

Celebrity Couple Predictions: Taylor Swift, Chris Evans and Ariel Winter

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. Two of which are celebrity relationships that are just getting started, such as with Tom Hiddleston and Taylor Swift, and Chris Evans and Jenny Slate, while Ariel Winter, on the other hand, has decided to kiss her boyfriend goodbye. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Tom Hiddleston and Taylor Swift: Looks like Taylor Swift has bounced back quickly from her breakup with DJ Calvin Harris. The new man on her arm is Hollywood hottie, Tom Hiddleston. This coupling took many of us off guard and they are going hard into this relationship. Parents have been met on both sides and there are tons of public displays of affection. I would love to applaud this new celebrity couple, however I'm suspicious of the quick romance. There have been grumblings that it's a publicity stunt. Would Swift go so far as to have a fake romance? It's a known fact that Hiddleston gets around when it comes to the ladies. I wouldn't go so far as to call him a ladies man, but he trades in his lady friends very often. Swift is known for having a new boyfriend often as well, though that isn't necessarily her fault. She tends to get dumped by her boyfriends, so what's a girl to do? She gets back out there. While Hiddleston and Swift are all smiles, I'm not convinced that this relationship is the real thing. Time will tell if all of these photo ops equal a real celebrity relationship. At least they look like they are having fun which is what that matters the most.

Chris Evans and Jenny Slate: Chris Evans has been rumored to be dating any woman in Hollywood that he says "hello" to, but it's safe to say that he has a new boo and her name is Jenny Slate. Evans must be into funny women because Slate is a comedic actress. The two of them just stepped out together on the red carpet for *The Secret Life of Pets*. In Hollywood terms, this means that the pair is officially dating. Slate is

gushing over being with Evans. It's nice to see Evans finally in a stable celebrity relationship after speculation of who he's snuggling up with. He seems like a nice guy and would be a keeper for the right woman. Evans and Slate will probably last about 6-8 months, with Evans being the one to break-up. Slate will want to nest and settle down with Evans. What girl wouldn't? However, he doesn't look ready to settle down and do the wife and kid thing just yet. Slate is getting him ready for the next lady.

Ariel Winter and Laurent Claude Gaudette: Ariel Winter, the actress from *Modern Family* has broken up with boyfriend Laurent Claude Gaudette, yet again. These two have been on again and off for the past two years. Most recently, the pair has unfollowed each other on Instagram. When millennials do that, they mean business! On a serious note, Winter is finally done with this celebrity relationship. This whole romance has been exhausting. Gaudette will call Winter, but she won't answer. I see that she will be moving forward. Winter will be single for a few more months then she will find a new love with a man who is a little bit older than her. She needs someone who is more her equal than Gaudette. Had anyone heard of him before he was with Winter? She'll bounce back just fine from this break-up.

How do you remain civil with an ex after a breakup?

Cupid's Advice:

When you end on good terms, you're freeing yourself from all bad vibes that come with the end of a relationship. Remaining

civil is not only a great way to “save face,” but it’s also liberating for you internally. Cupid has some advice to how to keep things civil with your ex:

1. Look at yourself: There are amazing qualities about you that you could be sharing with someone who you really want to spend time with. There are better things in your life than hoisting negativity towards your ex. Remember the type of person that you are, and it’ll be easier to keep things in perspective.

2. Don’t hold a grudge: Getting rid of hard feelings from your ex will not only it’ll take a huge weight off your shoulders, but it’ll make you feel better too. There’s no reason to keep bad thoughts of your ex on your mind, it will only cause you stress and make things harder on yourself. Don’t let **old feelings** bother you.

3. Move on with your life: There’s a great future ahead of you. Think of that, and from there you’ll only see positivity – not only in this situation, but also in all aspects of your life. Always keep your life in perspective: take a look at your goals, see what you weren’t getting from your ex, and don’t hold it against them for it. You’re in control of your life and now is the time to see what you want and make it happen.

How do you know whether to trust an ex-partner again?

Cupid's Advice:

Sometimes there are mistakes an ex can make that break up the

relationship, but are those mistakes so bad that you two cannot reconcile? Here's how to know when your partner may be worth trusting again:

1. They're willing to put in the effort: It may be time to trust your ex again if it's obvious they're putting in a consistent effort to make your relationship work the second time around, like with counseling or therapy.

2. The violation of trust was a one-time thing: If what made you distrust your partner in the first place was a one-time mistake and it hasn't happened since, time may be able to heal the wound.

3. Their sincerity shows through their actions: As the cliché says, "Actions speak louder than words." If what they're doing matches the sincerity in their words, that's a good sign.

Chris Evans Shares What He Wants In a Woman

After his performance in *Captain America* turned heads and eyes to comic books, Chris Evans turned women to his sensitive side in *What's Your Number?* Now, according to [Hollyscoop](#), he has landed another gig with Gucci Guilty Intense where he appears in a sexy video with Evan Rachel Wood. "She's awesome," he said. "We actually instantly got along because she's very much my type of girl." Evans further clarified exactly what he wants in a woman. Is it important that your potential partner possess all of the attributes you on your list?

Cupid's Advice

Sure it would be great to find a perfect lover, but odds are that's not going to happen. But, Cupid has some consolation for you:

1. Everyone has faults: Everyone has their quirks, and idiosyncratic behaviors. That's what makes us human. While it's important to have key similarities with a lover,

you won't agree with each other all the time.

2. Healthy Debate: A strong companionship filled with love will not damage a relationship when there are differences. In fact, it's healthy to debate issues and maintain some individuality. A good partnership allows you to accept each other regardless of your differences.

3. Differences are good: Having interests that your partner doesn't necessarily like (e.g., watching sports, going to the ballet, shopping) is not a bad thing. It will allow you and your mate some "me time," which is important to maintaining a long-term relationship.

What's Your Number? featuring Anna Faris and Chris Evans

Ally Darling (Anna Faris) can't seem to find "the one" in new movie [*What's Your Number?*](#) After reading a magazine article that reveals her dwindling marriage aspirations, she begins hunting down her ex-boyfriends – all 20 of them – to find out if she missed her future spouse. She brings along her mischievous neighbor (Chris Evans), who Ally is helping to *avoid* his exes. Based on the book "20 Times a Lady," *What's Your Number?* should be a romantic comedy that keeps you smiling with a typical-goofy Faris who keeps you laughing.

How do you distinguish "the one" from "the last one"?

Cupid's Advice:

It's always difficult to sort out your feelings after a breakup. Cupid has some suggestions:

- 1. Give it time:** Whether it takes a week or a year, you need to get some space in order to reset your mind and feelings.
- 2. A stand-out:** Once the dust settles, find out what makes

your ex someone you at one point wanted to date. Also, ask yourself why things ended.

3. Think happy thoughts: If whenever you think of your former lover and you smile while reminiscing, then it's a good sign. You may want to jump back in to explore more of the relationship.
