about how you aren't dating this specific person and explaining why these false rumors have been bothering you may allow them to realize that you're telling the truth and not assume anything else about the relationship or even relationships in the future!

**Related Link:** [Celebrity Break-Up: Bradley Cooper Enjoys a Boys' Night in L.A. After Irina Shayk Split](#)

**2. Ignore it:** Perhaps, people are only speculating about you and this other person because they know it gets a rise out of

you. If these rumors don't overly upset you, find it in you to simply ignore what others are saying. Like is told to us from a young age, ignoring someone's teasing can often lead to the teasing to stop, altogether. This can be used in your adult life, as well. If you pretend like these false rumors don't bother you, the situation will probably diffuse itself.

**3. Be open publicly:** If all else fails, maybe it's time to take to social media! Making a post about false relationship rumors can be overkill, but if nothing else has worked to stop it, it can be an effective way to get others to stop speculating. Make a status update, tweet, or even post a photo of the both of you explaining away the rumors. Speaking out publicly about the situation can immediately dismiss it if you're taking that much time and effort to set the record straight on your social media platform!

# amid tragedy?

## **Cupid's Advice:**

Although they've only been together for a month, Tyler Cameron supported his girlfriend Gigi Hadid during an extremely personal and difficult time. Cupid has some advice to help you be there for your partner without overstepping:

**1. Listen:** When your partner is going through a difficult time, the best thing you can do is to just listen to them. If they need to vent or cry, offer a shoulder to cry on, but don't make the situation about you or how you're feeling.

**Related Link:** [New Celebrity Couple Pete Davidson & Margaret Qualley Travel to Venice Ahead of Red Carpet Debut](#)

**2. Give them space:** No one wants to be coddled when all they want is some alone time. Allow your significant other to work out their issues alone if they need to, but be sure to let them know that you're always there if they happen to need you. It might be difficult, but finding the right balance of space and support will make your partner feel less alone and not suffocated.

**3. Be patient and understanding:** The worst thing you could possibly do during a difficult time is to not be considerate of what your significant other is going through. According to *UsMagazine.com*, the [celebrity couple](#) was spotted in a parking area of a local restaurant, with Cyrus' arm wrapped snugly around Carter, both sporting smiles. This is the second time

the two have been seen getting lunch with Tish in the past two weeks. The duo spending more time with one another comes shortly after their respective break-ups with Liam Hemsworth and Brody Jenner.

## **In celebrity news, Miley Cyrus is getting closer to Kaitlynn Carter after Liam Hemsworth filed for divorce. What are some steps you can take to move on after an intense split?**

### **Cupid's Advice:**

Not everyone is experiencing a [celebrity break-up](#), but the hurt generated by splits are universal. Break-ups are hard, and it's even harder when an ex quickly moves on with someone new. But, it's not impossible to get over a heartbreak! Fortunately, Cupid has some [relationship advice](#) on steps to take after you go through an intense split:

**1. Remove the rose-colored glasses:** Sometimes, it's easy to forget that we are all just human. It's natural to almost idealize an ex-partner after a break-up, experiencing insecurities and wondering if you'll ever find someone that matches up to them. But, it's important to make an effort to see the limitations of this person. They have flaws, doubts, and insecurities, themselves. They were never perfect, and it's better to find the logic in the realistic nature and incompatibilities of the break-up to be able to properly move on.

**Related Link:** [Celebrity Break-up: Miley Cyrus & Liam Hemsworth Split Less Than 8 Months After Wedding](#)

**2. Surround yourself with good friends:** Good friendships are important for many things, but they are especially important when life-altering situations occur like intense break-ups. They tend to be your biggest supporters, rooting you on and giving you the love and positivity you need. They are there to distract you and pick you up when you're feeling down. When relationship problems arise, these people are the ones that help you put the relationship into perspective, making it easier to see the ex-lover objectively.

**Related Link:** [Relationship Advice: How to Approach Social Media Post-Breakup](#)

**3. Find a great therapist:** Therapy is a very helpful tool when going through hardship. It acts as a safe space to open up about feelings and communication without being judged. Working through loss, like a relationship, in a setting where you can freely talk and further your introspection is significant in easing the pain. A lot of people feel more comfortable speaking out about these kinds of issues with someone they hold no personal attachment to than those they know. Find a therapist you can trust being vulnerable around, and you might have a healthier time moving on from your past relationship.

**Celebrity News :  
'Bachelorette' Hannah Brown**

# Says 'Thank You, Next' to Questions about Tyler Cameron & Gigi Hadid

By Ashley Johnson

In a [celebrity interview](#) with *UsMagazine.com*, Hannah Brown made it clear that she is ready to take on life as a single woman after her [celebrity break-up](#) with Tyler Cameron. The reality TV star says she is focused on exploring her new opportunities as a single woman and is ready to move forward from *The Bachelorette* with or without a man.

