Cupid's Advice:

Wedding days are indeed a big day in your life, but does it need to actually be a big affair. Cupid has some reasons why keeping your wedding small is beneficial:

1. Less stress: The benefit of having a small wedding is a reduction of stress you are likely to experience. Not only will the planning process go smoothly but so should the big day. There are fewer people to cater to. This provides you with an enjoyable planning process instead of rushing around at the last minute.

2. Save money: If you are working with a smaller budget, with a wedding of fewer guests, it will allow you to go grander than you would have with a higher number of guests. You get a ceremony you want without having to break the bank.

3. Intimate experience: with a larger wedding thing can become busy and impersonal. You may have family and friends attending the big day that you haven't seen in years, a smaller wedding would allow you to cherish and share the special event with those who are closest to you.
