

# Fashion Tips: Perfect Holiday Gifts for Your Fashion-Forward Friends

B

y Nicole Maher

Even when you've been friends with someone for a long time, it can be challenging to find the perfect holiday gift for them. This challenge is even greater when you gravitate toward a different fashion style than your friend, or simply do not have the same interest in fashion as they do. You may find yourself what is currently on-trend, and what will be forgotten about as we enter the New Year. If you're struggling to decide on a present this holiday season, take a look at some of these [fashion tips](#) for selecting the perfect fashion-forward presents.

# Check out these fashion tips for selecting the perfect holiday gift for your fashion-forward friend.

**1. Layered jewelry:** One of the easiest gifts to give a fashion-forward friend is an accessory, and jewelry is no exception. One of the largest jewelry trends at the moment is layered necklaces or rings, making this the perfect gift to give this holiday season. Determine if your friend is a fan of gold or silver jewelry, or if they like to mix metals, then gift them with a few pieces that they can add to their next outfit to take it to the next level. Many places offer layered jewelry in predetermined packages if you are unsure how to select different pieces, or as individuals if you want to make the gift more unique.

**2. Patterned booties:** Booties are a trend that keep coming back every winter season. If your fashion-forward friend lives in a cooler climate, or is simply a fan of booties no matter the weather, gifting them with a new pair is a great option. While styles of booties may stay consistent over the years, patterns often change each season. Go for something super trendy by picking out a pair of animal print booties, or go for something more classic like a two-toned neutral pair.

**3. Fashion subscription:** It can be challenging to keep up with fashion trends, especially if it is something you are not particularly interested in yourself. If you're not sure about the newest fashion trends, or your friend's style is super eclectic, buying them a fashion subscription is a great option. You can either opt for a fashion magazine subscription that will keep your friend up-to-date on all the newest

trends, or go for a clothing-box subscription which allows your friend to test out different [kaszinó](#) pieces without needing to keep them.

**4. Statement handbag:** Handbags can be the perfect holiday gift because they don't require you to know any specific sizes of your friend. Just like booties, handbags are a consistent outfit staple but go through pattern changes with each season. Quilted and embellished handbags were both large trends toward the end of 2020, making them great options for a winter-ready handbag. If you are looking for a more cost conscious gift, use this fashion tip to buy your friend a matching wallet to a bag they already own. Wallets are typically lower in cost, and by purchasing one in a pattern your friend already owns, they are sure to love it!

**5. Trendy jacket:** Jackets have become such a dominant fashion trend that they are now acceptable to be worn in nearly every climate. If your fashion-forward friend lives in a colder climate, or has a more cozy aesthetic, going for a teddy-coat is the best option. If your friend lives someplace that tends to be warmer, or likes sleeker silhouettes, faux leather jackets and trench coats are a nice on-trend option.

## Fashion Tips: How to Dress Up Your Sweatpants

B

Sweatpants may have once been reserved for lounging around the house, but that is no longer the case. Whether you are looking to incorporate more comfort into your work wardrobe, or just trying to stay warm in the colder months, styling your sweatpants with the newest [fashion tips](#) is a great way to

achieve your goal. By finding new ways to make your favorite pair of sweatpants look more professional, you will feel just as confident leaving the house in them as you would in a pair of regular pants.

## Check out these five fashion tips for making your sweatpants look more stylish.

**1. Swap out the sneakers:** One of the easiest ways to elevate an outfit while wearing sweatpants is to select fancier shoes. Try swapping out your sneakers for a pair of boots or heels to bring your outfit to the next level. This fashion tip works best when you are wearing sweatpants that are tighter around the ankles, such as joggers, so that everyone will be able to see the shoes you've selected. Pulling on a pair of boots or heels will keep you looking professional while still enjoying the warmth and comfort of sweatpants.

