# In celebrity couple news, pregnancy isn't keeping Sophie Turner from protesting racism with her hubby, Joe Jonas. How do you know you've found a partner with values that align with your own?

## Cupid's Advice:

Finding "The One" is always going to be a long process, but finding someone who shares similar values as yours is especially difficult to find. If you're wondering if you and your partner have similar beliefs and ethics, Cupid has some advice for you:

**1. Just simply ask:** Don't be afraid to ask your partner how they feel about current events, politics, and social issues. It shouldn't be an interrogation session, but just you just casually asking your partner a question. This is so much easier than trying to figure out on your own, and you're bound to get a more real and authentic answer.

**2. Are they just as excited as you are?:** Whatever makes you excited when it comes to your values, whether it's protesting, donating, or a post on Instagram, should make your partner feel the same way. Typically, if you both feel the same way about something, you'll both want to help. On the side, the things that make you angry or upset in society, should make them feel the same way.

**3. Do you both see eye to eye on the simple things?:** If you two are disagreeing on something simple in the grand scheme of things, then you probably don't have similar ethics and values. Pay attention to the small things you may be bickering about and take a birds eye view to it. You may be able to see your partner's values more clearly.

## Relationship Advice: How to Handle Engagement Envy

By Dr. Jane Greer

Fashion model Gigi Hadid really wants her boyfriend, Zayn Malik, to propose after she found out her ex, Joe Jonas, just got engaged. This is a common response of feeling envious when your ex has moved on from being with you and gets engaged to someone else. It's difficult to feel like you are a step behind when you see a former partner move forward with increased commitment, planning a future life together with someone else. This can be even more challenging if you are either at a standstill in your current relationship or worse if you're not in one at all. Engagement envy can strike and push you ahead when in fact you might not be ready to get engaged, as well as lead to pressure that can create conflict.

**How, then, can you handle envy and see the potential good you have right now instead of focusing on what could have been or forcing what isn't meant to be yet? Here's some relationship advice.**

Even though a relationship is over, there can be that urge to look back and wonder what you could have done differently. There might be a lot of bad that led you to the breakup, but somehow people tend to remember that pot of good that brought and kept you together, no matter how small it might be. With that in mind, it is hard not to wonder what you might have been able to do to work things out with your ex. Should you have tried harder, or given the love you once shared a second chance? These feelings can really come to the forefront when your ex becomes engaged to another person. You might even think that could have been, maybe should have been, you.

**Related Link:** [Celebrity Couple News: Gigi Hadid's Family Calls](#)

## Zayn Malik a 'Great Guy' and Says 'She's Happy'

Those negative feelings swirl around the sense that you've been cheated. You were the one who put up with so much negativity and worked at getting your partner to change for the better, and now someone else is going to reap the benefits. Or you might feel it's not fair that your ex so easily found another partner while you might still be looking for Mr. or Mrs. Right. Or, as in Gigi's case, you might actually be part of a new couple, but seeing your ex get engaged to someone else stirs up your own desire to do the same. This could be stemming from not wanting to see your former lover be more successful than you, resulting in your forcing your new partner to take the next step before either of you are ready.

**Related Link:** [Celebrity Wedding: Joe Jonas & Sophie Turner Are Engaged](#)

All of these scenarios have the undercurrent of envy, which is never a pleasant place to be. So what can you do? First and foremost, remember what was different about the relationship you used to have and why you chose to end it in the first place. Trust your gut that you were taking care of yourself, and the breakup was in your best interest. If your ex was the one to call things off it might help to realize that the expectations he or she had for you were probably unrealistic, and take comfort in the fact that you are now free from that conflict and disappointment.

If you are currently not involved with somebody, it is really important to keep in mind that the connection you had with your ex served a purpose in helping you grow and discover what you are looking for in someone and what you're not. Even though they are now involved with someone else, try to keep that separate from your life and instead let it shed a light on what you want in your next relationship. Rather than getting caught up in feeling left behind or abandoned, or a

failure that you and your ex couldn't make it work, focus on what you took out of it to better judge and choose your next partner.

