

Celebrity Vacation: Make Your Anniversary Special With a Vacation Like Sofia Vergara & Joe Manganiello

By [Mara](#)

[Miller](#)

[Sofia Vergara](#) and [Joe Manganiello](#) are no strangers when it comes to showing their love for each other. This [celebrity couple](#) became an item in 2014 and married the following year. Most recently, they jetted off to Positano, Italy for a [celebrity vacation](#) to celebrate their five-year dating anniversary. It's important to show your partner how much you love them and to celebrate important dates like Vergara and Manganiello, but how do you make it special?

Here is how to make your own anniversary with your partner special like Sofia and Joe's celebrity vacation dating anniversary!

Even if you decide not to jet off to Italy like Vergara and Manganiello for your own anniversary with your partner, there are still ways to make it special:

1. A mini-getaway: Celebrate your dating anniversary with your partner by whisking them off to the beach for a mini getaway, no matter what time of year. Somewhere along the beach in Virginia or the Carolinas, for example, is surprisingly tame in the off-season and you can't beat some of the great hotel prices. You might not be able to swim outside, but you'll still be able to enjoy a walk on the beach together.

2. Take them to a restaurant they've been dying to try: Has your partner been dying to try a restaurant a few states over because of their excellent ratings? Plan a day to drive them to a restaurant they've always wanted to try, but haven't tried yet because it's either too far or too pricey. If it's a higher-end restaurant, you might want to save for it, but it will be worth it to spend the night dining with your partner.

3. Save up for a larger vacation: Has your partner *really* wanted to travel to Europe, but you've just never had the time or money to travel? Why not save up and go on your anniversary? It can be anywhere in the world—Italy,

France, England, Spain—the possibilities are endless. Just be sure to check travel guidelines in the country you're planning to visit because some may require a tourist travel visa and your passport will need to be valid for so many months before you can enter the country. Flights can be up to \$2000 dollars as well, so you'll want to start planning with a budget that will allow you to cover flight costs as well as lodging and a rental vehicle.

4. Rent a cabin for the weekend: If your sweetie is more of the outdoorsy type, renting a cabin for the weekend is a way to have a home away from home. Some cabins will even let you bring your dog(s)! Cozy up by a great fire if it's for winter, or explore activities in the area like hiking or other sight-seeing options.

5. Take a craft or cooking class: Nothing brings people together like food or learning a new craft. The options on what kind of craft are endless, from decorative crafts with pottery making or a decorative craft like painting stained glass. Not the best cooks together? A cooking class can help you and your partner learn more about the art of making food, from the basics of putting together a batch of pretzels to cooking your own gourmet meal. No matter what you choose, it's sure to be special, and make you and your partner closer!

Celebrity Wedding Update! Sofia Vergara Says She'll Tie the Knot with Joe Manganiello 'Soon'

By

[Courtney Omernick](#)

Sofia Vergara recently admitted to [E! Online.com](#) that her [celebrity wedding](#) to Joe Manganiello will happen soon! The celebrity engagement happened over Christmas Eve while Sofia and Joe were in Mexico. The celebrity couple has been together for about a year. Sofia also noted that the celebrity wedding will be happening “far, far, away.”

This much awaited celebrity wedding is drawing near! How do you know when to have your wedding?

Cupid's Advice:

With a lot of celebrity relationships turning into celebrity engagements, it can be tempting to try to model your wedding after a celebrity couple's. However, a wedding is your time to decide what's right and what will work best for you and your situation, not someone else's! Below are some ideas to help you figure out when to have your wedding:

1. Weather: The weather might be the number one factor in

deciding when to have your wedding. If you'd like an outdoor wedding, but live in the Midwest, you might want to hold off on getting married until June, July, or August.

Celebrity Couple Predictions: Leighton Meester, Sofia Vergara and Taylor Swift

By [Shoshi](#)

The latest celebrity news has been filled with juicy relationship gossip, including a [celebrity pregnancy](#) announcement, a famous couple prepping for their celebrity wedding, and a singer finally settling down. Check out my predictions for the three celebrity couples below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Leighton Meester and Adam Brody: It was recently announced that Leighton Meester and Adam Brody are expecting their first celebrity baby together, sending *Gossip Girl* and *The O.C.* fans into a tizzy. I predict that their little bundle of joy will be a very cute baby, though one doesn't have to be a psychic to see that.