**Related Link:** [Fashion Tips: How to Make Your Outfit Stand Out](#)

**2. Make it monochrome:** Matching the color of your shirt to the color of your sweatpants is a great way to make any outfit look streamline and cohesive. Wearing a black shirt with a pair of black sweatpants is a great way to pull together a simple outfit while still looking stylish. You can also use this fashion tip to make a larger statement by selecting a matching shirt and sweatpants set in a brighter color, such as pink or yellow.

**Related Link:** [Fashion Tip: How to Wear Gloves as a Fashionable Accessory This Winter](#)

**3. Try a new pattern:** Patterned pants are one of the most popular fashion trends at the moment, whether they are jeans, trousers, or sweatpants. Find a pattern that matches

your personality, either a simple stripe or bright tie-dye, and plan the rest of your outfit around that piece of clothing. Match a pair of patterned sweatpants with a solid colored shirt and simple pair of shoes so that they'll be the statement piece. This will draw attention to your sweatpants and let everyone know that you are wearing them on purpose, and you look great in them!

**4. Layer it up:** One of the reasons you are wearing sweatpants is likely to stay warm, so why not incorporate that warmth into other aspects of your outfit? Pair your sweatpants with a longer coat and pair of tall boots to stay warm while looking stylish. To ensure that your outfit still highlights your figure, try finding a coat that is belted or ties at the waist. Wearing a longer coat and tall pair of boots is also a great way to hide the fact that you're wearing sweatpants as so little of the fabric will be showing.

**5. Add some extra accessories:** Adding accessories can make any outfit look more intentional and put together. While you may still be wearing sweatpants, throwing on a matching necklace and set of earrings will make your whole outfit look planned out to perfection. To make it look even more intentional, try selecting some accessories that directly compliment different aspects of your sweatpants. For example, if the drawstring hardware on your sweatpants is gold, add some gold jewelry or a gold accented handbag to pull the entire look together.

# Fashion Tips: How to Make Your Outfit Stand Out

B

y Nicole Maher

Nothing in the world seems to change as quickly as fashion trends, and it can be hard to determine whose [fashion tips](#) to listen to. A style of clothing will be the hottest trend one season only to be forgotten about the next, then likely resurface a few years later. With the world of fashion changing so quickly, putting together outfits that stand out and feel unique to you can feel like a challenge. However, by adding a few go-to pieces to your wardrobe and developing your own sense of style, you will be ready to take on any trend the fashion industry throws your way.

# Check out these five fashion tips that will help you make your outfit stand out in any crowd.

**1. Determine your aesthetic:** The first step to creating outfits that stand out is to determine what style of clothing attracts you. With trends changing so quickly, it can be more difficult that it seems to develop a style that is unique to you. A great way to decipher what you like the best is to surf social media platforms. Creating a Pinterest board or Saved section on Instagram devoted to fashion can help you see to what colors and fits you are repeatedly attracted.

**Related Link:** [Fashion Tips: Keep it 'Corona Casual'](#)

**2. Invest in a staple:** One mistake that many people make when they are first developing their style and putting together outfits is believing that it is better to have more options. However, instead of buying multiples of the same type of clothing, it can be more beneficial to invest in fewer pieces that fit you better. Owning two or three pairs of jeans that fit you perfectly and one leather jacket that hits you in just the right place will make it much easier to put together amazing outfits than trying on multiple clothing items every morning.

**Related Link:** [Fashion Tips: How to Wear Belts Better](#)

**3. Match your accessories:** One of the quickest ways to elevate an outfit is to match your accessories. By matching the color of your purse, belt and shoes, you can make even the most basic t-shirt and jeans combo look like it took forever to put together! While having a few stable accessories in your closet is essential, it is just as important to have a few neutrals. Having a go-to purse and pair of shoes in colors such as black and white will help you tie together daily outfits in a

breeze.

**4. Don't discount jewelry:** Just like matching accessories, adding a few pieces of jewelry is a quick and simple way to make your outfit stand out. Whether you prefer to layer a few dainty necklaces or go for a statement piece, taking the extra minute to put on a few pieces of jewelry in the morning will make even your simplest outfits look planned out and put together.