Finally, if you are in a relationship as Gigi is, and your ex is already engaged to someone else, consider that this new situation for your ex may perhaps be a rebound romance. They might be in a hurry to have a commitment, and it still might be just as fraught with the complex issues you had together. Just because he or she is choosing to get married now does not mean it will necessarily be smooth sailing ahead. If you can, sit back and maybe find some relief in the fact that it is not you on the road to marriage with someone you already know brings discontent and hard times to the table.

Hopefully Gigi and Zayn will get engaged when the time is right for them, not her ex.

# ways to personalize a marriage proposal?

## Cupid's Advice:

Guys or gals, everyone dreams of those milestone moments in our lives. To ensure your proposal is just as unforgettable as this celebrity couple's, make sure you and your partner knows what the other wants. For the beginning of your romantic adventure, here is our [relationship advice](#):

**1. Public party or intimate moment:** Some people like the spotlight and some want privacy to celebrate. Know in advance how each of you would like to pop the question to truly celebrate this moment together. Remember, this sets the dynamics for the rest of your relationship.

**2. Ditch the diamond:** Diamonds aren't always a girl's best friend. Be fearless and find a gem, cut, or band that makes a statement unique to you and your significant other. As a symbol of your relationship, the ring serves as an opportunity for bragging about how great you two are together.

**3. Switch roles:** Today, women are fighters more than ever. We get what we want because we have the freedom to make it happen ourselves. Why limit this to careers? Bend a knee to your man and take control of your relationship the way you want it.

# Celebrity News: Sophie Turner Says Dating Joe Jonas Is 'Like Living in a Fishbowl'

By [Marissa Donovan](#)

Sophie Turner is absolutely sick of having her relationship under a microscope! Jonas, who has a dating history of past [celebrity relationships](#), seems to be used to the public attention from fans and paparazzi. Hopefully the couple can work past this issue that comes with being a [celebrity couple](#)!

This [celebrity news](#) has us realizing the unique challenges celebrities face in relationships. What are the most common place challenges “normal” couples face, and what should you do about them?

### **Cupid's Advice:**

Your relationship can come with problems no matter how long you and your partner have been together. Here are some common problems couples run into while being together and how to fix them:

**1. Communicating:** One of the easiest relationship problems to solve is also the one that's the hardest to follow through with. Communicating feeling and problems in your relationship is very important and has to be done if you both want to stay together. If you struggle with sharing your concerns while being together, see a couples therapist to help translate emotions that you and your partner are experiencing!

**2. Respecting Boundaries:** Like Sophie Turner, boundaries might be your biggest issue with your relationship! Whether it's family members or your partner, sometimes they can cross the line on discussing uncomfortable issues or invade your personal belongings. Although it may feel awkward at first, confront them by addressing how you feel about their behavior and ask them to please stop. If they do not stop the unwanted action, then seek advice from a couple therapist who can personally help you tackle the issue.

**Related Link:** [Gigi Hadid Says She Rejected Celebrity Boyfriend Joe Jonas When She Was 13](#)

**3. Jealousy:** This problem is annoying and can sometimes make a person feel ashamed during their relationship. The person who is feeling jealous needs to admit the emotion and discuss their feelings. The other partner can accept and reassure their relationship is fine, or find a minor way to fix the jealousy problem. For example, if a partner is jealous of a co-worker, explain that it's just a business relationship and avoid an outside relationship with the co-worker. Jealousy comes in many forms, but it can be resolved through communication!

## **This celebrity boyfriend is one lucky man! What are some ways patience can strengthen your relationship?**

### **Cupid's Advice:**

You don't have to be a celebrity boyfriend to practice patience with your relationship. Here are three ways patience can help strengthen your relationship:

**1. It allows for more positive thoughts:** Let's face it – our partners are gonna test our patience and frustrate us. But, rather than peg our partner with a negative thought, think of your partner did during this time that tested your patience. This will also give you a way to communicate what was frustrating for you!

