Top 10 Sexy, Successful, Not So Single Celebrity Women Over 40

By Krissy Dolor. Updated by [Katie Gray](#).

They say that your 40's are the best years of your life! Think women over 40 don't have a place in Hollywood? Take a look at a hit series like *Desperate Housewives*. After reading this list, you'll see that it simply isn't the case. While *The Moviefone Blog* and other sites have continuously come up with 40 actresses over 40 that are killin' it on the big screen, Cupid has narrowed it down to our top 10. We wanted them all to be sexy, successful and usually single, but recently settled down. Why? Because many of our favorite [celebrity couples](#) are stars who were notoriously in the tabloids for

being single. While there's no doubt that every woman on the list is sexy and successful, let's highlight the celebrities who prove that you don't need a man (or woman!) by your side to make it big.

See the top 10 powerhouse women in Hollywood:

1. [Jennifer Aniston](#) (47): Though Aniston was constantly singled out as *the* icon for unmarried and over 40 women until recently (which some tabloids didn't necessarily view as a good thing), she continued brushing it aside and continued to make us laugh alongside funnymen like Adam Sandler and Ben Stiller. She continued her comedy streak in *Horrible Bosses*, which included a cast of Jason Bateman, Jason Sudekis and Jamie Foxx. After her divorce from Brad Pitt in 2005, she focused on her career and was a powerful single woman. Now, she is recently married as of 2015, to Justin Theroux. She shows us that being single is *definitely* a good thing, so you can focus on your career and then settle down with the right one!

2. **Halle Berry** (49): Berry a Revlon spokeswoman and a former Miss USA runner-up, as well as one of the few African-American women to have won an Oscar for her role in 2002's *Monster's Ball*. She's been through a lot, including a custody battle with ex Gabriel Aubrey over daughter Nahla, and she hasn't let it slow her down in the slightest. She was married from 2013-2015 to Oliver Martinez, her co-star in their film, *Dark Tide*. Though they announced their impending [celebrity divorce](#), it's not officially over yet and the pair have a son together that they are raising.

3. **Sandra Bullock** (51): This actress won a Razzie for her comedic flop *All About Steve*, an Academy Award for *The Blind Side* the day after, then went through an excruciatingly public

breakup with ex-husband Jesse James, handling it with extreme grace. Need we say more? While her celebrity babies Louis and Laila are the true keys to her heart, she has been dating Bryan Randall, a photographer, since late 2015.

4. Courteney Cox (52): Courteney Cox is famous for her role as Monica Geller on the hit sitcom *Friends*. Though Cox had an estranged [celebrity relationship](#) with longtime husband, David Arquette, she openly supported his decision to check himself into rehab for alcohol abuse and depression. While their future together is long over, the two starred in *Scream 4*, the movie franchise that brought them together in the first place. They raise their daughter Coco Riley Arquette together, and Jennifer Aniston is the Godmother. She has been dating Johnny McDaid of the band *Snow Patrol* since 2013. Cox has been keeping busy professionally as well, she was a director on her sitcom *Cougar Town* and the series *Talhotblond*.

5. Jodie Foster (53): Jodie Foster first came to fame in Martin Scorsese's hit film *Taxi Driver* that starred Robert DeNiro. We've all seen Foster on film, but did you know she's a director, too? 6. Melissa Leo (55): Melissa Leo appeared on the scene a lot in the 80's and was a regular on *All My Children* and *The Young Riders*. If that doesn't ring a bell, this longtime actress also won a Golden Globe, Screen Actors Guild and an Oscar for best supporting actress in 2010's *The Fighter*. Then, she was alongside Robert Duvall in *Seven Days in Utopia* and Jesse Eisenberg and Tracy Morgan in *Predisposed*. She focuses on her children as well: she has a son with boyfriend John Heard and an adopted son, filmmaker, Adam Leo.

7. Susan Sarandon (69): This legendary actress has won an Oscar and a BAFTA award. She was married to Chris Sarandon from 1967-1979, and has had boyfriends like musician David Bowie and Italian filmmaker Franco Amurri. She has three children. Though many have speculated that Sarandon dated ping pong business partner Jonathan Bricklin, it was unclear if they were a pair for awhile. Then, they were the real deal, but broke up last year. But, you never know what the future holds! She was in the Beastie Boy's *Fight for Your Right Revisited*, a Sundance short, a sure sign that she's staying with the times.