# In celebrity news, Hannah isn't letting anyone draw her into talks surrounding Tyler Cameron's dating life. What are some ways to move on when you see your ex moving on?

## Cupid's Advice:

While all celebrity relationships do not last, the relationship you have with yourself does. We are rooting for Hannah in her new journey! Cupid has some advice on how to move on from an ex like Hannah Brown and many other single celebrities:

**1. Focus on yourself:** Self-care is always the best way to go. When we take care of ourselves and give ourselves all the love and affection for a change, we realize just how much we needed it and realize that self love is enough. Focusing on yourself and taking the time to heal on your own can help you rediscover yourself and learn more about who you are. You can learn more about your likes, dislikes, and everything in between.

**Related Link:** [Celebrity News: Shia Lebeouf and FKA Twig's Relationship Is On Hold](#)

**2. Enjoy your hobbies and friends:** Just taking the time to do things you enjoy again can remind you what you really value in life. You can now focus all your time and energy on everything you have ever wanted to do, whether it be painting, going to concerts, traveling the world, or spending more time with friends. Friends are there for you when you need them the most. They can help distract you from your ex and past relationship and can be a shoulder to lean on when you just need to vent.

**Related Link:** [Celebrity Break-Up: Bradley Cooper Enjoys a Boys' Night in L.A. After Irina Shayk Split](#)

**3. Take a break from social media:** Focusing on yourself means you can't have any distractions. Social media is the easiest way to stay up to date with your friends, and unfortunately, your ex. With just one click you can get lost in your ex's feed. Being single means you now have time to focus on yourself, not your ex and their whereabouts. Embrace the distance from your ex... this may even mean blocking or unfollowing them on all social media for the time being.

**Celebrity News: Hannah Brown's 'Bachelorette' Runner-Up Goes On Date with Gigi Hadid Days After Spending Night with Hannah**

By Ashley Johnson

In each and every season of *The Bachelorette*, former bachelors and bachelorettes alike (along with a few athletes) inevitably make their highly anticipated return to the show to drop some relationship truth. Whether it's Ben Higgins having a one-on-one with Colton Underwood or Hannah Brown sitting court-side with Jaylen Brown, the singles are coached on "finding the one" and what to look for in a significant other. However, this is no simple task and may include a lot of casual dating before getting serious with anybody and making that commitment. According to *UsMagazine.com*, on Sunday, August 4, in [celebrity news](#), Tyler Cameron and Gigi Hadid were spotted together on what appeared to be their first [date night](#) ever in NYC, just two days after *The Bachelorette* runner-up was seen leaving Hannah Brown's apartment in L.A.

**In celebrity news, Tyler Cameron isn't committed to Hannah and is**

# dating around. What are some things to be careful about when you're dating around?

## Cupid's Advice:

While Tyler seems to have been getting cozy with more than one woman (Gigi Hadid being one of them) and seems to be living a true *bachelor* life outside of reality TV, Cupid has some dating advice on how to date around like the model himself and other single celebrities:

**1. Be transparent:** Being transparent means being truthful and being clear about your intentions. Sometimes being honest with people can be difficult, but you are not going to get what you want out of any relationship by hiding your true feelings. Relationships only work when the people involved are on the same page and have both of their wants and needs met.

**Related Link:** [Celebrity News: 'Bachelorette' Hannah Brown Speaks Out About Jed After Finale](#)

**2. Have patience:** As we know from many years of *The Bachelor* and *Bachelorette*, you do not just fall in love on the first date (or maybe you do), and dating is a process. It is highly unlikely you are going to commit to one person after just one date, and you may find yourself going on numerous dates with numerous people until you find what you are looking for, and that is okay. You just have to be patient!

**Related Link:** [New Celebrity Couple Shawn Mendes & Camila Cabello Kiss in Miami](#)

**3. Take the time to discover yourself:** Use the opportunity of getting to know various new people to also get to know more about yourself. By intimately being exposed to all different personalities and behaviors, you are going to find some that

you absolutely love, and others that you absolutely cannot stand. Dating different people only reaffirms your own wants and needs, and helps you figure out what you want more of (or less of) in life.

## Celebrity News: Tyler Cameron Addresses Future with 'Bachelorette' Hannah Brown

By [Mara Miller](#)

Tyler Cameron addressed his future with *Bachelorette* Hannah Brown after she asked him out during the show's two-part season finale, according to *UsMagazine.com* in [celebrity news](#). Does this mean there's a possible celebrity couple on the horizon? On Tuesday, July 30, Brown opted to make a "bold gesture" when she suggested the pair "go for a drink" on Nick Viall's "Viall Files" podcast. Cameron responded that he would love to and he wants to take things slow.