**5. Wear it with confidence:** No matter how quickly fashion trends change, there is one thing that will always be in style, and that is confidence. Whether you are trying out a new bold color and switching up your everyday jeans for a dress, wearing it with confidence will help your outfit stand out even more. We often spend time worrying about what other people will think of what we're wearing, especially if it's something out of our own comfort zone. In reality, if we appear comfortable and confident in what we're wearing, then no one will question us. If anything, they will wish they were wearing it, too!

## **Fashion Tips: 5 Ways Mask Fashion Can Elevate Your Look**

B

y Diana Iscenko

It looks like cloth face masks are here to stay! The CDC recommends everyone to wear a face covering while out in public, while several states are now mandating this. While masks aren't a fashion statement, it doesn't mean you can't wear cute ones that match your outfit each day. Having fun styling your face mask can elevate any look. If you need [fashion advice](#) that works with your mask, Cupid has some tips for you.

**No matter what your personal style is like, here are five simple fashion tips to help you incorporate a face mask into any outfit:**

### **1. Embrace Basics**

Everyone should have neutral-colored face masks! If you only own a couple, your first purchase should be either a black or a white mask. These masks will tie together any outfit. Remember, you don't want your mask to overpower the rest of your look.

**Related Link:** [Fashion Trend: Celebrity Looks On the Way Out](#)

## **2. Make Your Own Matching Set**

While some brands are making face masks to match other articles of clothing, you can make your own matching set by buying a mask that matches an outfit you already have. Patterns might be harder to match, so try buying a mask the same color as your favorite shirt!

## **3. Make Your Mask a Statement**

Think of your face mask as an accessory. If you're wearing a more neutral outfit, your mask can bring your look to life with a bright color or a fun pattern. Remember to keep other accessories, like jewelry and handbags, more minimal if the mask is your pop of color.

**Related Link:** [Fashion Trends for 2020](#)

## **4. Emphasize Your Eyes**

A mask covers the lower half of your face, so bring the attention to your eyes! Go for a winged liner or a colorful eyeshadow look. Don't forget mascara and brow gel to finish off your stunning eye makeup.

## **5. Minimize Face Makeup**

Even if you're the type of person who always wears a full face of makeup, consider toning down the makeup on the lower half of your face. Foundation and lipstick can get all over your mask, meaning you'll have to wash it even more. It can also clog your pores and lead to under-the-mask acne.

## Fashion Advice: 6 Plus-Size Fashion Trends to Look Your Best

B

y Diana Iscenko

Dressing for your body type can be daunting. With so many [fashion trends](#) coming in and out of style, it's easy to feel overwhelmed. This fear may be worse if you have a curvy

figure, with fashion often displayed on bodies that don't look like your own. Cupid has some [fashion advice](#) to help you find out what outfits will flatter your body.

## **Here are six fashion tips for plus-size women to help you look (and feel!) your best:**

### **1. Try Different Sizes**

Not everything will fit the same way. Sizing varies from brand to brand, so it's important to try on a range of sizes. Even within the same brand, sizing may vary based on the style or the material. It can be discouraging to try clothes that don't fit but don't be afraid to venture out of your "normal" sizes when trying on clothes. After all, how the clothes fit your body is more important than the number on the tag.

**Related Link:** [Fashion Trend: Celebrity Looks On the Way Out](#)

### **2. Dress For Your Body Shape**

There's no one-size-fits-all approach to flatter every curvy body type. Women who are hourglass-shaped and women who are pear-shaped will have different things that flatter them. Regardless of your shape, avoid wearing baggy clothes to hide your figure and embrace your curves.

### **3. Tailor Your Clothes**

Tailoring is an overlooked asset for women of all sizes! A good tailor can be your secret weapon, transforming a frumpy, ill-fitting outfit into a wardrobe staple. Department stores and boutiques often offer in-store tailoring services, too.

