Six Celebrity Couples We Wish Existed

By Elle Rose Williams

When surrounded by a celebrity culture and constantly looking at the world's most beautiful or talented elite, it's hard not

to start wishing that two of your favourite celebrities were dating. No matter how perfect some couples seem, deep in our hearts we always know they could do better. Whether we think they'd make a great match or just want to see the children, here are five celebrity couples we wish existed:

1. Lady Gaga and Tim Burton: The quirky duo that is Lady Gaga and Tim Burton could be the ultimate power couple, with Gaga ruling the world of music and Burton ruling the world of film. Their united interest in the bizarre and huge cult followings could be great starting points. With your own relationship, it can be a great idea to make sure you have common ground in this same way.

2. Ryan Gosling and Rachel McAdams: Although Ryan Gosling and Rachel McAdams used to be a couple, they're now separated. However, any girl who grew up with the ultimate romantic epic *The Notebook* would think these two should be reunited one day. It can be the same in our own relationships too: when we have such a long history with someone, it's easy to picture ourselves with them.

3. Jennifer Aniston and David Schwimmer: *Friends* might have ended eight years ago, but after ten years of portraying the ups and downs of Ross and Rachel, it's hard to see Jennifer Aniston and David Schwimmer as anything else. Considering Aniston's consistent bad luck in relationships, it'd be amazing for her and Schwimmer to get together and to finally see her settled and happy. With our own relationships, we like to see ourselves with someone who'll look after us and someone who will be with us through the rough times and the good times too, which Ross and Rachel always personified.

4. Madonna and Richard Branson: Another important part of being a couple is balancing your attributes. This would make Madonna and Richard Branson a fantastic power couple. Plus, it would be great to see Madonna settled down with a man her own age. There's a lot that Madonna could learn from Branson, and even Branson could benefit from Madonna's publicity stunts. They'd be a good balancing act for each other, and this is always a good way to seek out a potential partner.

5. Charlie Chaplin and Gwen Stefani: How amazing would it be if Charlie Chaplin and Gwen Stefani were a couple? Sure, the two are actually decades apart , but their quirkiness and originality would make these two a brilliant celeb couple. We have a feeling their sense of humor would gel too. In your own relationship, humor is hugely important. As long as you can laugh together, the bad things will never seem as bad.

6. Audrey Hepburn and Colin Farrell: Audrey Hepburn and Colin Farrell are another couple that would be impossible, but still would be brilliant. We'd love to see the dynamic, cheeky Irishman be tamed by the ultimate lady of class and elegance. They'd be so different that they could actually be the perfect match. This can apply to real couples too, so look for someone who wants you to be the very best version of yourself.

**St. Patrick's Day: 10 of the
Most Desirable Irish**

Celebrities

By Matthew Dougherty

St. Patrick's Day is right around the corner! With so many celebrities from Ireland or with Irish descent, now is the perfect time to decide who would be the best match for you. With a little Irish luck, anything can happen. Here are our picks for the best Irish actors and actresses to hit the bars with on Saturday – after a romantic dinner, of course:

Top 5 Irish Actors To Romance

5. Cillian Murphy: Cillian Murphy was born in Douglas, a suburb of Cork, Ireland. The actor has appeared in many films, but perhaps he was most desirable in the opening moments of *Red Eye*, where he played the perfect potential boyfriend to Rachel McAdams' character. That is, until he

turned out to be a homicidal lunatic. Murphy has a laid-back, cool persona and would likely make a charming date.

4. Jonathan Rhys Meyers: This television actor, who was born in Dublin, Ireland, has a reputation for partying and would be a great person to hit the clubs with on St. Patty's Day. His piercing blue eyes also make him almost impossible to resist.

3. Pierce Brosnan: Okay, so he's married, but our list wouldn't be complete without James Bond. Plus, there's hope for a movie romance: with every new film comes another Bond girl. Brosnan was born and grew up in Ireland and is practically ageless, both qualities that help him play the super suave and sexy spy.

2. Mark Wahlberg: Marky Mark was born in the most Irish town in America: Boston, Massachusetts. Boston is the best place in the U.S. to celebrate St. Patrick's Day. If you are lucky, maybe Wahlberg will take you to some of his favorite pubs in the city.

1. Colin Farrell: No actor flaunts his Irish heritage as much as Colin Farrell. Born in Dublin, Ireland, Farrell is known for being one of Hollywood's bad boys. But that does not take away from the fact that he would be a great date. Plus, he does have a [soft side](#). Farrell has said that what inspired him to become an actor was watching E.T., which brought him to tears. Need we say more?

5. Jennifer Connelly: Jennifer Connelly is of Irish descent, thanks to her father. You can very easily see it in her face. Do you know what you cannot see in her face? Her age. Jennifer Connelly is 41 years old and does not look a day over 30. She is a beauty queen and easily one of the sexiest women

on the planet.

4. Olivia Wilde: This rising star has citizenship in Ireland. Coming off of some major television and movie roles, Wilde is becoming one of the hottest names in Hollywood. If she is anything like some of the characters she plays, she is kind-hearted and absolutely loveable but with a bit of an attitude as well.

3. Rooney Mara: She may have played a Swedish hacker in last winter's *The Girl With the Dragon Tattoo*, but Mara comes from an extremely Irish family. Her great uncle was, at one time, the United States Ambassador to Ireland. Mara is very shy and modest in interviews. This makes her one of the cutest and most humble people in the business. Oh, and she is absolutely gorgeous.

2. Zooey Deschanel: Who can resist Zooey Deschanel? *The New Girl* and *(500) Days of Summer* star has a glowing personality but manages to be more down to Earth than a lot of other actresses. She would be an entertaining date because she knows how to laugh at herself – and how to make you laugh, too. A combination of her bubbly personality and beautiful, big blue eyes will make her very difficult to ignore.

1. Anne Hathaway: Hathaway is of mostly Irish ancestry, which is pretty obvious when you look at her. Based on interviews and what many in the inner circle of Hollywood have said, Anne is one of the sweetest, nicest people in the business. Last summer, she starred in the romantic film *One Day*, leaving many of her fans wanting to spend more than just one day with her. This summer, however, she will take on a much darker role as the new Catwoman in the next Batman movie, *The Dark Knight Rises*. Hathaway is great as any character, but who can pass up dating Catwoman?