## 5 Celebrities Who Don't Know How to Date

By Courtney Allen

Some of the hottest celebrities in today's world find their soul mates on the Hollywood forefront. Couples from the likes of Brad Pitt and Angelina Jolie and Justin Bieber and Selena Gomez are deemed "the lucky ones" in just a handful of celebs who have hit the jackpot on love. But for others, dating is nothing more than a love taboo. After endless relationships, dates, splits, and shots at love, these five just can't seem to settle down with the right one:

**1. Taylor Swift:** If there's one thing Taylor Swift is known for, it's her willingness to share her heart-wrenching and disastrous relationships with the entire world. This seems to be one of the many reasons why this flawless Cinderella can't find a Prince Charming to last forever. Swift has dated a series of celebrities ranging from John Mayer to Jake Gyllenhaal and she has the songs to prove it. The musical genius even confessed her dating troubles, telling *British Cosmopolitan*, "I don't know how to make relationships last." Swift may not be able to make them last just yet, but practice makes perfect. The gorgeous musician recently split from One Direction's Harry Styles.

**Related:** [Celebrities With Too Much PDA](#)

**2. John Mayer:** Heartthrob John Mayer has a way with musical lyrics, but certainly not with the ladies. The smooth singer and his unfavorable habits were exposed with release of Taylor Swift's "Dear John," in which she calls Mr. Mayer out for a number of wrong-doings during their rocky relationship. The song called fans to speculate the 35-year old brown-eyed boy's past relationships, which includes celebs like Jennifer Anniston, to see if he was a repeat offender of breaking hearts. It's clear Mayer was nothing less than a heartbreaker for Swift. Let's just hope Mayer takes better care of alleged new girlfriend, Katy Perry.

**3. Emily Maynard:** Both *The Bachelorette's* and *The Bachelor's*

Emily Maynard has been in the center of love's battlefield for the past two years. This sweetheart momma has been engaged twice since both shows have ended and still remains single. Her relationship status leaves us wondering exactly how this tan, blonde bombshell's fairy-tale like relationships take a turn for the worst so quickly. Not only are her engagements called off, but they end rather messy with ex-fiancée Brad Womack's insults and Jef Holms' digs on Twitter. Seems like the last thing Miss Maynard needs is for her next few dating experiences to be televised for millions to see.

**Related:** [Celebrities Who Are Better Off Alone](#)

**4. Joe Jonas:** One-third of the Jonas' Brothers, Joe Jonas, has had his fair share of dating experiences amongst some of the youngest and hottest Hollywood starlets. His flings include powerhouse singer and actress Demi Lovato, *Twilight* star Ashley Greene, and even girl next door, Taylor Swift. It is said that Miss Swift's "Forever and Always" is all about the boy band's lead singer, but Swift wasn't as forward in revealing who ripped her heart to shreds in this tune. Not much is said about the musician when it comes to dating, but it seems like he has some trouble keeping a girl around for good.

**5. Flavor Flav:** It's hard to forget Flavor Flav as he was once the face of VHL for his popular reality television show *Flavor of Love*. The ex-rapper searched for three long seasons for a woman to call his own, with at least twenty five girls to hand-pick for himself, and still ended up with nothing. Flavor Flav did eventually find what he was looking for, but none of the girls from his show proved worthy. Even so, we can't help but think the long chain-wearing goofball has trouble dating after several failed opportunities placed directly in front of him.

Belle was raised in a strict Catholic household, and her earlier romance with abstinent musician Joe Jonas reflects those values. Belle and Tebow were seen as an affectionate pair at Latitude 30, Florida, on Tuesday night.