**Related Link:** [Fashion Trends for 2020](#)

## 5. Invest in Basics

While buying a cheap white shirt or leggings may be tempting, you should invest in these wardrobe basics. They're the building blocks to your wardrobe and you'll likely be wearing them a lot. The same goes for undergarments. You don't want the wrong pair of underwear to ruin the cute outfit you had planned.

## 6. Find the Right Accessories

Accessorizing can bring your look to the next level. Add a wide belt to draw attention to your waist and extenuate your curves. Wear shoes that make your legs look longer and avoid ones with ankle straps. You can also experiment with colors and prints!

# Fashion Tips: How to Wear Belts Better

B

y Alycia Williams

Wearing a cool belt has been a [fashion trend](#) for a long time, but it's never been as simple as just throwing on a belt and walking out the door. Wearing the right belt with the right outfit can take a so-so outfit to the next level. There are so many [fashion tips](#) to level up your outfits with the help of belts.

## Here are some must-know fashion tips for wearing belts.

**1. Slim belts:** Slim belts can be used to spice up a variety of outfits. For instance, with a blazer, you can put a slim belt over it to give it a more chic look. Or, use as lim belt to fasten a loose fitting dress or shirt. That said, avoid putting on slim belts with jeans. Always remember loose fitting clothes are best, like skirts, dresses and shirts. The belt will help give the outfit structure.

**Related Link:** [Fashion Tips: 5 Fashion Staples You Should Have](#)

## [in Your Closet](#)

**2. Chunky or statement belts:** These are the belts with large buckles or with extra-large widths. They are harder to pull off fashion-wise and portray a bolder look. Statement belts can be worn to accessorize outfits like trench coats or blazers. These belts can also be used to create a boundary between a shirt and skirt outfit. Do not put on statement belts with small summer dresses or tight fitting shirts, as they drown out the rest of the outfit.

**Related Link:** [Fashion Trend: Fresh Denim Looks to Try Out](#)

**3. Buckle belts:** This is the most common type of belt. It is for both men and women and is easy to add to an outfit. Most people use these belts to fasten and hold up their trousers and they do a perfect job. When selecting a waist belt or buckle belt, always ensure the belt is a perfect fit for the trouser loops, and your outfits will look more planned and organized. Furthermore, ensure your buckle has an interesting design on it to make your outfit look sleeker.

**4. Metal belts:** These are typically worn with formal dresses or wedding gowns. Some metal belts are fastened with chains or are made of chains overall. Some are made of filigree silver/gold or gold and silver plated metals. Try not to wear a metal belt with a casual outfit, as it'll look out of place and uneven.

**5. Cinch belt:** A cinch belt is a tight fitting belt made of elastic / leather / stretchy fabric to encircle the waist tightly and make it look really small. This belt can give you an hourglass figure by thinning the waist. It is not worn inside the belt loops, but over it. Use this belt as the statement piece of your entire outfit, while keeping everything simple underneath. Don't wear this belt with any kind of lumpy or baggy clothes. Leggings and a long shirt are perfect for the cinch belt.

**6. Sash belt:** A sash is a fabric / ribbon- worn with dresses and gowns as a belt. It is worn by draping it from one shoulder to the waist for ceremonial occasions, or around the waist as in the case of a sash belt. The tails of the sash belt are usually tied into a bow. This belt is strictly for formal outfits, its most typical use on a wedding dress.

**7. Military belt:** This refers to a nylon webbing strap belt used by military personnel, mostly in neutral colors like black, navy blue, brown or khaki. The strap is a heavy nylon webbing and the belt will have metal hardware like buckles or sturdy plastic buckles. This belt works best with a pair of jeans, especially boyfriend or mom jeans.

## **Fashion Trend: Celebrity Looks On the Way Out**

B

y Diana Iscenko

Fashion is a fun way to express yourself, with plenty of [celebrity styles](#) you might want to try out. No matter your personal style, there's always going to be enough [fashion trends](#) for you to choose from. While many of these bold celebrity looks last the test of time, many fall out of fashion as quickly as they came.

