Chris Brown Files Documents to Establish Paternity of Celebrity Daughter

By Jenna Bagcal

There has been no shortage of drama in Chris Brown's life recently. In celebrity news from UsMagazine.com Brown has gone to court in Houston to establish paternity of his celebrity daughter, Royalty. The news that Brown is a father happened last year when the singer was in a relationship with his celebrity ex, Karrueche Tran. In recent reports, the woman with whom Brown fathered Royalty, Nia Guzman, has demanded that the

singer pay \$15,000 a month in child support. Guzman has reportedly denied Brown the legal rights to see his child.

Let's hope Chris Brown and his baby mama keep their celebrity daughter out of the drama! What are some ways to keep your child from seeing relationship drama?

Cupid's Advice:

Sometimes dramatic situations and arguments will arise in relationships, but there is a time and place for them to occur. Here are Cupid's tips for how to keep your child away from the relationship drama:

1. Keep the fighting away from your child: Arguments and relationship drama are not appropriate for children to see, especially when they are very young. Keep the arguments and heated discussions behind closed doors where only you and your partner can hear them.

Royalty stole the show with her golden colored tutu, white fitted jacket, and her Timberland kicks, according to [E! Online](#).

Latest celebrity news shows that Chris Brown clearly values his role as a father. What are some ways to know your partner will do the same?

Cupid's Advice:

Although this celebrity news article shows Chris Brown as a great dad, he hasn't built the best reputation for himself in the past. Even if you've been with someone for a long time, it can be hard to tell how they'll act once you bring a child into the picture. Cupid has some tips:

1. They know what you need: Do you need to be left alone? Do you need comfort? If your partner is able to sense your mood and what you need, chances are they'll be a good parent. If they can tell what you need, they'll be able to tell what your child needs.

2. Last minute plans don't bother them: When you have a child, everything can change at the last minute. Babies don't have a strict schedule. If your partner can adapt well to an ever-changing situation, they may be a good parent.

3. They express their feelings: When it comes to raising a child, it's important to know when to set boundaries. A great piece of dating advice is if your partner is vocal about their feelings, chances are, they'll pipe up and become emotionally invested when it comes to raising your child.

Is Chris Brown a Celebrity Baby Daddy?

By Maggie Manfredi

Not exactly model behavior! According to People.com, the latest celebrity news reports that Chris Brown is a baby daddy to a nine-month-old baby girl. The child's mother is a former model that the singer has known for some time now. Brown's on-and-off-again girlfriend Karrueche Tran is not a fan of the breaking celebrity news. Tran tweeted, "Listen. One can only take so much. The best of luck to Chris and his family. No baby drama for me." However there is no comment from the alleged celebrity baby daddy yet.

Celebrity baby or not, it can be challenging when you have an unexpected pregnancy. What are some ways you can prepare for a child before you are ready?

Cupid's Advice:

Whether you want things to happen or not, sometimes life intervenes. Cupid has some ways you can prepare for the unforeseen circumstance of being a parent unexpectedly:

1. Get educated: If you find yourself filling a new parent role, one of your first power moves should be to gain some knowledge. There are tons of books out there you can read, or talk to some friends that have parenting experience. This will help you deal with the fear of the unknown.

2. Find support: If it is an unexpected pregnancy, you might not have the support of the other parent for whatever reason. Find support where you can! There are support groups out there for single parents and separated parents. You could also seek out professional help to talk through the life changing situation, or simply reach out to your loved ones for guidance.

3. Everything happens: There is that common saying, everything happens for a reason. Do not run from your responsibilities, face them head on! If you give it your all as a new parent and be the best you can be then you will end up okay, and your child will too.