8. She was recently in *The Big Short*. Tomei has had a longtime on and off relationship with Logan Marshall-Green. She keeps her personal life private, though, and has stated publicly that she doesn't know why women need to have children to be accepted as complete, and she's not a big fan of marriage as an institution.

10. Robin Wright (50): After her highly-publicized divorce from Sean Penn, this former soap star threw herself into new projects, including crime thriller *Rampart* with Steve Buscemi and Sigourney Weaver; *Moneyball*, an adaptation of author

Michael Lewis' (*The Blind Side*); and the adaptation of Stieg Larsson's *The Girl With the Dragon Tattoo*. She was engaged to Ben Foster, twice, but they ended their second engagement last August (2015.) The future will only tell if they will reunite again or not!

What are some ways to decide whether to have another child?

Cupid's Advice:

Sometimes deciding on whether or not you should have another child can be harder than it was the first time around. You're not just talking about creating a new life, you're about to change your entire family dynamic. Cupid has some tips:

1. Finances: Will you be able to afford another baby? If you help provide the household funds, think about if you can manage to take the needed time off. You'll have to buy everything in twos or threes now. Adding another child can put a strain on your finances, so be sure you're ready for the

challenge.

2. Siblings: How old are the children you already have? Are they old enough to understand what will happen? If not, they might act out when your attention is drawn to the new baby. It's not just you and your partner who need to be prepared for a new family member, but the kids you're in the process of raising need a heads up as well.

3. You've discussed it: Obviously, you need to let your partner know about your baby fever before you stop taking birth control. Your significant other might be able to think more rationally than you about the situation, especially if you're not really in a good place for another child. Let them know your thoughts and see what they have to say.

Cupid's Advice:

It's true that many women dream of having a big, fancy wedding. They want a large amount of guests and all the theatrics that come with having a huge wedding ceremony, but some brides like to keep things more low key. If you're one of those women who like to keep things simple and intimate, Cupid has some tips:

1. Narrow down the guest list: If your goal is to have a small wedding, then your guest list should reflect that. You should only invite your close friends and family to your special day.

For an even more intimate surrounding, you should think about having the ceremony at your family's home.

2. Don't worry about the food: The food shouldn't be anything fancy if you're looking to keep things simple. Have a relative or friend cook up some of their favorite dishes. Don't worry about hiring an expensive baker to make your cake either. Instead, have someone you love and trust bake your cake for you. You'll save plenty of money having all of your loved ones pitch in and you'll all have some special memories you couldn't have if you were to hire a caterer.

3. No big arrangements: Think about using your own decorations for the wedding ceremony and reception. Ask some of your friends to help you put together a few cute flower arrangements and centerpieces. It doesn't have to be anything over-the-top. As long as your wedding represents who you and your hubby are as a couple, the price you spend on everything shouldn't matter.

How do you compromise with your partner on how to raise a child?

Cupid's Advice:

Everyone has their own parenting style and this can create conflict if you and your partner have strong yet differing opinions on child rearing. Cupid is here to help:

1. Prioritize the big stuff: Face it, you and your partner won't agree on everything. So, discuss what values and methods are most important to each of you and reach a compromise.

2. Consult an expert: There are professionals who dedicate their lives to the study of child development. If you and your partner can't reach an agreement, then consult somebody who knows what they're talking about.

3. Notice what works: Ultimately, parenting is all about what's best for the child. So, take note of which tactics your child responds to the best. You may have to concede that your partner was right about a few things, but it's ultimately about the welfare of the child.

Celebrity Couple Predictions: Halle Berry, Jada Pinkett- Smith and Heidi Klum

By Shoshi

A celebrity's love life tends to be packed with things that create a hot mess. At the end of the day, when it comes to their relationships, they're just like everybody else: simply trying to figure it all out.

For my first expert post, I took a look at the energy (aura) of some hot couples: the sexy Halle Berry and Olivier Martinez, open marriage lovers Jada Pinkett-Smith and Will Smith, and last but not least, Heidi Klum and her bodyguard boyfriend, Martin Kirsten.