## Here are five celebrity fashion trends that are already on the way out:

### 1. Tiny Sunglasses

Tiny shades were a major red carpet fashion trend in 2019, with everyone from Kylie Jenner to Millie Bobby Brown wearing them. The trend is a revival of '90s fashion, even though it was first popularized in the '60s. Despite this, the tiny sunglasses trend has been losing its momentum. Several celebrity fashion brands, like Rihanna's Fenty and Kim

Kardashian West's collaboration with Carolina Lemke, have moved on to big shades again.

**Related Link:** [Fashion Trends for 2020](#)

## **2. Tiny Handbags**

Also in the "tiny fashion" department, many celebrities were spotted with tiny handbags last year. This celebrity fashion trend debuted at Paris Fashion Week and was eventually picked up by stars like Lady Gaga and Lizzo. While the trend was fun and eye-catching, it didn't catch on with the public since a handbag small enough to hold with a single finger isn't exactly practical.

## **3. Weird Animal Prints**

Cheetah print and snakeskin patterns will always have a place in celebrity style, but 2019's animal print trends didn't stop there. Zebra and cow print were popular trends in 2019. Zebra print is another throwback '90s trend, but it didn't last long even with the support of Gigi and Bella Hadid. Cow print similarly lost steam halfway through 2019.

**Related Link:** [Fashion Tips: Current Trends That Need to Die Already](#)

## **4. Harnesses**

This male-centered trend took off during 2019's award show season. Celebrities like Michael B. Jordan and Timothée Chalamet were spotted sporting harnesses at the SAG Awards and the Golden Globes. As much fun as a sparkly harness and black tux combo is, the fashion trend didn't make it off the red carpet.

## **5. Neutral Monochromes**

The winter of 2019 brought us a much more wearable celebrity fashion trend with neutral monochrome outfits. Layered

ensembles of greys and beiges were popular on celebrities like Margot Robbie and Hailey Bieber. The trend never had a chance to catch on before the summer neon trend pushed it out of fashion

## Fashion Tips: Current Trends That Need to Die Already

B

y Alycia Williams

When it comes fashion, nothing is a sure thing. [Fashion trends](#)

come and go, but some fashion trends stay a little longer than needed. [Fashion tips](#) are well needed so you can get rid of those old fashion trends.

## There are so many fashion trends that need to die already. Here are some fashion tips.

**1. The sneaker wedge:** This trend started in 2012 and unfortunately still is around to this day. Almost every high street brand spawned their own knockoff version of this shoe. Although this shoe was extremely popular when it first came out, it's time to let this trend fizzle out.

**Related Link:** [Fashion Tip: Out With the Outdated & In With the New](#)

**2. Dad sneakers:** Yes, they're comfy and make you feel like you're walking on air. These sneakers don't complete any outfit unless intended for running. They're called dad sneakers for a reason, they're not meant to be worn on with your best outfit. Keep them for your morning runs and that's all.

**Related Link:** [Fashion Trend: 5 Ways Celebrity Style Influences Fashion Trends](#)

**3. Super distressed jeans:** This is ripped jeans to the next level. The occasional ripped jean is fine, but overly ripped distressed jeans is just too much, why not just wear shorts?

**4. Puff sleeves or power shoulders:** This 80's fashion trend should be left in the 80's. It doesn't work for any situation or outfit. It recently tried to make a comeback, but we should keep the puffy shoulders where they belong forties years ago, in the 80's.

**5. Mullet skirts:** party in the front, business in the back is what the mullet is known for and unfortunately this skirt has the same motto. This skirt doesn't work for party or business and it has outstayed its welcome.

**6. Fast food fashion:** We love burgers and fries, but Moschino took it to another level. McDonald's based dresses or shirts is a trend that needs to die.

**7. Leggings as pants:** If you're going for a run or going to the gym, you get a pass, but anyone else needs to stop. Athletic leggings are thick enough to be worn as pants, but dress leggings are almost completely see through and not meant to be worn as pants. Unless you're going to wear those leggings with a skirt, throw them out.