Celebrity Couple Predictions: Helena Bonham Carter, Cameron Diaz and Chris Brown

By [Shoshi](#)

With the new year finally here, there's bound to be a lot of exciting celebrity couple news for us to digest! Here are my predictions for three pairs who are currently popular in the media:

Helena Bonham Carter and Tim Burton: After thirteen years together, Helena Bonham Carter and Tim Burton have separated. The couple actually split earlier this year, and this news is just now coming out. In what appears to be one of the more amicable splits in Hollywood, they are staying friends because they have two children together.

This separation shouldn't come as such a surprise. About a year ago, Burton was seen with a mystery blonde and accused of cheating. While he may not have been cheating, where there is smoke, there tends to be fire.

So what's next? Burton will attempt to make some movies without Bonham Carter, but that won't last for long. He will bring her back to his films. Even though they are no longer

together, she is still his muse. Look for Bonham Carter to have a new boyfriend soon – a younger actor, someone who will be quite shocking. Let's not forget that, while she is quirky, she is an attractive woman. Her brilliance, beauty, and different appeal will keep the stud very interested.

Related Link: [Cameron Diaz and Benji Madden Are Engaged](#)

Cameron Diaz and Benji Madden: The latest celebrity couple that is rumored to be getting married is Cameron Diaz and Benji Madden. Depending on what news source you believe, the two of them will be skipping down the aisle and having a baby as soon as possible.

This is a very interesting pair. When I take a look at their love energy, it isn't so cut and dry. It is not clear what will happen between them. This could be due to the fact that they are still trying to figure it all out. I do see problems for them down the road unless Diaz is more open to change in their relationship. She is a very independent woman. Let's just say that she is just fine without a man by her side. Some of that reasoning is because she has had no problem getting one; the issue is finding a guy that she wants to *keep*.

I wish this couple the best. Baby energy is circling Diaz, and she will make a great mom. Let's cross our fingers that Madden keeps Diaz interested, or this relationship may not last long.

Chris Brown and Karrueche Tran: Recently, the rapper proclaimed that he was single and went off about his ex-girlfriend dating Drake behind his back when he was in jail. It appears that it was all in his mind though. According to Drake, Tran's small bottom is not big enough for him to look at her twice. In case you didn't know, Drake loves a big booty on his woman.

Just when you thought they were finally over, it looks like Brown and Tran may be back on again. They were spotted all cuddled up at a club. One has to wonder if Brown will be able to have a healthy relationship. He has been diagnosed with bipolar disorder, which seems to be affecting some of his choices. Tran may want to stand by her man, but she's enabling him to treat her any way that he wants – which is never good!

This relationship will continue to be filled with drama. The on-and-off love will continue until Tran says “enough is enough” and moves on to get herself a new man to settle down with.

Chris Brown Says Karrueche Tran Dated Drake and Didn't Visit Him in Jail

Chris Brown handled his recent breakup with Karrueche Tran poorly...and nobody is shocked. Kendall and Kylie Jenner Make Celebrity Gossip Headlines Cozying Up to Chris Brown and Trey Songz at Party

By Laura Seaman

In the latest celebrity gossip, Kendall and Kylie Jenner were spotted getting friendly with rappers Chris Brown and Trey Songz. In a photo on Songz's Instagram, the Jenner girls were cozy with the two at a house party. It's a scandalous combination, with the girls being only 16 and 18 and the men being 25 and 29. Not only that, but Brown is a convicted felon who just got out of jail in June after violated his probation in the [Rihanna](#) domestic abuse case. According to [UsMagazine.com](#), mother Kris Jenner might not be too happy about her daughters' new friends. Only time will tell if these new celebrity couples are the real deal!

New celebrity couples can be seriously scandalous. What do you do if your friends are dating someone you don't approve of?

Cupid's Advice:

We love our friends, but sometimes, they just make really stupid decisions. They may date absolutely terrible people that we don't approve of, and yet, they insist that we "just don't get it." As much as you just want to knock some sense into these people, hold on and take a step back. Here are some ways to give your friend dating advice if they're seeing someone you don't approve of:

1. Gang up on them: Go full-out intervention style and have a group of friends around when you talk about this issue. They're more likely to listen to a group of people than just one person. And if you can't find other people who don't approve of this relationship and love, maybe it's a sign you need to rethink your position.

