

Fashion Tips: How to Style an Outfit for Zoom Meetings

B

y Nicole Maher

At this point, you may have gotten used to working from home and adjusted to the world of Zoom meetings. In the beginning of quarantine, the idea of completing your job while lounging on the couch in sweatpants sounded amazing. However, months have passed and you may feel yourself having the desire to get dressed up for work again. If you are looking to impress your coworkers next time you log-on to a Zoom meeting, try incorporating some of these [fashion tips](#) to style a perfect outfit.

Check out these five fashion tips when putting together your next Zoom meeting outfit.

1. Patterned blouses: An easy way to catch attention in your next Zoom meeting is to wear a patterned blouse. Larger patterns work better than smaller patterns when visible on the computer screen, as smaller patterns may not focus as well or produce too much movement. Patterns that include contrasting colors are also a great option so that your blouse appears even more vivid to your fellow virtual meeting attendees.

2. Well-fitted clothes: When working from home, it can be tempting to remain in oversized t-shirts and sweatshirts all day. However, well-fitting clothes make for better outfits when attending Zoom meetings. The clothes you're selecting don't need to be tight or form-fitting, but consist of a good structure. Try using this fashion tip to incorporate some collared blouses or structured sweaters into your Zoom meeting attire and get ready to receive all the compliments from your coworkers.

3. Fun accessories: Accessories are the best way to elevate any outfit, whether in person or on Zoom. When attending your next Zoom meeting, focus on accessories for the upper half of your body, as that will most likely be more visible. Throwing on some layered necklaces and matching earrings is a great way to accessorize a Zoom-friendly look. Different hair clips and headbands are another fun way to draw attention to your outfit.

4. Bright makeup: Doing your makeup for a Zoom meeting is

another way to look put together and draw attention to your outfit. As the camera focus on computers isn't always the highest resolution, bright and bold accents of makeup will translate better than subdued colors. Try going for a colorful eye look or deep-colored lip to grab everyone's attention. Because Zoom meetings are often more casual than in-office meetings, focusing on one makeup accent should be enough!

5. Good lighting setup: A secret you may know from taking pictures is that lighting is everything! While you may have the perfect outfit on, poor lighting can cause it to translate poorly through the computer's camera. Harsh overhead lighting or lighting from one side can cause awkward shadows on your face and outfit. For your next Zoom meeting, try positioning yourself in front of a window or tabletop lamp to ensure equal lighting across your screen and eliminate any strange shadows.

Fashion Advice: 5 Shopping Mistakes to Avoid on Cyber Monday

Enjoying a Thanksgiving that comes with all the trimmings can be a challenge for your budget, especially when you're quick to exchange your drumstick for a credit card. Traditionally, Black Friday kicks off the unofficial start to the holiday season, where the deal-hungry masses pack shopping malls across the country. But in a time when personal space is treasured, you may not be comfortable joining the melee as usual. Walmart, a bastion of Black Friday madness, is closing its doors for Thanksgiving, with more retailers sure to follow suit. That puts all the focus on Cyber Monday. Can your finances handle the pressure?

If you need some fashion advice on scouring the web for the best Cyber Monday deals, make sure you don't make these mistakes.

1. Shopping without Checking Your Budget: A budget gives your Cyber Monday shopping structure. It helps you determine a

reasonable spending limit that won't eat into the money you need for important bills. If you're unhappy with the limit you have, take a closer look at how you use your cash in a month. Eliminate expenses you can control, like getting takeout when your fridge is full, another streaming service, and a gym membership you don't use. Unlike rent or utilities, you can live without these splurges.

2. Boosting Your Budget with a Loan:

When your budget falls short of what you want, it may be tempting to contact direct payday loan lenders to get a quick cash injection, but it's not a good idea. That's according to the loan specialists at [MoneyKey](#), who warn against using direct lender payday loans unless it's an unexpected emergency. These financial products have a short turnover and high rates, which make them inappropriate for shopping. The same goes for direct lender installment loans. While they may have a longer term, they're better suited for unexpected emergency expenses, like a trip to the ER or repairing your car.