Related Link: [Celebrity News: Leighton Meester Says She's Never Been Dumped](#)

I have to admit that I see something in their celebrity marriage that says that this famous couple won't be together

for the long haul – that’s something that I’ve noticed since they first got married. What I see could also be a rough patch down the road that leads to a little time apart; they may find their way back to each other. Only time will reveal the outcome of this relationship and love!

This celebrity couple has let it be known that they want a bunch of kids, and I see four children circling Meester. Once this baby comes, it’s possible that the actress will focus on being a mother for a while – a bummer to her fans but a bonus to her baby.

Sofia Vergara and Joe Manganiello: I can’t help but still give this famous couple the side eye. For some reason, I keep seeing Vergara and Manganiello thrown together for publicity purposes. My psychic juices say “staged.” While they make one dynamite-looking couple, there is something that is a bit off about them. Their body language doesn’t read like a couple crazy in love. Maybe the need for companionship is what brought them together.

Now, Vergara is saying that she would like to have celebrity babies with Manganiello, even though she previously said that having more kids was not a priority. I don’t see any more kids in her future, at least not any that she’ll give birth to. Until Vergara and Manganiello walk down the aisle together, I can’t see them as a serious pair. If they do go through with it, their celebrity marriage will be short-lived. May they prove me wrong! I do wish them the best.

Taylor Swift and Calvin Harris: I love to see [Taylor Swift](#) stepping out with her new man, DJ and music producer Calvin Harris. They make a nice-looking couple. Harris is known for being a bit of a playboy, but it looks like things are progressing well with the songstress. Cheating rumors have

surfaced over the past few days – and they won't be the last ones. We can expect more gossip and women throwing themselves at Harris because they want to cause trouble between him and Swift.

When I first saw them together, I didn't see this relationship lasting for more than a few minutes, but it looks like the tide has turned. In fact, it seems like it could go longer than most of Swift's romances. As you probably know, the singer's past relationships have lasted for about ten minutes, and people have often wondered why she can't seem to keep a man around. I see Swift and Harris in a relationship for about a year and a half to two years. I don't see wedding bells, but you can expect for Swift to write nice songs about her new guy.

Sofia Vergara Breaks Silence on Frozen Embryo Saga with Celebrity Ex Nick Loeb

By Maggie

Manfredi

Let's hear it, Sofia! According to [UsMagazine.com](https://www.usmagazine.com), Sofia Vergara finally came forward about her frozen embryo drama with [celebrity ex](#) Nick Loeb. Vergara and Loeb broke off their celebrity engagement a year ago, and with that came a contractual agreement on what to do with the frozen embryos the celebrity exes produced. The founder of Crunchy Condiment Company wrote an Op-Ed in the *New York Times* about his strong feelings that these embryos should be thawed. The *Modern Family* star, who is happily engaged to Joe Manganiello, spoke on the matter with Howard Stern on his radio show. Vergara stated, "Joe and I try not to even talk about it," she said. "We have lawyers. We're having so much fun right now. We just moved into a new house. We're planning a wedding. We try not to think about this, we can't do anything. It's signed, it's done, and that's it."

These celebrity exes are still fighting! What are some ways to

keep the drama at a minimum post break-up?

Cupid's Advice:

Not all break-ups end amicably. Dealing with the backlash can be a little stressful, but Cupid has some tips on how to keep the drama to a minimum:

1. Avoid commentary: Don't go sharing every thought and feeling about your ex with the world, especially if the wounds are still fresh. Sofia waited it out and commented when it was appropriate, so you can exude patience, too.

2. Don't mix new with old: Have you moved on to a fetching new love (here's hoping you're having as good of luck as Joe and Sofia)? Try to keep the paths from crossing, as the last thing you want is to bring in drama to your new relationship or pile more on to your old one.

Sofia Vergara and Joe Manganiello Reveal Fall Celebrity Wedding Plans

By

[Rebecca White](#)

Another celebrity wedding is underway. Sofia Vergara and Joe Manganiello recently revealed that they will tie the knot this coming fall. The famous couple got engaged over the holidays after only six months of dating and the marriage plans are not moving much slower. According to [UsMagazine.com](#), although the Hollywood couple are still finalizing the wedding date, one

thing they do know is that their celebrity wedding will be huge. "It's going to be big," Vergara said. "We started off with 20 [on the guest list], and now there's like pages and pages."