Related Link: [Spring Cleaning: 5 Signs It's Time to De-Clutter Your Love Life](#)

Halle Berry and Olivier Martinez: I have been keeping a psychic eye on Halle Berry since she announced that she's dating Olivier Martinez. From the very beginning, their energy as a couple looked vibrant and stable. While women envy Berry and assume she can have any man that she wants, her love life tends to be filled with drama and heartache. Berry was always into the "pretty boy" types, not that that's a bad thing. However, Martinez is an upgrade; Berry finally has a grown man by her side.

Recently, Berry revealed that she is pregnant with Martinez's baby. Berry has never looked happier on the outside, but there has been a shift in her energy on the inside too. She is more settled and comfortable in her own skin. While she has made a shift to fully embrace self-love, Martinez has been a big part of healing Berry's energy in her heart. Looking at their relationship as a whole, they have a wonderful connection.

From what I can see, it looks like Berry will have a bouncing baby boy. I also predict that Berry and Martinez will pull a Janet Jackson move by getting married at a secret sexy location in Paris.

Jada Pinkett-Smith and Will Smith: Finally, Jada Pinkett-Smith decided to address the rumors about having an open marriage with Will Smith. Not so fast, though: she actually did *not* come out and say that they have an open marriage. We did find out that Smith is his own man who can do whatever he wants and that Pinkett-Smith trusts him since they have a grown-up relationship. Some people are confused about what the heck she means since it wasn't a direct statement.

This couple has a very interesting energy that looks strained in certain areas. It look like they were talking about divorce, which was coming more from the side of Pinkett-Smith,

but she changed her mind. Smith appears to be exercising their rule of doing whatever he wants more than her. She was feeling a bit neglected, but it made her hubby realize that he has to prioritize what he has at home, or it shall be lost.

Although there is love in their relationship, it looks like the type of love that is friendship-based. There is a lack of passion between them at this point; if that doesn't shift, this marriage will be over for good.

Heidi Klum and Martin Kirsten: When Heidi Klum started dating her bodyguard, Martin Kirsten, it raised a few eyebrows. Hopefully, Kirsten will guard his heart in this relationship since Klum's energy has rebound written all over it. What Klum was missing in her marriage with ex-husband Seal, she is getting from Kirsten; however, she isn't allowing her feelings for him to run deep.

Kirsten is completely smitten with Klum and her kids. In fact, he had feelings for her before they started dating. It's not looking good for him though. Klum isn't ready to fully open her heart to anyone. One day soon, Kirsten is likely to get a kiss goodbye from Klum, and he won't even see it coming.

Celebrity Pregnancy: Halle Berry Is Pregnant ... And It's

a Boy!

By [Jessica Conigliaro](#)

Oscar-winning actress Halle Berry recently announced she is having a second child, this time with Olivier Martinez—and it's a boy! The new bundle of joy will join big sister Nahla, Berry's 5-year-old child, [UsMagazine.com](#) reports. "Every night we pray to God, and she's so sweet. Berry says, 'God, please bring me a bunk bed and a baby sister.' And I say, 'I can do one of those things, I know for sure! The other one we have to keep praying on.'

What are some ways to prepare for a baby boy?

Cupid's Advice:

Having a boy is a completely different experience than having

a girl. You just found out you are pregnant with a baby boy and have no idea what to do next. Cupid is here to show you where to start:

1. Blue everything: You just found out the sex of your baby—it's a boy! Now's the time to buy the blue paint and start preparing the baby room. You and your husband will feel even more excited to meet the newest addition to your family as you paint his walls. Start looking for blankets and baby furniture as well. The more prepared you are, the better!

2. Sports: Your husband has every intention of raising your son to be a fan of all his favorite sports teams. Surprise your love by purchasing sports onesies of all his teams for your future son. Your husband will love seeing the outfits and will love them even more when your son is wearing them during his first game.

3. Boy clothes: Aside from sports jerseys, your future son will need a lot of little pants and shirts. Buying baby clothes is such a fun and memorable occasion. Bring your mom and sister and make a whole day out of it. You will all enjoy shopping for those tiny shoes and socks that will soon be worn by the newest—and cutest—addition to the family.

