What are some laid back yet memorable ways to propose?

Cupid’s Advice:

It can be tricky to strike a balance between simple yet special ways to propose to your loved one. Cupid has some advice on how to make your engagement low-key, yet a memory you will treasure forever:

1. During your favorite activity: Do whatever you enjoy doing

together, whether it's going for a hike, like Hillary Scott and Chris Tyrrell, or watching a movie. What matters is that you're surrounded by a serene atmosphere, so that you can tune in to each other.

2. At home: When your sweetie gets home after a day at work, surprise him or her by laying out some rose petals in the bedroom and playing some soft music. Then get down on your knee and pop the question. This is a romantic way to propose, yet it doesn't involve anything extravagant.

3. During a meal: Presenting the sparkler over dinner at home or at a restaurant can be a spontaneous way to ask the question. You don't have to follow the scripted ring-in-the-food technique. Just go with your instincts.