Whether it's a celebrity wedding or not, timing is crucial. What are some ways to decide when to have your wedding like this famous couple?

Cupid's Advice:

Setting the date of your wedding is one of the hardest decisions to make after getting engaged. Should you go for a long engagement or a short one? Should you follow the love advice of your family and friends, or follow your heart? Cupid has some tips:

1. Choose your season: First, let's start broad and then narrow our way to the perfect date. Choosing the season you want to get married comes first. Do you want summer beach pictures? Would you prefer pictures with the leaves changing color in the fall? Think of what season makes for the best pictures.

Related Link: [Sofia Vergara Is Engaged to Joe Manganiello After Only Six Months of Dating](#)

2. Choose your price: The budget can actually decide when the ceremony will take place. For example, June, July, August, and September are the most popular times to marry, so the prices during these months will be higher. Also, deciding to marry on a weekday instead of the weekend can save money, as Saturday night weddings carry a hefty price tag.

Related Link: [Sofia Vergara Speaks Out About New Boyfriend Joe Manganiello](#)

3. Keep in mind the no-no days: After choosing what season, what month, and whether or not it will be a weekend or weekday, then you have to keep in mind specific days. For example, take a poll of the most important people who have to be there and block off their no-no days. Keep in mind various religious holidays, crunch time at work, and any other plans that may come in the way. Choosing your no-no days will narrow down your options once again, and then you're ready to decide!

Sofia Vergara and Joe Manganiello Are Like High School Kids In Love

By [Jared](#)

[Sais](#)

Celebrity couple Sofia Vergara and Joe Manganiello have been all the rage since they started dating last summer. Both seem to be the latest sex symbols that men and women alike gawk over. Vergara continues to steal the spotlight in *Modern Family*, while Manganiello went shirtless nine out of ten times in *True Blood*. It would seem this celebrity romance is meant to be. But does their body language agree? I share my expert love advice about the newly-engaged pair below.

Photo courtesy of Sofia Vergara's Instagram.

The Body Language of Celebrity Couple Sofia Vergara and Joe Manganiello

In the photo above, we see the happy couple hugging and cheek to cheek. Maybe it's their play on the classic song "Cheek to Cheek," written by Irving Berlin. It is also possible that these two are so in love that both just couldn't stand for any distance between them when taking such a heartfelt picture. I think Berlin sang it perfectly: "I seem to find the happiness I seek when we're out together, dancing cheek to cheek."

If you've read my expert love advice before, it's very likely you know the importance of mirroring. The non-verbal cue of mirroring is one of the tell-tale signs of attraction and interest. Mirroring is simple: Copying your partner's body language or imitating their actions and/or their tone and pitch. We do this to show we have things in common or to build a liking. We tend to like others that act like ourselves and even look like ourselves. Vergara and Manganiello are doing the same pose as one another, almost as if they were directed to do this by some high school prom photographer.

Hands are one of the most used tools in non-verbal body language. If we focus just on their hands, we can get an idea of how they feel at this given time. His hands lie flat and tight on her lower back or upper butt. This is an attraction point and lets others know you are interested in them. If someone put their hand there on you, how would you feel and react? Let's say the same person put their hand on you upper back near your shoulders. Do you get the same vibe, feeling, or sensation? I bet you don't. Additionally, flat hands are a sign of trust and commitment.

Now, let's look at her hand on him. She is touching his mid-back (just a tad on the lower side) with her palm and her fingertips. This is still a loving touch; her palm is flat on his back, reciprocating the same love and trust that he is showing to her.

A flat palm is not always what I see couples do. In other cases, you may see someone touch with just their fingertips. Touching with the fingertips is usually a non-verbal cue that adds distance and shows less affection.

What Their Smiles Say About This Celebrity Romance

Vergara's smile is one that shows 80 percent of her emotions. The actress is gleaming from ear to ear. Her eyes are wide in a natural way to show excitement. Her mouth shows true happiness, as her teeth are visible (mouth open). You can also see a dimple form at the end of her mouth, meaning that her cheek is in full "happy" mode and that a real smile has taken place. Her entire face is taking part in the action!