Related Link: [5 Celebrity Couples Who Started Off as Friends](#)

2. Bring up specific examples: It's really easy to just brush off comments like "he's so rude" or "she's really obnoxious" if you can't name times when these things were true. To drive your point home, name some specific instances when your friend's partner did something you thought was a red flag.

3. Give them your support, no matter what: Don't use ultimatums like "either you break up with them, or we're not friends anymore". That just shows a huge lack of support, and you can't guarantee they'll even choose you. Just let your friend know that while you think the relationship is a really bad idea, you'll support them no matter what. It's what a real friend would do.

5 Celebrity Couples That Fight Dirty

By [Whitney Johnson](#)

It's no secret that mean words and angry actions can be detrimental to a relationship. Still, it's easy to get caught up in the moment and say or do something you don't mean. Even celebrities are guilty of this inappropriate behavior – and unfortunately, their arguments are often caught by paparazzi and splashed on tabloid covers for all the world to see. In order to learn from their mistakes, here are five celebrity couples that fight dirty:

1. Emma Roberts and Evan Peters: This past summer, the 22-year-old *American Horror Story* actress and her boyfriend were caught in a violent fight that led to Roberts being booked in a Montreal jail. When the cops arrived at the scene, Peters was found with a bloody nose and a bite mark. Fortunately, no charges were pressed, and the couple remains happily in love.

2. Mary Delgado and Byron Velvick: Season 6 *Bachelor* Velvick was engaged to the show's winner for five years before they finally split in 2009. The couple first showed signs of trouble when Delgado was arrested for assaulting her fiancé in 2007. According to the police report, she was under the influence of alcohol when she punched Velvick in the mouth.

3. Rihanna and Chris Brown: It was hard to miss that infamous picture of Rihanna after an argument with Brown escalated and he repeatedly attacked her following a pre-Grammy party in 2009. Still, the couple reunited and has since been in an on-again, off-again relationship. The pop star most recently referred to the incident as "the biggest wake-up call."

4. Kourtney Kardashian and Scott Disick: You can still fight dirty *without* being physically violent, and this reality star couple is proof of that. Thanks to E!'s popular show *Keeping Up With the Kardashians*, they have to relive their many arguments and sometimes work through the issue more than once – even months after the initial disagreement occurred. Even so, Disick recently told Ryan Seacrest that the couple is "decently happy."

5. Sharon and Ozzy Osbourne: Early in their marriage, during Ozzy's drug- and alcohol-filled days, the rocker reportedly beat his wife, even trying to strangle her once. Somehow, though, they worked through their issues and have been married

for over 30 years, briefly separating earlier this year.

Celebrity Couple: Chris Brown and Rihanna Call It Quits...Again!

By April Littleton

According to [UsMagazine](#), Chris Brown and Rihanna have split up

once again. Brown confirmed the breakup during an interview with the Australian radio station *The Kyle and Jackie Show*. He stated, "The love's certainly not gone, but personal and professional commitments make the relationship too difficult right now. I'm always gonna love that person. I can't be focused on wife-ing someone that young. I need to be the best Chris Brown I can be." The couple may have ended things for now, but there still may be hope for the lovebirds in the future. A source close to Rihanna said, "Of course tomorrow they could be all over each other again, but for now she's done and just living her life and touring. It's how it always is."

How do you know when to call it quits in a relationship?

Cupid's Advice:

It can be hard to tell if a couple is just going through a momentary setback in their relationship, or if they're going through the early stages of a breakup. How can you tell if the chemistry between you and your partner has fizzled out for good? Cupid has some tips:

1. Commitment: When one or both persons give up in the relationship, it will be hard to work toward reconciliation. Some people care enough about each other and their commitment to work through trying times, while others give up at the first sign of struggle. If you and/or your partner aren't working hard to hold things together – it's time to call it quits.