3. Using Your Debit Card to Shop: Keep your debit card safely tucked away in your wallet when you hit the web. Using this card at the online checkout means you're sharing your bank account's information when you finalize the purchase. If hackers manage to get their hands on this data, they'll also nab any other account linked to your bank. Compare this to your credit card, which is an isolated account. Even if the website still gets hacked, the breach will only affect that one card, making it easier to isolate, prevent, and dispute potential fraud.

4. Shopping without a List: A list is a valuable accessory that gives focus to your online shopping trip. Having your list of must-haves written down helps hammer home the fact that you're only looking for those items on the list. Anything that doesn't have a spot on that list shouldn't find its way into your cart.

5. Shopping on Your Own: Don't head online alone when there are so many money-saving apps that can tag along to your shopping trip. From the browser extension, Honey, that finds and applies the best coupons to your shopping cart, to the cash-back app, Rakuten, that pays you to shop at participating stores, these apps can help maximize your Cyber Monday haul.

Shopping at home where you can avoid other people is easy, but don't let that lull you into a false sense of security. You need to be on your toes to make sure you nab the best deals without hurting your finances. Remember these shopping tricks to help you save and prepare for the upcoming holidays.

Fashion Tips: Keep it 'Corona Casual'

y Alycia Williams

COVID-19 has been forcing a lot of us to stay home on days that we would've been going outside. At first, it felt great to know that we can lounge around in our pajamas all day, but as the months go by, it becomes harder and harder to feel good about ourselves not getting ready for the day. Just because you're not going anywhere, doesn't mean you can't get dressed and focus on fashion. You'll need some [fashion tips](#) for staying home and dressing casual.

Here are five fashion tips for dressing casually while staying home.

1. Get dressed: Now, it's time to get dressed. Getting dressed really helps with your mood as it gives you a sense of purpose for the day. You'll feel more productive when you put on clothes versus pajamas. It's also good practice to throw on a pair of jeans once a month just to check in and make sure that

they all still fit.

2. Put on something that makes you smile: Enough with saving things for a special occasion. You know what makes you feel the best when you put it on, don't hesitate to dust it off and put it on for the day. Whether it's a top, earrings, or even a pair of high heel, just make sure you feel great in it. It's a instant mood lifter.

3. Wear a color that makes you happy: Studies have shown that the color yellow is perceived as a high energy color and is often used to create a sense of excitement. We could all use a bit of that right about now. If yellow is not your thing, find a color you love and that makes you feel good, and wear it often. It could be something as simple as changing the colors of the laces in your running shoes from white to blue, or pulling out the perfect red lipstick to get through your Zoom meeting with confidence.

4. Level up your loungewear: Exciting prints and comfort can apply to the loungewear we choose to wear outside of the house as well. Instead of lounging in your printed pajamas, throw on your favorite tee, some printed joggers, and sandals to pull together a casual, yet comfortable look that can be worn in the comfort of your home.

5. Grab your mask: Interestingly enough, in absence of seeing your smile, your mask may just be your best accessory these days. Choose masks that match your personality from showcasing your Packers or Badgers pride to abstract and animal prints, the possibilities are endless.

Fashion Tips: 5 Ways Mask Fashion Can Elevate Your Look

B

y Diana Iscenko

It looks like cloth face masks are here to stay! The CDC recommends everyone to wear a face covering while out in public, while several states are now mandating this. While masks aren't a fashion statement, it doesn't mean you can't wear cute ones that match your outfit each day. Having fun styling your face mask can elevate any look. If you need [fashion advice](#) that works with your mask, Cupid has some tips for you.

No matter what your personal style is like, here are five simple fashion tips to help you incorporate a face mask into any outfit:

1. Embrace Basics

Everyone should have neutral-colored face masks! If you only own a couple, your first purchase should be either a black or a white mask. These masks will tie together any outfit. Remember, you don't want your mask to overpower the rest of your look.