Celebrity Relationships in Need of a New Year's

Resolution

By Courtney Allen

The New Year is here, and even the biggest celebs in Hollywood know what that means: it's time to pull out the glorious pen and paper. There is no better time like the present than to leave the daunting past behind in the tabloids, whether it is love drama with exes, juicy scandals or shocking infidelity. 2012 may have proved to be rocky for these celebrity couples, but the upcoming year just may be looking up if they write their New Year's Resolution list with these things in mind:

Kristen Stewart and Robert Pattinson: These two *Twilight* stars had us watching in amazement as their seemingly perfect relationship flourished both on-screen and off. It wasn't until this summer that their 'fairytale' took a turn for the worst.

Stewart became the center of a cheating scandal between her married *Snow White and the Huntsman* director Rupert Sanders. Stewart caused jaw drops amongst her *Twilight* fans and co-stars as news of the flaming affair became public. Speculation over whether Stewart and Pattinson would stay together swirled for months. The answer to the question we were all once dying to know? Yes. The couple is together today. But one piece of advice for their partially tainted relationship: keeping Kristen's deceit in the past in order for it to successfully recover in the new year.

Rihanna and Chris Brown: Chris Brown and Rihanna have quite the troubled past. The two world-famous singers started dating back in 2008. Between Rihanna's stunning face and body and Chris Brown's undeniably handsome facial features and lullaby-like voice, they instantly became one of the hottest, power couples in Hollywood. But in February of 2009, tragedy struck for the lovebirds. Brown was arrested for allegedly assaulting the "Disturbia" singer after a pre-Grammy bash. The two obviously went their separate ways as Rihanna filed a restraining order against Brown which was later dropped in 2011. Shortly after, rumors began to fly about the two rekindling their flame with the release of Rihanna's "Birthday Cake Remix" featuring the R&B singer. Looking back, the rumor seemed nothing less than the truth. Brown recently dumped ex-girlfriend Karrueche Tran and now appears to be dating Rihanna based off pictures on her Instagram. Let's just hope these two have a healthier relationship this time around. If they commit to this New Year's Resolution, nothing can stop them.

Halle Berry and Oliver Martinez: Halle Berry and fiancé Oliver Martinez seem to be doing just fine besides one small problem: her ex. Model Gabriel Aubry is causing trouble in paradise for the couple. Berry and Aubry are right in the middle of custody battle over their four-year old daughter Nahla after splitting up back in 2010. Things got pretty heated over Thanksgiving

when Aubry got into a physical altercation during a custodial hand-off with the bombshell's current boyfriend, French actor Gabriel Martinez. Aubry seems to be creating quite the mess for Berry and her new relationship. The cause of the fight is unknown, but pleasant words are definitely out of the question. Sounds like the three need to somehow find a way to kiss and make up for the New Year and for the future. With Nahla in the picture, Aubry isn't going anywhere.

Rupert Sanders and Liberty Ross: The couple on the other side of Kristen Stewart's cheating scandal has been through trying times since the infidelity went public last summer. Turns out *Snow White and the Huntsman* director Rupert Sanders was not only in a relationship, but was married to English model Liberty Ross. The couple was not seen together for several weeks following the scandal, leaving us to wonder if Sanders' position as director in the *Snow White and the Huntsman* sequel was the only thing he had lost. Luckily for Sanders, Ross seems to be giving him another chance after his slip-up with 22-year old Stewart. Sanders will now be walking on thin ice with his wife as he enters into 2013. All the New Year's resolving between them should come mostly from his end: proving that he can be trusted again; and of course for Liberty, giving him the fair chance.

