

# Celebrity Interview: Hollywood's Most Sought-After Hair Colorist Michael Canale Talks Tips for At-Home Hair Care and His New Hair Line

By [Hope Ankney](#)

Michael Canale is an American hairstylist, colorist, and the creator of Canale Hair Care Products. Yet, he's mainly famous for being the most sought-after hair specialist in Hollywood.

Being a part of the entertainment industry for years, his hands have worked magic on the likes of Reese Witherspoon,

Jennifer Aniston, and Kate Hudson. In fact, Canané is responsible for “The Rachel” look on Aniston that dominated the widely successful, early 2000s sitcom *Friends*. But, he’s recently decided to branch out and start his own line of hair care products to further help others outside of his grasp. On top of that, he has spoken out about the importance of self-care and how to maintain your color during this time of quarantine.

**In our exclusive celebrity interview, we chat Michael on his rise in the industry, advice over safe hair coloring tips, tricks to try at home, and his new hair line Canané.**

**How did all of this start for you? Was there a specific moment you remember that caused you to want to become a hair colorist?**

I was a biology minor and have always been on the chemical side of the industry. Early in my career, the colorist where I worked did not show up to the salon. The makeup artist asked me if I wanted to learn how to color hair with him. So, he taught me how to identify the right color for each type of complexion. He also showed me 3 techniques that I have expanded over time, making my own numerous techniques while retaining those 3 main concepts.

**You’ve worked with very well-known clientele over the years. Jennifer Aniston... Kate Hudson... Are there any stories you can tell us about your favorite experiences with some of them?**

I am a colorist, and I work by myself. It was amazing to see

Jennifer blow-dry her own hair as well as any stylist! Heidi Klum was the only person that ever made me blush just by her looking at me. I am honored to work with a lot of my actresses, trusting me to color their hair during their pregnancies, like Kate Hudson!

**You've been voted 14 years in a row by *Allure Magazine* as being the "best of the best" and even received praise from *Vogue*. You have such a prolific career. What advice do you have for young children or even young stylists who want to get into the field?**

Learn from the best, work with the best, and never let them down. Make the master stylist proud. Remember to keep the health of the hair, use what the client naturally has to achieve – what they desire. Work with their natural base color and their hair consistency to enhance their overall look.

**With the state of the world right now and everyone being at home due to quarantine, what are some at-home hair coloring tips for our audience?**

Between seeing your colorist and seeing them again, do not do anything that will ruin your hair. While quarantined, you can use concealers like spray and powders that cover grey. This lasts until you wash it out. Another option is demi or semi-permanent. Demi will last up to 2 weeks while semi can last up to 6 weeks when using the right hair products. Both will keep your hair color intact while waiting to see your hairdresser again. If you choose to dye your hair, remember hairlines grab darker, so try to stay lighter around the hairline. You will have to purchase 2 different boxes of color. For example, if you are doing your base medium brown use light brown around your hairline. Also for brunettes, try a color bath with the remainder of the hair color! Use a base color, you can add water and shampoo to the remaining color in the bottle and lather it into the ends of the hair to refresh it for the last 5 minutes of the process.

**From your perspective, what are the hair color trends at the moment?**

Roots are in! Try to preserve or prolong your hair color. I recommend using a color and shine-boosting gloss. All of my New SIGNATURE GLOSSES, can really refresh and enhance color for both highlights and base colors. The SUNKISSED GOLD for warmer skin tones and COOL BLUE for cooler skin tones will brighten up your blonde while MIDNIGHT BLUE cools down any brassy tones on blondes or brunettes. They last up to 2 weeks, the results are amazing! I am currently providing samples to my clients in my Canalé At Home Personalized Color Kits. The glosses will be made available in June for the Summer and can currently be pre-ordered on my website [www.colorbycanale.com](http://www.colorbycanale.com).