2. The bad outweighs the good: If you spend the majority of your time fighting with your beau, avoiding him or thinking about all of the negative traits you don't like about him – it may be time to move on. Your relationship should make you happy. If you feel your time together never ends on a positive note, it's time to end it for good.

3. Someone else has your attention (or his): There's no point

in prolonging the inevitable if either you or your significant other has found someone new. If you find yourself wondering about a new guy or notice your man spending time with another woman, then it's time to let each other off the hook.

Have you been in a relationship you knew wasn't going to work? How did you know when to call it quits? Share your experience below.

How do you keep jealousy at bay in your relationship?

Cupids Advice:

Your relationship seems to be pretty strong, but every once in a while you feel your partner gets jealous during nights out. Here are some ways to avoid the jealousy bug and keep things good between you:

- 1. Avoid your ex:** Your ex boyfriend is still in your friends group, so of course you see him from time to time. Dodge an argument with your new beau by keeping conversation with your ex to a minimum. Be polite and make small talk every once in a

while—make sure your new love is always by your side when talking to your ex. This way, he doesn't feel like you are doing it behind his back.

2. Keep your eyes on your man: As a single woman on a night out, you would scope the room in search of cute guys to flirt with. Now that you are taken, it is time to let go of your old ways. If your man sees you looking around and staring at other guys, he of course will be jealous. Focus on your date at all times. Make him feel like you don't want to spend the night with anyone else.

3. Don't flirt around: Having so many guy friends, it can be hard to tell the difference between flirting and joking around. Your new love is not used to the friendly relationship you have with some of these guys and interprets it as flirting. Be more cautious of the way you act around other guys—even if you know they are just friends.

Sources Say Chris Brown and Rihanna Are Still Together, But Fighting

By Meghan Fitzgerald

Even though on-and-off again [couple](#), Chris Brown and Rihanna are together, things are not going as well as they wished. A source tells [UsMagazine.com](#) that in the past couple weeks, their [relationship](#) consists of constant fighting. However, it is not as out of the ordinary for them, the source said, stating, “Every second it’s a blow-up and then full on in love.” [Huffington Post](#) reports that on her Diamond tour she asked her fans, “How many of you are in love? How many of you hate [love](#)? How many of you don’t understand it? I’m in that group.”

What are some ways to know that the fighting has gotten out of hand in your relationship?

Cupid’s Advice:

If you say you and your mate don’t fight, you’re lying to yourself and everyone around you. Every couple fights. Whether it is beneficial or dangerous is the thing that matters most. Healthy fighting strengthens your relationship with your beau.

However, fighting can get out of hand, and should be dealt with accordingly. Cupid has some more advice:

1. Lack of love: Have you fought so much with your partner that you no longer express any [love](#) towards him? This is a huge sign that fighting has gotten out of hand in your relationship. If you do not feel love towards the person you want to spend your life with, you need to re adjust how much you fight. Or simply get out of the relationship if it is not able to fix.

2. Sleepless nights: Do you lack sleep at night because you are so furious at your mate you can't sleep? You should know you fight too much when you can not sleep because of yet another heated fight. Sleepless nights are acceptable if you and your [partner](#) are discussing the fight, your feelings, and lives. However, if you two are sleeping on opposite sides of the bed, backs to one another and not speaking, realize how much fighting is affecting your relationship.

3. Physical abuse: Fighting has got completely out of control when your mate begins to physically abuse you. What do you do if your partner severely breaks your trust?

Cupid's Advice:

When your partner breaks your trust, it is challenging to allow them back in to your heart. Even though it is challenging, it is still possible to piece the relationship back together. Although you may want to ditch your mate and leave him on the sides of the street, they may have had a reason why. Or you may have misinterpreted the situation. Cupid has some more advice:

1. Communication: In a relationship, it is essential to communicate with your partner. If your partner lacks communication, and breaks your trust, you must learn to communicate! You need to figure out why your partner did this to you, how you can make it work, or even if you want to make it work. If you want to try and make your relationship work, you will need to talk with your partner!

