# In celebrity news, Kendall Jenner and A\$AP Rocky wasted no time getting together after he was released from prison. What are some ways to support your partner after a traumatic event?

## Cupid's Advice:

While the celebrity exes spent no time getting reacquainted with each other after Rocky's release from prison, Cupid has some advice on how to navigate a relationship and support your partner after a traumatic event:

**1. Be communicative with each other:** Communication is important, especially if the one you love has been gone for months. In order to rebuild the relationship and understand parts of your partner's experience you may not be all that familiar with, having open and honest conversations is helpful. Most of the time, survivors of trauma have a lot on their mind and just need someone to talk to in a safe space without judgment.

**2. Comfort your partner:** Sometimes when words fail, physical touch can do wonders. Whether you comfort your partner by kissing them on the forehead or tightly embracing them, you are providing a safe and supportive environment for them. Words are not always enough, but just your presence can be appreciated and let your partner know that you are there for them.

By knowing your partner's triggers you can help make them feel safe and avoid exposure to their certain triggers.

## **In celebrity break-up news, Kendall and Ben have called it quits. What are some ways to know your relationship has long-term potential?**

### **Cupid's Advice:**

When you are in a relationship that has true potential to become long-term, you and your partner should enjoy each other's company, have chemistry, and feel comfortable just being yourselves around one another. Cupid has some advice to help you decide if your relationship is built to last:

**1. You feel at ease being your true self with your partner:** Everyone is on their best behavior when dating someone new, but once you have been together a while and have reached the point you are considering your relationship becoming long-term you should be comfortable around your partner. Each of you should feel at ease being yourself with one another without worrying the other will be put-off by your personality.

If the two of you still have your independence without giving each other the guilt trip, this is another good sign you might be with the right person for a long-term commitment.

## **Fitness Tips: Prepare for a Day of Hiking**

By [Mara](#)

[Miller](#)

Celebrities like [Kate Hudson](#), [Jessica Biel](#), and [Kendall Jenner](#) say hiking helps them stay crazy-fit, so why not think about taking a hike yourself with this [fitness tip](#)? Pack up your gear, grab your sweetie or your dog, and go for a nice long walk. Taking a hike is a good way to reduce stress levels, it makes you unplug from electronics, and it helps you lose weight!

**In this fitness tip, we'll explore what you need in order to have a safe hike for a mini getaway from life.**

It's important to be prepared for your hike. If you're not used to hiking and decide to do it spur of the moment, it can have some disastrous consequences like dehydration or injury. If you follow these tips, you'll have fun on your hike and won't have to worry about any of the negatives:

**1. Make sure you have a buddy:** Depending on the trail you take, it can be dangerous to hike alone. It's best to plan your hike with your partner or a friend in case anything happens on your hike. Remember, you've probably chosen a day of hiking to be closer to nature, but nature (and snakes and other wildlife) will be closer to you!

**Related Link:** [Travel Tips: Top Five Romantic Spots in the Bluegrass State](#)

**2. Research the trail you've chosen:** Finding a map of the place you plan to hike is important. You don't want to get lost and it's a good idea to know where it comes out so you don't end up hiking for days.

[Travel Tips: Three Historical Colonial Towns You Need to Visit](#)

**3. Make sure you're physically prepared:** Hiking is just like any other workout. You want to make sure you're prepared so you don't injure yourself. Yoga is a good way to prepare because you're stretching out your muscles before you do any intense walking.

**4. Dress smart:** Cotton dries slowly, which can cause chafing, and loses its thermal properties when wet. Try modern backpacking clothes, which do away with all the problems cotton can cause. And don't forget a good pair of hiking boots—the more lightweight, the better—either.

**5. Water, water, water:** Make sure you bring enough water to support you while you're hiking. The last thing you want to do is get so dehydrated that you have a migraine for two days after you are finished with the hike, especially if you choose to do it on a hot day. Dehydration is dangerous, and it can be more dangerous when you are cut off from the world if your cell phone loses signal on the hike.

**Are there any other essential things you need for a day of hiking? Let us know in the comments below!**

What a celebration!

**In celebrity baby news, Khloe**

# enjoyed a baby shower while also celebrating her partner's birthday. What are some ways to balance celebrations in your family?

## **Cupid's Advice:**

Celebrating two events in a day can create some very busy energy, but that doesn't make it any less fun! Cupid has some ideas on ways to maintain the balance between both family celebrations:

**1. Plan ahead and thoroughly:** One event takes time to plan, so imagine two. You don't want to stress yourself out. Ask for help planning if needed. There are many things to consider when planning, so make an agenda and get started when possible. When planning both events side by side, you are more likely to keep them balanced as well.

**Related Link:** [Rachel McAdams Is Pregnant With Her First Child](#)

**2. Make the events equal in size:** Of course this depends on what type of events you are coordinating, but if you want to create two balanced ones on the same day, without one event outshining the other, it could be a good idea to make them the same size. When thinking of size, you should consider guest lists, themes, decorations, amount of food, etc. Again, this depends on the type of events.

**Related Link:** [Meghan Markle Gets Baptized at Chapel Royal at St. James Place Prior to Celebrity Wedding](#)

**3. Schedule properly:** Time management is important. One event should be during the day and the other in the evening, ideally. Plan accordingly by scheduling the events at specific times for specific time periods, with enough room to change

clothes if necessary and traveling. There should be a reasonable gap in between, so in order to consider this properly, the events should be on a somewhat tight schedule for the best, stress free results.