**Self-care in any way can be something that makes someone feel great about how they look or feel inside. How important do you feel it is to practice self-care on your hair while being isolated during this pandemic?**

Take care of yourself and your hair! Get up in the morning, take a shower, wash, and style your hair. Use boar bristles, not metal for your brushes, and avoid hot tools. Add oils to your conditioner. My new REPAIRING Hair Oil restores natural luster, hydrates, and deeply conditions dry, damaged, and color-treated hair. Just add 3-5 drops of oil to a tablespoon of Canalé SOFTEN or SOFTEN PLUS Conditioner for a deep conditioning treatment. I am also providing these samples to my clients in my Canalé At Home Personalized Color Kits. They will be made available in June and can currently be pre-ordered on my website [www.colorbycanale.com](http://www.colorbycanale.com).

**Can you tell us a little bit more about your product line, Canale?**

People would come to me and ask, "How can I keep my hair looking fresh until I see you again?" So, I created a product line that is proven to maintain and restore the integrity of treated hair from the inside out and the outside in! Canale CLEANSE Shampoo for all types of hair is the mildest shampoo that fully cleans the hair without fading color. SOFTEN Conditioner for finer hair, rebuilds the hair shaft and brings back the luster of the hair. SOFTEN PLUS Conditioner, rebuilds the hair shaft plus adds moisture, perfect for thick, unmanageable hair. Canale hair products have two supplements, one topical and one ingestible. NOURISH topical vitamin foam is applied to the root of the hair and feeds the hair follicle with key nutrients. It is applied after Cleanse shampoo and expands the hair shaft adding volume. It is the most technologically advanced product in the line. The ingestible vitamin REPLENISH feeds the hair, skin, and nails all-natural, vegan, superfood, blue-green algae, and other key nutrients that help stimulate the hair with a patent on cellular absorption by Targeted Medical Pharma.

Healthy, shiny hair that is what everyone wants!

**How did the idea come about to create the products for Canalé? Was there a specific amount of time you waited before pursuing it?**

In the past, I represented brands like *Kerastase* and *Shu Uemura*. Although I loved these products, I still felt something was missing. I made it my personal goal to develop the most holistic healthy hair care system. I partnered with Dr. David Silver and worked together to scientifically formulate a product line focusing on getting and keeping hair healthy while maintaining and extending hair color, improving the fullness of hair, and bringing out the natural shine.

**What do you think is the greatest opportunity you've had while having the platform you do as such a renowned hair colorist?**

I truly enjoy making people happy. Creating the trend, while working to bring out my client's personal best. The right color is an accessory, use it to your advantage. People can always tell my work, enhancing a person's natural complexion and eye color, this trend never goes out of style. I have appreciated the opportunity to share my work over the years with multiple generations of the most powerful woman, true icons, and inspirations.

**The hairstyles we have can be so empowering. The way one plays with theirs can be such a creative outlet. Why do you think that is?**

Hair is personal. It is an expression and extension of ourselves and our personality. It is who we are and who we inspire to be. With the latest hair color trends, individuals are empowered and encouraged to take risks. Using temporary dye or hair makeup is so fun!

*Voted "Best-of-the-Best" by Allure Magazine 14 years in a row and touted by Vogue as "not only really good, he's really*

*fast,” Canale personally travels between locations in Rancho Santa Fe, San Francisco, Dallas, New York, Washington DC and Beverly Hills, making sure that each of his clients gets the hands-on attention they need to look and feel their very best. With over 30 years’ experience, Michael Canale is a rare talent and truly among the best in the industry; his work has been published in Allure, Vogue, Vanity Fair, Women’s Health, Elle, Marie Claire, Redbook, Glamour, and New Beauty, to name a few.*

# Beauty Tips: 5 Ways to Look Great with the Least Amount of Makeup

By [Lauren Burczyk](#)

Makeup is amazing, but let's be honest, sometimes the whole routine can take up way too much time when we need to be somewhere in a hurry. Also, our skin deserves a little bit of a breather once in awhile. The good news is that there are [beauty tips](#) that can still have us looking our best while wearing less makeup. These [beauty tricks](#) will have you looking fabulous in no time!