2. Rebuilding: Rebuilding your relationship after your partner breaks your trust is challenging to do. If you are willing to make your relationship work, rebuilding with your partner is necessary. Your mate now needs to build their trust, their love, and their respect back up. Although this is challenging to do, it is still possible if you really love your beau and want to get on with the relationship.

3. Space: When your partner severely breaks your trust, you will inevitably need some space in the relationship. Space to figure out what you want in life, what you want of yourself, and what you want out of the relationship. Space will give you all of these things, and more. Space also allows your partner to realize what they did wrong, and how they will be able to salvage their relationship.

a friendship. “Right now, that’s just what we want – a great friendship that’s unbreakable.” Still, Rihanna has big plans for her future. When asked where she thinks she will be in five years, she replied, “I will probably have a kid.”

How can you develop a friendship with your ex?

Cupid’s Advice:

Before becoming friends with your ex-partner, it’s important to take some time to be apart and truly let go of your past love. As impossible as it may seem to be friends, know that it can be done. Here are some tips from Cupid to help you develop a friendship with your ex.

1. Be sure: First, it’s best to think about whether or not you’re ready to be friends with your ex. Think about the reasons for your breakup. Was your ex the type of person to use you or hurt you? Also think about whether or not you still have feelings for your ex. Will having them in your life make it difficult for you to move on? You don’t want your new friendship to be a toxic part of your life.

2. Be patient: If your ex is not completely over your breakup, they might not be ready to become friends. Respect their feelings, give them time and don’t get frustrated. Continue to be nice to them and show them that you mean well.

3. Communicate: Don’t expect that they will automatically be calling you and asking you to hang out every weekend. Do you really want to see them *that* often anyways? If you want to develop a friendship, then you should be the one to pick up the phone and set some plans.

What are some ways to distinguish innocent flirting from inappropriate advances?

Cupid's Advice:

Flirting can cause a relationship to fail in a heartbeat. To some people, they consider it cheating if you flirt with someone other than your mate. To most, innocent flirting is acceptable. The challenging part which comes in to play here is whether or not it is more than just innocent flirting. Cupid has some advice on this:

1. Body language: Body language is able to show a multitude of things. Just by the way you are sitting, staring, standing, it can all determine what your feelings and intentions are for another person. If your mate has their hands on another person, shoulder touches, hand squeezes, waist grabs; that is in no way innocent flirting. Exceptions are made if they are best friends, however, that still needs to be watched. If your mate puts their hands on anyone else besides you, keep an eye out

2. Connection: Depending on the connection that you and your beau have, you should be able to determine whether or not they are innocently flirting or they may have other ideas. If you know your partner more than you know life itself, this should not be a hard problem. Your partner could be a constant innocent flirter, which is okay. However, if you know they don't usually flirt and they suddenly started, they may be making inappropriate advances.

3. Evidence: If you have become suspicious of your partner because of inappropriate advances on someone else, you may begin to snoop. It may leave you utterly crazy in the end, but if you find out the truth that is relatively okay. If you know

that your partner has been with someone else, it is obviously noticeable if they're [flirting](#) together. If you have strict evidence, you will know if your mate is making advances on someone else.

What do you do if your friend gets back together with a violent ex?

Cupid's Advice:

Worried about your friend getting back with one of their violent exes? Should you do something? If so, what? Cupid is here with some advice:

- 1. Reach out:** Tell your friend how you feel. Tell them you are concerned and worried about their safety. Offer to help them and let them know you are there.
- 2. Support:** Be supportive and listen to them talk about their feelings. If they make a decision that you do not agree with, do not fight them over it or stop talking to them. Let them know you are always there so they don't end up isolating themselves from you, otherwise, they won't come to you when they realize that they really do need help.
- 3. Leave the abuser alone:** One mistake people tend to make when they have a friend that is in an abusive relationship is contact the abuser and start a fight with them. If you contact the abuser and anger them, you will put your friend in more

danger. Keep your feelings between you and your friend, for your friend's safety.

