

Fashion Trend: Celebrity Looks On the Way Out

By Diana Iscenko

Fashion is a fun way to express yourself, with plenty of [celebrity styles](#) you might want to try out. No matter your personal style, there's always going to be enough [fashion trends](#) for you to choose from. While many of these bold celebrity looks last the test of time, many fall out of fashion as quickly as they came.

Here are five celebrity fashion

trends that are already on the way out:

1. Tiny Sunglasses

Tiny shades were a major red carpet fashion trend in 2019, with everyone from Kylie Jenner to Millie Bobby Brown wearing them. The trend is a revival of '90s fashion, even though it was first popularized in the '60s. Despite this, the tiny sunglasses trend has been losing its momentum. Several celebrity fashion brands, like Rihanna's Fenty and Kim Kardashian West's collaboration with Carolina Lemke, have moved on to big shades again.

2. Tiny Handbags

Also in the "tiny fashion" department, many celebrities were spotted with tiny handbags last year. This celebrity fashion trend debuted at Paris Fashion Week and was eventually picked up by stars like Lady Gaga and Lizzo. While the trend was fun and eye-catching, it didn't catch on with the public since a handbag small enough to hold with a single finger isn't exactly practical.

3. Weird Animal Prints

Cheetah print and snakeskin patterns will always have a place in celebrity style, but 2019's animal print trends didn't stop there. Zebra and cow print were popular trends in 2019. Zebra print is another throwback '90s trend, but it didn't last long even with the support of Gigi and Bella Hadid. Cow print similarly lost steam halfway through 2019.

4. Harnesses

This male-centered trend took off during 2019's award show season. Celebrities like Michael B. Jordan and Timothée Chalamet were spotted sporting harnesses at the SAG Awards and the Golden Globes. As much fun as a sparkly harness and black tux combo is, the fashion trend didn't make it off the red carpet.

5. Neutral Monochromes

The winter of 2019 brought us a much more wearable celebrity fashion trend with neutral monochrome outfits. Layered ensembles of greys and beiges were popular on celebrities like Margot Robbie and Hailey Bieber. The trend never had a chance to catch on before the summer neon trend pushed it out of fashion.

Celebrity News: Kendall Jenner & A\$AP Rocky Attend Sunday Service After He's Released from Prison

By Ashley Johnson

In [celebrity news](#), upon his return to the U.S. on Saturday morning, August 3, A\$AP Rocky was photographed exiting his private jet and wearing a big smile (and of course, his classic designer babushka in true [celebrity style](#)). According to *UsMagazine.com*, the rapper had spent one month behind Swedish bars before being released Friday, August 2. Just two days later, he was filmed wearing the same smile, as he chatted it up with former flame and [reality TV](#) star Kendall Jenner while attending Kanye West's weekly Sunday Service.

In celebrity news, Kendall Jenner and A\$AP Rocky wasted no time getting together after he was released from prison. What are some ways to support your partner after

a traumatic event?

Cupid's Advice:

While the celebrity exes spent no time getting reacquainted with each other after Rocky's release from prison, Cupid has some advice on how to navigate a relationship and support your partner after a traumatic event:

1. Be communicative with each other: Communication is important, especially if the one you love has been gone for months. In order to rebuild the relationship and understand parts of your partner's experience you may not be all that familiar with, having open and honest conversations is helpful. Most of the time, survivors of trauma have a lot on their mind and just need someone to talk to in a safe space without judgment.

2. Comfort your partner: Sometimes when words fail, physical touch can do wonders. Whether you comfort your partner by kissing them on the forehead or tightly embracing them, you are providing a safe and supportive environment for them. Words are not always enough, but just your presence can be appreciated and let your partner know that you are there for them.

3. Understand triggers: Depending on the trauma, survivors may have a list of triggers, including loud noises, dark places, and confined spaces. Triggers can suddenly recreate trauma for your partner and make them relive an experience they would rather not relive. By knowing your partner's triggers you can help make them feel safe and avoid exposure to their certain

triggers.