# Beauty Trend: 5 Face Masks to Try

By

[Rachel Sparks](#)

Fall is coming. That means sugary delights, flavored coffees, chunky sweaters, and all those knits you've been dying to wear for the past six months. That also means dry skin, and what's worse than a flaky face? Celebrities like [Kendall Jenner](#) always have glowing skin, despite the season. How do they do it?

## Follow this beauty trend, and check

# out our winter season face mask recommendations for all your skin care needs.

Our skin needs change as seasons move on. Age, hormones, stress, and make-up all add their set of troubles. When choosing a mask, focus on what your skin needs and what issue you want to target. Whatever your concern, be it wrinkles, hydration, brightening, lifting, or acne, we've got your introduction to masks.

**1. Honey and coconut mask:** Soothe those winter wrinkles with this double-power hydrating mask. Winter dries you out and no matter your age, those cold winds wear down the skin. Give your skin a break by re-hydrating, brightening, and lifting with a honey coconut mask.

**Related Link:** [Beauty Tricks: 7 Ways to Maintain a Young-Looking Face](#)

**2. Moisture bomb:** For ultimate hydration, try a sheet mask. Sheet masks are the newest beauty trend and are worth trying; you'll fall in love! They cool, soothe, hydrate, and decrease puffiness. For extra hydration, don't wash your face immediately after taking off the mask; let your skin soak up as much moisture as it can.

**3. Brightening mask:** Brighten your skin for that healthy summer glow all winter long. Look for paraben, sulfate, and phthalate-free masks to avoid further chemical pollution. Continue use weekly, or as needed, until you find your skin to have that photo-ready glow.

**Related Link:** ['Botched' Star Dr. Paul Nassif Launches New Anti-Aging Skincare Line](#)

**4. Purifying mask:** Clay masks used to be all the rage, and

for this clarifying option we urge you to return to that trend. Letting the clay rest on your skin brings toxins to the surface, and whether it's a peel or scrub off type of mask, both options rid your skin of contaminants for a clear complexion.

**5. Mud firming treatment:** Mud masks are great outside of the spa, too. They pull the skin inward, tightening loose sections and reducing age lines by years. reproduce spa day at home for a return to a younger version of yourself.

At some point in time, you'll end up thinking of someone you know more often than you used to. Eventually you'll realize that your frequent musings are more than the friendly kind. When you discover you've developed a crush, it can be intimidating to move forward with a relationship. For this reason, let Cupid be your guide on getting your crush to notice you:

**1. Be a detective:** Before you declare your newfound infatuation, it might be best if you do some investigating. Ask mutual friends if your crush has mentioned you, or look closely at your interactions with your crush. You might be able to find out if they feel the same way by snooping around a bit.

# Celebrity Couple Predictions: Kendall Jenner, Nicki Minaj and Minka Kelly

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that are just getting started, such as with Kendall Jenner and A\$AP Rocky, and former exes Minka Kelly and Wilmer Valderama. In terms of more serious relationships, one of Hollywood's most anticipated marriages involve rappers Nicki Minaj and Meek Mill. But who's stepping out this time around hand in hand? Join me as I look into the crystal

ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

## **Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last**

**Kendall Jenner and A\$AP Rocky:** I'm convinced that Kris Jenner had a secret meeting with the Kardashian/Jenner kids where she told them they could only date black people associated with rap music. It appears that Kendall Jenner is now following the family trend by allegedly dating rapper A\$AP Rocky. Jenner and Rocky been spotted having dinner together as they creep out during the late night hours. While they're doing the "date thing," don't call them boyfriend and girlfriend just yet. Jenner is taking it slow. She wants to enjoy herself. Basically, she is testing him out to see if he's worth her time. If Rocky wants Jenner to take him seriously, he is going to have to step it up. Kendall tends to be a little more "low key" and drama free with her relationships. She won't flaunt her love affair like Kylie or Kim. But only time will tell if they officially become a couple. Don't be surprised if Jenner is on mystery dates with someone else.

**Related Link:** [Kendall Jenner Says Parent's Split 'Sucked'](#)

**Nicki Minaj and Meek Mill:** Everyone seems to be wondering when Nicki Minaj and Meek Mill will walk down the aisle. That wedding may be getting closer. The celebrity couple just moved in together in fancy crib in Beverly Hills. In April, Minaj said she was single on the Ellen Show, so this move is a big step. Minaj looks all the way into the relationship, but there is something about Mill that looks shady for lack of a better word. I'm not saying that he's cheating on Minaj, but he

leaves the door open for other women. He likes to get his flirt on which could lead to trouble down the line. If they don't get married soon, it may never happen. There is a big chance that they will simple crash and burn after the relationship runs it's course.

**Related Link:** [Celebrity Couple: Nicki Minaj & Meek Mill Spark Engagement Rumors Again](#)

**Minka Kelly and Wilmer Valderrama:** Didn't Wilmer Valderrama and Demi Lovato break up like five minutes ago? Well Valderrama is not wasting time crying about it. He has already hooked back up with his ex Minka Kelly. The two dated in 2012, so this is their second time around. While they will have some fun, the relationship is not for the long haul. Kelly will want more than what Valderrama can give her, which is marriage or at least a nice long term commitment. She will eventually have to move on. Valderrama is always dating a hot actress or singer. What is it about him that is hard to resist? He will continue to woo the ladies and probably won't be ready to settle down until he hits his 40s.