Related Link: [Sofia Vergara and Joe Manganiello Celebrate Thanksgiving Together](#)

The actor's smile is a bit less obvious. He is happy but is mainly smiling from his eyes. He does show some dimples, which is a sign that he's truly content and showing a real smile as well. This is a genuine photo of them, and they are showing real love.

Finally, there is no space between these two. That's a good sign. People in love tend to stay very close to each other. When I analyze couples, this is one of the first things I look for: the space between the two. In this photo, there is zero space, so if you're wondering how they feel about each other, it is easy to see they love each other very much. No space means more love and attraction.

This celebrity romance is just as cute and cheesy as the photo, and to top it off, we can give them the name "SoJo" to put the cherry on top of the cheesecake.

**Sofia Vergara Speaks Out
About New Boyfriend Joe
Manganiello**

By Laura

Actress Sofia Vergara recently spoke about her relationship with actor Joe Manganiello. The couple has been seen together a lot this summer, and they are adorable together. “You know, I’m just having a great time,” Vergara said in an interview. “It’s a special time in my life, and I’m trying not to think too much about it. It’s something very new, so we will see what happens.” The two were seen kissing during their vacation to Miami, where Manganiello also met the Vergara family. When asked if her mother approved, the actress replied, “What is there not to approve of?” A source told [UsMagazine.com](https://www.usmagazine.com) that the pair spends every night together, and that Manganiello cooks for his girl on their night in.

What do you do if your family doesn’t approve of your partner?

Cupid’s Advice:

Maybe you’re not as lucky as Sofia Vergara, whose mother approves of her new boyfriend. If your parents don’t approve of your partner, it’s going to add an awful lot of stress onto the relationship. But don’t worry! There are ways to address the situation and try to make everyone happy. Just follow

these simple tips from Cupid:

1. Ask your family why they don't approve. Who knows, maybe there's a good reason your family doesn't like your new love interest. They might bring up some red flags you'd never noticed before. Take what they say into consideration. They know you best, so their opinions should be important.

2. Tell them why your partner makes you happy. Maybe your family just doesn't understand your relationship, but if it makes you happy, they should be happy for you. Explain to them what you like about your partner and why this relationship has been good for you. They might just need to have it explained to them in a way they can understand.

3. Bring them together more often. First impressions are important, but they could be completely off! If your family didn't like your partner at first, try bringing them around more often and see if the opinion changes. Sometimes it just takes a while for a family to warm up to the idea of a new person being around. Soon they could start warming up to him or her and your situation will be just fine!

Celebrity Couple Predictions: Sofia Vergara, Charlize Theron and Zac Efron

By [Shoshi](#)

For today's celebrity couple predictions, we're looking at one pair that caused speculation as merely a rebound, one that sparked initial doubt from the public but may turn out to be the real thing, and one that's still in the first stages but looks promising.

Sofia Vergara and Joe Manganiello: When Sofia Vergara was first spotted getting up close and personal with *True Blood* star Joe Manganiello, they were declared the hottest couple in Hollywood. Within minutes, Kimye got dethroned as the "It" couple and became yesterday's news.

These two actors make an interesting match. On paper, they're

a ten – with their looks, money, charm, and success. However, their relationship doesn't look like it has lasting power. As a matter of fact, it looks more like a publicity move. This isn't to say that Vergara and Manganiello don't enjoy each other's company, but it benefits both of them to be seen together.

Vergara is not about to get serious with anyone. She is still getting over her relationship with her shady ex-fiancé. You know the saying: The best way to get over a man is to get under another one! Manganiello is the best kind of rebound guy – totally hot and a lot of fun.

For now, this couple is just enjoying some time together and making headlines. Don't expect a wedding invitation from them anytime soon though.

Charlize Theron and Sean Penn: Could it be that bad boy Sean Penn has actually been calmed down by love? Throughout the years, the actor has made headlines for his turbulent relationships with Madonna and Robin Wright Penn. While he was married to Wright Penn for fourteen years, they separated numerous times, which eventually ended in divorce.