# Here are five ways to look great with the least amount of makeup.

**1. Use less foundation:** Your face can still look flawless using less foundation. Some celebrities, like [Jennifer Aniston](#), are known for their natural look. To achieve the same, flawless style, simply use a damp sponge instead of a brush and apply your foundation in thin layers to avoid caking.

**2. Define your eyes:** Opt for a pencil liner instead of a liquid liner that is easier to smudge and to help you achieve more consistent results. Use a nude-colored pencil instead of black for your waterline, this will help you look more awake throughout the day.

**3. Don't skip the highlighter/bronzer:** Highlighter is a great way to brighten up your look and bronzer can help you contour without using much effort. Use highlighter on your brow bone, the inner corners of your eyes, and the tops of your cheeks. Bronzer can be used as a light eye or cheek contour if you're in a rush.

**4. Streamline your routine:** It's always a good idea to have some color on your cheeks. Using a strobing or shimmery blush can help to streamline your routine by depositing color and shine in one stroke.

**5. Define and thicken your brows:** Polish off your look with an easy-to-apply tinted brow gel. A brow gel can help to keep your brows in place, add color, and even helps to fill in bare spots.

By Courtney Shapiro

### **Cupid's Advice:**

Can a relationship end without animosity? Cupid has some tips to keep the break up amicable:

**1. Talk through any issues:** To end the relationship with no "hard feelings," it is important to discuss any problems you might have with one another. Work through all your issues and make sure both of you are on the same page. You will be able to be friendly if both parties were able to calmly discuss any concerns.

**2. ## **Celebrity Exes: Tate Donovan Says He was 'Dying Inside' Working with Ex Jennifer Aniston on 'Friends'**

By Ivana Jarmon

In the latest [celebrity news](#), Tate Donovan broke his silence on his break-up from [celebrity ex Jennifer Aniston](#). In 1994, the *Argo* actor guest starred on the famous NBC comedy show *Friends* for a six-episode arc. During that time, Donovan and Aniston were unfortunately breaking up in real life. Reporting exclusively to [UsMagazine.com](#), Donovan said, “I was just happy to be on the team. The only bummer was Jennifer and I were breaking up at the time. And so that was tricky to sort of act like we are just meeting each other, and falling in love, when we’re sort of breaking up. That was tough.” Donovan went on to say that because of the break-up, the arc for his character Joshua, a personal shopping client of Rachel Green’s (Aniston) at Bloomingdale’s, only lasted six episodes. But, those who knew of their break-up such as Aniston’s co-stars, were very compassionate about the whole situation. The actors were all able to remain professional.

# These celebrity exes kept it professional at work even though they were going through a break-up in real life. What are some ways to stay professional at work even if you work with your ex?

## Cupid's Advice:

Break-ups aren't easy, especially if you have to continue seeing your ex on a daily basis at work. Cupid has some tips:

**1. Keep it professional:** Work is work. Keep your personal life out of it. Even if you feel like you're dying inside, take a deep breath and keep it moving. Be civil to one another, even if he or she isn't.

**Related Link:** [Celebrity Break-Up: Justin Theroux Had 'Reservations' About Marrying Jennifer Aniston](#)

**3. Don't date your coworker in the first place:** Plain and simple. Dating a co-worker may work for some, but certainly not all. There's no reason you should have to see your ex daily. It's extremely hard to make a clean break, but it's almost impossible to make one when you share an office.

### **Cupid's Advice:**

Moving on after a break-up can be extremely difficult sometimes. What can be even worse is deciding whether to move on or not. Here are some things you should consider before moving on:

**1. Why did you both break up?:** Was the break-up over something not worth it or was it over something that was? Sometimes we break-up out of anger or over something that we think we cannot move past, but do. Evaluate things, make sure that the break-up happened for the right reasons and you're okay with that decision.

