

Celebrity News: Tori Spelling Says It's 'Hard to Be Monogamous' Years After Dean McDermott's Affair

By [Mara Miller](#)

In [celebrity news](#), Tori Spelling dished about her [celebrity marriage](#) with Dean McDermott, according to *UsMagazine.com*. Spelling spoke candidly about staying faithful for the five years after her husband had an affair. "The reality is that you're two people. I feel like humans, instinctively, it's really hard to be monogamous because you're always changing," Spelling said on McDermott's "Daddy Issues" podcast released on Monday, June 17. "And if you're

not on the same page, you have to try to change again, and evolve and be on the same page.”

In celebrity news, Tori Spelling admits that being monogamous isn't easy. What are some ways to resist the temptation to cheat?

Cupid's Advice:

Spelling is right—humans find it difficult to stay monogamous because it is in our nature even though we may not want to admit it. It's normal to wonder *what-if...*but isn't worth the heartache that can follow a break-up or divorce because you cheated. Cupid has advice on ways to resist temptation and stay faithful to your partner:

1. Think about the consequences: You have to ask yourself if cheating is *worth* the heartache and drama that will follow if your spouse finds out. Do you want to risk ruining a solid relationship because you can't resist that cute coworker? To hurt your kids if your spouse can't forgive you when they find out?

2. Refocus on your relationship: Try putting lusty energy back into your relationship where it belongs rather than focusing on your crush. If you feel like the romance is dying down, talk to your partner about it. Even though it might hurt...think about being honest about your temptation to cheat. An open-honesty policy with your partner will help you work through tough times. Try dating again by experimenting with [date ideas](#) or picking up a new hobby together. You might be surprised by

how much your love with your partner grows after you start putting aside more time to spend with them.

3. Take any developing crushes seriously: We've all done it. A funny ha-ha, "I think that guy from high school is hotter than when we were teens." Today it's much easier to find someone you could have a connection with outside of work or your usual circle of friends. Social media affects 50% of relationships in a negative way. It's easy to hop into someone's DM's for a conversation that can lead to something else. When you start to realize this might be happening, it might be better to end communication so the temptation does not become something more if they ask you out for coffee.

Celebrity Couple News: Dean McDermott Defends Wife Tori Spelling Against Trolls Over Bikini Pic

By Katie Sotack

In [celebrity couple](#) news, Dean McDermott is his wife, Tori Spelling's knight in shining armor against internet haters. According to *UsMagazine.com*, yesterday Spelling posted a bikini clad photo of herself with her *BH90210* co-stars, Jennie Garth and Gabrielle Carteris. Trolls took to the comment section. One even claimed that the women were "trying too hard to be relevant," which is when McDermott stepped in. The 52-year-old actor clapped back with, "I love how you haters have private accts!! Let's see what you trolls look like ya cowards!!!"

In celebrity couple news, Dean is standing up for his wife amid backlash. What are some ways to defend your partner against hateful

comments?

Cupid's Advice:

Nasty comments will never be a thing of the past. But, sometimes they cross a line and it's time to defend your S.O.'s honor. Cupid has some great ideas for telling the trolls in the comment section to back off:

1. Shine the light: You could share McDermott's approach and put your partner's haters on full blast. It's easy to make anonymous hate comments from behind a screen, but trolls' malicious ways can rarely stand the spotlight.

2. The comparison call out: It's like watching a pro-athlete miss a shot and screaming that you can do better. You can't. Challenge the haters on their critics. If they don't think your partner's doing it right, that's fine, but can they beat them at their own game?

3. Disengage: Sometimes engaging with the haters isn't the best option. It can stir up a controversial internet war that you're not ready for. There's no better way to show that comments online don't matter than forging strong relationships and living your best life outside the screen.