## Fashion Trends for 2020

B

y [Ahjané Forbes](#)

As we change our calendars over to the new year, we have to remember that our closet has to do so as well. There are some [fashion trends](#) that will still be the same in 2020. However, the new decade often times sparks a new wardrobe. Cupid has some [fashion advice](#) on what outfits, shoes, and fun accessories you can bring into the new year.

## Here are five fashion trends that are making a comeback for 2020:

**1. Party like it's 1999:** From the denim, turtlenecks, animal print, and polka dots, to matching sets, these styles don't seem to be going anywhere in 2020! At any point of the year, you can wear your favorite jeans with a matching top to go with it. This outfit idea can be complemented with sneakers, boots, and heels depending on the occasion. For the fall and winter, turtlenecks are a professional look you can pair with a good blazer. Embrace your inner safari with animal prints, like zebra and cheetah. Don't forget your bra top and pants,

because it's all about plaid when you rock these matching suits. Remember to finish off your looks with some dark shades.

**Related Link:** [Fashion Trend: Fresh Denim Looks to Try Out](#)

**2. Make everything bright:** Neon colors are making a comeback in this decade. Try a bright green shirt or sweater and wear it with jeans or pants. Don't be afraid to explore what colors you would like to wear. Get a color that goes well with your skin tone.

**Related Link:** [Fashion Trend: Neon Fashion Items](#)

**3. Look good in that onesie:** Try to wear a simple outfit like a romper or jumpsuit. This trendy style will make it easier for you to pick something to wear. Jumpsuits and rompers come in short and long styles and can be worn in any weather. For the summer, remember your flip-flops and sandals. When it's cold outside, take out those boots.

**4. Wear a little leather:** With this trendy material, you can do whatever you like, whether it's wearing a leather jacket, pants, or purse to pull this outfit together. Try to make the leather stand out. If you're going to wear a leather jacket, put a shirt under it that will bring it out. If it's black, wear something simple like a white shirt. Although wearing a leather jacket in the summer would be too warm, you can always get a fanny pack to complement those daisy dukes.

**4. Don't forget the "exercise":** Although you might not be doing this after your New Year's resolution, it's always cute to rock a sweatsuit. Adidas, Nike, Pink, Tommy Hilfiger, and Victoria Secret all have some fun sports attire you can wear in any season. This set is good for just a casual day. Many people like to wear this outfit with heels; however, it's better to stay comfy in a nice pair of running shoes.

This season, though, it seems like color-blocking has been elevated. Instead of merely mixing and matching colors,

the trend is to get two completely contrasting hues of color on at least one piece of clothing before you go out. If you're tired of the common prints of floral or plaid, spice up your outfit with some two-toned garments! An easy way to feel fresh this Fall, grab some bi-colored boots, pants, and two-toned button-ups. You'll be the talk of the town.

If you're looking for something a bit on the wicked side, this color is definitely one to consider!

**3. Shades of purple:** Purple has always been a controversial color among fashion for how poignant and polarizing it can be, but its comeback for 2019's fall collection is one that should be celebrated. From pastels, to lilacs, to vibrant hues of royal purple and violet, purple is all the rage for a statement piece this Autumn. Worn best on dresses, coats, sweaters, and even hats. Bring a pop of color to your wardrobe if you want a fun and eye-catching look.

Easy to mix and match, take your normal fall colors of browns, blacks, and greys, and throw something on with that hue of

electrifying pink. This is perfect for those dreary, blustery days this season where you need a color to really wake you up. Try it on a coat first and see how you feel.