Halle Berry's Ex Gabriel

Aubry Says Olivier Martinez Threatened to Kill Him

By Jennifer Ross

There are more legal documents in Halle Berry's life these days. After a brutal Thanksgiving Day fight that ended with Berry's ex Gabriel Aubry being arrested, Aubry claims that it was Berry's fiancé Olivier Martinez who started the fight, according to [People](#). Written in Aubry's application for a restraining order against Martinez, Aubry claims that "Mr. Martinez jumped me on the side of my body... continued to punch me at least two or three times, kicked me in the ribs with his knee or foot, and took my head in his hands and slammed it to the concrete driveway." Aubry also alleges that Martinez yelled, "When you see the judge, you're going to tell him

you're going to Paris, or I'm going to kill you." Because of the fight, Aubry has a restraining order against him to stay away from Berry, Martinez and his daughter Nahla. All this stemmed from a court battle between Berry and Aubry over Nahla. Berry hoped to move to France with Martinez and Nahla, but a judge ruled against Berry. With regards to Aubry's injuries, he states, "I ended up suffering a fractured rib, multiple bruises on my face and my forehead, an area under my left eye, and three areas in my mouth required stitches."

How do you keep your ex and current partner from butting heads?

Cupid's Advice:

Anytime your ex and your current partner are involved in matters together or involving you, it can be awkward and possibly dangerous for everyone. Whether their communication is required or unnecessary, there are ways to deal with it. To keep the peace, here are a few ideas on preventing any disruption:

1. Let go of your ex: You are still a friend to your ex, but your current partner is not happy about this. If there is nothing legally or financially tying you to your ex, the best thing to do is let that relationship go. Otherwise, you will end up losing your current mate.

2. Keep relationships separate: If you must stay in contact with your ex due to children or financial matters, you will need to keep your relationships with each one completely separate from the other. That includes no complaining to one about the other. It will be difficult, but it's the only way to ensure peace between them.

3. Stay out of it: Suppose your ex and your current partner are friends and want to remain that way. Then, you will have to stay out of their relationships with each other. You will

not be able to be involved with any conversations about them with either one of them. Instead, let them figure out things on their own.

Celebrity Break-Ups That Broke Our Hearts

By Jessica Nappi

We've all gone through our own break-ups, and no matter how

painful they can be, sometimes, seeing [celebrities break-up](#) is even worse. These splits involve not only the two in the celebrity relationship but also their entire fan base. Break-ups in Hollywood mean more than just broken hearts; they also mean no longer seeing them pose together on the red carpet, waving goodbye to those PDA-filled paparazzi shots, and saying sayonara to those lengthy interviews where they gush about how much in love they are. Here are three celebrity break-ups that had us crying:

Three Celebrity Break-ups

1. Tom Cruise and Katie Holmes: Tom Cruise and Katie Holmes's split is the most recent and therefore the most sensitive of topics. From the moment Cruise not-so-humbly jumped on the couches of *Oprah* proclaiming his love for Holmes, we all envisioned a happy ending to this celebrity love story. There was the birth of TomKat, followed shortly by the actual birth of their daughter Suri. The famous couple had a six-year run before Holmes shocked the world by filing for divorce in New York City earlier this month. What will we do without seeing ever-so-cute family photos of the duo with their fashionable little girl?

2. Brad Pitt and Jennifer Aniston: This golden Hollywood couple married in 2000, and everyone dreamed of watching their picture perfect celebrity love story play out. From [Brad Pitt](#)'s guest appearance on Jennifer Aniston's show *Friends* to always walking hand-in-hand on the red carpet, it seemed like this celebrity couple was as strong as could be. Then came the 2005 movie *Mr. and Mrs. Smith*, in which Pitt co-starred with the one and only [Angelina Jolie](#). The rest is history: Pitt and Jolie are now engaged with six kids. Aniston isn't doing so bad either: She has found a new man – Justin Theroux – and was

recently voted hottest woman of all time by *Men's Health* magazine.

3. Sandra Bullock and Jesse James: It *seems* like a woman can't win the Academy Award for Best Actress without subsequently splitting with her man. Kate Winslet, Reese Witherspoon, Halle Berry and now Sandra Bullock are just a few of the many actresses who won big in their career yet fell short in their love life soon after. Bullock's marriage to TV's *Monster Garage* host Jesse James seemed better than ever, especially due to the heartfelt award speech she gave about him. But just days later, Bullock and the entire world discovered James' cheating rampage. As if we couldn't feel any worse for America's sweetheart, the famous couple was in the process of adopting a baby boy, whom Bullock now solely cares for. However, she now seems very happy as a mother.