Fashion Advice: Top 5 Reasons to Wear a Vegan Leather Jacket

By [Katie Sotack](#)

Vegan leather, better known as pleather, is an emerging industry and cleaning Godsend (it's waterproof!). The [fashion](#)

[trend](#) is made of plastic, cork, and kelp which are available in moto, cropped, black, and color so there's no need to hold back your fashion dreams when you're wearing one of these baddies. Of course, quality and longevity depend on how much you want to spend, but unlike leather, there's no need to pay a pretty penny in this [fashion advice](#).

Check out this fashion advice on the upside to leather alternatives.

If you love the look of a leather jacket but can't bring yourself to ethically buy real leather, consider purchasing vegan leather instead when you're on a search for a new moto jacket with these fashion tips. Check out our [fashion tips](#)!

1. The perfect fall piece: Every fall season you will find plenty of celebrities sporting one of these jackets with a scarf tucked around their necks. The reason? [Celebrity stylists](#) know that the leather look is timeless and instantly elevates a casual outfit to *woah* status. For examples on how to wear vegan furs and leathers check out celebrities like [Miley Cyrus](#) and [Beyonce](#).

2. Cruelty-Free: If you want to avoid leather for ethical reasons but still like the look of leather, purchasing vegan leather is an option you can explore when looking for the perfect statement piece to add to your wardrobe.

3. Endless shapes: The variety of vegan leather styles means there's a perfect fit for every body type. For men, the jackets extenuate border shoulders while women's jackets are styled to show off a narrow waist, curves, or long legs. From flared to fit, there are endless options of shapes and thus endless ways to project an image with a single coat.

4. Low maintenance: Vegan leather is waterproof, especially compared to its counterpart. If your climate runs wet, you should have absolutely no problem maintaining your jacket. However, if the sun is hot and the air arid, then products are made to protect the faux leather against sun rays. These products also have the added effect of softening your new jacket.

5. It's more affordable: Vegan leather is more affordable than traditional leather, even the higher-end options. You may pay \$45 dollars as opposed to \$328 for a classic biker style jacket with vegan leather, leaving you more cash to find the perfect boots or jeans to pair with your new statement piece!

Fashion Tips: Fashion Takeaways From Icon Jennifer Lopez

By [Emily Green](#)

[Jennifer Lopez](#) is one of the most iconic celebrities of all time. Aside from being insanely talented, Lopez is able to look absolutely stunning in numerous unique looks that very

few other people would be able to pull off. From being covered in jewels from head to toe, to wearing something as simple as athleisure, this [celebrity style](#) is truly fit to Lopez in every way. While [celebrity fashion](#) does vary from person to person, Lopez has a style that is full of confidence and flare.

Jennifer Lopez is an absolutely stunning celebrity in every way! What are some fashion tips that we can take away by following her example?

1. Always go for a full head to toe look: This is one of the main keys to JLo's iconic looks; she always pays attention to detail. From the jewelry to the nails, to the headwear to the makeup, every outfit has details that are tailored to that specific outfit only. Do this and you'll have heads turning no matter where you go!

Related Link: [Get a Knockout Look with This One-Two Punch in Hairstyles](#)

2. Don't let the clothes wear you: Remember, you're the one wearing the clothes, not the other way around! You have to bring that confidence that comes with wearing your clothes. If you're wearing a red carpet look, hold your head high and show us that smile that we all know deserves to be seen.

Related Link: [Celebrity Looks: 3 Easy Ways To Dress Like a Celebrity](#)

3. Resist the trends: What really makes JLo a fashion icon is that she doesn't pay attention to any trends in fashion. She'll go for any fashion look, no matter how wild it may seem

and gives it a “timeless appeal.” Go for looks that you are drawn to, and that you know you can feel great wearing.