## **Celebrity Break-Up: Cheating Didn't Play a Role in Jennifer Aniston & Justin Theroux's Split**

By [Carly Horowitz](#)

The [Jennifer Aniston](#) and Justin Theroux [celebrity break-up](#) has been the [latest celebrity gossip](#) in everyone's ears the past few days. According to [UsMagazine.com](#), in order to decrease speculation, a source explained that cheating didn't play a role in the celebrity break-up between Aniston and Theroux. "The split is very mutual. They truly want each other to be happy and wish the best for one another," the source said. "Cheating is not the reason for the split and did not happen." A source also said that even though cheating did not play a role in this split, distance may have.

**This celebrity break-up didn't involve a cheating scandal. What are some ways to know if your partner is cheating?**

**Cupid's Advice:**

It is definitely not beneficial to be on guard all the time about if your partner is cheating on you, but it isn't bad to be aware that it could happen. Here are some signs that may indicate that there is some infidelity occurring in your relationship:

**1. Less time together:** If your partner randomly begins to have less time for you, they may be spending time with someone else. Obviously if your partner just got a new job or is dealing with some occurrence, they might have less time to spend with you because of that. Talk to your partner and ask why your time together has decreased.

**2. Emotional distance:** You may begin to notice that something in your relationship just doesn't feel the same. You're not connecting on that emotional level anymore. That may just be because you have gotten very comfortable in your relationship, or it may indicate that the emotional energy that your partner used to put into you is now going towards someone else. Be open and bring this emotional distance to your partner's attention.

**3. They guard their phone:** Your partner should be relatively open with their phones around you if they have nothing to hide. If out of the blue your partner starts making sure you cannot view their phone, that may not be a good sign. Overall, you can't be sure of anything unless you have proof and you don't want to go out searching for signs of cheating. Just live happily in your relationship and if you really do feel like something may be up, talk to your partner. Hopefully they will be honest with you.

# Relationship Advice: Don't Let Distance & Lifestyle End Your Relationship

By Dr. Jane Greer

People in distance relationships, whether by choice or necessity, are able to have success with a great deal of effort and flexibility. In order to make the relationship work, there must be a strong desire to be together, and a

willingness between both partners to make room for each other's respective needs. However, love does not conquer all, regardless if you are a celebrity or not.

## **Is it possible to find a resolution? Read on for more [relationship advice](#):**

Recently, [celebrity couple Jennifer Aniston](#) and Justin Theroux announced their [celebrity divorce](#) after two years of marriage, stating it was a mutual decision to part ways. While Aniston and Theroux love and respect each other, they said they simply couldn't agree on a lifestyle that worked for each other. This is a common issue couples may face: you can love someone, and still desire to live differently than them, or even desire to live in an entirely different place than them.

Splits like the one between Aniston and Theroux are often caused by the inability to find the middle ground when trying to successfully make a home in the same place. Compromise is hard enough for two people who live under the same roof, but when partners are separated by differing work schedules or physical office placement, compromise can be extremely challenging. The key to keeping the peace is to commit to a place together, making sure that both partners are happy and do not feel as though they have sacrificed their happiness and well-being.

**Related Link:** [Relationship Advice: What If Your Family Doesn't Approve Of Your Partner?](#)

So, if you're in a long distance relationship right now, what should you consider before packing up your life and moving to a new place with your significant other, to best guarantee a successful outcome? How can you be sure you or your partner are sacrificing enough, without negatively impacting your

relationship?

Above all, you and your partner must be in love. This is the most important box to check, as it gives each of you the ability to be open to change because you'll be with your loved one. While this is a starting point, it might not be enough, as we saw with Jennifer and Justin. When deciding to take the plunge, be sure to ask yourself: do you actually like the place you're moving to? Will it take away your happiness?