Celebrity Relationships in Need of a New Year's Resolution

By Courtney Allen

The New Year is here, and even the biggest celebs in Hollywood know what that means: it's time to pull out the glorious pen and paper. There is no better time like the present than to leave the daunting past behind in the tabloids, whether it is love drama with exes, juicy scandals or shocking infidelity. 2012 may have proved to be rocky for these celebrity couples, but the upcoming year just may be looking up if they write their New Year's Resolution list with these things in mind:

Kristen Stewart and Robert Pattinson: These two *Twilight* stars had us watching in amazement as their seemingly perfect relationship flourished both on-screen and off. It wasn't until this summer that their 'fairytale' took a turn for the worst. Stewart became the center of a cheating scandal between her married *Snow White and the Huntsman* director Rupert Sanders. Stewart caused jaw drops amongst her *Twilight* fans and co-stars as news of the flaming affair became public. Speculation over whether Stewart and Pattinson would stay together swirled for months. The answer to the question we were all once dying to know? Yes. The couple is together today. But one piece of

advice for their partially tainted relationship: keeping Kristen's deceit in the past in order for it to successfully recover in the new year.

Rihanna and Chris Brown: Chris Brown and Rihanna have quite the troubled past. The two world-famous singers started dating back in 2008. Between Rihanna's stunning face and body and Chris Brown's undeniably handsome facial features and lullaby-like voice, they instantly became one of the hottest, power couples in Hollywood. But in February of 2009, tragedy struck for the lovebirds. Brown was arrested for allegedly assaulting the "Disturbia" singer after a pre-Grammy bash. The two obviously went their separate ways as Rihanna filed a restraining order against Brown which was later dropped in 2011. Shortly after, rumors began to fly about the two rekindling their flame with the release of Rihanna's "Birthday Cake Remix" featuring the R&B singer. Looking back, the rumor seemed nothing less than the truth. Brown recently dumped ex-girlfriend Karrueche Tran and now appears to be dating Rihanna based off pictures on her Instagram. Let's just hope these two have a healthier relationship this time around. If they commit to this New Year's Resolution, nothing can stop them.

Halle Berry and Oliver Martinez: Halle Berry and fiancé Oliver Martinez seem to be doing just fine besides one small problem: her ex. Model Gabriel Aubry is causing trouble in paradise for the couple. Berry and Aubry are right in the middle of custody battle over their four-year old daughter Nahla after splitting up back in 2010. Things got pretty heated over Thanksgiving when Aubry got into a physical altercation during a custodial hand-off with the bombshell's current boyfriend, French actor Gabriel Martinez. Aubry seems to be creating quite the mess for Berry and her new relationship. The cause of the fight is unknown, but pleasant words are definitely out of the question. Sounds like the three need to somehow find a way to kiss and make up for the New Year and for the future. With

Nahla in the picture, Aubry isn't going anywhere.

Rupert Sanders and Liberty Ross: The couple on the other side of Kristen Stewart's cheating scandal has been through trying times since the infidelity went public last summer. Turns out *Snow White and the Huntsman* director Rupert Sanders was not only in a relationship, but was married to English model Liberty Ross. The couple was not seen together for several weeks following the scandal, leaving us to wonder if Sanders' position as director in the *Snow White and the Huntsman* sequel was the only thing he had lost. Luckily for Sanders, Ross seems to be giving him another chance after his slip-up with 22-year old Stewart. Sanders will now be walking on thin ice with his wife as he enters into 2013. All the New Year's resolving between them should come mostly from his end: proving that he can be trusted again; and of course for Liberty, giving him the fair chance.
