What do you do if your partner is more successful than you?

Cupid's Advice:

Unless Madison robs the cradle and marries Justin Beiber, she's going to be more successful than her partner. Cupid has some pointers if your lover is similar to Madison:

- 1. Put the ego aside:** For some, typically men, it's hard not to be the person who brings home the most money. With the current economy, any money you two earn is helpful.
- 2. Be proud:** In your relationship, you should be supportive of your lover. What better way to show that than by letting him or her know how proud you are of them?
- 3. Unconditional love:** In the big picture, if you truly love your "soul mate," then money shouldn't matter or play a factor

in your relationship.

What are the benefits of meeting your partner online?

Cupid's Advice:

Of course meeting someone face-to-face has its own perks, but there are certain benefits to meeting your partner online as well. Cupid has a few:

1. Looks aren't as much of a factor: Sometimes people let physical attraction get in the way of getting to know someone personally. Although you may see a photo here and there, by meeting online you get to know the person before judging his or her appearance.

2. It's easier to be honest: When you're having a conversation with someone in person, it can be difficult to say what you

really mean. If your potential partner asks a difficult question, your first inclination may be to lie. When you're typing out your answers, it's simply easier to be 100% truthful.

3. You can go slow: In person, it can be easy to get caught up in the moment. If you meet online, you can take things as slowly as you need to without feeling as pressured to move forward.