**Enjoy the Summer Together
like Halle Berry and Olivier
Martinez**

By Lauren Bailey

The always-gorgeous Halle Berry has been photographed out and about with her boyfriend Olivier Martinez quite a bit recently, and the two seem to be having a blast enjoying the sun and sand of summer. These two celebrities set a great example of the perfect way to celebrate this time of year together. Not only can we take style notes from the pair, we can also learn a lot about using the summer months to make our own bonds stronger with loved ones. The beauty of this season is that you can go anywhere and feel like you've just stepped into a vacation, making it the perfect time to reconnect and have a blast with your beau. Check out some tips for setting up your own romantic mini-getaway:

Related: [Memorial Day Getaways For Lovers](#)

1. Choose a location near water: Sure, you might not be able to choose a California beach like Berry and Martinez did, but any location near water can be a romantic place for a stroll, a day in the sun or even a quick picnic. If you don't live near the coast, try to find local rivers, lakes or ponds,

though even a pool will do. Remember, atmosphere is everything, and getting out of the house and into a waterside setting will certainly do you and your sweetie both some good.

2. Enjoy the sun: Instead of heading indoors the moment the temperature rises past 90 degrees, try letting the sun add a little romance to your activities. Warm weather provides the perfect opportunity to wear that tiny little skirt that's been sitting in your closet or even nothing but a bikini and a wrap. Berry and Martinez were able to enjoy the sun but avoid most of its harmful rays by strolling in the evening. Cool mixed drinks can help you beat the heat and set the mood for a good time. If you stay in the shade, let your legs hang out and get a little tan. If you try to enjoy the sun, you'll feel like you've been transplanted to a vacation on a beautiful island and the romantic vibes will start flowing.

Related: [Three Far Flung Honeymoon Destinations](#)

3. Pick a calming environment: No matter where you choose to celebrate the summer with your partner, make sure that locale is peaceful. The beach might sound like the perfect idea, but it won't be romantic if it's packed with screaming kids and angry parents. Even the silence of the pool in your own backyard seems calm enough, but that could be disrupted by your neighbor's plans to build a deck next door. If you're trying to set up a romantic summer day, make sure to pick a location that will be quiet enough for the two of you to be together and enjoy the ambiance with the privacy you need.

Halle Berry Never Thought She'd Get Engaged Again

The third time's the charm for Halle Berry. Berry, 45, never expected to be engaged to beau Olivier Martinez, 46, reports [People](#). "Who knew [I'd get engaged again]?" said Berry during her first red carpet appearance since being engaged. "I swore it off, right? Never say never, people!" Berry has been married twice before, to baseball player David Justice and singer Eric Benét.

If a relationship fails, how do you know when to try again?

Cupid's Advice:

Knowing when to move on is difficult, especially after a rough

breakup. Here are a few ways to know when to try dating again:

1. You're over your ex: You can't be in a successful relationship if you're still thinking about your ex. When you're finally over your ex, it may be time to give dating another try.

2. You want love: If you find yourself watching romantic movies and being jealous of friends' relationships, it's probably a sign that you want love as well.

3. You're in a good place: The most stable relationships start when both partners are satisfied with their lives. If you're happy with your career and friends, try extending to that happiness to your love life.

Olivier Martinez Finally Confirms Engagement to Halle Berry

Olivier Martinez is finally speaking out. Martinez, a Miami-based restaurant owner, and Halle Berry were reportedly engaged over the holidays, reports UsMagazine.com. Martinez is only now confirming the engagement. Martinez, who started dating Berry in 2010, told reporters at his restaurant opening, “Yes, of course we’re engaged!”

What are some reasons to keep your engagement under wraps at first?

Cupid’s Advice:

After getting engaged, it’s understandable to want to share the news. However, there are some advantages to keeping the engagement under wraps. Here are a few:

1. Who to tell: Though your family and close friends should be the first to know, you’ll have to choose how and when to share the information with other friends and acquaintances. Take some time to decide how and when to share the news.

2. More details: When you tell friends about your engagement, they’re going to ask about wedding details. By waiting to

share the news of your engagement, you will be able to answer more questions about the wedding and your wedding-planning process.

3. Privacy: Though your friends will find the news of your engagement thrilling, they don't need to know right away. Wait a while and enjoy the privacy of life with your betrothed before others start asking questions.