4. Look at runways for inspiration: JLo tends to look for inspiration for her looks on the fashion runways, and pulls bits and pieces of what she likes and sends them to her designers. Whether it’s a pop of color or a unique pattern, fashion comes in all shapes and sizes, making it a wonderful thing to explore!

5. Be open to anything: You can’t know what you like to wear unless you try some things out! JLo is a confident, powerful woman and that alone is key to her ability to pull off any outfit she wants. Don’t be afraid to step out of your comfort zone and try something new. You never know what you might end up liking!

Oscars 2019: Celebrities Line Up for Rafi’s Gifting Lounge at the Waldorf Astoria Beverly Hills

By [Lauren Burczyk](#)

Rafi Anteby, owner of ShaDang and Bullets 4 Peace, knows just how to create big events and promote celebrities. His jewelry, made out of old bullets, and coated in diamonds and other precious gems, have made it around the necks of celebrities like Rihanna, Beyoncé, and Jamie Foxx. The celebrity fashion icon has participated in nearly 50 Hollywood gifting suites and has given away over \$100,000 worth of bling to help promote celebrity style. This year's *gifting lounge* was held at none other than the Waldorf Astoria in Beverly Hills and it was the perfect place, since you immediately feel like royalty upon entering. The event was held on Friday, February 22nd, 2019. In addition to rewarding [celebrities](#) for their name and likeness, Rafi donates \$100 per attendee to purchase school supplies to a group of orphans in Myanmar.

Find out why *Rafi's Gift Lounge* was the pre-Oscar event you

didn't want to miss!

Unlike other suites that tend to feel convention-like and over-crowded with vendors, Rafi's gifting lounge was intimate, warm and inviting. For example, guests were immediately greeted with mimosas and celebrities were given decorative Fydelity Big A\$\$ bags (big enough to fit a teenage child) to fill with goodies from the various brands. No need to worry about breaking your back from all that weight in the bags either, because designated Rafi staff kindly carried the bags around for the celebrities who requested it. Talk about living in luxury.

The bags come in various designs including donuts, money bills, marijuana or in shiny laminate-looking black or gold. There was nothing more amusing than sitting in the lobby of the grand and prestigious Waldorf Astoria watching grown men and women carrying these enormous decorative bags on their back at the end of the event. I brought my daughter to the event, and the bag was bigger than her.

Walking into the lounge, it felt like you were walking into an exclusive party, with couches and tables decorating the center of the room, and finger food lining the various tables. In the center of the room was a wonderful display of Tequila by Gran Cava de Oro Extra Anejo which was sampled in beautiful glass. Guests invited to the lounge were treated to a live concert with performances throughout the event by Rock N' Roll Hall-of-Fame groups *The Temptations* (Louis Price) and *The Platters* (Sonny Turner), as well as the Grammy-winning group *Mary Mary*.

Surrounding the outside walls of the room were at least two dozen brands including, attachable Poopy Poo bag dispensers,

cassette coin purses, trendy pre-tied bows and tie chokers for women, along with one of our favorites, Save The Girls clutches and messenger bags. When it came to skin and face treatments, we were excited to learn more about the Stem Cell Lift with Nathan Newman M.D. Although, tucked into the right corner of the room, there was no denying the fight to get to Dr. Newman's booth for the wonderful gift certificate that awaited celebrity fans.

There were so many products and brands to view throughout the

day, and due to the wonderful atmosphere and friendliness, it could take a while to make your way through. However, two booths that were not to be missed included the gifted trips to Bali and Uganda, where celebrities were given gift certificates to these two amazing destinations. Next to the Bali display was a beautiful table of Passion Roses with a complimentary bouquet going to each guest.