**In celebrity news, Tyler is looking to take things with Hannah "one day at a time." What are some ways to take things slowly in your relationship?**

#### **Cupid's Advice:**

Amidst speculation that Tyler Cameron may be the next lead man for *The Bachelor*, things may change if he keeps things going with Hannah Brown. We hope the best for these two! Cupid has some advice on how to take things slowly like Hannah and Tyler:

**1. Have self-discipline:** Taking things slow means you're allowed to step back and think about your dating situation before you commit to anything. Don't rush into bed, living together, or constantly text each other because you're worried your potential partner will lose interest. Be sure to keep your head on straight before listening to your heart.

**Related Link:** [New Celebrity Couple? 'Bachelorette' Hannah Brown Gushes Over Tyler Cameron After Finale](#)

**2. Be honest with each other:** Honesty truly is the best policy, so be honest with your partner about why you want to take things slow. Maybe you want to get to know them better or you've been burned by an ex in the past, so you want to be ready you can go all-in before you take your relationship further.

**Related Link:** [Celebrity News: 'Bachelorette' Hannah Brown Releases Intimate Details in Front of Peter's Mom!](#)

**3. Longer lasting relationship:** Taking things slowly with each other will mean your relationship has the potential to last much longer than those moving their relationship much faster. You'll have time to build a solid foundation and partnership so you can work together as a team in your relationship and that means it could last for the rest of your lives together.

**Celebrity News: Jordyn Woods Parties with Khloe Kardashian's Ex James Harden**

By [Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim](#)'s ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

**In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends'**

# exes?

## Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

**1. Not too friendly:** Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

**Related Link:** [Celebrity Wedding: 'Vanderpump Rules' Stars Tom Schwartz & Katie Maloney Get Official Marriage License in Vegas 2 Years After Wedding](#)

**2. Dating an ex?:** You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

**Related Link:** [Celebrity News: Camila Cabello Opens Up About Anxiety Struggles](#)

**3. Take your friend's side:** Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the

first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

**1. You feel at ease being your true self with your partner:** Everyone is on their best behavior when dating someone new, but once you have been together a while and have reached the point you are considering your relationship becoming long-term you should be comfortable around your partner. # focus on! What are some ways to keep your relationship under wraps until you're ready to go public?

## Cupid's Advice:

Keeping your new relationship secret isn't a bad thing. It gives you and your new partner privacy. And if things don't work out, you won't have to go into a big long explanation on what happened to family and friends. Cupid has some advice on ways to keep your new relationship a secret:

**1. Limit social media posts:** It's okay to take pictures together when you first start dating after you get serious. It's okay to enjoy dating for a while before you make the big announcement that you're in a new relationship. Save a few fun photos of yourself together and then post them online when you're ready to go public!

**2. Make time for friends:** Be sure to make time to spend with your friends even though spending all of your time with your partner might be tempting. ## Celebrity Break-Up: Demi Lovato Splits from Fashion Designer Henri Levy

By [Mara Miller](#)

In the latest [celebrity break-up news](#), Demi Lovato has called it quits with fashion designer Henri Levy, according to *UsMagazine.com*. Both sober, the two met years ago in rehab and became friends. They sparked news of their [celebrity relationship](#) after they were spotted in early November 2018 enjoying a dinner date at Matsuhisa restaurant in Beverly Hills. Neither has commented on their split.

## **This celebrity break-up comes after only four months of dating. What are some ways to know your relationship has long-term potential?**

### **Cupid's Advice:**

All new relationships have a honeymoon stage. Whether you decide to stick with your partner after a rough time or not is the true test of a relationship. Cupid has some advice on how to know when a relationship has long-term potential:

**1. You feel like yourself with them:** You're okay with letting them see you limp in the morning because you tripped while walking the dog. You don't care if your partner sees you with bed-head. You let them see you worrying because your paycheck wasn't as large as you thought it would be. While all of these may be examples, it's important to be yourself around your partner. If you have to fake who you are to impress the person you're with to avoid judgment, then the relationship will not last.

**2. You know what your partner needs:** They know how you like

your coffee, and they can tell when you're about to have an emotional breakdown days before it happens. When your partner instinctively knows what you need, then they just may be the one you're meant to live your life with – and it's not just from their side. When you know that your partner needs something without them saying anything, then it means that you have reached the point where you're both in a solid partnership.

**3. You're physically intimate:** A relationship with long-term potential isn't about the sex. You can both be virgins up until marriage if that is something you both value before making a life-long commitment. Holding hands, innocent kisses, and hugs are a sign that you are both comfortable. And if you aren't waiting until marriage, the time between the sheets will help build a stronger connection as long as you both understand that it's a way for you both to show how much you love each other.
