**1. Acknowledge the problem:** The first step to solving a problem is admitting that there is a problem. Sit down with your partner, either alone or with a couple’s counselor, and discuss which issue broke the trust amongst the two of you. Listen to your partner as they express their thoughts and pain. While it may be tempting, do not invalidate your partner’s feelings. Especially if you’re trying to rebuild trust.

then it is time to sit down with your significant other and figure out what is going on.