Rafi's lounge even featured his own luxury jewelry brand, Bullets4Peace which was surrounded by a flurry of celebrities every time we looked or approached it. The event was a star studded affair and guests including Spike Lee, the director of Oscar nominated film *BlackkKlansman*, [Jared Haibon](#), known for his time on the *Bachelor* franchise, and Peter Farrelly, Best Screenplay Oscar nominee for *Green Book* were all in attendance. The best encounter was Lilian Bowden from my daughter's favorite show, *Andi Mack*. That really made her day. The event was a great way for celebrities to discover new

brands and products.

Rafi's Gift Lounge was a great way to spend a Pre-Oscar afternoon. Have you had any experience with the brands that were offered at the gifting lounge? Please leave your comments below.

Product Review: The Flip Flop Bitch Is The Bag That Every On-The-Go Woman Needs

By Bre Gajewski

How many times have you been walking in heels and wished that you could take them off, store them in your purse and wear flip flops instead? Our answer: Too many times!

Product Review: [The Flip Flop Bitch](#) is the [date night](#) accessory you need that is worthy of [celebrity style](#)!

When looking for a new purse, we often think to ourselves, “Pretty is more important than practical.” And, if we want both, it is probably out of our price range. Luckily, the Flip Flop Bitch meets all of our needs.

This bag is lightweight, large enough to fit all of your essentials, and even comes with a cute matching wristlet in which you can store the bag. The best part of all? It’s reversible! If you are already wearing a bold print, you can just turn your Flip Flop Bitch bag inside out and wear it on the solid-colored side.

The totes from the Fashion Line come in many different styles ranging from \$65-85. One of our favorites is the [Retro Vegan Leather](#)!

Retro Vegan Leather, \$85

Additionally, they have a Bridal & Sparkly Line which offers eight different styles at \$45 each, as well as a Pet-Themed Line, which offers four styles that hold all of your pet supplies for \$85 each.

We also love [The Illusionist: Vegan Leather Wristlet](#) for nights when you want a smaller bag, but still want something lightweight and fashionable.

The Illusionist: Vegan Leather Wristlet, \$25

The Flip Flop Bitch was created by mother/daughter duo Cindy and Laura Massari. We had the opportunity to speak with these entrepreneurial ladies and learn a little bit more about their totes and their company. Read our interview below:

Cindy and Laura Massari, Founders
of The Flip Flop Bitch

Can you tell us more about your inspiration behind the Flip Flop Bitch?

Cindy had this idea for many years before it came to fruition. She always believed in looking good, but also FEELING good too! This is why she had to create a CHIC tote bag to carry her change of shoes when her heels need to come off. Most totes are unattractive and not washable, ours are

both beautiful and are washable. No other tote can go to a wedding or an elegant affair & our vegan leather line is so versatile that they can be used for any occasion. Our many appointments in NYC show just how necessary these totes have become. We love to wear beautiful high heels with our outfits and a change of shoes is always a must!

We think the name is hilarious, how did you decide on that?

We are so glad that you love the name! There's actually a funny story behind this. One night Cindy & I were out in the city with girlfriends and after being in heels all night our feet were killing us. As we were walking toward the garage, Cindy decided to pull her flip flops out of a tote that she had designed for herself and switched shoes. Our friends were already barefoot & complaining, walking the dirty streets of Manhattan. How disgusting is that?? They were so jealous... They called her "The Flip Flop Bitch"! She said "that's exactly what I am! And the name was born. It was at that point that she realized there was a need for all women to save their feet & look good doing it.

What is it like being partners in this company as a mother and daughter? Has it brought you closer together?

It's been the best adventure! We have so much fun together & our talents truly complement each other so well. Cindy is the sassy out of the box creator, model & spokeswoman, and Laura is the finance & operations end of the business. We have both learned a lot about each other's strengths and we balance each other well & laugh a LOT. So it has brought us closer for sure.

What does the future hold? Any additional products in the works?

There is always room for more products! Cindy has so many ideas & wants to create a "bitch" empire, LOL. There may be footwear, organic cosmetics, bathing suits. We will see, stay

tuned! X0X0

Before you know it, you'll feel confident enough to walk out in the latest [celebrity styles](#).