**Related Link:** [Relationship Advice: Is a Bad Boy Good for You?](#)

Here's some food for thought. If one of you lives in a sunny place, but the other one simply hates the sun, or if one of you lives in a rural community and the other thrives on city life, where to move might not be an easy choice to make. If all your friends live in your current town, would you resent moving away from them to be with your love? Think about how all of this might affect your day-to-day life, mood, and eventually, your relationship. If, on the other hand, your partner lives in New York City, a place you've always wanted live, great! Leaving your loved ones behind won't matter as much. Talk to your partner and hash out the details. A temporary move might not be a deal breaker. A permanent one may be, though.

It is most important to think about your relationship, what it means to you, and where you can find happiness and friends in your new home. Is this decision mutual? Do each of you want it as much as the other? Does moving mean you're ready to take the next step towards engagement?

**Related Link:** [Relationship Advice: When Is the Old New Again?](#)

It is also important to consider the strength of your connection, especially during the triumphs and tribulations. Up until now, most of the time you've spent together was special and seemingly perfect. (It's called the honeymoon phase for a reason!) You have probably tried to be on your

best behavior at all times to maintain the picturesque image. Once you move, it will be more difficult to keep up the guise.

Ultimately, if you are moving for the right reasons; for love and for openness to adventure, it is less likely that you will feel as though you have lost yourself. What really helps is when you are connected with a partner who has similar aspirations, wants, likes, and needs. In the end it, it should not feel like either of you are sacrificing your “me” to be a “we.” This wasn’t possible for Jennifer and Justin, but hopefully they can both move forward and find happiness apart.

## Celebrity News: Would Jennifer Aniston Get Back Together With Brad Pitt?

By [Jessica Gomez](#)

Former [celebrity couple Jennifer Aniston](#) and Justin Theroux's split is raising a certain question: will [celebrity exes](#) Aniston and [Brad Pitt](#) be getting back together now that they're both single? According to [UsMagazine.com](#), Aniston and Pitt will not be rekindling their [celebrity relationship](#) after all. "Jen wouldn't consider being with Brad in a romantic way," a friend of Aniston's said. "But there is always a spot in her heart for him." As for Pitt, a source said, "Brad is sad to hear about Jen's divorce. He only wishes the best for her. However, Brad hasn't reached out to Jen, and has no plans to do so at this point."

**In this [celebrity news](#), fans are speculating about Jennifer Aniston and Brad Pitt now that both have gone through splits. What are some**

# things to consider before getting back together with an ex?

## Cupid's Advice:

Whether or not to get back with an ex is an important decision. It isn't always an easy one either. Cupid has some things to consider before making the choice:

### **1. Have you both moved on from the reason you both broke up?:**

Think about the reason why you both broke up in the first place. Was it for a good reason or was it circumstantial? Then, also think about whether you both have forgiven each other completely for past mistakes. If you have, then that can be a good sign – if not, then not so much. If you feel like you haven't forgiven your ex for something, then that problem will probably constantly arise during your reconciled relationship.

**Related Link:** [Justin Theroux Found Post-Its from Brad Pitt During Jennifer Aniston Marriage](#)

**2. Do you see a future with your ex?:** Why go back to an ex if you don't think it's going to be serious and no good future ahead? Think about this thoroughly – sometimes we see a future with someone, but that future comes with unnecessary obstacles and negativity. If this is the case, then it may be a sign that your ex is meant to stay an ex. Think about this while spending some time apart – it's something big to ponder.

**Related Link:** [Justin Theroux Had 'Reservations' About Marrying Jennifer Aniston](#)

**3. What are reasons to get back together and not get back together?:** Pro and con lists are good ones to make. Be fair and think about why you should get back together with your ex and why you shouldn't. Then, weigh it all. Certain things

weigh more than others, so be honest and just with yourself when considering all the information. Making a list with a friend can help, as long as that friend isn't necessarily biased.