The first few times that Penn was spotted with Theron, it was hard to believe since she normally dates the clean cut type. Plus, she's a single mother, so what would she be doing with him? The media then assumed it would be a short-lived fling, but now, it looks like this couple is headed down the alter.

For the first time in years, Penn actually looks happy. He is smiling in pictures all of the time, something that was rarely seen before. There are even adorable photos of him with Theron's adopted son, Jackson.

It looks like the marriage rumors could be very valid.

However, if they do wed, it will be an intimate ceremony in the fall. There will not be any big announcements, just the two of them with friends and family.

Zac Efron and Michelle Rodriguez: The first time the cameras caught Zac Efron and Michelle Rodriguez all over each other, they were making out on a yacht. The last known relationship that Rodriguez had was with model Cara Delevingne. At this point, there has not been a statement that Efron and Rodriguez are officially dating; however, the hot photos of them keep coming.

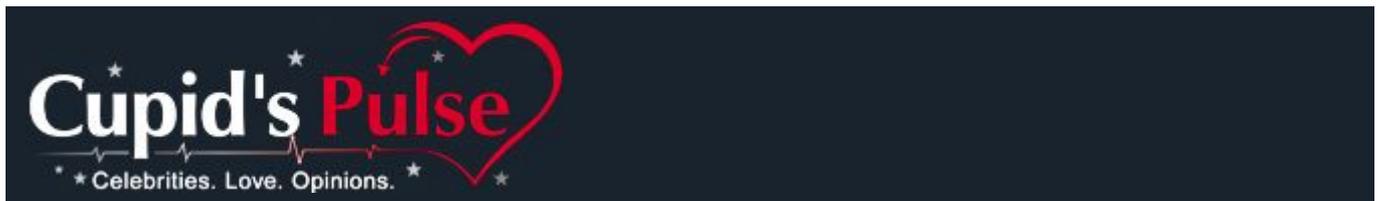

When I look at what is going on between this duo, their attraction to each other is mutual respect and support. While the media keeps saying that it may be a bad idea for them to be together, she may be just the thing that the actor needs. If anyone can understand his drug addiction, it's Rodriguez, who has had issues with drugs herself.

For now, this relationship will stay low-profile, as it's one that Efron is not ready to share with the world. With Rodriguez, he gets to be exactly who he is without any pressure, which is exactly what he wants right now.

Sarah Hyland Says Sofia Vergara and Joe Manganiello

Would Make 'Hot Babies'

By

Shannon Seibert

'Modern Family' star Sofia Vergara is in all of the latest headlines for her new, sizzling relationship with Joe Manganiello. Her costar, Sarah Hyland, plays her niece Haley on the show, and she recently opened up to UsMagazine.com about Vergara's relationship. Hyland said Vergara and Manganiello looked really hot together. "They'd make really hot babies," added Hyland.

How do you know if steamy attraction is blinding your good judgment?

Cupid's Advice:

When a woman is asked to describe their perfect man the words "handsome" or "attractive" are usually some of the first words to come to mind. Looks are a vital point in chemistry between

two people, but they aren't everything. When in a relationship with an extremely attractive partner, be sure to not let his steamy appearance cloud your judgement. Ask yourself these three questions to ensure you aren't allowing your vision to be skewed.

1. What else do you like about him? If your first thoughts on your man jump to the way his abs are chiseled, you may have to take a step back and get ahold of yourself. Yes, we all love a good washboard but what about your man's heart? If it isn't in the right place this relationship may just remain stagnant until one or both of you find someone to move forward with.

Related: ['Bachelorette' Andi Dorfman Brings Two Men to Fantasy Suite](#)

2. Do you let him get away with more than you should? Say you're out on a date and as you're ordering your chicken marsala he starts talking up your waitress. Normally this isn't okay by any standard. You're starving but he can't help it, right? It's not his fault that he's so attractive. So you let him get away with it. This is an example of thinking with organs other than your brain, it's not just men who do it. Be sure to keep yourself from letting him walk all over you, or lead you to want to walk away.

3. You find your insecurities becoming more present: When you're dating an extremely attractive person, it's normal to feel insecure. In relationships, couples become hyper-aware of interactions between their mate and the opposite sex. You may fear that he will cross the line but remember that he chose you to be with. You're just as much of a goddess as he appears to be a god to you. Simmer down and cage the jealous green monster.