Related Link: [Fashion Trend: Celebrity Looks On the Way Out](#)

2. Make Your Own Matching Set

While some brands are making face masks to match other articles of clothing, you can make your own matching set by buying a mask that matches an outfit you already have. Patterns might be harder to match, so try buying a mask the same color as your favorite shirt!

3. Make Your Mask a Statement

Think of your face mask as an accessory. If you're wearing a more neutral outfit, your mask can bring your look to life with a bright color or a fun pattern. Remember to keep other accessories, like jewelry and handbags, more minimal if the mask is your pop of color.

Related Link: [Fashion Trends for 2020](#)

4. Emphasize Your Eyes

A mask covers the lower half of your face, so bring the

attention to your eyes! Go a winged liner or a colorful eyeshadow look. Don't forget mascara and brow gel to finish off your stunning eye makeup.

5. Minimize Face Makeup

Even if you're the type of person who always wears a full face of makeup, consider toning down the makeup on the lower half of your face. Foundation and lipstick can get all over your mask, meaning you'll have to wash it even more. It can also clog your pores and lead to under-the-mask acne.

Fashion Advice: 6 Plus-Size Fashion Trends to Look Your Best

B

y Diana Iscenko

Dressing for your body type can be daunting. With so many [fashion trends](#) coming in and out of style, it's easy to feel overwhelmed. This fear may be worse if you have a curvy figure, with fashion often displayed on bodies that don't look like your own. Cupid has some [fashion advice](#) to help you find out what outfits will flatter your body.

Here are six fashion tips for plus-size women to help you look (and feel!) your best:

1. Try Different Sizes

Not everything will fit the same way. Sizing varies from brand to brand, so it's important to try on a range of sizes. Even within the same brand, sizing may vary based on the style or the material. It can be discouraging to try clothes that don't fit but don't be afraid to venture out of your "normal" sizes when trying on clothes. After all, how the clothes fit your

body is more important than the number on the tag.

Related Link: [Fashion Trend: Celebrity Looks On the Way Out](#)

2. Dress For Your Body Shape

There's no one-size-fits-all approach to flatter every curvy body type. Women who are hourglass-shaped and women who are pear-shaped will have different things that flatter them. Regardless of your shape, avoid wearing baggy clothes to hide your figure and embrace your curves.

3. Tailor Your Clothes

Tailoring is an overlooked asset for women of all sizes! A good tailor can be your secret weapon, transforming a frumpy, ill-fitting outfit into a wardrobe staple. Department stores and boutiques often offer in-store tailoring services, too.

Related Link: [Fashion Trends for 2020](#)

5. Invest in Basics

While buying a cheap white shirt or leggings may be tempting, you should invest in these wardrobe basics. They're the building blocks to your wardrobe and you'll likely be wearing them a lot. The same goes for undergarments. You don't want the wrong pair of underwear to ruin the cute outfit you had planned.

6. Find the Right Accessories

Accessorizing can bring your look to the next level. Add a wide belt to draw attention to your waist and extenuate your curves. Wear shoes that make your legs look longer and avoid ones with ankle straps. You can also experiment with colors and prints!

The internet has made it convenient to shop for various fashion needs online, and people are growing confidence shopping online with the quality of products and services being delivered by the top fashion retailers. However, online shopping does have its downsides. Some some product reviews speak for themselves and navigating through some sites can be a real pain.

Here is some fashion advice for considering an online fashion retailer.

There are many retailer shops, and we have to consider the following factors for [legit online fashion retailers](#). The following factors will enable customers to have a pleasant experience when searching for an online fashion retailer:

1. Quality of products and services: The quality of fashion accessories is the most important, which is related to the authenticity of the clothing brands. Some of these online shops place fake products on their online shelves, and reading through customer reviews can reveal the truth of their fashion products.