**What do you do if your crush starts dating someone else?**

## **Cupid's Advice:**

Better to have loved and lost, there's plenty of fish in the sea, etc. Any phrase really that will convince you to move on and stop wasting your time on a lost cause. You're emotionally vulnerable right now, and you have to protect your feelings by taking time for yourself and getting your mind off the sting of a stolen crush.

**1. Don't be desperate:** "When it rains, it pours," Tina Fey noticed as Liz Lemon on NBC's 30 Rock. This is a relationship phenomenon that happens because we don't like to see our options dwindle. Rather than giving your crush an ego boost and painful complications by confessing your undying love right after they've been taken off the market, take a step back. One ironclad guarantee is that your passionate declaration will fail if you think this is the time.

**2. Don't be sad:** Easier said than done, but if you're heading for a rut, make sure you start insulating your heart. Spend lots of time with friends, especially if it involves a night on the town, or new experiences, activities, and people. The fact that you lost your crush doesn't mean you've lost any important emotional connection. Don't let infatuation trick your feelings!

**3. Don't second guess your value:** When it comes to love and relationships, we are all so easily seduced, tricked, intrigued, hurt, and hopeful for the most ridiculous reasons. Sometimes there is no good reason, or sensible explanation, why events didn't bring you and your crush together, but worrying about these unseen and unmanageable variables can lead to self-deprecation. There's another crush out here, they're way better, and they're crazy about you even if it doesn't make sense!

Prior to the shoot, Lovato denied internet rumors about her and ex Jonas getting back together. "We've been really good friends for so long. So it's been cool hanging out with him again,"

said Lovato. She confirmed that “nothing romantic” was occurring. Jonas said, “I’ve been lucky to be able to work with a lot of great people in my life, two of whom are Demi and Meaghan. Any time we see them, it’s like a family reunion. We have catch-up time and reminisce.”

## **How do you keep rumors from affecting your relationship?**

### **Cupid’s Advice:**

Rumors are relationship killers. They are hard to avoid and are always harmful. Here are some tips on how to keep them from ruining your relationship:

**1. Tell the truth:** Being open and honest with your beau will keep you and your partner happy. When your sweetheart knows everything that is going on in your life, there is no need for them to get upset over rumors of you flirting with an old friend, when they know you caught up over ice cream.

**2. Be confident:** Don’t let stories cloud your judgment. If you trust your partner, then believe what they say and push the nonsense aside.

**3. Avoid unnecessary drama:** Avoiding situations that will create more rumors will help keep your relationship from being torn apart. Don’t have a public argument. Instead, keep it inside so that the grapevine is not telling everyone you broke up.

# Joe Jonas and Ashley Greene Are Spotted in Vegas Hanging As Friends

Jonas Brothers singer Joe Jonas and ex-girlfriend Ashley Greene were spotted hanging out with some friends in Las Vegas' Tao Nightclub. The club was full of celebrities in celebration of it's 1000th Night in Business. [People](#) reports that Jonas had dinner downstairs before heading upstairs to the party hosted by Jay-Z. Jonas and Greene seemed to be friendly with one another, while at the same time mingling with everyone else. There are no reports of anything happening other than two civil exes having a good time.

**How do you become friends with an ex after a bitter break-up?**

**Cupid's Advice:**

**After a bad break-up it's hard to go back to being friends. Its important to get some closure and let go of any animosity between you and your ex before trying your hand at friendship.**

**1. Talk it out:** Meet up with your ex and calmly discuss what lead to your break-up. A lunch date at a neutral location always helps to break the ice a little bit. This will help both you of you to heal and start fresh.

**2. Don't be awkward:** If you happen to unexpectedly run into your ex at a club or restaurant, don't avoid them or make the situation uncomfortable. Take a deep breath and say "hello". Yes, it may be awkward at first, but it could lead to a surprising civil and friendly conversation.

**3. Keep in touch:** Once the two of you have gotten past the bitterness of your previous relationship, keep in touch with one another. Exchange phone numbers or e-mail addresses (if they've changed since you broke up) and make sure to check up on each other every once in a while.

