 By Maria N. Capalbo

Sometimes a celebrity break-up is hard to come by! According to UsMagazine.com, Britney Spears' celebrity ex Charlie Ebersol took to Instagram to post his late night lonely feelings! Ebersol coped with his break-up sadness by posting an Instagram video complete with *Toy Story*, a puppy, and a Bible verse. Even though Spears has yet to go public about the break-up, she has deleted all pictures of Ebersol on her Instagram, and we know what that means!

These celebrity exes are still mending their broken hearts. What are some ways to cope post break-up?

Cupid's Advice:

Getting your emotions and feelings together after a break-up can be difficult. Sometimes you feel like there is no way out, but that is not the way you want to think! Cupid has some ways you can cope with your break-up below:

1. Go out and have fun: Forget the tub of ice cream and chick flicks, get out of the house and have fun! Meet new people, explore your surroundings, and hang out with your friends! Dance the night away and get a few new numbers while you're at

it.

2. Focus on yourself: When you are tied down in a relationship, you often forget to take care of yourself because you are so worried about your partner. Well, this is the time to focus on yourself. Go on a shopping spree, get your hair done, indulge in yourself!

3. Accept that time heals all problems: No matter what happens, things always get better in time, and within that time you do learn a lot about yourself and others. You will still think about that person, but you will most likely learn in your time apart, that you were probably better off without them. You do not need anyone but yourself! Your happiness is the most important.

Love is in the air ... celebrity love that is! Celebrity couple

Britney Spears and Charlie Ebersol are happy in their relationship and love life after they began dating in the fall. According to [People](#), the pair have been spending more and more time together, from the holidays to birthdays, and they are even beginning to have a positive effect in each other's life. "Honestly, the way that she treats people does make you look in the mirror and question how much you're really giving to other people. Because she is a person who leads with her heart and treats people around her – who she knows and who she doesn't know – better than you or I," said Ebersol. "So it drives me every morning to want to get up and be better ... It motivates me."

It's rare to find positive celebrity love stories these days. What are three ways you can improve your relationship and love life?

Cupid's Advice:

If you're looking to improve your relationship and love life, you may want to take some advice from this famous couple. Being in a relationship should make you a better person, so make sure your partner is motivating you on that level.

1. Lead by example: Take a note out of Spears' book, and just lead by example. If you strive to be the best you can be then that will rub off on your loved one and it will encourage them to do the same. Make sure you ask yourself, "Does my partner inspire me to be a better person?" If not, this may not be the relationship for you.

2. Give honest and sincere appreciation: Make sure your partner knows that you appreciate all the hard work they put

in to every facet of their life, whether it be in work, helping others, family life, or in the relationship itself. This will inspire them to continue improving which will in turn encourage you to do the same.