2. Ease of navigation: With many brands of fashion products and accessories, a reliable fashion retailer should have a search engine. The search engine and navigation tools available will enable customers to search for items which ensure a pleasant shopping experience quickly. One of the ways of recognizing a reliable fashion retailer is how the brands and fashion accessories are categorized for easy access and navigation. Customers can easily find the search bar and all categories on the platform's front page and get an idea of the ease of navigation from customer reviews.

3. Payment and Services : A reliable online fashion retailer should have safe payment options available for their customers. They should have a wide range of payment options that will make it easy for customers to shop on the platforms. Another consideration is their return policies and ensures that they are flexible enough for the customers. Check out their policies regarding cash back or exchange for returns of items that are faulty, substandard, or does not meet the requirements.

Before customers shop for their fashion items and accessories online, they should check out reviews about the various online shops available on BritainReviews. This will enable the customers to determine the reliability of the online shops in making a decision. Customers should drop reviews about their experience with any online retailers to help others choose a reliable retailer.

Holiday Fashion Trends 2019

B

y [Hope Ankney](#)

We've officially made it to the Holiday season! And, of course, with the Holiday season comes colder weather, hotter drinks, lots of tinsel, and a different level of [fashion](#). Besides the copious number of scarves that seem to never go out of style, [fashion trends](#) come and go during this time of year. With office work parties, family get-togethers, and seasonally themed events with friends dominating your social life, it's easy to get overwhelmed with what to wear as the holidays approach. 2019 fashion tips look to lean heavily on the traditional pantsuit and even more rambunctious dresses. So, if you're scrambling for new ideas to fit into your wardrobe, now's the time to make a statement.

2019 holiday fashion trends land between conservative and liberal. Spice up your seasonal wardrobe

with these stylish ideas.

From Pinterest to Instagram, to even *Vogue*, everyone has their own take on the new holiday fashion trends this year. It cycles through bold and wacky to more reserved and traditional, but the sweet spot is being able to fluctuate between the two. This season is all about embracing the two contrasting versions of yourself. Don't allow yourself to get trapped into one box regarding your wardrobe, because there's so much to choose from. If you're scrambling on where to start for holiday fashion, fortunately, Cupid has some [fashion advice](#) on some of the hottest trends that will be dominating the clothing racks this season:

1. Pantsuits: One of the options that have seemed to be more conservative in the past has flourished recently. With more and more people embracing the duality of pantsuits, it's no wonder they're on the top of the list for 2019 Holiday fashion trends. If you're wanting to show off your zany and eccentric side, especially at an office party, find a unique colored suit, or even one with a print, to stand out wherever you go. With the tailored fit and business casual style, there's nothing that can bring this wardrobe-must down.

2. Bucket hats: Believe it or not, bucket hats are still trending into the winter season this year. But it isn't for street-wear. 3. Bold, flat colors: If there's one thing that stands out this year in fashion, it's the minimalistic designs of bold colors that are taking over. Best worn as a dress, this trend involves wearing only one color. Styling a strictly red or

yellow dress won't just make you stand out at a holiday party, but it will attract everybody's attention in the room.

4. Jumpsuits: There's nothing more comfortable or exciting than wearing a jumpsuit. You zip up one article of clothing and you're on your way! Watch out for holiday-colored and printed suits as you get ready for winter fashion. They're a rare piece to rock, but if you take the risk, you'll be the most fashionable and conveniently comfortable person wherever you go. Besides, they're excellent at keeping you warm!

**Fashion Tip: Incorporate
Trench Coats into your
Holiday Wardrobe**

By

[Hope Ankney](#)

The holiday season typically brings with it a mix of all kinds of weather than can be hard to predict. Even in the South, the weather is much colder than it usually is the rest of the year, with rain and wind thrown in there as well. You must always be prepared for what winter has to offer, and what better way to be prepared than to know how to incorporate everyone's favorite [fashion](#) staple: the trench coat? A wardrobe essential that never goes out of style, there's an array of [fashion tips](#) all throughout history and pop culture for how to rock this famous coat style.

