This celebrity engagement was a huge surprise to Jennifer Lopez! What are three fun surprise proposal ideas?

Cupid's Advice:

Proposing should be fun and memorable. While you may not want to get a huge ring for your partner, here are a few ways you can get creative:

1. On a keyboard: Remember those old clacky keyboards that had keys you could remove for cleaning? Some updated gaming desktop keyboards can be used for this, too (fun keyboard lights are sure to be eye-catching). Take the keys and rearrange them to ask your partner to marry you!

2. On the beach: Pop the question on your summer beach vacation! You can do this in a lot of ways: drawing the question in the sand, making a sculpture, or just getting down on your knee with the ring if you don't want to get super fancy.

3. A themed proposal: Probably one of the most fun, choose either your partner's favorite book, show, or movie, and theme your entire proposal around it! Dress like Darcy and Elizabeth from *Pride and Prejudice*; build some Legos into a *Star Wars* themed wedding ring proposal, or put the ring in a mini Tardis if you're asking a Whovian to marry you.