## **Celebrity Interview: Michael Canale Talks About His New Product Line & The Latest Celebrity Hair Styles**

By [Rachel Sparks](#)

With nearly thirty years of experience as a celebrity hair stylist, Michael Canale is best known for creating “The Rachel,” the hair style of [Jennifer Aniston’s](#) character on *Friends*. Seeing between 20 and 40 clients every day, he starts his mornings at 7 a.m. and spends anywhere from 15 to 30 minutes on each client. Adding to his already busy schedule, he has just released an ingenious new hair product line that lengthens the longevity of color and repairs damage to hair. Of course, Canale is a lot more than a stylist: He’s also a family man to three kids and an avid traveller for work. In our exclusive [celebrity interview](#), he opens up about his new product line, the latest celebrity hair styles, the importance of family, and what’s next for his booming career.

## Michael Canale Talks About New Product Line in Celebrity Interview

Canalé's new line of hair care products "is the first of its kind, focusing on getting hair ready for color and maintaining color between salon visits." The four-step process starts with a gentle shampoo that does not fade color. Following the shampoo, Nourish is a topical vitamin that helps strengthen and heal hair. The third step is the conditioner that "restores luster, softness and shine." The newest addition to his line is Replenish, "an ingestible vitamin with a vegan and all-natural approach that contains patented Targeted Cellular Technology for maximum absorption with critical ingredients that will help you achieve strong, healthy hair."

It's easy to see why we trust the Canalé product line as much as we trust the stylist to color and cut our hair. Canalé has a strong knowledge base and uses the undertones of someone's skin and eyes in order to choose their best hair color. He suggests that you look at your wrist and note the color of your veins: "If they're blue, you have a cool undertone, and if they're green, you have a golden undertone." He also recommends looking at your eye color: If you have blue-toned eyes, cool-toned highlights will be a natural compliment. For instance, blue-toned eyes with specs are best complimented with baby-blond highlights.

Making it even easier for hair color novices, he adds, “Another trick is to always use your natural hair color when creating a hair color – that’s why I prefer highlights.”

Having started the largest hair styling trend in decades with “The Rachel,” we had to ask Canalé’s perspective on must-have celebrity hair styles. In terms of hair color, he believes that ombre and balayage are on their way out. Instead, he suggests his favorite technique and says, “The hottest color trend right now is using paper thin highlights to enhance a client’s natural base and adding a finishing touch of a pop around the face to bring out a client’s eye color, giving a subtle, glamorous look.”

**Related Link:** [Get a Knockout Look with This One-Two Punch in Hairstyles](#)

When it comes to hair cuts, he encourages his clients to consider their natural texture. “If you do a cut that embraces your natural waves, it’ll require less styling with heat and tools,” he shares.

## Celebrity Hair Stylist Shares Parenting Advice

Aiding in his success is help from both his wife and manager. “I will tell you, it’s not easy. My wife is very supportive and holds down the fort when I’m out on the road,” he explains. “I also have a great manager who makes sure I don’t miss a beat when it comes to my kids.”

Despite his long days, Canalé always prioritizes time with his family. When it comes to finding your own work-life balance, Canalé says, “My best [parenting advice](#) to your readers is to never let work allow you to miss the most memorable moments and to carve out family time. Creating memories with your loved ones is priceless!”

So what's next for this celebrity stylist? For starters, he sees himself spending plenty of time in the salon. He began his career working with Leslie Ann Warren and Marsha Mason, and most recently, he's worked with Carolyn Murphy, the face of Estée Lauder, and Stephanie Hollman from *The Real Housewives of Dallas*. "I want to still be behind the chair, coloring the hair of women all over the world. I work in eight cities as of today and am looking to expand into another," he explains. "My goal is that the future of my business continues to help women feel beautiful as we create healthy and beautiful hair color."

Additionally, Canalé hopes that one of his children will join the family business someday. "I've built a career around brand-specific color techniques and would love to see it continue," he says. Plus, he promises that "a couple of incredible products will be released in 2018." So stay tuned!

Canalé saves his best piece of beauty advice for the end of our celebrity interview: "One last thing: Don't overthink your color. Your hair is your best accessory – stay colorful!"