With the holidays approaching, what are some fashion tips on how to style a trench coat that'll have everyone at your holiday get-

togethers envious?

If there's one thing that the trench coat is, it's culturally iconic. With both women and men flaunting their style with this fashion statement since the 1930s, it is a timeless way to look and feel glamorous. Everyone from [Blake Lively](#) to Meghan Markle has shown how simple, yet chic, the coat can be. A clothing choice that will never go out of style, it's an easy way to elevate an outfit. If you're thinking about joining the trench coat club during the holidays, Cupid has some [fashion advice](#) on some of the best times to wear the staple this season:

1. To work: Some of the most memorable pop culture references of the trench coat are in 1970s films. If you're tired of wearing the same drab, black slacks with a white button-down to work, this coat can easily switch up that wardrobe. You'll look like a killer businesswoman showing up to the office just by trading in your slacks for a wide-legged trouser, a blush-colored blouse, and a black or camel-toned trench.

Related Link: [Fashion Tips: 5 Fashion Staples You Should Have in Your Closet](#)

2. On the weekend: In the midst of the holiday season, there are several instances where holiday parties are going to be on your radar. If you're unsure of what to wear to the event, a good choice to dress up a simple black dress is to pop a trench coat over it before you head out the door. Make sure the coat has a vibrant color so that it stands out among your peers as you walk into that party; all eyes will be on you.

3. To brunch: Not every outing with a trench coat has to be one that involves being the center of attention. A trench coat can be casual, too. Next time you're hitting up brunch with your gals on a Sunday, try pairing a light-colored trench with a sweater and a pair of jeans. This can be a simple, yet

effective way of making your outfit look more fashionable than it is.

Related Link: [Fashion Trend: Tea Dresses](#)

4. When it's raining: Besides being a fashion statement, the trench coat is actually a very versatile option to the [rain jacket](#) when it comes to the changing weather. When it's raining, it can be a life-saver as you head out into the storm. If you don't want to look like a drowned rat on days it drizzles, try pairing a simple outfit like a nice blouse or over-sized sweater with some leather leggings and a black or beige trench coat. Wearing some riding boots can really draw the look together.

5. To family dinners: Coming home for the holidays is one of the best parts of the season. Thanksgiving and Christmas are times to catch up with everyone, and it's also the perfect time to pull out a trench coat. This coat doesn't always have to be the focal point of the outfit. It can be an outer layer that you can easily take off without ruining your outfit. For instance, find a burnt ember or olive green trench that can look classic while also being subtly festive.

Though tea dresses is a fashion trend seen mostly in the summer, find out some ways you can still wear the cute dress and conquer autumn attire?

The pretty feeling you get when you wear a dress does not have to stop at the end of summer season. There are some ways you can still make a fashion statement with Fall flavor! Here are some of Cupid's fashion tips so you can continue wearing tea dresses into the autumn:

1. Wear stockings/tights with it: If you like the short flowy style dress, you can wear cute tights under your dress. This is also a good idea for a professional setting. You will look formal and will be wearing an outfit that you love! Some of these dresses are fit for the occasion and come with collars and buttons. If you are trying to look presentable in the work place, keep the color of your tights less flashy, and avoid fishnet stockings.

In the social media age where Instagram reigns supreme for photo sharing, it can seem like any time is a great occasion for a quick photo-op. With autumn approaching, it's only natural for us to know what colors and [fashion trends](#) are in so we can look our best on the Gram and in the chilly weather. Every year, the trends of colors and styles change as it gets colder, and as 2018 was the year of more rustic colors, like Red Pear and Russet Orange, 2019 has gotten a little bolder and more fun with its palette. Our [fashion tips](#) for what to wear this Fall are something you might want to consider trying out to if you want a vibrant and unique look that'll dazzle your friends.

