Celebrity News: Tori Spelling Says It's 'Hard to Be Monogamous' Years After Dean McDermott's Affair

By [Mara Miller](#)

instinctively, it's really hard to be monogamous because you're always changing," Spelling said on McDermott's "Daddy Issues" podcast released on Monday, June 17. "And if you're not on the same page, you have to try to change again, and evolve and be on the same page."

In celebrity news, Tori Spelling admits that being monogamous isn't easy. What are some ways to resist the temptation to cheat?

Cupid's Advice:

Spelling is right—humans find it difficult to stay monogamous because it is in our nature even though we may not want to admit it. It's normal to wonder *what-if...*but isn't worth the heartache that can follow a break-up or divorce because you cheated. Cupid has advice on ways to resist temptation and stay faithful to your partner:

1. Think about the consequences: You have to ask yourself if cheating is *worth* the heartache and drama that will follow if your spouse finds out. Do you want to risk ruining a solid relationship because you can't resist that cute coworker? To hurt your kids if your spouse can't forgive you when they find out?

2. Refocus on your relationship: Try putting lusty energy back into your relationship where it belongs rather than focusing on your crush. If you feel like the romance is dying down, talk to your partner about it. Even though it might hurt...think about being honest about your temptation to cheat. An open-

honesty policy with your partner will help you work through tough times. Try dating again by experimenting with [date ideas](#) or picking up a new hobby together. You might be surprised by how much your love with your partner grows after you start putting aside more time to spend with them.

Today it's much easier to find someone you could have a connection with outside of work or your usual circle of friends. Social media affects 50% of relationships in a negative way. It's easy to hop into someone's DM's for a conversation that can lead to something else. When you start to realize this might be happening, it might be better to end communication so the temptation does not become something more if they ask you out for coffee.

By [Mara Miller](#)

Kramer and Caussin split briefly in 2016 after he cheated on her with multiple women. They later reconciled and renewed their vows in 2017.

In celebrity news, Jana Kramer is scratching her head after a comment from her husband. What are some ways to clear up miscommunication with your partner?

Cupid's Advice:

Miscommunications between you and your partner like the one Kramer and Caussin had can happen between couples occasionally. Cupid has some advice on how to clear up any misunderstandings:

1. Avoid always having to be "right": In a situation where you've had a misunderstanding with your partner, things can escalate quickly if you try to stand your ground and say you're right. The "always right" mentality stonewalls any farther communication. Be willing to admit that you might not have understood your partner so the situation does not get worse.

2. Listen: Listening to your partner not only shows them you are willing to work together but it will also that you value their opinion. It's easy to misword something when you speak so if one of you misunderstands what the other says, don't immediately get angry with your partner.

3. Take a break if the situation escalates: Sometimes it's better to just walk away and cool down. Take this time to reflect on what was said between you and your partner. Once

Demi Moore wrote an entire memoir after two of her marriages

ended in divorce. While writing might not be your coping mechanism for a break-up (and it's a *really* good way to cope), here are some other ways to get through your relationship ending:

1. Talk about it: Get some coffee with a friend or go to a restaurant for lobster and steak to dish all about the break-up. It's not good to hold in emotions after a break-up and your friend is sure to be willing to listen to you vent! Use it as a chance to catch up with them too if you haven't seen each other in a while.