Celebrity Couple Predictions: Angelina Jolie, Sharon Osbourne and Tori Spelling

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, one of which is a high profiled split that no one saw coming between Angelina Jolie and Brad Pitt; while two other long term marriages are fighting to survive after celebrity cheating scandals (Sharon and Ozzy Osbourne, and Tori Spelling and Dean McDermott). But who's stepping out this time around hand in hand? Join me as I look into the

crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Angelina Jolie and Brad Pitt: When it was announced that Angelina Jolie had filed to divorce Brad Pitt, gasps were heard around the world. The fairytale was officially over. But was their relationship really as wonderful as everyone thought it was? While most people were surprised that their marriage is ending, I was surprised that it's lasted as long as it did. There were clues that their marriage wasn't filled with unicorns and rainbows. Anytime a couple gets married due to pressure from their children, it isn't a good sign. This relationship should have ended a long time ago. Jolie is so ready to move on. Their pack of kids can beg and plead for her to go back to Pitt, but it's a wrap. Rumor has it that she has already moved into a private residence in Los Angeles that cost \$30,000 per month! It's time for both of them to move on. While Pitt is a bit devastated now, he will see that this is for the best. Don't be surprised if Angelina's next lover is a woman. Brad will be fine, women are already getting information to swoop down and grab him. My relationship advice to him is to stop picking high maintenance women.

Sharon and Ozzy Osbourne: Look's like Sharon and Ozzy Osbourne are having a real lovefest after Ozzy's alleged affair with a celebrity hairstylist earlier this year. He recently surprised Sharon by showing up on *The Talk* and giving her a diamond ring for her birthday. Ever notice how men like to make things better with diamonds? There are those who feel like their

happiness is staged. Maybe it is, but then again what hasn't their relationship been through at this point? I don't see anything that will actually cause this celebrity couple to break up for good. Their marriage has been a bit of a rollercoaster since day one. Sharon is a ride or die when it comes to Ozzy. They will continue on with their sweet gestures in the press. It is what it is. They are basically a famous couple that at the end of the day is just like everybody else.

Related Link: [Celebrity News: Find Out Why Sharon Osbourne Took Ozzy Back](#)

Tori Spelling and Dean McDermott: Remember all the drama that Spelling went through with her husband McDermott. It looked like their marriage was going to end, but Spelling took one for the team and stuck with it. The couple recently announced that their fifth child is on the way. There is still conflict in their relationship that stems back to the Dean's 2-day affair when he was working in Canada. Let's not forget that Tori actually got together with Dean because they had an affair while filming a Lifetime movie. McDermott also recently proposed again to Spelling right before their tenth anniversary with their kids in attendance. That's all good, but I say this marriage is still a hot mess. Spelling can do so much better than him. When will she see the light? With baby number five on the way, she may never leave. Being a single mother with five kids doesn't sound so sexy when it comes to dating. McDermott is sneaky and it looks like he just may bring more heartbreak to Spelling; that may be just the thing that she needs to let him go and find love with another. Let's just say that he is the lucky one in the relationship.

Tori Spelling and Dean McDermott Get Couples Massage Amidst Marriage Drama

By Shannon Seibert

Tori Spelling and Dean McDermott were photographed together in

Los Angeles enjoying a couples massage. After the recent discovery of McDermott's affair with Emily Goodhand, the couple has been on the rocks. Recently, Spelling was hospitalized for intense headaches and McDermott was there to support her. The pair have four children together, but the trust-factor is up in the air. "It makes you not trust anything that's happened in your relationship," Spelling told UsMagazine.com.

What are some ways to keep your marriage alive?

Cupid's Advice:

Ideas of marriage have transformed over the last century. In this day and age it's difficult to uphold the traditionalist views of marriage, which can lead to cheating, scandal and fall-out. To keep the love alive it is a process that both partners have to be invested in to make ends meet.

1. Take a trip without leaving: Maybe it's just a little "You and Him" time that you need. A stay-cation is a great idea for worker-bees to relax with each other and focus on the love they always had. Throw some beach towels out in the back yard, fill a cooler, and have some fun in the sun with your man.

2. Give up the gadgets: In a modern world of cell-phone and virtual communication, it can be difficult to establish a personal connection. You and your honey try leaving the phones, computers and devices in another room for a night, and just enjoy each other's company. You'll be surprised by the levels of conversation you can reach without a phone screen between you!

Related: [Date Idea: Take a Virtual Vacation](#)

3. Renew and revise your vows: Ideas of marriage have been constantly evolving, so naturally, the traditional marriage

vows should keep up with the change in pace. Go through the vows you and your man took on your special day, and see how you've kept up with your promises. If you see the results aren't what you originally thought, go for some modern revisions. Try "I vow to pick the kids up from practice when I say I will" or "I promise I will listen to you talk about your day." These may seem small, but in the scheme of a marriage, these vows can make every bit of difference in it being successful.

How do you support your partner mid-split?