The fashion trends and colors of Fall 2019 are vibrant and full of life. Check out some of our

Every year, New York Fashion Week kicks off the newest fall colors and styles that are going to be the hottest trends as the season comes into full swing. Many looks catch the eye of designers as they implement them into their own designs for Autumn. 2019 is all about the fun, flare, and daring. Are you looking for some of the best colors to mix and match as the cooler weather approaches? Don't worry, Cupid has got you covered for all the [fashion advice](#) on what colors to mix and match this fall:

1. Two tone color-blocking: Color-blocking has always been a sure-fire way of grabbing people's attention. It's fun and creative, allowing you to be as unique in your style as you want. This season, though, it seems like color-blocking has been elevated. Instead of merely mixing and matching colors, the trend is to get two completely contrasting hues of color on at least one piece of clothing before you go out. If you're tired of the common prints of floral or plaid, spice up your outfit with some two-toned garments! An easy way to feel fresh this Fall, grab some bi-colored boots, pants, and two-toned button-ups. You'll be the talk of the town.

2. Dark cheddar: Being a bold and daring color trend this season, Dark Cheddar is a sharp blend of yellow and orange. This color is easily found in Hermes bags and even in the paper used for purchases from highbrow boutiques. This shade is meant to feel nurturing and warm, but it does have that spicy kick that could have you looking and feeling fresh this Fall. If you're looking for something a bit on the wicked side, this color is definitely one to consider!

3. Shades of purple: Purple has always been a controversial

color among fashion for how poignant and polarizing it can be, but its comeback for 2019's fall collection is one that should be celebrated. From pastels, to lilacs, to vibrant hues of royal purple and violet, purple is all the rage for a statement piece this Autumn. Worn best on dresses, coats, sweaters, and even hats. Bring a pop of color to your wardrobe if you want a fun and eye-catching look.

4. Electrifying pink: Now, this is a color trend on the wilder side. We're not talking about baby pinks or pastel pinks. We're talking about the brightest and hottest shades of pink for this fall. If you are desperate for a unique spin on your Autumn wardrobe, bring this shocking hue into your closet. Easy to mix and match, take your normal fall colors of browns, blacks, and greys, and throw something on with that hue of electrifying pink. This is perfect for those dreary, blustery days this season where you need a color to really wake you up. Try it on a coat first and see how you feel.

Move aside, bright sunshine and flower prints (especially yellow as a backdrop for the florals!). It's time to go over to the dark side of moody floral prints in this fall [fashion trend](#). Think dark black background print with darker light pink and powder blue flowers. Or, try navy blue with big black petals. Our [fashion tips](#) for this moody floral trend might make you consider trying it if you're usually a black tee and

jeans kind of gal.

Check out the moody floral print fashion trend and put away those bright florals!

Even if you aren't a floral print lover, it's still fun to have a print piece in your wardrobe that you might not try under normal circumstances. And if you aren't a floral print fan, what in the world would you even wear with it? Don't worry, we've got you. Here's our [fashion advice](#) on how to wear moody floral prints:

1. Jeans, jeans, jeans: Moody floral prints look great with jeans. Pick out a dark print with pastel blue roses and pair it with a jean jacket and your favorite pair of jeans (bootcut is life). Beauty Trend: 80's Beauty is Back

B

y [Katie Sotack](#)

After the deaths of music legends like David Bowie and George Michael in 2016, culture veered toward the '80's aesthetic once more. In 2017, bands like Paramore and 1975 borrowed the 80's glam rock from recently passed icons to honor their memories. In 2019, the [beauty](#) industry is following suit with bright colors and big hair. Geometric shapes and metallic glitter hit the Paris runway in an all-out tribute to '80s trends of the past.

80's Beauty Trends are back. So what are ways to make this tribute to the past wearable to school and work in the 21st century?