**Joe Jonas Gives Golden  
Birthday Gift to Ashley**

# Greene

*Twilight* star Ashley Greene had much to celebrate this past weekend. The actress rang in her 24th year by celebrating in Sin City with rockstar boyfriend, Joe Jonas, [People](#) reports.

Jonas gifted Greene with a Chanel bracelet, accidentally crediting the jewelry as a token from Coach. Greene adores her new jewelry. "Coach, Chanel, [it] makes no difference to him ... [But] I absolutely love it because he knows what I like," said Greene. But besides birthday jewels, Greene credits her favorite gift as, "having my best friends fly in to celebrate with me."

**What are some ways to decide what gift to give your partner?**

**Cupid's Advice:**

It takes real talent, time and thought to pick out the perfect

present for the one you love. Cupid has some tips:

**1. Stop, look and listen:** Slow down and make a mental note when your partner makes a passing comment about something that catches his or her interest. If it's something your mate keeps mentioning, but won't go out of his or her way to buy, consider it gift appropriate.

**2. Make a connection:** If you and your significant other are just starting out and you're having a hard time with gift ideas, try to find something that unites you as a couple. Is there an inside joke you both share or an uncommon interest that bonds you? The thoughtful trinket will show you care.

**3. Make him or her feel young again:** To ease the harshness of aging, turn back the clock with a toy from his childhood. Is it a summer birthday? A pair of water guns should bring a smile to his face.

## Joe Jonas and Ashley Greene Have Sushi Date in Baton Rouge

Hot new Hollywood couple, Joe Jonas and Ashley Greene were spotted on their late night date at a Hibachi restaurant in Baton Rouge. According to [People](#), managers at the restaurant they were dining at, *Ichiban*, said, “They were really friendly, they just walked in, sat down, and the word started going around that they were here.” The source also said that the duo didn’t ask for a private table or special treatment. They also consented to posing for pictures and signing autographs after their meal.

### **What makes a restaurant romantic for a date?**

#### **Cupid’s Advice:**

- 1. Dimly lit:** A restaurant that is low on lighting tends to give a feeling of privacy and usually proves to be the most intimate dating experience.
- 2. Smaller:** You don’t necessarily need the hottest restaurant in town to have the most romantic time. Sometimes the smaller restaurants have a cozy feeling.
- 3. Ethnic decor:** Restaurants with an atmosphere that make you

feel as though you're abroad adds a sense of mystery to the evening, which can be ultra romantic!

## Joe Jonas Is “Head over Heels” for Ashley Greene

Despite being spotted holding hands at a Walgreen's and on a date at Disneyland, pop singer Joe Jonas and *Twilight* star Ashley Greene have been keeping their relationship under wraps. Recently, a source told [People](#) that “[Joe] is head over heels for [Ashley]. He thinks she is down-to-earth and absolutely beautiful. He hasn't been this into a girl in a long time.” The couple have only been dating a few months,

but things appear to be moving quickly – rumors circulated that Greene recently took Jonas home to meet her parents.

### **Why is it dangerous to fall in love so fast?**

#### **Cupid's Advice:**

You can't help who you fall in love with, but you can control the pace. If things are moving too quickly, the relationship might fizzle before it has a chance to grow. Cupid says proceed slowly for the following reasons:

**1. Missing out on the little things:** If you rush into a relationship, you may overlook little quirks, pet peeves and the natural process of getting to know one another. Taking the fast track could have consequences that ultimately destroy any hope for coupledness before you begin.

**2. Feelings might not be there:** As they say, many people are "in love with love" and will rush a relationship to get to that place. The problem is that when that initial phase is over you may be left with someone who you don't really love. By taking your time, you'll have a better chance to get to know one another.

**3. It's all-consuming:** Like Greene and Jonas', a rushed relationship can take up all of your free time and alienate you from the rest of the world. If a split happens, you may find that you have fewer friendships and family relationships to fall back on.