Cupid's Advice:

When your relationship is dissolving it can be some of the hardest points in your life. Towards the end of your romantic relationship it can be hard to not hold resentment towards your partner or to not put the blame on the failing

relationship on them, or to even still show your support towards them. Cupid has some advice on how you support your partner mid-split.

1. Still be there for them: Nothing shows your support like simply being there for someone. Everyone wants someone to be there for them when they're down, need support or someone to relay on and you can still at least try and be that person. Whatever kind of relationship you have with your significant other, even if it could possibly be the end, it's still good to be able show that you care about them.

2. Keep up with your communication: Being in a relationship means having someone you can talk or confide in with. Even if your relationship is currently having problems, it's still okay to talk with your partner about each other's troubles. If you keep communicating you have a better chance at staying on good terms even if you break up or possibly fixing things.

3. Continue to work on things: Showing support towards someone can come in different shapes and forms. One way you can still show your support towards your partner mid-split is to still put some effort into your relationship. Remember you are both going through a similar thing here and whether your couple status changes from in a relationship to not in a relationship, it's important to still be respectful and mindful of one another's feelings.

Cupid's Advice:

Every relationship has problems, its normal. When you and your partner are having issues in your relationship it is better to face them than ignore them, but what's the best way to go about it? Cupid has some advice on ways to confront issues in your relationship.

1.Practice Beforehand: Before you confront your significant with your relationship woes, take the time to prepare what you are going to say, open with, end with, etc. Practicing on what you're going to say can help calm your nerves and help you focus on what exactly you want to discuss. Make sure you remember the purpose of your confrontation and that you're trying to resolve your issues not create new ones.

2.Make private time to talk: Take the time to sit down in private and discuss all the relationship problems you may be having with your lovebird. Also, be willing to listen to your lovers' side and then sit and think on it before making any rash decisions.

Dean McDermott is Accused of Cheating on Wife Tori Spelling

By Brittany Stubbs

After seven years of marriage, it doesn't look like Dean McDermott and Tori Spelling are living their happy ending. UsMagazine.com reports that McDermott cheated on Spelling with 28-year-old Emily Goodhand while promoting his gig as host of *Chopped Canada* in Toronto on Dec. 6th. After meeting Goodhand through friends that day, McDermott invited her up to his room at the Fairmont Royal York Hotel where she claims they had sex. "He told me he and Tori had a sexless marriage," says Goodhand, who stayed the night with him the following night as well. "I believed him."

What are some signs that your partner is cheating?

Cupid's Advice:

Being cheated on by someone you love is extremely hurtful. While you want to trust your spouse, if you're wondering if they might be cheating, look out for these signs:

1. Credit card activity: If you have access to your partner's bank account and notice there's a number of charges that don't make sense, this might be a red light. For example, dinners at nice restaurants, hotel reservations, etc. Are your partner's credit card bills no longer sent to your house or visible to you? This might be another sign to question.

3. Their appearance has changed: According to the *Huffington Post* article "Cheating Signs: 10 Classic Signs Your Spouse May Be Cheating," one of the first signs that should make you

The ring represents the significance of their relationship. She rocks his world!"

What are some ways to make your anniversary special?

Cupid's Advice:

Anniversaries are all about celebrating the commitment you made to your significant other and proving to each other that the love you share together is still as strong as ever. Every couple wants their anniversaries to be one-of-a-kind. Here are some ways to make that one day out of the year one to treasure

forever:

1. Write a love letter: In today's world, lives are overrun by the usage of text messages and emails. Do something different by writing your partner a love letter the old-fashioned way. Pour your feelings out on paper and let your significant other know just how lucky you feel to have somebody like them in your life!

2. Plan a getaway: Plan a romantic getaway just for you and your boo. Travel to the Bahamas and have some fun in the sun together, or maybe a quiet weekend in the country side would be more your style. Wherever you decide to go, make sure it's somewhere you and your partner will be able to spend some quality time alone. This is the time to enjoy each other's company without any distractions.

3. Stay in: Decorate your living room with rose petals, pick out a bottle of wine and prepare a home-cooked meal. Pick some of your partner's favorite movies to watch and anticipate a night full of romance, snuggling and whispering sweet nothing's in each other's ears. What could be better than that?