1. Herbal teas: Drink more tea, seriously. Most herbs will help target specific concerns. Cinnamon and turmeric, for example, are well known for their anti-inflammatory properties. If you're wanting to relieve some of the aches in your body and encourage weight loss, this flowery, lightly spiced tea is all you need. Brew hibiscus, ginger, willow, dandelion, and high mallow in water.

2. Apple cider vinegar: If it sounds weird, you're not wrong. While it might take some getting used to, this classic is made from items that are likely already in your cupboard. ACV boosts your immune system and jump starts your metabolism for a preventive and weight-losing concoction. The classic apple cider vinegar drink recipe typically contains apple cider vinegar, lemon juice, water, cinnamon, and cayenne pepper.

3. Ayurvedic tea: If you don't know what Ayurvedic means, you're not alone. An ancient form of Indian medicine falls under this name, but the term is often used for referring to natural remedies. This classic tea uses some well-known spices that help with inflammation, digestion, and headaches. For a natural cleanse with an Eastern twist, mix turmeric ginger, coriander, cumin, and fennel. Trust us, don't go for the jarred spices; invest in roots or high quality dried leaves.

Before you know it, you might become an herbalist.

5. Vegetable juice: When most of us think detox, we think of juices and smoothies. Guess what, there's truth to that. The best thing you can do for your body is provide it with a multitude of fresh fruits and vegetables in all their variety. Leafy greens are notorious for their cleansing properties, but not everyone wants to eat them. Try out some fun recipes to make it delicious. Our favorite: apples, carrot, lemon, ginger, turmeric, beetroot, kale and cilantro.

In the latest [celebrity news](#), the *Mom* actress officiated her friend (and podcast co-host) Sim Sarna's wedding, and donned a pair of brown Ugg boots with her pink dress! This celebrity news shows us that sometimes comfort overpowers style. What are some style tips for staying comfortable for dressier occasions?

Cupid's Advice:

As awesome as it is to get dressed up, it's not always the most comfortable thing. If you're dreading an event because of the inevitable discomfort, Cupid is here to help:

1. Predict the mishaps: Nothing is more uncomfortable than getting blisters or cuts from wearing heels all night! Invest in blister bandages, and wear them *before* putting on those heels and leaving for the evening. Make sure to put a few extras in your purse or the back of your phone case, too. Predict the problem beforehand to prevent it from happening – it's a game-changer!

2. Have a backup plan: Don't let painful feet stop you from tearing up the dance floor! If you know you won't be able to wear your heels for longer than a half hour, bring a backup set of flats. (Or, just ditch the shoes all together if you don't mind dirty feet!) Your feet will thank you...we promise!

3. Wear what feels right: Comfort directly correlates to confidence: if you feel comfortable in your outfit, you will be more confident! Make sure to accentuate and play-up your favorite features. Cupid’s Advice:

Believe it or not, style does play a role in relationships, and not just in the aesthetically pleasing department. Cupid is here to inform you!:

1. Matching has a connecting effect: Have you and your partner ever matched without planning? You both end up wearing similar outfits or the same color? In a way, it feels good. You feel like you're both connected, plus you look cute in public. Feeling like you and your partner are on the same page is a good thing, and matching is a small nudge in that direction.

2. People snap judgments: It's engraved in our society – people judge others based on how they dress and their style. Whether these judgments are good or bad, the way you dress and the way your partner dresses are both in the public eye, up for observation. You shouldn't care what people think, but you may be more reluctant to not care when your significant other is meeting your friends or the fam. We all know that a good sense of style does make a lasting impression.

3. Having a good sense of style gives you confidence: And having confidence helps a relationship. Having a style that you love is important because it can give you a self-assuring feeling – and oh, how we know that a lack of confidence is a problem in many relationships. On top of that, your style is something that you identify with, it's a reflection of you. On that note, let's do some shopping!