The '80s glam rock look relies on a larger than life persona. The Paris runway didn't hold back on this promise. Sadly, most of us don't walk the runway for a living. We require more subtlety to our aesthetic in our beauty tips. Here is [fashion advice](#) to get the '80s glam look while still being wearable every day:

1. Geometric shapes: Don't be afraid of geometric patterns and shapes for your makeup. Rock a pointed cupid's bow or a shapely eyeliner. Your wardrobe can take after this makeup look, too. A bold colored and sharpened shaped blouse is a perfect 'wear-to-the-office-'80s' statement piece. For everyday wear, pick up a pair of geometric sunglasses. Not only are they essential to the '80s trend, but thanks to Audrey Hepburn, big sunnies are also timeless. So invest wisely into this pair.

Related Link: [Beauty Trend: Glitters, Shimmers, and Pastel Eyeshadow](#)

2. Neon colors: The '80s are marked with loud colors and makeup. When picking out an outfit or makeup, go bold! To make this look wearable in an office setting try to limit the bold to one statement per fashion and makeup each. An example is a neon pink blouse with gray trousers and a bold lip with subdued eyes. Play around with what you feel comfortable in and what your office will allow.

3. Leggings are pants: The '80s are back, so let's end this debate right here. In celebrating the decade that brought us

upbeat music and neon leg warmers, we cannot ignore its staple leg style. A pair of basic black leggings will take you far in life, whether they're worn for Saturday errands or Tuesday's spin class. Grab yourself a pair and flaunt it.

Related Link: [Fashion Trend: Print Mashups](#)

4. Downplayed '80s makeup: As stated before, balance is essential to a modern 80's appearance. Choose one product to amp up (eye shadow, lips, blush, etc) and let that feature rejoice in the color while keeping the rest of your face natural. Take a hint from makeup artist Peter Philips who recently styled the models for Viktor & Rolf. Philips drew immense metallic spider eyes on his models but left the face and lips a natural pale.

5. Volumize Hair: If you tease it you will look dated. Instead, opt for a volumizing shampoo set and gel to pump up the crown of your luscious locks. Playing with your part will help to amp up the volume on top of your head as well by not letting it wilt into place. The natural volume of curly hair is a great way to increase the appearance of hair mass and embrace the '80s trend.

Fashion Trend: Print Mashups

y [Mara Miller](#)

It's no secret that animal, floral, and geometric patterns have been popular for ages. In [celebrity fashion](#), Anne Hathaway embraced mixing up patterns for a unique look with this [fashion trend](#). You no longer need to give in to the pressure to match prints with solids. Embrace these [fashion tips](#) for some wildly fun ideas!

Print mashups are a fun new fashion

trend for 2019. Here's how you can incorporate it into your everyday style!

Even if you just want to dip your toes into print mashups to test out this fashion trend or you want to go all out, we've gathered some tips on how to make mixing patterns work for you:

1. Start small: Starting small with a shoe that has two different patterns might be the way to go. This way you don't need to worry about spending too much on new crazy prints only to feel like you look ridiculous.

Related Link: [Beauty Trend: Pearl Accents](#)

2. Find a solid piece: Polka dots, chains, and alphabet lettering. With a new fashion trend comes new releases in department stores. Search for a dress or top with mixed patterns that strikes your fancy and can act as a statement piece on a night out on the town.

3. Accessorize: If you don't feel comfortable dousing yourself in contradicting patterns, think about finding a purse or clutch to match with a patterned shirt or leggings. That way you will get the look of multiple patterns, but you won't have to commit to it if you aren't feeling too sassy that day.

4. Play with size: Try throwing on an oversized cardigan or shawl with color blocks over a pinstripe or polka dot dress when you get more comfortable with this fashion trend. Mixing and matching will give you a unique look when you want to stand out in a crowd!

5. Pair two types of the same print: If you don't like the

idea of mixing animal prints or stripes with florals, think about mixing different colored clothing with the same print on the fabric. This will come off as more professional if you decide to wear it to work, but you'll be able to have fun at the same time!