**Celebrity Couple: Tori
Spelling Slams Rumors That**

She Is Divorcing Dean McDermott

By Jessica Conigliaro

Tori Spelling reached her boiling point after *Star Magazine* claimed that she is divorcing her husband, Dean McDermott—a nasty rumor that upset her entire family. Her 5-year-old son Liam saw the headlines at the grocery store, prompting him to anxiously ask, “Why is someone getting us? Where are you and Dad going?” The *Beverly Hills, 90210* star wrote an open letter in response to the lies about her marriage, [Us Weekly](#) reports. “This time I had to comment because this time I’m answering not as a celebrity but as a mom,” Spelling, 39, wrote in frustration.

What are some ways to protect your relationship from hurtful

rumors?

Cupid's Advice:

When you start dating someone new, all of your friends seem to have a strong opinion. You share some details about the new man in your life to one or two of your closest friends, and soon enough, they're playing the telephone game and twisting the truth into lies. Cupid's here to offer some tips on how to deal with these rumors.

1. Ignore the smaller rumors: You tell your best friend that your date cracked a harmless joke at your expense the other night. Next thing you know, everyone thinks your new man said something that made you cry at dinner. First, be sure to tell him about the rumor so he doesn't hear it from someone else. Then, let it pass. You both know the truth, and that's all that matters.

2. Address the bothersome ones: When a rumor is floating around about your relationship that you simply can't ignore, say something and stick up for your love. Find out who said what, and confront them right away. Your friends should come to you first before saying anything negative about your dating situation. When that doesn't happen, it's your job to protect your relationship.

3. Poke fun: Sometimes, rumors are so untrue that they're actually funny. If your friends overhear you talking about jewelry with your boyfriend and assume you're getting engaged, mess around with them a little; have your boyfriend fake propose in front of all of them and reveal the joke once they all get emotional. That will teach them not to eavesdrop anymore!

How Celebrity Couples Celebrate Labor Day Weekend

By Whitney Baker

Labor Day weekend is often filled with beach and barbeque, giving people an opportunity for an extra day off before the summer ends. Some celebrity couples like to keep things simple as they spend time together with the sand and the sun, while others add a little glitz and glam to the usual date plans.

In anticipation of the upcoming holiday weekend, let's look back at how the hottest duos in Hollywood celebrated Labor Day last year:

1. Partying in Las Vegas: Stars seem to flock to Sin City for a final summer blowout. Before she was on baby bump watch, Nicole 'Snooki' Polizzi hosted a bash at PURE Nightclub inside Caesar's Palace with then-boyfriend Jionni LaValle. That same night, Carmen Electra and her former fiancé Rob Patterson hosted a party at Nikki Beach in the Tropicana Hotel.

2. Lying Poolside: Other celebrity couples prefer to focus on relaxing and soaking up the last bit of summer sun. Gabrielle Union and Dwayne Wade spent the afternoon at a Miami Pool with Wade's two sons, while Dave and Odette Annable enjoyed some newly-wedded bliss before celebrating their one-year anniversary in October.

3. Saying "I Do": Many celebrity couples choose to [tie the knot](#) over this three-day weekend. Last year, Lauren Bush wed David Lauren, son of fashion icon Ralph Lauren, on his private ranch in Telluride, Colorado. Additionally, Mark Ronson, a well-known DJ and the brother of designer Charlotte Ronson and DJ Samantha Ronson, and actress Josephine de la Baume celebrated their wedding with a two-day celebration in Aix de Provence, France. It sounds like the perfect way to mark the end of the summer.

4. Hanging Out with Their Kids: Some Hollywood pairs opt for a more traditional route and enjoy low-key plans with their family. The Malibu Fair and Chili Cookoff was a popular spot last year: Tori Spelling and Dean McDermott took their kids, while Pink and her husband Carey Hart were there with their daughter. Also in Malibu, Nicole Richie and husband Joel Madden spent Labor Day on the beach with their two children.

5. Working: Even celebrities have to show up to work on a

holiday once in a while. With the 13th season of *Dancing with the Stars* underway, many of the dancing duos, including Cheryl Burke and Rob Kardashian as well as Lacey Schwimmer and Chaz Bono, were spotted practicing for the next show. Similarly, Selena Gomez was in Colorado for her 'We Own the Night' tour, keeping her away from boyfriend Justin Bieber.

Six Famous Relationships That Started with Celebrity Scandals

By Jessica Smith

Nothing in Hollywood is juicier than a celebrity scandal. Many Hollywood couples work through humiliating experiences while dating, including Kim Kardashian and Reggie Bush, who went through a sex tape scandal; Justin Bieber and Selena Gomez, who recently dealt with Bieber's accusation of getting a fan pregnant; and Miley Cyrus and Liam Hemsworth, who had to deal with negative press on Cyrus' sexual antics.

