[Jessica Gomez](#)

In [celebrity news](#), Melania Trump is living in an unhappy marriage to President Donald Trump, according to a source. It seems the [celebrity couple](#) has been going through a rough patch recently due to Trump's alleged affairs coming to light. Playboy model Karen McDougal and adult film star Stormy Daniels (also known by her real name Stephanie Clifford) both came forward about their affairs with the President. According to [UsMagazine.com](#), Stephanie Grisham, a spokesperson for the first lady, said that after all of the drama, Melania "is focused on being a mom and is quite enjoying spring break at Mar-a-Lago while working on future projects." But behind

closed doors, Melania is apparently feeling the heat because “all eyes are on her relationship with her husband. It’s not an easy time for her,” according to Grisham. Are we sensing a celebrity divorce coming, or is Melania Trump going to tough it out? We’ll keep you posted!

In celebrity news, it looks like the First Lady isn’t very happy with her life at the moment. What are some ways to communicate that you are unhappy to your partner?

Cupid’s Advice:

Effective communication is essential in all relationships. When you’re unhappy, you must talk to your partner in order for you both to move forward. Cupid has some [relationship advice](#):

1. Speak in person: Do not talk about something this serious over text message or on the phone. If you have no other choice, then talk on the phone. The reason why speaking in person is better is not only because it’s intimate, but also because you get to see their face while hearing their tone at the same time. Speaking on the phone, and texting especially, can cause miscommunication.

2. Choose the right time and go for it: Don’t beat around the bush. You have to say how you feel, and try to choose the right time. A time when neither of you are in a bad mood works best because the conversation will most likely be productive. Also, you have to make sure that there is enough time to have

a discussion. When it comes to a problem like being unhappy, that is no 10-minute conversation.

3. Don't sugar coat: You have to be straight up if you intend on getting anywhere. If you try to make things nicer and sweeter than they really are, you'll just be misleading your partner. You need them to understand exactly how you feel if there's going to be any chance of you both fixing the issue at hand. Don't be aggressive and mean either. Just find a good in between and go for it. Don't be scared or shy.

Celebrity Couple Predictions: Mariah Carey, Prince Harry and Donald Trump

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. In a sudden twist, wedding bells are not longer ringing for Mariah Carey and billionaire James Packer; while two other high profiled relationships seem to be going well between Prince Harry and Meghan Markle, and newly elected Donald Trump and his wife Melania. But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Mariah Carey and James Packer: As much as I was rooting for Mariah Carey to find love, my crystal ball told me that James Packer was not the one. That is not to say that Carey and Parker didn't have a good time together while it lasted. As quickly as their relationship came together, it quickly

crumbled. There are reports that Packer was jealous of a back up dancer while it has also been said that Packer dumped Carey, because she spends too much money. She is worth over \$500 million dollars, of course she spends a lot of money. This relationship has had a big “not gonna happen” written all over it from the start. Planning a wedding before getting divorced from other people tends to put a negative vibe on a relationship. The ink isn't even dry from Nick and Mariah's divorce while Packer is still married. Not to mention that Packer looks about as interesting as a blank wall. Carey is too much woman for him. Don't cry for Mariah, she will love again. I see her with someone a little bit younger. As for Packer, do we even care what happens to him now?

Prince Harry and Meghan Markle: The word on the British streets is that Prince Harry has a new love in his life and her name is Meghan Markle. Unless you are a fan of the show, *Suits*, there is a chance that you have no idea who she is. Everyone should just calm down a bit. Step away from all of the wedding talk. This celebrity couple is getting to know one another, taking it nice and slow. He's hot and she's gorgeous. It makes for a very good time, especially since they have similar interest. It was a smooth move by the Buckingham Palace to let the media know that it's not cool to keep pointing out that Markle is biracial due to her African American mother. Black women around the globe are rooting for Markle to add a touch a color to the royal family tree. Time will tell where this relationship ends up. Let's try to see if we can actually get a photo of them together before we say that they are picking out china patterns.

Donald Trump and Melania Trump: I have stated several times

that if Donald Trump didn't become POTUS, Melania would get divorce papers rolling sooner than later. I see that this whole election process has taught her a lot about her husband. It's one thing to know him as a shrewd business man, but ever notice how he would almost trample Melania to get out on stage for a round of applause. That's not much of a turn on. Also during most of the campaign, she looked like a deer caught in the headlights. Melania signed up for the money, but the White House is a whole other level. Everything that she does will be under a microscope. Within the next four years, she will feel very alone. She's not as clueless as the media makes her out to be. Maybe she will shine in her own way. Donald and Melania will be no where near was hot to watch as Barack and Michelle. The Trumpster will be too busy talking about himself, he will throw her a few compliments from time to time. Their celebrity relationship will continue to look like Beauty and the Beast.

Offensive'

By

This [celebrity news](#) has us debating on these presidential candidates. Republican presidential nominee Donald Trump's wife, Melania, released a statement on Saturday, October 8, to address the controversy surrounding the comments he made about women in the newly surfaced video from 2005. According to [UsMagazine.com](#), Melania reportedly said, "The words my husband used are unacceptable and offensive to me. This does not represent the man that I know. He has the heart and mind of a leader. I hope people will accept his apology, as I have, and focus on the important issues facing our nation and the world."

This celebrity news has us wondering about Melania's celebrity relationship with Donald Trump. What are some warning signs that your partner may not respect you?

Cupid's Advice:

Sometimes you may not realize that you are having issues with your partner. Respect is important when it comes to being with someone. You must respect the person you're with. How can you tell? Cupid is here to help:

1. They put your ideas down: Listening is a big part of making a relationship work. If your partner doesn't listen to what you have to say and won't take your ideas or advice over their own, that may be a red flag. Make sure your partner knows how to listen to you.

2. "Pet" names: Nicknames can be cute, such as "honey" or "sweetheart." However, there's a line between cute and rude. Never let your partner call you a nickname that puts you down. You are not a title or an object to own.

3. Their needs come first: It's only right to treat yourself every now and then, but it's not okay to constantly put yourself before others, especially your partner. You and your partner are supposed to compromise. If your significant other can't do that, then you may need to reconsider your relationship.
