

Celebrity Women Who Date Younger Men

By Gabby Robles

Celebrity men aren't the only ones who go after what's young and hot in Hollywood. Sexy celeb women have helped get the term "cougar" published in the dictionary in it's slang term – and with all of these women dating much younger, we're surprised it hasn't happened sooner!

Sharon Stone and Martin Mica: This couple shares a 30-year age difference, but they haven't let that stop them from showing their love to the world! The duo have been dating for over a year and are still going strong despite rumors of a breakup that surfaced this past January. Mica was only six when Sharon Stone starred in *Basic Instinct*, but that was years ago, right?

Mariah Carey and Nick Cannon: Mariah's first husband, Tommy Mottola, was over 20 years older than she was. Naturally, Mariah decided to go 11 years younger when she married Nick Cannon. These two haven't let age compromise their marriage; they have been married over 5 years and have two adorable children together.

Julianne Moore and Bart Freundlich: These two have a 9 $\frac{1}{2}$ -year age difference, but the actress and director have two children together. Moore stated that when she first began dating Freundlich, she was unsure their relationship would work. But as their relationship progressed, it didn't remain as a standing issue.

Kathy Griffin and Randy Bick: This pair has a near-20 year age difference. The comedienne and her marketing executive-boyfriend met at a food festival over a year ago. Kathy says she "hunted him down." Meow, cougar!

Danielle Fishel and Tim Belusko: These lovers just tied the knot on October 19 in Los Angeles. Their 7-year age gap doesn't stop them from being happy and finding their soulmates; The *Boy Meets World* star had previously said, "Tim is the one. He accepts me for exactly who I am!"

Jennifer Lopez and Casper Smart: Lopez is 18-years Smart's senior, but these two have been going strong publically since July 2012. The singer revealed to Katie Couric, "It's hard for me to think of my age... I feel very youthful... And it's funny, until somebody brings up [the age difference], I don't think we really think about it." Well, we're happy for them!

Dating younger is how some people reach Cloud 9 – and it's not

a bad thing. As long as these couples keep in mind that age is just a number, they will continue to be happily in love!

What are some ways to keep gossip from affecting your relationship?

Cupid's Advice:

Unfortunately, some people love to hate on others. You have to always go on with a strong sense of positivity, but it can be hard. The biggest thing you want to do is make sure that the gossip stays away from your relationship. Cupid has some advice on how to hush up the haters:

1. Keep your head up: Don't let people bring down your success. If you are both happy, you know you're doing something right. If you're relationship is thriving and is exactly what you want, so don't let anyone try to knock you down.

2. Remain strong together: You and your boo can silence the gossip by not letting it bother you. People might have bad things to say, but it is none of their business – and definitely not their relationship! Ignore those who bring you negative energy or who want to see you fail.

3. Get through it together: Gossip can really take its toll on a situation. Make sure that you both are on the same page and are there to listen to each other if it starts to get to you. Always be each other's rock.

'Boy Meets World' Star Danielle Fishel Marries Tim Belusko

By Kerri Sheehan

Boy Meets World star Danielle Fishel tied the knot in a “short and sweet” ceremony in Los Angeles. Her rep confirmed to [People](#) that the 32-year-old actress is now wife to Tim Belusko, 25. The bride recently said, “The most important thing is that the day feel authentic to us.” The couple wanted a traditional wedding that also showcased their wacky side. Over 200 guests gathered to watch the pair say, “I do.” Fishel had previously said, “Tim is the one. He accepts me for exactly who I am!”

How do you make your big day feel ‘authentic’?

Cupid's Advice:

Your wedding day should be perfect. Let Cupid help you make it your own:

1. Make it your own: There's no requirement that says your wedding has to be completely traditional or traditional at all. Don't hesitate to make little changes to your ceremony to make it really feel like your own. It's your day, no one else's

2. Keep it simple: The more over the top your wedding is the more likely you are to feel like it's all just a big show. Your wedding day is your time to show off, but going crazy in that department will make it feel more like entertainment than a union of two lovers.

3. Talk to your partner: You should run any changes you want to make to your ceremony by your mate. If you go ahead and change things without their consent then it will become all about you instead of equally about your both. Make sure there is an equal balance of elements of him and elements of her.