Many of us can relate to similar problems on a smaller scale, but it can still be exhilarating and deeply saddening to watch our favorite famous relationships let us down in these ways. Sometimes, celebrity couples even begin their love lives under this sort of scrutiny. Although not all celebrity affairs work out, some blossom into long-lasting relationships and love. Here are six famous couples that made the headlines with their scandalous splits, affairs, and ensuing sprint to the altar.

Celebrity Scandals That Turned Into Celebrity Relationships

1. Brad Pitt and Angelina Jolie: After being married to the beautiful Jennifer Aniston for five years, Brad Pitt and Aniston's relationship began to fail when he confessed his love for Angelina Jolie. Pitt and Jolie worked together on the set of *Mr. & Mrs. Smith* as a sexy spy couple, and they took their on-screen romance off-screen – even while Pitt was still married. The humanitarian couple has now been together for seven years. We can thank their six children for pressuring them to get engaged, so they can *finally* tie the knot.

2. LeAnn Rimes and Eddie Cibrian: These two stars met on the set of *Northern Lights*, where their characters' relationship spiraled into a real-world celebrity affair that ended both of their marriages. While LeAnn Rimes and her ex-husband Dean Sheremet claimed to go their separate ways with plans to remain loving friends, Eddie Cibrian's ex only had negative things to say about him. Rimes and Cibrian are now happily married.

Related Link: [You've Cheated, So Now What?](#)

3. Richie Sambora and Denise Richards: This was a celebrity scandal that cost Denise Richards a friendship but gained her a new man. Richie Sambora was married to Heather Locklear for 12 years before things started to get shaky between them. Richards encouraged her good friend Locklear to file for divorce, and despite girl code, Sambora and Richards were caught making out like teenagers a few weeks later. This seemingly-forbidden romance also required Sambora and Richards to deal with some pretty messy divorces of their own. Unfortunately, their relationship recently ended.

4. Tori Spelling and Dean McDermott: Tori Spelling and Dean McDermott fell in love on the set of the Lifetime movie *Mind*

Over Murder, but they were both married at the time. The two quickly separated from their spouses. Before either one was legally divorced, they decided to announce their celebrity engagement. The two were married just a month after Spelling's divorce was finalized, and they have been married since 2006. They have three children and recently announced that they are expecting their fourth celebrity baby.

From Celebrity Affair To Celebrity Engagement

5. Jesse James and Kat Von D: Jesse James and Sandra Bullock were married for five years and had just adopted a son together when rumors began about James' unfaithfulness. After confirmation of numerous affairs, Bullock filed for a celebrity divorce and decided to raise her son as a single parent. Not soon after, James started dating tattoo artist Kat Von D. The two made it as far as an engagement, but they never made it to their wedding day.

6. Blake Lively and Ryan Reynolds: Although the two didn't date immediately after Ryan Reynolds' divorce from wife Scarlett Johansson, it's believed that Blake Lively was a factor that led to their split. Considering their marriage seemed to be going smoothly, their celebrity divorce announcement was surprising. The actor jumped from one serious relationship to another, as the celebrity couple was recently spotted house hunting.

What changes do parents go through when they add a third child to the family?

Cupid's Advice:

Tori Spelling and Dean McDermott are proud parents to son Liam, 4 and daughter Stella, 2 1/2, and are excited to add a third member to the family. That said, there's a big difference between raising two and three kids. Cupid's got some things to expect:

1. Middle child situation: With three kids, you naturally have the "forgotten" or middle child, the oldest child that gets all the attention and the youngest child that gets babied. Try your hardest not to let your kids fall into these stereotypes.

2. Jealousy: When you start adding more than one child to your family, jealousy rears its head and the child who used to get all of the attention is all of the sudden forced to share. Make sure you teach your kids that sharing is important from an early age.

3. More expenses: With three kids instead of two, that means more everything. It's means more food, more room, more medical bills and more clothes. Make sure you can afford a third child before you have one.

- 3. Live your life:** All the planning in the world can't promise faithfulness, but your best defense is to love your mate, and ensure they're a part of your life mentally, emotionally, and physically. If they are thinking of you, there won't be room for others.