## Fashion Trend: Khaki & Beige, Plain No More!

B

y Katie Sotack

Say “goodbye” to the flashy, logo-driven wardrobes you’ve seen over the past few years. According to *harpersbazaar.com*, this Fall’s 2019 [fashion trend](#) will be beige on beige. While you might be tempted after the glitz of sequins, feathers, and neons (oh my!) to accuse beige of being boring, think again. Classically cut neutrals have historically stood the test of time from Audrey Hepburn to Taylor Swift. This fall there’s plenty of reason to dive into the beige trend that look timeless in photos for decades to come.

**Beige will be making its way to the fashion runway this fall. To follow this fashion trend, what are some ways to incorporate neutrals into your wardrobe?**

Beige’s comeback reminds us that fashion is fluid. What’s

trendy must always be measured against what works for our personal style. Here are some fashion tips for incorporating neutrals with your own personal flare:

**1. Work with what you've got:** If you're a fan of color and cringe at the thought of giving up your hard earned colorful closet, incorporate what you own with the beige trend. Neutrals often make a great base for colorful accents and expressions throughout the rest of the outfit.

**2. Remember the statement piece:** Just because we're not demanding funky fashion from these silhouettes doesn't mean you can't be playful. Add charm to your classic cuts and beige on beige with statement earrings or a dazzling necklace.

**Related Link:** [Fashion Trend: 5 Trends Making a Comeback in 2019](#)

**3. Go for classic cuts:** Street wear has become popular in recent years, but we're circling back to timeless cuts. This isn't a call to end comfort. Instead of tight leggings try a straight legged slack which will give your legs breathing room.

**4. Mixing and matching:** The task of finding clothes the work together becomes much easier when you've opted for simple cuts and beige or khaki bases. The entirety of your wardrobe will match and you'll never be known as the person whose outfits clash.

**Related Link:** [Fashion Trend: Beige Is Making a Comeback](#)

**5. Color block your beige tones:** the beige look doesn't require the wearer to be completely mono toned. Pair different shades of beige together to create a dynamic and fluid look which will add to the dimensional quality of your look.

## **Fashion Trend: Beige Is Making a Comeback**

B

y [Mara Miller](#)

It has been an interesting year so far for [fashion trends](#). With everything from ostrich feather skirts to circus fashion and pastel eye shadows, 2019 seems to be the year for an abundance of color. In short, the more eccentric, the better. No one probably expected beige, a plain old color you usually might envision on khakis, to start making a comeback. This is great if you aren't into the more eccentric trends that have been popping up in the fashion world.

**This fashion trend calls for beige, beige, beige. If you've been searching for a more refined alternative, incorporating this neutral color into your wardrobe will do the trick!**

Wearing beige to embrace this [fashion advice](#) goes beyond a

cute beige skirt or a sweater. You can use other items and accessories to make yourself stand out. Here's how beige is making a comeback:

**1. Jumpsuits:** A jumpsuit is one of those items you can bathe yourself in beige head to toe with. Jumpsuits have come back recently in fashion as a super trendy must-have, so why not get it in beige and spice it up with a black metal bracelet? A jumpsuit is an item you can try out the color with and put very little effort into looking fabulous. Cinch it with a belt and you'll look super chic.

**Related Link:** [Fashion Trend: Bamboo Handbags](#)

**2. Accessories:** Shoes, purses, hair accessories: If you don't want to go full-on beige, we recommend finding the perfect accent. Beige goes well with blacks and blues, and whites. Pick your favorite colored top and match it with a beige purse and pair of shoes. If you want something subtle, try a hair clip with a half up/half down hairdo. And if you err on the side of liking the bolder fashion, don't be afraid to experiment with beige and bolder colors. The important part is that you have fun!

**Related Link:** [Fashion Trend: Take Page from the Circus](#)

**3. Beige trench coat:** Originally used during World War I by soldiers in the trenches, a trench coat is one of the iconic clothing items everyone should have in their wardrobe. Traditionally beige or khaki, a trench coat can help carry you through all seasons since there is usually a removable liner inside. They have deep pockets, are double-breasted, and have a belt you can tie in front or allow to hang loose, depending on your mood and the day's weather. Be sure to try on a few different shades to find something to match your skin tone!
